- (1) This section applies if for a tax year an individual is entitled to relief under section 274A in respect of a relievable amount or in respect of each of two or more relievable amounts, and in the following subsections of this section “relievable amount” means that relievable amount or (as the case may be) any of those relievable amounts.
- (2) In respect of a relievable amount, the actual amount on which relief for the year is to be given is (subject to subsection (3)) the amount (“L”) that is the lower of—
 - (a) the relievable amount, and
 - (b) the total of—
 - (i) the profits for income tax purposes of the property business concerned for the year after any deduction under section 118 of ITA 2007 (“the adjusted profits”) or, if less, the share (if any) of the adjusted profits on which the individual is liable to income tax otherwise than under Chapter 6 of Part 5, and
 - (ii) so much (if any) of the relievable amount as consists of current-year estate amounts.

- (3) If S is greater than the individual's adjusted total income for the year ("ATI"), the actual amount on which relief for the year is to be given in respect of a relievable amount is given by—

$$\frac{ATI}{S} \times L$$

where—

S is the total obtained by identifying the amount that is L for each relievable amount and then finding the total of the amounts identified, and

L has the same meaning as in subsection (2).

- (4) Where—
- (a) a relievable amount,
- is greater than—
- (b) the actual amount on which relief for the year is to be given in respect of the relievable amount,
- the difference is the individual's brought-forward amount for the following tax year in respect of the property business concerned.

- (5) The amount of the relief for the year in respect of a relievable amount is given by—

$$AA \times BR$$

where—

AA is the actual amount on which relief for the year is to be given in respect of the relievable amount, and

BR is the basic rate of income tax for the year,

- (6) For the purposes of this section, an individual's adjusted total income for a tax year is identified as follows—

Step 1

Identify the individual's net income for the year (see Step 2 of the calculation in section 23 of ITA 2007).

Step 2

Exclude from that net income—

- (a) so much of it as is within section 18(3) or (4) of ITA 2007 (income from savings), and
- (b) so much of it as is dividend income.

Step 3

Reduce what is left after Step 2 of this calculation by the amount of any allowances deducted for the year in the individual's case at Step 3 of the calculation in section 23 of ITA 2007. The result is the individual's adjusted total income for the year.

274B Reduction for accumulated or discretionary trust income: entitlement

- (1) If for a tax year the trustees of a settlement have—
- (a) a relievable amount in respect of a property business, or

- (b) two or more relievables amounts each in respect of a different property business,
the trustees of the settlement are entitled to relief under this section for that year in respect of that relievables amount or (as the case may be) each of those relievables amounts.
- (2) The trustees of a settlement have a relievables amount for a tax year in respect of a property business if for that year the trustees of the settlement have a current-year amount, or brought-forward amount, in respect of that business (or have both).
- (3) In the case of trustees of a settlement, their relievables amount for a tax year in respect of a property business is the total of—
- their current-year amount (if any) for that year in respect of that business, and
 - their brought-forward amount (if any) for that year in respect of that business.
- (4) The trustees of a settlement have a current-year amount for a tax year in respect of a property business if—
- an amount (“A”) would be deductible in calculating the profits for income tax purposes of that business for that year but for section 272A,
 - the trustees of the settlement are liable for income tax on N% of those profits, where N is a number—
 - greater than 0, and
 - less than or equal to 100, and
 - in relation to the trustees of the settlement, that N% of those profits is accumulated or discretionary income,
- in which event the current-year amount of the trustees of the settlement for that tax year in respect of that business is equal to N% of A.
- (5) As to whether the trustees of a settlement have a brought-forward amount for a tax year in respect of a property business, see section 274C(3).
- (6) In this section and section 274C “accumulated or discretionary income” has the meaning given by section 480 of ITA 2007.

274C Reduction for accumulated or discretionary trust income: calculation

- (1) This section applies if for a tax year the trustees of a settlement are entitled to relief under section 274B in respect of a relievables amount or in respect of each of two or more relievables amounts, and in the following subsections of this section “relievables amount” means that relievables amount or (as the case may be) any of those relievables amounts.
- (2) The amount of the relief in respect of a relievables amount is given by—

$$L \times BR$$

where—

BR is the basic rate of income tax for the year, and

L is the lower of—

- (a) the relievable amount, and
 - (b) the profits for income tax purposes of the property business concerned for the year after any deduction under section 118 of ITA 2007 (“the adjusted profits”) or, if less, the share of the adjusted profits—
 - (i) on which the trustees of the settlement are liable for income tax, and
 - (ii) which, in relation to the trustees of the settlement, is accumulated or discretionary income.
- (3) Where L in the case of a relievable amount is less than the relievable amount, the difference between them is the brought-forward amount of the trustees of the settlement for the following tax year in respect of the property business concerned.”
- (2) In consequence of the amendment made by subsection (1), in F(No.2)A 2015 omit section 24(5).

- (2) After Chapter 5E of Part 13 of ITA 2007 insert—

“CHAPTER 5F

INCOME-BASED CARRIED INTEREST

Income-based carried interest

809FZA Overview

- (1) This Chapter determines when carried interest arising to an individual from an investment scheme is “income-based carried interest” for the purposes of Chapter 5E (and, in particular, section 809EZB(1)(c)).
- (2) Section 809FZB contains the general rule, under which the extent to which carried interest is income-based carried interest depends on the average holding period of the investment scheme.
- (3) Sections 809FZC to 809FZP contain further provision relating to average holding periods.
- (4) Sections 809FZQ and 809FZR contain a particular rule for direct lending funds.
- (5) Sections 809FZS and 809FZT contain an exception to the general rule for carried interest which is conditionally exempt from income tax.
- (6) Sections 809FZU to 809FZZ contain supplementary and interpretative provision.
- (7) Nothing in this Chapter affects the liability to any tax of—
 - (a) the investment scheme, or
 - (b) external investors in the investment scheme.

809FZB Income-based carried interest: general rule

- (1) “Income-based carried interest” is the relevant proportion of a sum of carried interest arising to an individual from an investment scheme.

Status: This is the original version (as it was originally enacted).

- (2) The relevant proportion is determined by reference to the investment scheme’s average holding period as follows.

<i>Average holding period</i>	<i>Relevant proportion</i>
Less than 36 months	100%
At least 36 months but less than 37 months	80%
At least 37 months but less than 38 months	60%
At least 38 months but less than 39 months	40%
At least 39 months but less than 40 months	20%
40 months or more	0%

- (3) This section is subject to the following provisions of this Chapter.

Average holding period

809FZC Average holding period

- (1) The average holding period of an investment scheme, in relation to a sum of carried interest, is the average length of time for which relevant investments have been held for the purposes of the scheme.
- (2) In this section, “relevant investments” means investments—
- (a) which are made for the purposes of the scheme, and
 - (b) by reference to which the carried interest is calculated.
- (3) The average holding period is calculated by reference to the time the carried interest arises.
- (4) It is calculated as follows.
- Step 1*
For each relevant investment, multiply the value invested at the time the investment was made by the length of time for which the investment has been held.
- Step 2*
Add together the amounts produced under *step 1* in respect of all relevant investments.
- Step 3*
Divide the amount produced under *step 2* by the total value invested in all relevant investments.
- (5) Disregard intermediate holdings or intermediate holding structures (including intermediate investment schemes) by or through which investments are made or held—
- (a) when identifying, for the purpose of determining the average holding period of an investment scheme, what relevant investments are held for the purposes of an investment scheme, and
 - (b) for any other purpose relating to the determination of the average holding period.

Status: This is the original version (as it was originally enacted).

This is subject to the following provisions of this Chapter.

- (6) In this section, references to the length of time for which a relevant investment has been held are—
 - (a) in the case of an investment which has been disposed of before the carried interest arises, references to the time for which it was held before being disposed of, and
 - (b) in any other case, references to the time for which it has been held up to the time the carried interest arises.
- (7) For the purposes of this Chapter, carried interest which is deferred carried interest in relation to a person within the meaning of section 103KG of TCGA 1992 is to be treated as arising to that person at the time it would have arisen had it not been deferred as specified in section 103KG(3)(a) or (b) of that Act.
- (8) Sections 809FZD to 809FZP apply for the purposes of determining the average holding period of an investment scheme.

Average holding period: disposals

809FZD Disposals

- (1) An investment or part of an investment is disposed of where—
 - (a) there is a disposal of the investment or the part of the investment for the purposes of the investment scheme,
 - (b) there is a disposal for the purposes of the investment scheme of an intermediate holding or intermediate holding structure (including an intermediate investment scheme) by or through which the investment is held, or
 - (c) in any other case, there is a deemed disposal under subsection (2).
- (2) There is a deemed disposal of an investment or part of an investment under this subsection where—
 - (a) under any arrangements—
 - (i) the scheme in substance closes its position on the investment or the part of the investment, or
 - (ii) the scheme ceases to be exposed to risks and rewards in the respect of the investment or the part of the investment, and
 - (b) it is reasonable to suppose that the arrangements were designed to secure that result.
- (3) In the case of a disposal of part of a holding of securities in a company which are of the same class, suppose for the purposes of determining which investments have been disposed of that the disposal affects the securities in the order in which they were acquired (that is, on a first in first out basis).
- (4) The references in subsection (1)(a) and (b) to a disposal are to something which is a disposal for the purposes of TCGA 1992; but for the purposes of subsection (1)(a) disregard section 116 of TCGA 1992 (which disapplies sections 127 to 130 of that Act in relation to qualifying corporate bonds).

809FZE Part disposals

- (1) Where there is a disposal of part of an investment, the part disposed of and the part not disposed of are to be treated as two separate investments which were made at the same time.
- (2) The value of each of those two separate investments is the appropriate proportion of the value first invested in the whole investment.
- (3) The appropriate proportion is the proportion of the value of the part in question to the value of the whole investment at the time of the disposal.
- (4) The disposal of part of an asset includes the disposal of an interest in or right over the asset (and “part disposed of” is to be construed accordingly).

809FZF Unwanted short-term investments

- (1) The making and disposal of an investment for the purposes of an investment scheme are to be disregarded if—
 - (a) the investment is an unwanted short-term investment, and
 - (b) the unwanted short-term investment is excludable.
- (2) An investment is an unwanted short-term investment where—
 - (a) the investment is made as part of a transaction under which one or more other investments are made for the purposes of the scheme,
 - (b) the value of the investment does not exceed that of the other investments taken together,
 - (c) it is reasonable to suppose that the investment had to be made in order for the other investments to be made,
 - (d) at the time the investment is made, managers of the scheme have a firm, settled and evidenced intention to dispose of the investment for the purposes of the scheme within the relevant period,
 - (e) the investment is disposed of for the purposes of the scheme within the relevant period, and
 - (f) any profit resulting from the disposal has no bearing on whether a sum of carried interest arises or on the amount of any sum of carried interest which does arise.
- (3) An unwanted short-term investment is excludable if it constitutes—
 - (a) an investment in land,
 - (b) an investment in securities in an unlisted company,
 - (c) the making of a direct loan where the other investments specified in subsection (2)(b) are shares or other securities in an unlisted company, or
 - (d) the making of a direct loan which is a qualifying loan within the meaning given by section 809FZR(2).
- (4) In subsection (2)(e) “relevant period” means—
 - (a) for an investment within subsection (3)(a), 12 months;
 - (b) for an investment within subsection (3)(b) or (c), 6 months;
 - (c) for an investment within subsection (3)(d), 120 days.

Status: This is the original version (as it was originally enacted).

- (5) But if at any time it becomes reasonable to suppose that, when the scheme ceases to invest, 25% or more of the capital of the investment scheme will have been invested in unwanted short-term investments which are excludable, subsection (1) does not apply to any investment made subsequently for the purposes of the scheme.

Average holding period: derivatives and hedging

809FZG Derivatives

- (1) A derivative contract entered into for the purposes of an investment scheme is an investment, subject to the following provisions of this section.
- (2) The value invested in the derivative contract is—
- (a) where the contract is an option, the cost of acquiring the option (whether from the grantor or another person),
 - (b) where the contract is a future, the price specified in the contract for the underlying subject matter, or
 - (c) where the contract is a contract for differences, the notional principal of the contract.
- (3) But where entering into a derivative contract constitutes a deemed disposal of an investment or part of an investment by virtue of section 809FZD(2)(a)(ii)—
- (a) the derivative contract is not an investment, and
 - (b) the subsequent disposal of the derivative contract without a corresponding disposal of the investment or part investment is to be regarded as the making of a new investment to the extent that the scheme becomes materially exposed to risks and rewards in respect of the investment or part investment.
- (4) For the purposes of this Chapter, references to disposal, in the case of a derivative contract, include any of the following events (to the extent that the event is not otherwise a disposal under section 809FZD(1) or (2))—
- (a) the expiry of the contract,
 - (b) the termination of the contract (whether or not in accordance with its terms),
 - (c) the disposal, substantial variation, loss or cancellation of the investment scheme's rights under the contract, and
 - (d) in the case of a derivative contract which is an option, the exercise of the option,

but do not include the renewal of the contract with the same counterparty on substantially the same terms.

