

Energy Act 2011

CHAPTER 16

ENERGY ACT 2011

PART 1

ENERGY EFFICIENCY

CHAPTER 1

GREEN DEAL

Introductory

- 1 Green deal plans
- 2 Green deal plans: supplementary
- 3 Framework regulations

Green deal plan

- 4 Assessment of property etc
- 5 Terms of plan etc
- 6 Consents and redress etc
- 7 Installation of improvements
- 8 Confirmation of plan
- 9 Confirmation of plan: supplementary provision for England and Wales
- 10 Confirmation of plan: supplementary provision for Scotland
- 11 Updating information produced under section 8

Disclosure of green deal plan etc

- 12 Disclosure of green deal plan etc in connection with sale or letting out
- 13 Disclosure of green deal plan in connection with other transactions etc
- 14 Acknowledgment of green deal plan on sale or letting out

Changes to legislation: There are currently no known outstanding effects for the Energy Act 2011. (See end of Document for details)

- 15 Acknowledgment of green deal plan in connection with other transactions etc
- 16 Sanctions for non-compliance with obligations under sections 12 to 15

Modifying energy licences

- 17 Power to modify energy licences in connection with green deal payments
- 18 Power to modify energy supply licences to make provision as to default in green deal payments
- 19 Power to modify energy supply licences to require provision of information
- 20 Power to modify energy supply licences to make provision as to consumer protection
- 21 Powers under sections 17 to 20: consultation
- 22 Powers under sections 17 to 20: supplementary

Gas and electricity codes

- 23 Recovering green deal payments: gas suppliers
- 24 Recovering green deal payments: electricity suppliers

Modifying consumer credit legislation

- 25 Exemption from Consumer Credit Act 1974 in relation to credit to business debtors
- 26 Energy suppliers not to be treated as carrying on ancillary credit business
- 27 Duties to give debtors information and statements
- 28 Exemption from requirement to give notice of sums in arrears
- 29 Early repayment of green deal finance
- 30 Power to amend Consumer Credit Act 1974

- 32 Exercise of scheme functions on behalf of the Secretary of State or a public body
- 33 Duty to report

General

- 34 Power of Secretary of State to deal with special circumstances
- 35 Appeals
- 36 Funding for energy efficiency advice
- 37 Preparatory expenditure: framework regulations
- 38 Green deal installation apprenticeships
- 39 Parliamentary procedure in relation to code of practice
- 40 Regulations and orders
- 41 Crown application: Chapter 1

CHAPTER 2

PRIVATE RENTED SECTOR: ENGLAND AND WALES

Changes to legislation: There are currently no known outstanding effects for the Energy Act 2011. (See end of Document for details)

Introductory

- 42 Meaning of “domestic PR property” and “non-domestic PR property”:
England and Wales

Domestic energy efficiency regulations

- 43 Domestic energy efficiency regulations
44 Further provision about domestic energy efficiency regulations
45 Sanctions for the purposes of domestic energy efficiency regulations

Tenants' energy efficiency improvements regulations

- 46 Tenants' energy efficiency improvements regulations
47 Further provision about tenants' energy efficiency improvements
regulations
48 Sanctions for the purposes of tenants' energy efficiency improvements
regulations

Non-domestic energy efficiency regulations

- 49 Non-domestic energy efficiency regulations
50 Further provision about non-domestic energy efficiency regulations
51 Sanctions for the purposes of non-domestic energy efficiency
regulations

General

- 52 Regulations and orders: Chapter 2
53 Crown application: Chapter 2

CHAPTER 3

PRIVATE RENTED SECTOR: SCOTLAND

Introductory

- 54 Meaning of “domestic PR property” and “non-domestic PR property”:
Scotland

Scottish domestic energy efficiency regulations

- 55 Scottish domestic energy efficiency regulations
56 Further provision about Scottish domestic energy efficiency regulations
57 Sanctions for the purposes of Scottish domestic energy efficiency
regulations

Scottish tenants' energy efficiency improvements regulations

- 58 Scottish tenants' energy efficiency improvements regulations
59 Further provision about Scottish tenants' energy efficiency
improvements regulations
60 Sanctions for the purposes of Scottish tenants' energy efficiency
improvements regulations

Changes to legislation: There are currently no known outstanding effects for the Energy Act 2011. (See end of Document for details)

Scottish non-domestic energy efficiency regulations

- 61 Scottish non-domestic energy efficiency regulations
- 62 Further provision about Scottish non-domestic energy efficiency regulations
- 63 Sanctions for the purposes of Scottish non-domestic energy efficiency regulations

General

- 64 Regulations and orders: Chapter 3
- 65 Crown application: Chapter 3

CHAPTER 4

REDUCING CARBON EMISSIONS AND HOME-HEATING COSTS

- 66 Promotion of reductions in carbon emissions: gas transporters and suppliers
- 67 Promotion of reductions in carbon emissions: electricity generators, distributors and suppliers
- 68 Promotion of reductions in home-heating costs: gas transporters and suppliers
- 69 Promotion of reductions in home-heating costs: electricity distributors and suppliers
- 70 Overall home-heating cost reduction targets
- 71 Power of Secretary of State to require information: carbon emissions reduction targets and home-heating cost reduction targets
- 72 Minor and consequential amendments

CHAPTER 5

INFORMATION ABOUT ENERGY CONSUMPTION, EFFICIENCY AND TARIFFS

Smart meters

- 73 Smart meters

Energy performance certificates

- 74 Access to register of energy performance certificates etc: England and Wales
- 75 Access to register of energy performance certificates etc: Scotland

Information about tariffs

- 76 Power to modify energy supply licences: information about tariffs
- 77 Power to modify energy supply licences: procedure and supplemental
- 78 General duties of the Secretary of State

Changes to legislation: There are currently no known outstanding effects for the Energy Act 2011. (See end of Document for details)

PART 2

SECURITY OF ENERGY SUPPLIES
