- (6) A nominated Commissioner may not be appointed as the chairman of the Commission.
- (7) For the purposes of this section, the relative size of any two or more registered parties shall be determined according to the number of Members of the House of Commons belonging to each party at the time in question (or, in the case of two parties with the same number of Members, according to the total number of votes cast for persons standing for election in the name of each of those parties at the most recent parliamentary general election).
- (8) A reference in this section to a Member of the House of Commons does not include any Member of that House who at the time in question—