- (5) The substantial variation of an investment scheme's rights under a derivative contract constitutes (in addition to the disposal of the contract as originally entered into (see subsection (4)(c)) a new investment consisting of the contract as varied.

809FZH Hedging: exchange gains and losses

- (1) This section applies where—

Status: This is the original version (as it was originally enacted).

- (a) an investment scheme has a hedging relationship between a relevant instrument and a relevant investment, and
 - (b) the hedging relationship relates to exchange gains or losses.
- (2) In this section—

- (2) A direct lending fund is an investment scheme—
- (a) which is not a venture capital fund, significant equity stake fund, controlling equity stake fund or real estate fund, and
 - (b) in relation to which it is reasonable to suppose that, when the scheme ceases to invest, a majority of the investments made for the purposes of the scheme (calculated by reference to value invested) will have been direct loans made by the scheme.
- (3) An investment scheme makes a direct loan if for the purposes of the scheme money is advanced at interest or for any other return determined by reference to the time value of money.
- (4) The acquisition of a direct loan is to be regarded as the making of a direct loan if the loan is acquired within the period of 120 days beginning with the day on which the money is first advanced.

 - (b) the carried interest is a sum falling within section 809EZD(2) or (3), and
 - (c) it is reasonable to suppose that, when investments cease to be made for the purposes of the fund, at least 75% of the direct loans made by the fund (calculated by reference to value advanced) will have been qualifying loans.
- (2) In this section “qualifying loan” means a direct loan made by an investment scheme where—
- (a) the borrower is not connected with the investment scheme,
 - (b) the money is advanced under a genuine commercial loan agreement negotiated at arm’s length,

- (4) For the purposes of determining the average holding period of a scheme, where—
 - (a) a qualifying loan made by an investment scheme is repaid by the borrower to any extent before the end of 40 months from the time the loan is made, and
 - (b) it is reasonable to suppose that the borrower’s decision to repay was not affected by considerations relating to the application of this Chapter,
the loan is, to the extent it is repaid by the borrower before the end of 40 months from the time it is made, to be treated as held for 40 months.
- (5) In determining for the purposes of subsection (1)(b) whether a sum falls within section 809Ezd(2) or (3), read section 809Ezd(4)(b) as if the reference to 6% were to 4%.

- (3) Condition A is that the carried interest arises to the individual in the period of—
 - (a) four years beginning with the day on which the scheme starts to invest,
or
 - (b) ten years beginning with that day if the carried interest is calculated on the realisation model.
- (4) Condition B is that the carried interest would, apart from this section, be income-based carried interest to any extent.
- (5) Condition C is that it is reasonable to suppose that, were the carried interest to arise to the individual at the relevant time (but by reference to the same relevant investments), it would not be income-based carried interest to any extent.
- (6) The “relevant time” is whichever is the earliest of—
 - (a) the time when it is reasonable to suppose that the investment scheme will be wound up;
 - (b) the end of the period of four years beginning with the time when it is reasonable to suppose that the scheme will cease to invest;

Status: This is the original version (as it was originally enacted).

- (c) the end of the period of—
 - (i) four years beginning with the day on which the sum of carried interest arises to the individual, or
 - (ii) ten years beginning with that day if the carried interest was calculated on the realisation model;
 - (d) the end of the period of four years beginning with the end of the period by reference to which the amount of the carried interest was determined.
- (7) Subsection (5) does not affect what would otherwise be the time at which an investment is disposed of for the purposes of this Chapter.
- (8) Condition D is that the individual makes a claim under this section for the carried interest to be conditionally exempt from income tax.

809FZT Carried interest which ceases to be conditionally exempt

- (1) Carried interest which is conditionally exempt from income tax ceases to be conditionally exempt from income tax at whichever is the earliest of—

 - (e) the time at which Condition C in section 809FZS(5) ceases to be met.
- (2) Carried interest which ceases to be conditionally exempt from income tax is to be treated as having been income-based carried interest at the time it arose to the individual if or to the extent that, had it arisen to the individual at the time it ceased to be conditionally exempt (but in relation to the same relevant investments) it would have been income-based carried interest.
- (3) All such assessments and adjustments of assessments are to be made as are necessary to give effect to subsection (2).
- (4) Any amount paid by way of capital gains tax in respect of carried interest which is conditionally exempt from income tax is to be treated as if it had been paid in respect of any income tax liability arising under subsection (2).

 - (a) the accounting period begins on or after 1 July 2021, or
 - (b) the company is a new entrant (see subsection (11)).
 - (7) Chapters 2B, 3 and 4 make provision for determining the relevant IP profits or relevant IP losses of a trade of a company for an accounting period in various cases where—
 - (a) the accounting period begins before 1 July 2021, and
 - (b) the company is not a new entrant.”, and
 - (b) after subsection (10) insert—
 - “(11) A company is a “new entrant” for the purposes of this Part if—
 - (a) the first accounting period for which the company’s election (or most recent election) under subsection (1) has effect begins on or after 1 July 2016, or
 - (b) the company elects to be treated as a new entrant for the purposes of this Part.”
- (3) After section 357BE insert—

“CHAPTER 2A

RELEVANT IP PROFITS: CASES MENTIONED IN SECTION 357A(6)

Steps for calculating relevant IP profits of a trade

357BF Relevant IP profits

- (1) This section applies for the purposes of determining the relevant IP profits of a trade of a company for an accounting period in a case where—
 - (a) the accounting period begins on or after 1 July 2021, or
 - (b) the company is a new entrant (see section 357A(11)).
- (2) To determine the relevant IP profits—
 - Step 1*

Take any amounts which are brought into account as credits in calculating the profits of the trade for the accounting period, other than any amounts of finance income (see section 357BG), and divide them

Status: This is the original version (as it was originally enacted).

into two “streams”, amounts of relevant IP income (see sections 357BH to 357BHC) and amounts that are not amounts of relevant IP income.

The stream consisting of relevant IP income is “the relevant IP income stream”; the other stream is the “standard income stream”.

Step 2

Divide the relevant IP income stream into “relevant IP income sub-streams” so that each sub-stream is—

- (a) a sub-stream consisting of income properly attributable to a particular qualifying IP right (an “individual IP right sub-stream”),
- (b) a sub-stream consisting of income properly attributable to a particular kind of IP item (a “product sub-stream”), or
- (c) a sub-stream consisting of income properly attributable to a particular kind of IP process (a “process sub-stream”).

See subsection (5) for the meaning of “IP item” and “IP process” and see subsections (6) and (7) for further provision in connection with product sub-streams and process sub-streams.

Step 3

Take any amounts which are brought into account as debits in calculating the profits of the trade for the accounting period, other than any excluded debits (see section 357BI), and allocate them on a just and reasonable basis between the standard income stream and each of the relevant IP income sub-streams.

Step 4

Deduct from each relevant IP income sub-stream—

- (a) the amounts allocated to the sub-stream at Step 3, and
- (b) the routine return figure for the sub-stream (see section 357BJ).

But see section 357BIA (which provides that certain amounts allocated to a relevant IP income sub-stream at Step 3 are not to be deducted from the sub-stream at this Step).

Step 5

Deduct from each relevant IP income sub-stream which is greater than nil following Step 4 the marketing assets return figure for the sub-stream (see section 357BK).

Step 6

Multiply the amount of each relevant IP income sub-stream (following the deductions required at Steps 4 and 5) by the R&D fraction for the sub-stream (see section 357BL).

Step 7

Add together the amounts of the relevant IP income sub-streams (following Step 6).

Step 8

If the company has made an election under section 357BM (which provides in certain circumstances for profits arising before the grant of a right to be treated as relevant IP profits), add to the amount given by Step 7 any amount determined in accordance with subsection (3) of that section.

- (3) If the amount given by subsection (2) is greater than nil, that amount is the relevant IP profits of the trade for the accounting period.
- (4) If the amount given by subsection (2) is less than nil, that amount is the relevant IP losses of the trade for the accounting period (see Chapter 5).
- (5) In this section—
- “IP item” means—
- (a) an item in respect of which a qualifying IP right held by the company has been granted, or
 - (b) an item which incorporates one or more items within paragraph (a);
- “IP process” means—
- (a) a process in respect of which a qualifying IP right held by the company has been granted, or
 - (b) a process which incorporates one or more processes within paragraph (a).
- (6) For the purposes of this section two or more IP items, or two or more IP processes, may be treated as being of a particular kind if they are intended to be, or are capable of being, used for the same or substantially the same purposes.
- (7) Income may be allocated at Step 2 of subsection (2) to a product sub-stream or process sub-stream only if—
- (a) it would not be reasonably practicable to apportion the income between individual IP right sub-streams, or
 - (b) it would be reasonably practicable to do that but doing so would result in it not being reasonably practicable to apply any of the remaining steps in subsection (2).
- (8) Any reference in this section to a qualifying IP right held by the company includes a reference to a qualifying IP right in respect of which the company holds an exclusive licence.

Finance income

357BG Finance income

- (1) For the purposes of this Part “finance income”, in relation to a trade of a company, means—
- (a) any credits which are treated as receipts of the trade by virtue of—
 - (i) section 297 of CTA 2009 (credits in respect of loan relationships), or
 - (ii) section 573 of CTA 2009 (credits in respect of derivative contracts),
 - (b) any amount which in accordance with generally accepted accounting practice falls to be recognised as arising from a financial asset, and
 - (c) any return, in relation to an amount, which—
 - (i) is produced for the company by an arrangement to which it is a party, and

Status: This is the original version (as it was originally enacted).

(ii) is economically equivalent to interest.

(2) In subsection (1)—

“economically equivalent to interest” is to be construed in accordance with section 486B(2) and (3) of CTA 2009, and

“financial asset” means a financial asset as defined for the purposes of generally accepted accounting practice.

(3) For the purposes of subsection (1)(c), the amount of a return is the amount which by virtue of the return would, in calculating the company’s chargeable profits, be treated under section 486B of CTA 2009 (disguised interest to be regarded as profit from loan relationship) as profit arising to the company from a loan relationship.

But, in calculating that profit for the purposes of this subsection, sections 486B(7) and 486C to 486E of that Act are to be ignored.

Relevant IP income

357BH Relevant IP income

(1) For the purposes of this Part “relevant IP income” means income falling within any of the Heads set out in—

- (a) subsection (2) (sales income),
- (b) subsection (6) (licence fees),
- (c) subsection (7) (proceeds of sale etc),
- (d) subsection (8) (damages for infringement), and
- (e) subsection (9) (other compensation).

This is subject to section 357BHB (excluded income).

(2) Head 1 is income arising from the sale by the company of any of the following items—

- (a) items in respect of which a qualifying IP right held by the company has been granted (“qualifying items”);
- (b) items incorporating one or more qualifying items;
- (c) items that are wholly or mainly designed to be incorporated into items within paragraph (a) or (b).

(3) For the purposes of this Part an item and its packaging are not to be treated as a single item, unless the packaging performs a function that is essential for the use of the item for the purposes for which it is intended to be used.

(4) In subsection (3) “packaging”, in relation to an item, means any form of container or other packaging used for the containment, protection, handling, delivery or presentation of the item, including by way of attaching the item to, or winding the item round, some other article.

(5) In a case where a qualifying item and an item that is designed to incorporate that item (“the parent item”) are sold together as, or as part of, a single unit for a single price, the reference in subsection (2)(b) to an item incorporating a qualifying item includes a reference to the parent item.

- (6) Head 2 is income consisting of any licence fee or royalty which the company receives under an agreement granting another person any of the following rights only—
- (a) a right in respect of any qualifying IP right held by the company,
 - (b) any other right in respect of a qualifying item or process, and
 - (c) in the case of an agreement granting any right within paragraph (a) or (b), a right granted for the same purposes as those for which that right was granted.

In this subsection “qualifying process” means a process in respect of which a qualifying IP right held by the company has been granted.

- (7) Head 3 is any income arising from the sale or other disposal of a qualifying IP right or an exclusive licence in respect of such a right.
- (8) Head 4 is any amount received by the company in respect of an infringement, or alleged infringement, of a qualifying IP right held by the company at the time of the infringement or alleged infringement.
- (9) Head 5 is any amount of damages, proceeds of insurance or other compensation, other than an amount in respect of an infringement or alleged infringement of a qualifying IP right, which is received by the company in respect of an event and—
- (a) is paid in respect of any items that fell within subsection (2) at the time of that event, or
 - (b) represents a loss of income which would, if received by the company at the time of that event, have been relevant IP income.
- (10) But income is not relevant IP income by virtue of subsection (8) or (9) unless the event in respect of which the income is received, or any part of that event, occurred at a time when—
- (a) the company was a qualifying company, and
 - (b) an election under section 357A(1) had effect in relation to it.
- (11) In a case where the whole of that event does not occur at such a time, subsection (8) or (9) (as the case may be) applies only to so much of the amount received by the company in respect of the event as on a just and reasonable apportionment is properly attributable to such a time.
- (12) Any reference in this section to a qualifying IP right held by the company includes a reference to a qualifying IP right in respect of which the company holds an exclusive licence.

