- (2) The sums and assets that make up the fund immediately before the payment is made become newly-designated funds immediately before the payment is made (so that the payment is made out of the member's flexi-access drawdown fund in respect of the arrangement and therefore is not part of the total capped by pension rule 5).
- (3) For the purposes of sub-paragraph (1)(c), a payment of drawdown pension in respect of an arrangement is one that would breach the cap if, when its amount is added to the amounts of any drawdown pension in respect of the arrangement—

  - (b) the sums or assets transferred are, under the arrangement under the new scheme for whose purposes they are first held after the transfer, designated as available for the payment of drawdown pension.