357BHA Notional royalty

- (1) This section applies where—
- (a) a company holds a qualifying IP right or an exclusive licence in respect of a qualifying IP right,
 - (b) the qualifying IP right falls within paragraph (a), (b) or (c) of section 357BB(1), and
 - (c) the income of a trade of the company for an accounting period includes income (“IP-derived income”) which—

Status: This is the original version (as it was originally enacted).

- (i) arises from things done by the company that involve the exploitation by the company of the qualifying IP right, and
 - (ii) is not relevant IP income, finance income or excluded income.
- (2) The company may elect that the appropriate percentage of the IP-derived income is to be treated for the purposes of this Part as if it were relevant IP income.
- (3) The “appropriate percentage” is the proportion of the IP-derived income which the company would pay another person (“P”) for the right to exploit the qualifying IP right in the accounting period concerned if the company were not otherwise able to exploit it.
- (4) For the purposes of determining the appropriate percentage under this section, assume that—
- (a) the company and P are dealing at arm’s length,
 - (b) the company, or the company and persons authorised by it, will have the right to exploit the qualifying IP right to the exclusion of any other person (including P),
 - (c) the company will have the same rights in relation to the qualifying IP right as it actually has,
 - (d) the right to exploit the qualifying IP right is conferred on the relevant day,
 - (e) the appropriate percentage is determined at the beginning of the accounting period concerned,
 - (f) the appropriate percentage will apply for each succeeding accounting period for which the company will have the right to exploit the qualifying IP right, and
 - (g) no income other than IP-derived income will arise from anything done by the company that involves the exploitation by the company of the qualifying IP right.
- (5) In subsection (4)(d) “the relevant day” means—
- (a) the first day of the accounting period concerned, or
 - (b) if later, the day on which the company first began to hold the qualifying IP right or licence.
- (6) In determining the appropriate percentage, the company must act in accordance with—
- (a) Article 9 of the OECD Model Tax Convention, and
 - (b) the OECD transfer pricing guidelines.
- (7) In this section “excluded income” means any income falling within either of the Heads in section 357BHB.

357BHB Excluded income

- (1) For the purposes of this Part income falling within either of the Heads set out in the following subsections is not relevant IP income—
- (a) subsection (2) (ring fence income),
 - (b) subsection (3) (income attributable to non-exclusive licences).

- (2) Head 1 is income arising from oil extraction activities or oil rights.

In this subsection “oil extraction activities” and “oil rights” have the same meaning as in Part 8 (see sections 272 and 273).

- (3) Head 2 is income which on a just and reasonable apportionment is properly attributable to a licence (a “non-exclusive licence”) held by the company which—

- (a) is a licence in respect of an item or process, but
- (b) is not an exclusive licence in respect of a qualifying IP right.

- (4) In a case where—

- (a) a company holds an exclusive licence in respect of a qualifying IP right, and
- (b) the licence also confers on the company (or on the company and persons authorised by it) any right in respect of the invention otherwise than to the exclusion of all other persons,

the licence is to be treated for the purposes of this Part as if it were two separate licences, one an exclusive licence that does not confer any such rights, and the other a non-exclusive licence conferring those rights.

357BHC Mixed sources of income

- (1) This section applies to any income that—

- (a) is mixed income, or
- (b) is paid under a mixed agreement.

- (2) “Mixed income” means the proceeds of sale where an item falling within subsection (2) of section 357BH and an item not falling within that subsection are sold together as, or as part of, a single unit for a single price.

- (3) A “mixed agreement” is an agreement providing for—

- (a) one or more of the matters in paragraphs (a) to (c) of subsection (4), and
- (b) one or more of the matters in paragraphs (d) to (g) of that subsection.

- (4) The matters are—

- (a) the sale of an item falling within section 357BH(2),
- (b) the grant of any right falling within paragraph (a), (b) or (c) of section 357BH(6),
- (c) a sale or disposal falling within section 357BH(7),
- (d) the sale of any other item,
- (e) the grant of any other right,
- (f) any other sale or disposal,
- (g) the provision of any services.

- (5) So much of the income as on a just and reasonable apportionment is properly attributable to—

- (a) the sale of an item falling within section 357BH(2),
- (b) the grant of any right falling within paragraph (a), (b) or (c) of section 357BH(6), or

Status: This is the original version (as it was originally enacted).

- (c) a sale or disposal falling within section 357BH(7),
is to be regarded for the purposes of this Part as relevant IP income.
- (6) But where the amount of income that on such an apportionment is properly attributable to any of the matters in paragraphs (d) to (g) of subsection (4) is a trivial proportion of the income to which this section applies, all of that income is to be regarded for the purposes of this Part as relevant IP income.

Excluded debits etc

357BI Excluded debits

For the purposes of this Part “excluded debits” means—

- (a) the amount of any debits which are treated as expenses of a trade by virtue of—
 - (i) section 297 of CTA 2009 (debts in respect of loan relationships), or
 - (ii) section 573 of CTA 2009 (debts in respect of derivative contracts),
- (b) the amount of any additional deduction for an accounting period obtained by a company under Part 13 of CTA 2009 for expenditure on research and development in relation to a trade,
- (c) the amount of any additional deduction for an accounting period obtained by a company under Part 15A of CTA 2009 in respect of qualifying expenditure on a television programme,
- (d) the amount of any additional deduction for an accounting period obtained by a company under Part 15B of CTA 2009 in respect of qualifying expenditure on a video game, and
- (e) the amount of any additional deduction for an accounting period obtained by a company under Part 15C of CTA 2009 in respect of qualifying expenditure on a theatrical production.

357BIA Certain amounts not to be deducted from sub-streams at Step 4 of section 357BF

- (1) This section applies where a company enters into an arrangement with a person under which—
- (a) the person assigns to the company a qualifying IP right or grants or transfers to the company an exclusive licence in respect of a qualifying IP right, and
 - (b) the company makes to the person an income-related payment.
- (2) A payment is an “income-related payment” for the purposes of subsection (1) if—
- (a) the obligation to make the payment arises under the arrangement by reason of the amount of income the company has accrued which is properly attributable to the right or licence, or
 - (b) the amount of the payment is determined under the arrangement by reference to the amount of income the company has accrued which is so attributable.

- (3) If the amount of the income-related payment is allocated to a relevant IP income sub-stream at Step 3 of section 357BF(2), the amount is not to be deducted from the sub-stream at Step 4 of section 357BF(2) unless the payment will not affect the R&D fraction for the sub-stream.”

Routine return figure

357BJ Routine return figure

- (1) This section applies for the purpose of calculating the routine return figure for a relevant IP income sub-stream established at Step 2 in section 357BF(2) in determining the relevant IP profits of a trade of a company for an accounting period.
- (2) The routine return figure for the sub-stream is 10% of the aggregate of any routine deductions which—
- (a) have been made by the company in calculating the profits of the trade for the accounting period, and
 - (b) have been allocated to the sub-stream at Step 3 in section 357BF(2).

For the meaning of “routine deductions”, see sections 357BJA and 357BJB.

- (3) In a case where—
- (a) the company (“C”) is a member of a group,
 - (b) another member of the group has incurred expenses on behalf of C,
 - (c) had they been incurred by C, C would have made a deduction in respect of the expenses in calculating the profits of the trade for the accounting period,
 - (d) the deduction would have been a routine deduction, and
 - (e) the deduction would have been allocated to the sub-stream at Step 3 in section 357BF(2),

C is to be treated for the purposes of subsection (2) as having made such a routine deduction and as having allocated the deduction to the sub-stream.

- (4) Where expenses have been incurred by any member of the group on behalf of C and any other member of the group, subsection (3) applies in relation to so much of the amount of the expenses as on a just and reasonable apportionment may properly be regarded as incurred on behalf of C.

357BJA Routine deductions

- (1) For the purposes of this Part, “routine deductions” means deductions falling within any of the Heads set out in—
- (a) subsection (2) (capital allowances),
 - (b) subsection (3) (costs of premises),
 - (c) subsection (4) (personnel costs),
 - (d) subsection (5) (plant and machinery costs),
 - (e) subsection (6) (professional services), and
 - (f) subsection (7) (miscellaneous services).

This is subject to section 357BJB (deductions that are not routine deductions).

Status: This is the original version (as it was originally enacted).

- (2) Head 1 is any allowances under CAA 2001.
- (3) Head 2 is any deductions made by the company in respect of any premises occupied by the company.

- (6) Head 5 is any deductions made by the company in respect of any of the following services—
 - (a) legal services, other than IP-related services;

 - (c) services provided in connection with the administration or management of the company’s directors and employees;
 - (d) any other consultancy services.
- (7) Head 6 is any deductions made by the company in respect of any of the following services—
 - (a) the supply of water, fuel or power;
 - (b) telecommunications services;
 - (c) computing services, including computer software;
 - (d) postal services;
 - (e) the transportation of any items;
 - (f) the collection, removal and disposal of refuse.
- (8) In this section—
 - “externally provided worker” has the same meaning as in Part 13 of CTA 2009 (see section 1128 of that Act),
 - “IP-related services” means services provided in connection with—
 - (a) any application for a right to which this Part applies, or
 - (b) any proceedings relating to the enforcement of any such right,
 - “premises” includes any land,
 - “telecommunications service” means any service that consists in the provision of access to, and of facilities for making use of, any telecommunication system (whether or not one provided by the person providing the service), and
 - “telecommunication system” means any system (including the apparatus comprised in it) which exists for the purpose of facilitating the transmission of communications by any means involving the use of electrical or electromagnetic energy.
- (9) The Treasury may by regulations amend this section.

Status: This is the original version (as it was originally enacted).

357BJB Deductions that are not routine deductions

- (1) For the purposes of this Part a deduction is not a “routine deduction” if it falls within any of the Heads set out in—
 - (a) subsection (2) (loan relationships and derivative contracts),
 - (b) subsection (3) (R&D expenses),
 - (c) subsection (4) (capital allowances for R&D or patents),
 - (d) subsection (5) (R&D-related employee share acquisitions),
 - (e) subsection (8) (television production expenditure),
 - (f) subsection (9) (video games development expenditure).
- (2) Head 1 is any debits which are treated as expenses of the trade by virtue of—
 - (a) section 297 of CTA 2009 (debts in respect of loan relationships), or
 - (b) section 573 of CTA 2009 (debts in respect of derivative contracts).
- (3) Head 2 is—
 - (a) the amount of any expenditure on research and development in relation to the trade—
 - (i) for which an additional deduction for the accounting period is obtained by the company under Part 13 of CTA 2009, or
 - (ii) in respect of which the company is entitled to an R&D expenditure credit for the accounting period under Chapter 6A of Part 3 of CTA 2009, and
 - (b) where the company obtains an additional deduction as mentioned in paragraph (a)(i), the amount of that additional deduction.
- (4) Head 3 is any allowances under—
 - (a) Part 6 of CAA 2001 (research and development allowances), or
 - (b) Part 8 of CAA 2001 (patent allowances).
- (5) Head 4 is the appropriate proportion of any deductions allowed under Part 12 of CTA 2009 (relief for employee share acquisitions) in a case where—
 - (a) shares are acquired by an employee or another person because of the employee’s employment by the company, and
 - (b) the employee is wholly or partly engaged directly and actively in relevant research and development (within the meaning of section 1042 of CTA 2009).
- (6) In subsection (5) “the appropriate proportion”, in relation to a deduction allowed in respect of an employee, is the proportion of the staffing costs in respect of the employee which are attributable to relevant research and development for the purposes of Part 13 of CTA 2009 (see section 1124 of that Act).

“Staffing costs” has the same meaning as in that Part (see section 1123 of that Act).
- (7) Subsections (5) and (6) of section 1124 of CTA 2009 apply for the purposes of subsection (5)(b) as they apply for the purposes of that section.
- (8) Head 5 is—

Status: This is the original version (as it was originally enacted).

- (a) the amount of any qualifying expenditure on a television programme for which an additional deduction for the accounting period is obtained by the company under Part 15A of CTA 2009, and
 - (b) the amount of that additional deduction.
- (9) Head 6 is—
- (a) the amount of any qualifying expenditure on a video game for which an additional deduction for the accounting period is obtained by the company under Part 15B of CTA 2009, and
 - (b) the amount of that additional deduction.
- (10) The Treasury may by regulations amend this section.

Marketing assets return figure

357BK Marketing assets return figure

- (1) The marketing assets return figure for a relevant IP income sub-stream is—
NMR – AMR

where—

NMR is the notional marketing royalty in respect of the sub-stream (see section 357BKA), and

AMR is the actual marketing royalty in respect of the sub-stream (see section 357BKB).

- (2) Where—
- (a) AMR is greater than NMR, or
 - (b) the difference between NMR and AMR is less than 10% of the amount of the relevant IP income sub-stream following the deductions required by Step 4 in section 357BF(2),
- the marketing assets return figure for the sub-stream is nil.

357BKA Notional marketing royalty

- (1) The notional marketing royalty in respect of a relevant IP income sub-stream is the appropriate percentage of the income allocated to that sub-stream at Step 2 in section 357BF(2).
- (2) The “appropriate percentage” is the proportion of that income which the company would pay another person (“P”) for the right to exploit the relevant marketing assets in the accounting period concerned if the company were not otherwise able to exploit them.
- (3) For the purposes of this section a marketing asset is a “relevant marketing asset” in relation to a relevant IP income sub-stream if the sub-stream includes any income arising from things done by the company that involve the exploitation by the company of that marketing asset.
- (4) For the purpose of determining the appropriate percentage under this section, assume that—
- (a) the company and P are dealing at arm’s length,

- (b) the company, or the company and persons authorised by it, will have the right to exploit the relevant marketing assets to the exclusion of any other person (including P),
 - (c) the company will have the same rights in relation to the relevant marketing assets as it actually has,
 - (d) the right to exploit the relevant marketing assets is conferred on the relevant day,
 - (e) the appropriate percentage is determined at the beginning of the accounting period concerned,
 - (f) the appropriate percentage will apply for each succeeding accounting period for which the company will have the right to exploit the relevant marketing assets, and
 - (g) no income other than income within the relevant IP income sub-stream will arise from anything done by the company that involves the exploitation by the company of the relevant marketing assets.
- (5) In subsection (4)(d) “the relevant day”, in relation to a relevant marketing asset, means—
- (a) the first day of the accounting period concerned, or
 - (b) if later, the day on which the company first acquired the relevant marketing asset or the right to exploit the asset.
- (6) In determining the appropriate percentage, the company must act in accordance with—
- (a) Article 9 of the OECD Model Tax Convention, and
 - (b) the OECD transfer pricing guidelines.
- (7) In this section “marketing asset” means any of the following (whether or not capable of being transferred or assigned)—
- (a) anything in respect of which proceedings for passing off could be brought, including a registered trade mark (within the meaning of the Trade Marks Act 1994),
 - (b) anything that corresponds to a marketing asset within paragraph (a) and is recognised under the law of a country or territory outside the United Kingdom,
 - (c) any signs or indications (so far as not falling within paragraph (a) or (b)) which may serve, in trade, to designate the geographical origin of goods or services, and
 - (d) any information which relates to customers or potential customers of the company, or any other member of a group of which the company is a member, and is intended to be used for marketing purposes.

357BKB Actual marketing royalty

- (1) The actual marketing royalty for a relevant IP income sub-stream is the aggregate of any sums which—
- (a) were paid by the company for the purposes of acquiring any relevant marketing assets or the right to exploit any such assets, and
 - (b) have been allocated to the sub-stream at Step 3 in section 357BF(2).

Status: This is the original version (as it was originally enacted).

- (2) In this section “relevant marketing asset” has the same meaning as in section 357BKA.

R&D fraction

357BL Introduction

- (1) Sections 357BLA to 357BLH apply for the purpose of determining the R&D fraction for a relevant IP income sub-stream established at Step 2 in section 357BF(2) in determining the relevant IP profits of a trade of a company for an accounting period.
- (2) In sections 357BLA to 357BLH, references to “the sub-stream”, “the trade”, “the company” and “the accounting period” are to the relevant IP income sub-stream, the trade, the company and the accounting period referred to in subsection (1).

357BLA The R&D fraction

- (1) The R&D fraction for the sub-stream is the lesser of 1 and—

$$\frac{(D + S1) \times 1.3}{D + S1 + S2 + A}$$

where—

D is the company’s qualifying expenditure on relevant R&D undertaken in-house (see section 357BLB),

S1 is the company’s qualifying expenditure on relevant R&D sub-contracted to unconnected persons (see section 357BLC),

S2 is the company’s qualifying expenditure on relevant R&D sub-contracted to connected persons (see section 357BLD), and

A is the company’s qualifying expenditure on the acquisition of relevant qualifying IP rights (see section 357BLE).

- (2) This section is subject to section 357BLH (R&D fraction: increase for exceptional circumstances).

357BLB Qualifying expenditure on relevant R&D undertaken in-house

- (1) In section 357BLA, the company’s “qualifying expenditure on relevant R&D undertaken in-house” means the expenditure incurred by the company during the relevant period which meets conditions A and B.
- (2) Condition A is that the expenditure is—
- (a) incurred on staffing costs,
 - (b) incurred on software or consumable items,
 - (c) qualifying expenditure on externally provided workers, or
 - (d) incurred on relevant payments to the subjects of clinical trials.
- (3) Condition B is that the expenditure is attributable to relevant research and development undertaken by the company itself.

- (4) If an election made by the company under section 18A of CTA 2009 (election for exemption for profits or losses of company's foreign permanent establishments) applies to the relevant period, expenditure incurred by the company during the period which meets conditions A and B—
- (a) is not “qualifying expenditure on relevant R&D undertaken in-house”, but
 - (b) is “qualifying expenditure on relevant R&D sub-contracted to connected persons”,
- so far as it is expenditure brought into account in calculating a relevant profits amount, or a relevant losses amount, aggregated at section 18A(4)(a) or (b) of CTA 2009 in calculating the company's foreign permanent establishments amount for the period.
- (5) In this section and sections 357BLC and 357BLD, “relevant research and development” means research and development (within the meaning of section 1138) which—
- (a) in a case where the sub-stream is an individual IP right sub-stream, relates to the qualifying IP right to which the income in the sub-stream is attributable,
 - (b) in a case where the sub-stream is a product sub-stream, relates to a qualifying IP right granted in respect of any item—
 - (i) to which income in the sub-stream is attributable, or
 - (ii) which is incorporated in an item to which income in the sub-stream is attributable, or
 - (c) in a case where the sub-stream is a process sub-stream, relates to a qualifying IP right granted in respect of any process—
 - (i) to which income in the sub-stream is attributable, or
 - (ii) which is incorporated in a process to which income in the sub-stream is attributable.
- (6) Research and development “relates” to a qualifying IP right for the purposes of subsection (5) if—
- (a) it creates, or contributes to the creation of, the invention,
 - (b) it is undertaken for the purpose of developing the invention,
 - (c) it is undertaken for the purpose of developing ways in which the invention may be used or applied, or
 - (d) it is undertaken for the purpose of developing any item or process incorporating the invention.
- (7) The following provisions of CTA 2009 apply for the purposes of this section—
- (a) section 1123 (meaning of “staffing costs”),
 - (b) section 1124 (when staffing costs are attributable to relevant research and development),
 - (c) section 1125 (meaning of “software or consumable items”),
 - (d) sections 1126 to 1126B (when software or consumable items are attributable to relevant research and development),
 - (e) sections 1127 to 1131 (meaning of “qualifying expenditure on externally provided workers”),
 - (f) section 1132 (when qualifying expenditure on externally provided workers is attributable to relevant research and development), and

Status: This is the original version (as it was originally enacted).

(g) section 1140 (meaning of “relevant payments to the subjects of clinical trials”),

and in the application of those provisions for the purposes of this section any reference to “relevant research and development” is to be read as a reference to relevant research and development within the meaning given by subsection (5).

357BLC Qualifying expenditure on relevant R&D sub-contracted to unconnected persons

(1) In section 357BLA, the company’s “qualifying expenditure on relevant R&D sub-contracted to unconnected persons” means the expenditure incurred by the company during the relevant period in making payments within subsection (2).

(2) A payment is within this subsection if—

- (a) it is made to a person in respect of relevant research and development contracted out by the company to the person, and
- (b) the company and the person are not connected (within the meaning given by section 1122).

(3) If an election made by the company under section 18A of CTA 2009 (election for exemption for profits or losses of company’s foreign permanent establishments) applies to the relevant period, expenditure incurred by the company during the period in making payments within subsection (2)—

- (a) is not “qualifying expenditure on relevant R&D sub-contracted to unconnected persons”, but
- (b) is “qualifying expenditure on relevant R&D sub-contracted to connected persons”,

so far as it is expenditure brought into account in calculating a relevant profits amount, or a relevant losses amount, aggregated at section 18A(4)(a) or (b) of CTA 2009 in calculating the company’s foreign permanent establishments amount for the period.

(4) Where a payment is made to a person in respect of relevant research and development contracted out to the person and in respect of other matters, so much of the payment as is properly attributable to other matters is to be disregarded for the purposes of this section.

357BLD Qualifying expenditure on relevant R&D sub-contracted to connected persons

(1) In section 357BLA, the company’s “qualifying expenditure on relevant R&D sub-contracted to connected persons” means the total of—

- (a) any expenditure which is “qualifying expenditure on relevant R&D sub-contracted to connected persons” as a result of section 357BLB(4) or 357BLC(3) (certain expenditure attributed to company’s foreign permanent establishments), and
- (b) the expenditure incurred by the company during the relevant period in making payments within subsection (2).

(2) A payment is within this subsection if—

- (a) it is made to a person in respect of relevant research and development contracted out by the company to the person, and
 - (b) the company and the person are connected (within the meaning given by section 1122).
- (3) Where a payment is made to a person in respect of relevant research and development contracted out to the person and in respect of other matters, so much of the payment as is properly attributable to other matters is to be disregarded for the purposes of this section.

357BLE Qualifying expenditure on acquisition of relevant qualifying IP rights

- (1) In section 357BLA, the company’s “qualifying expenditure on the acquisition of relevant qualifying IP rights” means the expenditure incurred by the company in making during the relevant period payments within any of subsections (2), (3) and (4).
- (2) A payment is within this subsection if it is made to a person in respect of the assignment by that person to the company of a relevant qualifying IP right.
- (3) A payment is within this subsection if it is made to a person in respect of the grant or transfer by that person to the company of an exclusive licence in respect of a relevant qualifying IP right.
- (4) A payment is within this subsection if—
- (a) it is made to a person in respect of the disclosure by that person to the company of any item or process, and
 - (b) the company applies for and is granted a relevant qualifying IP right in respect of that item or process (or any item or process derived from it).
- (5) Where the company has incurred expenditure in making a series of payments to a person in respect of a single assignment, grant, transfer or disclosure, each of the payments in the series is to be treated for the purposes of this section as having been made on the date on which the first payment in the series was made.
- (6) “Relevant qualifying IP right” means—
- (a) in a case where the sub-stream is an individual IP right sub-stream, the qualifying IP right to which the income in the sub-stream is attributable,
 - (b) in a case where the sub-stream is a product sub-stream, a qualifying IP right granted in respect of an item—
 - (i) to which income in the sub-stream is attributable, or
 - (ii) which is incorporated in an item to which income in the sub-stream is attributable, or
 - (c) in a case where the sub-stream is a process sub-stream, a qualifying IP right granted in respect of a process—
 - (i) to which income in the sub-stream is attributable, or
 - (ii) which is incorporated in a process to which income in the sub-stream is attributable.

Status: This is the original version (as it was originally enacted).

357BLF Meaning of the “relevant period” etc

- (1) Subsections (2) to (6) define “the relevant period” for the purposes of sections 357BLB to 357BLE.
- (2) The “relevant period” is the period which—
 - (a) ends with the last day of the accounting period, and
 - (b) begins on the relevant day or such earlier day as the company may elect.

This is subject to subsection (6).
- (3) The “relevant day” is 1 July 2013 in a case where—
 - (a) the accounting period begins before 1 July 2021, and
 - (b) the company is a new entrant (see section 357A(11)).
- (4) The “relevant day” is 1 July 2016 in any other case.
- (5) A day elected under subsection (2)(b) must not be more than 20 years before the last day of the accounting period.
- (6) If the last day of the accounting period is, or is after, 1 July 2036 the “relevant period” is the period of 20 years ending with that day.
- (7) Expenditure incurred by the company is to be treated for the purposes of sections 357BLB to 357BLD as incurred during the relevant period if (and only if) the expenditure is allowable as a deduction in calculating for corporation tax purposes the profits of the trade for an accounting period which falls, in whole or in part, within the relevant period.

357BLG Cases where the company is a new entrant with insufficient information about pre-enactment expenditure

- (1) This section applies if—
 - (a) the accounting period begins before 1 July 2021 and the company is a new entrant (so that subsection (3) of section 357BLF applies), and
 - (b) the company has insufficient information about its expenditure in the period which begins with 1 July 2013 and ends with 30 June 2016 to be able to calculate the R&D fraction for the sub-stream.
- (2) If the accounting period begins on or after 1 July 2019, the company may elect that, for the purposes of enabling it to determine the R&D fraction for the sub-stream, section 357BLF is to have effect as if in subsection (3) for “1 July 2013” there were substituted “1 July 2016”.
- (3) If the accounting period begins before 1 July 2019 the company may elect that, for the purposes of enabling it to determine the R&D fraction for the sub-stream, sections 357BL to 357BLE are to have effect as if—
 - (a) any reference in those sections to the relevant period were to the period of three years ending with the last day of the accounting period,
 - (b) in section 357BLB, for subsections (5) and (6) there were substituted—

- “(5) In this section and sections 357BLC and 357BLD, “relevant research and development” means research and development (within the meaning of section 1138) which relates to the trade.”, and
- (c) in section 357BLE—
- (i) in each of subsections (2), (3) and (4) the word “relevant” were omitted, and
 - (ii) subsection (6) were omitted.

357BLH R&D fraction: increase for exceptional circumstances

- (1) The company may elect to increase the R&D fraction for the sub-stream by the amount mentioned in subsection (2) if (but for the increase)—
 - (a) it would not be less than 0.325, and
 - (b) it would, because of exceptional circumstances, be less than the value fraction for the sub-stream (see subsection (3)).
- (2) The amount of the increase referred to in subsection (1) is the amount which is equal to the difference between the R&D fraction (before the increase) and the value fraction.
- (3) The “value fraction” for the sub-stream is the fraction which, on a just and reasonable assessment, represents the proportion of the value of the relevant qualifying IP rights which is properly attributable to research and development undertaken at any time—
 - (a) by the company itself, or
 - (b) on behalf of the company by persons not connected with it.
- (4) An election under subsection (1) is made by the company giving notice to an officer of Revenue and Customs.
- (5) The notice must be given on or before the last day on which an amendment of the company’s tax return for the accounting period could be made under paragraph 15 of Schedule 18 to FA 1998.
- (6) In this section—

“relevant qualifying IP rights” has the same meaning as in section 357BLE, and

“research and development” has the meaning given by section 1138.
- (7) Section 1122 (meaning of “connected” persons”) applies for the purposes of this section.

Profits arising before grant of right

357BM Profits arising before grant of right

- (1) This section applies where a company—
 - (a) holds a right mentioned in paragraph (a), (b) or (c) of section 357BB(1) (rights to which this Part applies) or an exclusive licence in respect of such a right, or

Status: This is the original version (as it was originally enacted).

- (b) would hold such a right or licence but for the fact that the company disposed of any rights in the invention or (as the case may be) the licence before the right was granted.
- (2) The company may elect that, for the purposes of determining the relevant IP profits of a trade of the company for the accounting period in which the right is granted, there is to be added the amount determined in accordance with subsection (3) (the “additional amount”).
- (3) The additional amount is the difference between—
 - (a) the aggregate of the relevant IP profits of the trade for each relevant accounting period, and
 - (b) the aggregate of what the relevant IP profits of the trade for each relevant accounting period would have been if the right had been granted on the relevant day.
- (4) For the purposes of determining the additional amount, the amount of any relevant IP profits to which section 357A does not apply by virtue of Chapter 5 (relevant IP losses) is to be disregarded.
- (5) In this section “relevant accounting period” means—
 - (a) the accounting period of the company in which the right is granted, and
 - (b) any earlier accounting period of the company which meets the conditions in subsection (6).
- (6) The conditions mentioned in subsection (5)(b) are—
 - (a) that it is an accounting period for which an election made by the company under section 357A(1) has effect,
 - (b) that it is an accounting period for which the company is a qualifying company, and
 - (c) that it ends on or after the relevant day.
- (7) In this section “the relevant day” is the later of—
 - (a) the first day of the period of 6 years ending with the day on which the right is granted, and
 - (b) the day on which—
 - (i) the application for the grant of the right was filed, or
 - (ii) in the case of a company that holds an exclusive licence in respect of the right, the licence was granted.
- (8) Where the company would be a qualifying company for an accounting period but for the fact that the right had not been granted at any time during that accounting period, the company is to be treated for the purposes of this section as if it were a qualifying company for that accounting period.
- (9) Where the company would be a qualifying company for the accounting period in which the right was granted but for the fact that the company disposed of the rights or licence mentioned in subsection (1)(b) before the right was granted, the company is to be treated for the purposes of section 357A as if it were a qualifying company for that accounting period.

Small claims treatment

357BN Small claims treatment

- (1) This section applies where—
- (a) a company carries on only one trade during an accounting period,
 - (b) section 357BF applies for the purposes of determining the relevant IP profits of the trade for the accounting period, and
 - (c) the qualifying residual profit of the trade for the accounting period does not exceed whichever is the greater of—
 - (i) £1,000,000, and
 - (ii) the relevant maximum for the accounting period.
- (2) The company may make any of the following elections for the accounting period—
- (a) a notional royalty election (see section 357BNA),
 - (b) a small claims figure election (see section 357BNB), and
 - (c) a global streaming election (see section 357BNC).

This is subject to subsections (3) and (4).

- (3) The company may not make a notional royalty election, a small claims figure election or a global streaming election for the accounting period if—
- (a) the qualifying residual profit of the trade for the accounting period exceeds £1,000,000,
 - (b) section 357BF applied for the purposes of determining the relevant IP profits of the trade for any previous accounting period beginning within the relevant 4-year period, and
 - (c) the company did not make a notional royalty election, a small claims figure election or (as the case may be) a global streaming election for that previous accounting period.
- (4) The company may not make a small claims figure election for the accounting period if—
- (a) the qualifying residual profit of the trade for the accounting period exceeds £1,000,000,
 - (b) section 357C or 357DA applied for the purposes of determining the relevant IP profits of the trade for any previous accounting period beginning within the relevant 4-year period, and
 - (c) the company did not make an election under section 357CL for small claims treatment for that previous accounting period.
- (5) In subsections (3) and (4) “the relevant 4-year period” means the period of 4 years ending with the beginning of the accounting period mentioned in subsection (1)(a).
- (6) For the purposes of this section, the “qualifying residual profit” of a trade of a company for an accounting period is the amount which (assuming the company did not make an election under this section) would be equal to the aggregate of the relevant IP income sub-streams established at Step 2 in section 357BF(2) in determining the relevant IP profits of the trade for the

Status: This is the original version (as it was originally enacted).

accounting period, following the deductions from those sub-streams required by Step 4 in section 357BF(2) (ignoring the amount of any sub-stream which is not greater than nil following those deductions).

- (7) For the purposes of this section, the “relevant maximum” for an accounting period of a company is—
- (a) in a case where no company is a related 51% group company of the company in the accounting period, £3,000,000;
 - (b) in a case where one or more companies are related 51% group companies of the company in the accounting period, the amount given by the formula—

$$\frac{\pounds 3,000,000}{1 + N}$$

where N is the number of those related 51% group companies in relation to which an election under section 357A(1) has effect for the accounting period.

- (8) For an accounting period of less than 12 months, the relevant maximum is proportionally reduced.

357BNA Notional royalty election

- (1) Subsection (2) applies where a company has made a notional royalty election for an accounting period under section 357BN(2)(a).
- (2) In its application for the purposes of determining the relevant IP profits of the trade of the company for the accounting period, section 357BHA (notional royalty) has effect as if—
 - (a) in subsection (2) for “the appropriate percentage” there were substituted “75%”, and
 - (b) subsections (3) to (6) were omitted.

357BNB Small claims figure election

- (1) Subsection (2) applies where a company has made a small claims figure election for an accounting period under section 357BN(2)(b).
- (2) In its application for the purposes of determining the relevant IP profits of the trade of the company for the accounting period, section 357BF(2) (steps for calculating relevant IP profits) has effect as if in Step 5—
 - (a) for “marketing assets return figure” there was substituted “small claims figure”, and
 - (b) for “(see section 357BK)” there was substituted “(see section 357BNB(3))”.
- (3) Subsections (4) to (9) apply for the purpose of calculating the small claims figure for a relevant IP income sub-stream established at Step 2 in section 357BF(2) in determining the relevant IP profits of a trade of a company for an accounting period.
- (4) If 75% of the qualifying residual profit of the trade for the accounting period is lower than the small claims threshold, the small claims figure for the

sub-stream is 25% of the amount of the sub-stream following Step 4 in section 357BF(2).

- (5) If 75% of the qualifying residual profit of the trade for the accounting period is higher than the small claims threshold, the small claims figure for the sub-stream is the amount given by—

$$A - \left(\frac{A}{\text{QRP}} \times \text{SCT} \right)$$

where—

A is the amount of the sub-stream following the deductions required by Step 4 in section 357BF(2),

QRP is the qualifying residual profit of the trade of the company for the accounting period, and

SCT is the small claims threshold.

- (6) If no company is a related 51% group company of the company in the accounting period, the small claims threshold is £1,000,000.
- (7) If one or more companies are related 51% group companies of the company in the accounting period, the small claims threshold is—

$$\frac{\text{£1,000,000}}{1 + N}$$

where N is the number of those related 51% group companies in relation to which an election under section 357A(1) has effect for the accounting period.

- (8) For an accounting period of less than 12 months, the small claims threshold is proportionately reduced.
- (9) Subsection (6) of section 357BN (meaning of “qualifying residual profit”) applies for the purposes of subsection (4) and (5) of this section.

357BNC Global streaming election

- (1) Subsection (2) applies where a company has made a global streaming election for an accounting period under section 357BN(2)(c).
- (2) In its application for the purpose of determining the relevant IP profits of the trade of the company for the accounting period, this Chapter has effect with the following modifications.
- (3) In subsection (2) of section 357BF (relevant IP profits)—
- (a) omit Step 2,
 - (b) in Step 3 for “each of the relevant IP income sub-streams” substitute “the relevant IP income stream”,
 - (c) in Step 4—
 - (i) in the words before paragraph (a), for “each” substitute “the”,
 - (ii) for “sub-stream”, in each place it occurs, substitute “stream”,
 - (d) in Step 5—
 - (i) at the beginning insert “If the relevant IP income stream is greater than nil following Step 4,”,
 - (ii) for the words from “each” to “Step 4” substitute “the stream”,

Status: This is the original version (as it was originally enacted).

- (iii) for “sub-stream”, in the second place it occurs, substitute “stream”,
 - (e) in Step 6—
 - (i) for “each relevant IP income sub-stream” substitute “the relevant IP income stream”,
 - (ii) for “sub-stream”, in the second place it occurs, substitute “stream”,
 - (f) omit Step 7, and
 - (g) in Step 8 for “given by Step 7” substitute “of the relevant IP income stream following Step 6”.
- (4) In subsection (3) of that section for “given by” substitute “of the relevant IP income stream following the Steps in”.
 - (5) In subsection (4) of that section for “given by” substitute “of the relevant IP income stream following the Steps in”.
 - (6) Omit subsections (5) to (7) of that section.
 - (7) In section 357BIA(3) (certain amounts not to be deducted from sub-streams at Step 4 of section 357BF)—
 - (a) for “a relevant IP income sub-stream” substitute “the relevant IP income stream”;
 - (b) for “sub-stream”, in the second and third places it occurs, substitute “stream”.
 - (8) In section 357BJ (routine return figure)—
 - (a) for “sub-stream”, in each place it occurs, substitute “stream”, and
 - (b) in subsection (1) for “Step 2” substitute “Step 1”.
 - (9) In section 357BK (marketing asset return figure) for “sub-stream”, in each place it occurs, substitute “stream”.
 - (10) In section 357BKA (notional marketing royalty)—
 - (a) for “sub-stream”, in each place it occurs, substitute “stream”, and
 - (b) in subsection (1) for “Step 2” substitute “Step 1”.
 - (11) In section 357BKB (actual marketing royalty) for “sub-stream”, in each place it occurs, substitute “stream”.
 - (12) In section 357BL (R&D fraction: introduction)—
 - (a) for “sub-stream” (in each place it occurs) substitute “stream”, and
 - (b) in subsection (1) for “Step 2” substitute “Step 1”.
 - (13) In section 357BLA(1) (R&D fraction) for “sub-stream” substitute “stream”.

- (17) In section 357BLH (R&D fraction: increase for exceptional circumstances) for “sub-stream”, in each place it occurs, substitute “stream”.
- (18) In section 357BNB (small claims figure election)—

CHAPTER 2B

RELEVANT IP PROFITS: CASES MENTIONED IN SECTION 357A(7): INCOME FROM NEW IP

357BO Relevant IP profits

- (1) Section 357BF applies, with the modifications set out in section 357BQ, for the purposes of determining the relevant IP profits of a trade of a company for an accounting period in a case where—
 - (a) the accounting period begins before 1 July 2021,
 - (b) the company is not a new entrant (see section 357A(11)), and
 - (c) any amount of relevant IP income brought into account as a credit in calculating the profits of the trade for the accounting period is properly attributable to a new qualifying IP right (see section 357BP).
- (2) Where it is necessary for the purposes of section 357BF, as applied by this section, to determine the R&D fraction for a relevant IP income sub-stream, the company concerned is to be treated for the purposes of sections 357BLF and 357BLG as if it were a new entrant.
- (3) Where section 357BF applies by reason of this section for the purposes of determining the relevant IP profits of a trade of a company for an accounting period, the company may not make a global streaming election for the accounting period under section 357BN(2)(c).

357BP Meaning of “new qualifying IP right” and “old qualifying IP right”

- (1) This section applies for the purposes of this Part.
- (2) “New qualifying IP right”, in relation to a company, means a qualifying IP right which meets condition A, B or C.
- (3) “Old qualifying IP right”, in relation to a company, means a qualifying IP right which does not meet any of those conditions.
- (4) Condition A is that the right was granted or issued to the company in response to an application filed on or after the relevant date.
- (5) Condition B is that the right was assigned to the company on or after the relevant date.

Status: This is the original version (as it was originally enacted).

- (6) Condition C is that an exclusive licence in respect of the right was granted to the company on or after the relevant date.
- (7) The “relevant date” for the purposes of subsections (4), (5) and (6) is 1 July 2016; but this is subject to subsection (8).
- (8) The “relevant date” for the purposes of subsections (5) and (6) is 2 January 2016 if—
 - (a) the company and the person who assigned the right or granted the licence were connected at the time of the assignment or grant,
 - (b) the main purpose, or one of the main purposes, of the assignment of the right or the grant of the licence was the avoidance of a foreign tax,
 - (c) the person who assigned the right or granted the licence was not within the charge to corporation tax at the time of the assignment or grant, and
 - (d) the person who assigned the right or granted the licence was not liable at the time of the assignment or grant to a foreign tax which is designated for the purposes of this section by regulations made by the Treasury.
- (9) Regulations may be made under subsection (8)(d) which designate a foreign tax only if it appears to the Treasury that the tax may be charged at a reduced rate under provisions of the law of the country or territory concerned which correspond to the provisions of this Part.
- (10) Regulations may not be made under subsection (8)(d) after 31 December 2016.
- (11) In this section “foreign tax” means a tax under the law of a country or territory outside the United Kingdom.
- (12) Section 1122 (meaning of “connected” persons) applies for the purposes of this section.

357BQ The modifications

- (1) The modifications of section 357BF referred to in section 357BO(1) are as follows.
- (2) Omit subsection (1).
- (3) In subsection (2)—
 - (a) in Step 2—
 - (i) before paragraph (a) insert—
 - “(aa) a sub-stream consisting of income properly attributable to old qualifying IP rights (“an old IP rights sub-stream”),”
 - (ii) in paragraph (a) before “qualifying IP right” insert “new”,
 - (iii) in the words after paragraph (c) for “and (7)” substitute “to (7E)”,
 - (b) in Step 6, for “relevant IP income sub-stream” substitute “individual IP right sub-stream, each product sub-stream and each process sub-stream”, and

- (c) for Step 7 substitute—
“*Step 7*
Add together—
- (a) the amount of any old IP rights sub-stream (following Steps 4 and 5), and
 - (b) the amount of each of the individual IP right sub-streams, each of the product sub-streams and each of the process sub-streams (following Step 6).”
- (4) In subsection (7) for paragraph (a) substitute—
“(a) it would not be reasonably practicable to apportion the income between—

311A Replacement domestic items relief

(1) This section applies if conditions A to D are met.

(2) Condition A is that a person (“P”) carries on a property business in relation to land which consists of or includes a dwelling-house.

(3) Condition B is that—

Status: This is the original version (as it was originally enacted).

- (a) a domestic item has been provided for use in the dwelling-house (“the old item”),
 - (b) P incurs expenditure on a domestic item for use in the dwelling-house (“the new item”),
 - (c) the new item is provided solely for the use of the lessee,
 - (d) the new item replaces the old item, and
 - (e) following that replacement, the old item is no longer available for use in the dwelling-house.
- (4) Condition C is that a deduction for the expenditure is not prohibited by the wholly and exclusively rule but would otherwise be prohibited by the capital expenditure rule (see subsection (15)).
- (5) Condition D is that no allowance under CAA 2001 may be claimed in respect of the expenditure.
- (6) In calculating the profits of the business, a deduction for the expenditure is allowed.
But this is subject to subsections (7) and (8).
- (7) No deduction is allowed for expenditure in a tax year if—
- (a) the business consists of or includes the commercial letting of furnished holiday accommodation (see Chapter 6), and
 - (b) the dwelling-house constitutes some or all of that accommodation for the tax year.
- (8) No deduction is allowed for expenditure in a tax year if—

Subsections (10) to (13) make further provision about the calculation of the deduction in certain cases.

- (10) If P incurs incidental expenditure of a capital nature in connection with the disposal of the old item or the purchase of the new item, the deduction is increased by the amount of the incidental expenditure.
- (11) If the old item is disposed of in part-exchange for the new item—
- (a) the expenditure incurred by P on the new item is treated as including an amount equal to the value of the old item, and
 - (b) the deduction is reduced by that amount.

- (12) If the old item is disposed of other than in part-exchange for the new item, the deduction is reduced by the amount or value of any consideration in money or money's worth which P or a person connected with P receives, or is entitled to receive, in respect of the disposal.
- (13) For the purposes of subsection (12), where the old item is disposed of together with other consideration, the consideration in respect of the disposal mentioned in that subsection is taken not to include the amount of, or an amount equal to the value of, that other consideration.
- (14) In this section, “domestic item” means an item for domestic use (such as furniture, furnishings, household appliances and kitchenware), and does not include anything that is a fixture.

- “Plant or machinery” here has the same meaning as in Part 2 of CAA 2001.

Introduction

356OA Overview of Part

This Part contains provision about the corporation tax treatment of certain profits and gains realised from disposals concerned with land in the United Kingdom.

Amounts treated as profits of a trade

356OB Disposals of land in the United Kingdom

- (1) Section 356OC(1) applies (subject to subsection (3) of that section) if—
- (a) a person within subsection (2)(a), (b) or (c) realises a profit or gain from a disposal of any land in the United Kingdom, and
 - (b) any of conditions A to D is met in relation to the land.
- (2) The persons referred to in subsection (1) are—
- (a) the person acquiring, holding or developing the land,
 - (b) a person who is associated with the person in paragraph (a) at a relevant time, and
 - (c) a person who is a party to, or concerned in, an arrangement within subsection (3).

Status: This is the original version (as it was originally enacted).

- (3) An arrangement is within this subsection if—
 - (a) it is effected with respect to all or part of the land, and
 - (b) it enables a profit or gain to be realised—
 - (i) by any indirect method, or
 - (ii) by any series of transactions.
- (4) Condition A is that the main purpose, or one of the main purposes, of acquiring the land was to realise a profit or gain from disposing of the land.
- (5) Condition B is that the main purpose, or one of the main purposes, of acquiring any property deriving its value from the land was to realise a profit or gain from disposing of the land.
- (6) Condition C is that the land is held as trading stock.
- (7) Condition D is that (in a case where the land has been developed) the main purpose, or one of the main purposes, of developing the land was to realise a profit or gain from disposing of the land when developed.
- (8) In this section “relevant time” means any time in the period beginning when the activities of the project begin and ending 6 months after the disposal mentioned in subsection (1).
- (9) In this section “the project” means all activities carried out for any of the following purposes—
 - (a) the purposes of dealing in or developing the land, and
 - (b) any other purposes mentioned in Conditions A to D.
- (10) For the purposes of this section a person (“A”) is associated with another person (“B”) if—
 - (a) A is connected with B by virtue of any of subsections (5) to (7) of section 1122 (read in accordance with section 1123), or
 - (b) A is related to B (see section 356OT).

356OC Disposals of land: profits treated as trading profits

- (1) The profit or gain is to be treated for corporation tax purposes as profits of a trade carried on by the chargeable company (see section 356OG).
- (2) If the chargeable company is non-UK resident, that trade is the company’s trade of dealing in or developing UK land (as defined in section 5B of CTA 2009).
- (3) But subsection (1) does not apply to a profit or gain so far as it would (apart from this section) be brought into account as income in calculating profits (of any person)—
 - (a) for corporation tax purposes, or
 - (b) for income tax purposes.
- (4) The profits are treated as arising in the accounting period of the chargeable company in which the profit or gain is realised.
- (5) This section applies in relation to gains which are capital in nature as it applies in relation to other gains.

356OD Disposals of property deriving its value from land in the United Kingdom

- (1) Section 356OE applies (subject to subsection (3) of that section) if—
 - (a) a person realises a profit or gain from a disposal of any property which (at the time of the disposal) derives at least 50% of its value from land in the United Kingdom,
 - (b) the person is a party to, or concerned in, an arrangement concerning some or all of the land mentioned in paragraph (a) (“the project land”), and
 - (c) the arrangement meets the condition in subsection (2).
- (2) The condition is that the main purpose, or one of the main purposes, of the arrangement is to—
 - (a) deal in or develop the project land, and
 - (b) realise a profit or gain from a disposal of property deriving the whole or part of its value from that land.

356OE Disposals within section 356OD: profits treated as trading profits

- (1) The relevant amount is to be treated for corporation tax purposes as profits of a trade carried on by the chargeable company.
- (2) If the chargeable company is non-UK resident, that trade is the company’s trade of dealing in or developing UK land.
- (3) But subsection (1) does not apply to an amount so far as it would (apart from this section) be brought into account as income in calculating profits (of any person)—
 - (a) for corporation tax purposes, or
 - (b) for income tax purposes.
- (4) The profits are treated as arising in the accounting period of the chargeable company in which the profit or gain is realised.
- (5) In this section the “relevant amount” means so much (if any) of the profit or gain mentioned in section 356OD(1) as is attributable, on a just and reasonable apportionment, to the relevant UK assets.
- (6) In this section “the relevant UK assets” means any land in the United Kingdom from which the property mentioned in section 356OD(1) derives any of its value (at the time of the disposal mentioned in that subsection).
- (7) This section applies in relation to gains which are capital in nature as it applies in relation to other gains.

356OF Profits and losses

- (1) Sections 356OB to 356OE have effect as if they included provision about losses corresponding to the provision they make about profits and gains.
- (2) Accordingly, in the following sections of this Part references to a “profit or gain” include a loss.

Status: This is the original version (as it was originally enacted).

Person to whom profits attributed

356OG The chargeable company

- (1) For the purposes of sections 356OC and 356OE the general rule is that the “chargeable company” is the company (“C”) that realises the profit or gain (as mentioned in section 356OB(1) or 356OD(1)).
- (2) The general rule in subsection (1) is subject to the special rules in subsections (4) to (6).
- (3) But those special rules do not apply in relation to a profit or gain to which section 356OH(3) (fragmented activities) applies.
- (4) If all or any part of the profit or gain accruing to C is derived from value provided directly or indirectly by another person (“B”) which is a company, B is the “chargeable company”.
- (5) Subsection (4) applies whether or not the value is put at the disposal of C.
- (6) If all or any part of the profit or gain accruing to C is derived from an opportunity of realising a profit or gain provided directly or indirectly by another person (“D”) which is a company, D is “the chargeable company” (unless the case falls within subsection (4)).
- (7) For the meaning of “another person” see section 356OO.

Anti-fragmentation

356OH Fragmented activities

- (1) Subsection (3) applies if—
 - (a) a company (“C”) disposes of any land in the United Kingdom,
 - (b) any of conditions A to D in section 356OB is met in relation to the land, and
 - (c) a person (“R”) who is associated with C at a relevant time has made a relevant contribution to activities falling within subsection (2).
- (2) The following activities fall within this subsection—
 - (a) the development of the land,
 - (b) any other activities directed towards realising a profit or gain from the disposal of the land.
- (3) For the purposes of this Part, the profit or gain (if any) realised by C from the disposal is to be taken to be what that profit or gain would be if R were not a distinct person from C (and, accordingly, as if everything done by or in relation to R had been done by or in relation to C).
- (4) Subsection (5) applies to any amount which is paid (directly or indirectly) by R to C for the purposes of meeting or reimbursing the cost of corporation tax which C is liable to pay as a result of the application of subsection (3) in relation to R and C.

Status: This is the original version (as it was originally enacted).

- (5) The amount—
- (a) is not to be taken into account in calculating profits or losses of either R or C for the purposes of income tax or corporation tax, and
 - (b) is not for any purpose of the Corporation Tax Acts to be regarded as a distribution.
- (6) In subsection (1) “relevant time” means any time in the period beginning when the activities of the project begin and ending 6 months after the disposal.
- (7) For the purposes of this section any contribution made by R to activities falling within subsection (2) is a “relevant contribution” unless the profit made or to be made by R in respect of the contribution is insignificant having regard to the size of the project.
- (8) In this section “contribution” means any kind of contribution, including, for example—
- (a) the provision of professional or other services, or
 - (b) a financial contribution (including the assumption of a risk).
- (9) For the purposes of this section R is “associated” with C if—
- (a) R is connected with C by virtue of any of subsections (5) to (7) of section 1122 (read in accordance with section 1123), or
 - (b) R is related to C (see section 356OT).
- (10) In this section “the project” means all activities carried out for any of the following purposes—
- (a) the purposes of dealing in or developing the land, and
 - (b) any other purposes mentioned in Conditions A to D in section 356OB.

Calculation of profit or gain on disposal

356OI Calculation of profit or gain on disposal

For the purposes of this Part, the profit or gain (if any) from a disposal of any property is to be calculated according to the principles applicable for calculating the profits of a trade under Part 3 of CTA 2009, subject to any modifications that may be appropriate (and for this purpose the same rules are to apply in calculating losses from a disposal as apply in calculating profits).

356OJ Apportionments

Any apportionment (whether of expenditure, consideration or any other amount) that is required to be made for the purposes of this Part is to be made on a just and reasonable basis.

Arrangements for avoiding tax

356OK Arrangements for avoiding tax

- (1) Subsection (3) applies if an arrangement has been entered into the main purpose or one of the main purposes of which is to enable a company to obtain a relevant tax advantage.
- (2) In subsection (1) the reference to obtaining a relevant tax advantage includes obtaining a relevant tax advantage by virtue of any provisions of double taxation arrangements, but only in a case where the relevant tax advantage is contrary to the object and purpose of the provisions of the double taxation arrangements (and subsection (3) has effect accordingly, regardless of anything in section 6(1) of TIOPA 2010).
- (3) The tax advantage is to be counteracted by means of adjustments.
- (4) For this purpose adjustments may be made (whether by an officer of Revenue and Customs or by the company) by way of an assessment, the modification of an assessment, amendment or disallowance of a claim, or otherwise.
- (5) In this section “relevant tax advantage” means a tax advantage in relation to corporation tax charged (or which would, if the tax advantage were not obtained, be charged) in respect of amounts treated as profits of a trade by virtue of this Part.
- (6) In this section—
 - “double taxation arrangements” means arrangements which have effect under section 2(1) of TIOPA 2010 (double taxation relief by agreement with territories outside the United Kingdom);
 - “tax advantage” has the meaning given by section 1139.

Exemption

- (2) Section 356OC(1) has effect as if the person mentioned in section 356OB(1) had not realised that part of the profit or gain.
- (3) Subsection (4) applies if—
 - (a) section 356OE(1) applies, and
 - (b) part of the profit or gain mentioned in section 356OE(5) is fairly attributable to a period before the person mentioned in section 356OD(1) was a party to, or concerned in, the arrangement in question.

Status: This is the original version (as it was originally enacted).

- (4) Section 356OE has effect as if the person had not realised that part of the profit or gain.

TRANSACTIONS IN UK LAND

Introduction

517A Overview of Part

This Part contains provision about the income tax treatment of certain profits and gains realised from disposals concerned with land in the United Kingdom.

Amounts treated as profits of a trade

517B Disposals of land in the United Kingdom

- (1) Section 517C(1) applies (subject to subsection (3) of that section) if—
- (a) a person within subsection (2)(a), (b) or (c) realises a profit or gain from a disposal of any land in the United Kingdom, and
 - (b) any of conditions A to D is met in relation to the land.
- (2) The persons referred to in subsection (1) are—
- (a) the person acquiring, holding or developing the land,
 - (b) a person who is associated with the person in paragraph (a) at a relevant time, and
 - (c) a person who is a party to, or concerned in, an arrangement within subsection (3).
- (3) An arrangement is within this subsection if—
- (a) it is effected with respect to all or part of the land, and
 - (b) it enables a profit or gain to be realised—
 - (i) by any indirect method, or
 - (ii) by any series of transactions.
- (4) Condition A is that the main purpose, or one of the main purposes, of acquiring the land was to realise a profit or gain from disposing of the land.
- (5) Condition B is that the main purpose, or one of the main purposes, of acquiring any property deriving its value from the land was to realise a profit or gain from disposing of the land.
- (6) Condition C is that the land is held as trading stock.
- (7) Condition D is that (in a case where the land has been developed) the main purpose, or one of the main purposes, of developing the land was to realise a profit or gain from disposing of the land when developed.

- (8) In this section “relevant time” means any time in the period beginning when the activities of the project begin and ending 6 months after the disposal mentioned in subsection (1).
- (9) In this section “the project” means all activities carried out for any of the following purposes—
 - (a) the purposes of dealing in or developing the land, and
 - (b) any other purposes mentioned in Conditions A to D.
- (10) For the purposes of this section a person (“A”) is associated with another person (“B”) if—
 - (a) A is connected with B by virtue of any of subsections (2) to (4) of section 993 (read in accordance with section 994), or
 - (b) A is related to B (see section 517U).

517C Disposals of land: profits treated as trading profits

- (1) The profit or gain is to be treated for income tax purposes as profits of a trade carried on by the chargeable person.
- (2) If the chargeable person is non-UK resident, that trade is the person’s trade of dealing in or developing UK land (as defined in section 6B of ITTOIA 2005).
- (3) But subsection (1) does not apply to a profit or gain so far as it would (apart from this section) be brought into account as income in calculating profits (of any person)—
 - (a) for income tax purposes, or
 - (b) for corporation tax purposes.
- (4) The profits are treated as arising in the tax year in which the profit or gain is realised.
- (5) This section applies in relation to gains which are capital in nature as it applies in relation to other gains.

517D Disposals of property deriving its value from land in the United Kingdom

- (1) Section 517E(1) applies (subject to subsection (3) of that section) if—
 - (a) a person realises a profit or gain from a disposal of any property which (at the time of the disposal) derives at least 50% of its value from land in the United Kingdom,
 - (b) the person is a party to, or concerned in, an arrangement concerning some or all of the land mentioned in paragraph (a) (“the project land”), and
 - (c) the arrangement meets the condition in subsection (2).
- (2) The condition is that the main purpose, or one of the main purposes, of the arrangement is to—
 - (a) deal in or develop the project land, and
 - (b) realise a profit or gain from a disposal of property deriving the whole or part of its value from that land.

Status: This is the original version (as it was originally enacted).

517E Disposals within section 517D: profits treated as trading profits

- (1) The relevant amount is to be treated for income tax purposes as profits of a trade carried on by the chargeable person.
- (2) If the chargeable person is non-UK resident, that trade is the chargeable person's trade of dealing in or developing UK land.
- (3) But subsection (1) does not apply to an amount so far as it would (apart from this section) be brought into account as income in calculating profits (of any person)—
 - (a) for income tax purposes, or
 - (b) for corporation tax purposes.
- (4) The profits are treated as arising in the tax year in which the profit or gain is realised.
- (5) In this section the “relevant amount” means so much (if any) of the profit or gain mentioned in section 517D(1) as is attributable, on a just and reasonable apportionment, to the relevant UK assets.
- (6) In this section “the relevant UK assets” means any land in the United Kingdom from which the property mentioned in section 517D(1) derives any of its value (at the time of the disposal mentioned in that subsection).
- (7) This section applies in relation to gains which are capital in nature as it applies in relation to other gains.

517F Profits and losses

- (1) Sections 517B to 517E have effect as if they included provision about losses corresponding to the provision they make about profits and gains.
- (2) Accordingly, in the following sections of this Part references to a “profit or gain” include a loss.

Person to whom profits attributed

517G The chargeable person

- (1) For the purposes of sections 517C and 517E the general rule is that the “chargeable person” is the person (“P”) that realises the profit or gain (as mentioned in section 517B(1) or 517D(1)).
- (2) The general rule in subsection (1) is subject to the special rules in subsections (4) to (6).
- (3) But those special rules do not apply in relation to a profit or gain to which section 517H(3) (fragmented activities) applies.
- (4) If all or any part of the profit or gain accruing to P is derived from value provided directly or indirectly by another person (“B”), B is the “chargeable person”.

- (5) Subsection (4) applies whether or not the value is put at the disposal of P.
- (6) If all or any part of the profit or gain accruing to P is derived from an opportunity of realising a profit or gain provided directly or indirectly by another person (“D”), D is “the chargeable person” (unless the case falls within subsection (4)).
- (7) For the meaning of “another person” see section 517P.

Anti-fragmentation

517H Fragmented activities

- (1) Subsection (3) applies if—
 - (a) a person (“P”) disposes of any land in the United Kingdom,
 - (b) any of conditions A to D in section 517B is met in relation to the land, and
 - (c) a person (“R”) who is associated with P at a relevant time has made a relevant contribution to activities falling within subsection (2).
- (2) The following activities fall within this subsection—
 - (a) the development of the land,
 - (b) any other activities directed towards realising a profit or gain from the disposal of the land.
- (3) For the purposes of this Part, the profit or gain (if any) realised by P from the disposal is to be taken to be what that profit or gain would be if R were not a distinct person from P (and, accordingly, as if everything done by or in relation to R had been done by or in relation to P).
- (4) Subsection (5) applies to any amount which is paid (directly or indirectly) by R to P for the purposes of meeting or reimbursing the cost of income tax which P is liable to pay as a result of the application of subsection (3) in relation to R and P.
- (5) The amount—
 - (a) is not to be taken into account in calculating profits or losses of either R or P for the purposes of income tax or corporation tax, and
 - (b) is not for any purpose of the Corporation Tax Acts to be regarded as a distribution.
- (6) In subsection (1) “relevant time” means any time in the period beginning when the activities of the project begin and ending 6 months after the disposal.
- (7) For the purposes of this section any contribution made by P to activities falling within subsection (2) is a “relevant contribution” unless the profit made or to be made by P in respect of the contribution is insignificant having regard to the size of the project.
- (8) In this section “contribution” means any kind of contribution, including, for example—
 - (a) the provision of professional or other services, or
 - (b) a financial contribution (including the assumption of a risk).

- (9) For the purposes of this section R is “associated” with P if—
- (a) R is connected with P by virtue of any of subsections (2) to (4) of section 993 (read in accordance with section 994), or
 - (b) R is related to P (see section 517U).
- (10) In this section “the project” means all activities carried out for any of the following purposes—
- (a) the purposes of dealing in or developing the land, and
 - (b) any other purposes mentioned in Conditions A to D in section 517B.

Calculation of profit or gain on disposal

517I Calculation of surplus on a disposal of land

For the purposes of this Part, the profit or gain (if any) from a disposal of any property is to be calculated according to the principles applicable for calculating the profits of a trade under Part 2 of ITTOIA 2005, subject to any modifications that may be appropriate (and for this purpose the same rules are to apply in calculating losses from a disposal as apply in calculating profits).

517J Apportionments

Any apportionment (whether of expenditure, consideration or any other amount) that is required to be made for the purposes of this Part is to be made on a just and reasonable basis.

Arrangements for avoiding tax

- (1) Subsection (3) applies if an arrangement has been entered into the main purpose or one of the main purposes of which is to enable a person to obtain a relevant tax advantage.
- (2) In subsection (1) the reference to obtaining a relevant tax advantage includes obtaining a relevant tax advantage by virtue of any provisions of double taxation arrangements, but only in a case where the relevant tax advantage is contrary to the object and purpose of the provisions of the double taxation arrangements (and subsection (3) has effect accordingly, regardless of anything in section 6(1) of TIOPA 2010).
- (3) The tax advantage is to be counteracted by means of adjustments.
- (4) For this purpose adjustments may be made (whether by an officer of Revenue and Customs or by the person) by way of an assessment, the modification of an assessment, amendment or disallowance of a claim, or otherwise.
- (5) In this section “relevant tax advantage” means an advantage in relation to income tax charged (or which would, if the tax advantage were not obtained, be charged) in respect of amounts treated as profits of a trade by virtue of this Part.

- (6) In this section “advantage” includes—
- (a) a relief or increased relief from tax,
 - (b) repayment or increased repayment of tax,
 - (c) avoidance or reduction of a charge to tax or an assessment to tax,
 - (d) avoidance of a possible assessment to tax,

 - (f) avoidance of an obligation to deduct or account for tax.

Exemptions

517L Gain attributable to period before intention to develop formed

 - (b) part of the profit or gain mentioned in that subsection is fairly attributable to a period before the intention to develop was formed.
- (2) Section 517C(1) has effect as if the person mentioned in section 517B(1) had not realised that part of the profit or gain.

- (4) Section 517E has effect as if the person had not realised that part of the profit or gain.
- (5) In applying this section account must be taken of the treatment under Part 2 of ITTOIA 2005 (trading income) of a person who appropriates land as trading stock.

517M Private residences

No liability to income tax arises under this Part in respect of a gain accruing to an individual if—

- (a) the gain is exempt from capital gains tax as a result of sections 222 to 226 of TCGA 1992 (private residences), or
- (b) it would be so exempt but for section 224(3) of that Act (residences acquired partly with a view to making a gain).

- (b) the relevant percentage of that pay bill exceeds the amount of the person’s levy allowance (if any) for that tax year.
- (2) The amount charged for the tax year is equal to—
- $$N - A$$
- where—
- N is the relevant percentage of the pay bill for the tax year, and
- A is the amount of the levy allowance (if any) to which the person is entitled for the tax year.
- (3) The person mentioned in subsection (1) is liable to pay the amount charged.

- (4) Except so far as section 103 provides otherwise, a person who has a pay bill for a tax year is entitled to a levy allowance for the tax year.
- (5) The amount of the levy allowance is £15,000 (except where section 101 or 102 provides otherwise).
- (6) For the purposes of this section the “relevant percentage” is 0.5%.

- (1) A person has a pay bill for a tax year if, in the tax year—
 - (a) the person is the secondary contributor in relation to payments of earnings to, or for the benefit of, one or more employed earners, and
 - (b) in consequence, the person incurs liabilities to pay secondary Class 1 contributions.
- (2) The amount of the person’s pay bill for the tax year is equal to the total amount of the earnings in respect of which the liabilities mentioned in subsection (1)(b) are incurred.

Connected companies and charities

101 Connected companies

- (1) Two or more companies which are not charities form a “company unit” for a tax year (and are the “members” of that unit) if—
 - (a) they are connected with one another at the beginning of the tax year, and
 - (b) each of them is entitled to a levy allowance for the tax year.

Status: This is the original version (as it was originally enacted).

- (2) The members of a company unit must determine what amount of levy allowance each of them is to be entitled to for the tax year (and the determination must comply with subsections (3) and (4)).

But see subsections (6) and (11).

- (3) A member’s levy allowance for a tax year may be zero (but not a negative amount).
- (4) The total amount of the levy allowances to which the members of a company unit are entitled for a tax year must equal £15,000.
- (5) A determination made under subsection (2) (with respect to a tax year) cannot afterwards be altered by the members concerned (but this does not prevent the correction of a failure to comply with subsection (4)).
- (6) If subsection (8) applies—
- (a) HMRC must determine in accordance with subsection (7) what amount of levy allowance each of the relevant members (see subsection (8)(a)) of the unit concerned is to be entitled to for the tax year, and
 - (b) accordingly subsection (2) is treated as never having applied in relation to that company unit and that tax year.

- (7) The determination is to be made by multiplying the amount of levy allowance set out in each relevant return (see subsection (8)(a)) by—

$$\frac{15,000}{T}$$

where T is the total of the amounts of levy allowance set out in the relevant returns.

The result is, in each case, the amount of the levy allowance to which the relevant member in question is entitled for the tax year (but amounts may be rounded up or down where appropriate provided that subsection (4) is complied with).

- (8) This subsection applies if—
- (a) HMRC is aware—
 - (i) that two or more members of a company unit (“the relevant members”) have made apprenticeship levy returns (“the relevant returns”) on the basis mentioned in subsection (9), and
 - (ii) that those returns, together, imply that the total mentioned in subsection (4) is greater than £15,000,
 - (b) HMRC has notified the relevant members in writing that HMRC is considering taking action under subsection (6), and
 - (c) the remedial action specified in the notice has not been taken within the period specified in the notice.
- (9) The basis in question is that the member making the return is entitled to a levy allowance (whether or not of zero) for the tax year concerned.
- (10) If any member of the company unit mentioned in subsection (8)(a) is not a relevant member, that member is entitled to a levy allowance of zero for the tax year.
- (11) If subsection (13) applies—

- (a) HMRC must determine in accordance with subsection (12) what amount of levy allowance each of the members of the unit concerned is to be entitled to for the tax year, and
 - (b) accordingly subsection (2) is treated as never having applied in relation to that company unit and that tax year.
- (12) Each member of the unit is to be entitled to a levy allowance for the tax year equal to—

$$\frac{\pounds 15,000}{N}$$

where N is the number of the members of the company unit for the tax year.

Amounts determined in accordance with the formula in this subsection may be rounded up or down where appropriate provided that subsection (4) is complied with.

- (13) This subsection applies if—
- (a) the total amount paid by the members of a company unit in respect of apprenticeship levy for a tax year or any period in a tax year is less than the total of the amounts due and payable by them for the tax year or other period concerned,
 - (b) either the members of the unit have made no apprenticeship levy returns for any period in the tax year concerned or the returns that have been made do not contain sufficient information to enable HMRC to determine how the whole of the £15,000 mentioned in subsection (4) is to be used by the members of the unit for the tax year,
 - (c) HMRC has notified all the members of the unit in writing that HMRC is considering taking action under subsection (11), and
 - (d) the remedial action specified in the notice has not been taken within the period specified in the notice.
- (14) Subsection (4) is to be taken into account in calculating the total of the amounts due and payable as mentioned in subsection (13)(a).
- (15) The Commissioners may by regulations provide that in circumstances specified in the regulations the members of a company unit may alter a determination made under subsection (2) (despite subsection (5)).
- (16) In this section “apprenticeship levy return” means a return under regulations under section 105(4).
- (17) Part 1 of Schedule 1 to the National Insurance Contributions Act 2014 (rules for determining whether companies are “connected” with one another) applies for the purposes of subsection (1) as it applies for the purposes of section 3(1) of that Act.
- (18) In this Part “company” has the meaning given by section 1121(1) of CTA 2010 and includes a limited liability partnership.
- (19) See section 102 for the meaning of “charity”.

102 Connected charities

- (1) Two or more charities form a “charities unit” for a tax year (and are the “members” of that unit) if—
- (a) they are connected with one another at the beginning of the tax year, and

Status: This is the original version (as it was originally enacted).

- (b) each of them is entitled to a levy allowance for the tax year.
- (2) The members of a charities unit must determine what amount of levy allowance each of them is to be entitled to for the tax year (and the determination must comply with subsections (3) and (4)).

But see subsections (6) and (11).

- (3) A member’s levy allowance for a tax year may be zero (but not a negative amount).
- (4) The total amount of the levy allowances to which the members of a charities unit are entitled for a tax year must equal £15,000.
- (5) A determination made under subsection (2) (with respect to a tax year) cannot afterwards be altered by the members concerned (but this does not prevent the correction of a failure to comply with subsection (4)).
- (6) If subsection (8) applies—
- (a) HMRC must determine in accordance with subsection (7) what amount of levy allowance each of the relevant members (see subsection (8)(a)) of the unit concerned is to be entitled to for the tax year, and
- (b) accordingly subsection (2) is treated as never having applied in relation to that charities unit and that tax year.
- (7) The determination is to be made by multiplying the amount of levy allowance set out in each relevant return (see subsection (8)(a)) by—

$$\frac{15,000}{T}$$

where T is the total of the amounts of levy allowance set out in the relevant returns.

The result is, in each case, the amount of the levy allowance to which the relevant member in question is entitled for the tax year (but amounts may be rounded up or down where appropriate provided that subsection (4) is complied with).

- (8) This subsection applies if—
- (a) HMRC is aware—
- (i) that two or more members of a charities unit (“the relevant members”) have made apprenticeship levy returns (“the relevant returns”) on the basis mentioned in subsection (9), and
- (ii) that those returns, together, imply that the total mentioned in subsection (4) is greater than £15,000,
- (b) HMRC has notified the relevant members in writing that HMRC is considering taking action under subsection (6), and
- (c) the remedial action specified in the notice has not been taken within the period specified in the notice.
- (9) The basis in question is that the member making the return is entitled to a levy allowance (whether or not of zero) for the tax year concerned.
- (10) If any member of the charities unit mentioned in subsection (8)(a) is not a relevant member, that member is entitled to a levy allowance of zero for the tax year.
- (11) If subsection (13) applies—

- (a) HMRC must determine in accordance with subsection (12) what amount of levy allowance each of the members of the unit concerned is to be entitled to for the tax year, and
- (b) accordingly subsection (2) is treated as never having applied in relation to that charities unit and that tax year.

(12) Each member of the unit is to be entitled to a levy allowance for the tax year equal to—

$$\frac{\pounds 15,000}{N}$$

where N is the number of the members of the charities unit for the tax year.

Amounts determined in accordance with the formula in this subsection may be rounded up or down where appropriate provided that subsection (4) is complied with.

- (13) This subsection applies if—
- (a) the total amount paid by the members of a charities unit in respect of apprenticeship levy for a tax year or any period in a tax year is less than the total of the amounts due and payable by them for the tax year or other period concerned,
 - (b) either the members of the unit have made no apprenticeship levy returns for any period in the tax year concerned or the returns that have been made do not contain sufficient information to enable HMRC to determine how the whole of the £15,000 mentioned in subsection (4) is to be used by the members of the unit for the tax year,
 - (c) HMRC has notified all the members of the unit in writing that HMRC is considering taking action under subsection (11), and
 - (d) the remedial action specified in the notice has not been taken within the period specified in the notice.
- (14) Subsection (4) is to be taken into account in calculating the total of the amounts due and payable as mentioned in subsection (13)(a).
- (15) The Commissioners may by regulations provide that in circumstances specified in the regulations the members of a charities unit may alter a determination made under subsection (2) (despite subsection (5)).
- (16) In this section “apprenticeship levy return” means a return under regulations under section 105(4).
- (17) In this Part “charity” means—
- (a) a charity within the meaning of Part 1 of Schedule 6 to FA 2010;

- (2) Subsection (3) applies where, in consequence of avoidance arrangements within subsection (1)(a) or (b), a person incurs a liability to pay secondary Class 1 contributions in a particular tax year (as opposed to another tax year).
- (3) If the person would (apart from this subsection) obtain an advantage in relation to apprenticeship levy as a result of incurring the liability at the time mentioned in subsection (2), section 100 has effect as if the liability had been incurred when it would have been incurred but for the avoidance arrangements.
- (4) Subsection (6) applies where (apart from this section) a person (“P”)—

- (5) But subsection (6) only applies so far as the advantage in relation to apprenticeship levy cannot be counteracted under subsection (3).

“SCHEDULE 43A

PROCEDURAL REQUIREMENTS: POOLING NOTICES AND NOTICES OF BINDING

Pooling notices

- 1 (1) This paragraph applies where a person has been given a notice under paragraph 3 of Schedule 43 in relation to any tax arrangements (the “lead arrangements”) and the condition in sub-paragraph (2) is met.
- (2) The condition is that the period of 45 days mentioned in paragraph 4(1) of Schedule 43 has expired but no notice under paragraph 12 of Schedule 43 or paragraph 8 of Schedule 43B has yet been given in respect of the matter.
- (3) If a designated HMRC officer considers—
- (a) that a tax advantage has arisen to another person (“R”) from tax arrangements that are abusive,
 - (b) that those tax arrangements (“R’s arrangements”) are equivalent to the lead arrangements, and
 - (c) that the advantage ought to be counteracted under section 209,
- the officer may give R a notice (a “pooling notice”) which places R’s arrangements in a pool with the lead arrangements.
- (4) There is one pool for any lead arrangements, so all tax arrangements placed in a pool with the lead arrangements (as well as the lead arrangements themselves) are in one and the same pool.
- (5) Tax arrangements which have been placed in a pool do not cease to be in the pool except where that is expressly provided for by this Schedule (regardless of whether or not the lead arrangements or any other tax arrangements remain in the pool).
- (6) The officer may not give R a pooling notice if R has been given in respect of R’s arrangements a notice under paragraph 3 of Schedule 43.

Notice of proposal to bind arrangements to counteracted arrangements

- 2 (1) This paragraph applies where a counteraction notice has been given to a person in relation to any tax arrangements (the “counteracted arrangements”) which are in a pool created under paragraph 1.
- (2) If a designated HMRC officer considers—
 - (a) that a tax advantage has arisen to another person (“R”) from tax arrangements that are abusive,
 - (b) that those tax arrangements (“R’s arrangements”) are equivalent to the counteracted arrangements, and
 - (c) that the advantage ought to be counteracted under section 209, the officer may give R a notice (a “notice of binding”) in relation to R’s arrangements.
- (3) The officer may not give R a notice of binding if R has been given in respect of R’s arrangements a notice under—
 - (a) paragraph 1, or
 - (b) paragraph 3 of Schedule 43.
- (4) In this paragraph “counteraction notice” means a notice such as is mentioned in sub-paragraph (2) of paragraph 12 of Schedule 43 or sub-paragraph (3) of paragraph 8 of Schedule 43B (notice of final decision to counteract).
- 3 (1) The decision whether or not to give R a pooling notice or notice of binding must be taken, and any notice must be given, as soon as is reasonably practicable after HMRC becomes aware of the relevant facts.
- (2) A pooling notice or notice of binding must—
 - (a) specify the tax arrangements in relation to which the notice is given and the tax advantage,
 - (b) explain why the officer considers R’s arrangements to be equivalent to the lead arrangements or the counteracted arrangements (as the case may be),
 - (c) explain why the officer considers that a tax advantage has arisen to R from tax arrangements that are abusive,
 - (d) set out the counteraction that the officer considers ought to be taken, and
 - (e) explain the effect of—
 - (i) paragraphs 4 to 10,
 - (ii) subsection (9) of section 209, and
 - (iii) section 212A.
- (3) A pooling notice or notice of binding may set out steps that R may (subject to subsection (9) of section 209) take to avoid the proposed counteraction.

Corrective action by a notified taxpayer

- 4 (1) If a person to whom a pooling notice or notice of binding has been given takes the relevant corrective action in relation to the tax arrangements and tax advantage specified in the notice before the beginning of the closed

Status: This is the original version (as it was originally enacted).

period mentioned in section 209(9), the person is to be treated for the purposes of paragraphs 8 and 9 and Schedule 43B (generic referral of tax arrangements) as not having been given the notice in question (and accordingly the tax arrangements in question are no longer in the pool).

- (2) For the purposes of this Schedule the “relevant corrective action” is taken if (and only if) the person takes the steps set out in sub-paragraphs (3) and (4).
- (3) The first step is that—
 - (a) the person amends a return or claim to counteract the tax advantage specified in the pooling notice or notice of binding, or
 - (b) if the person has made a tax appeal (by notifying HMRC or otherwise) on the basis that the tax advantage specified in the pooling notice or notice of binding arises from the tax arrangements specified in that notice, the person takes all necessary action to enter into an agreement with HMRC (in writing) for the purpose of relinquishing that advantage.
- (4) The second step is that the person notifies HMRC—
 - (a) that the first step has been taken, and
 - (b) of any additional amount which has or will become due and payable in respect of tax by reason of the first step being taken.
- (5) Where a person takes the first step described in sub-paragraph (3)(b), HMRC may proceed as if the person had not taken the relevant corrective action if the person fails to enter into the written agreement.
- (6) In determining the additional amount which has or will become due and payable in respect of tax for the purposes of sub-paragraph (4)(b), it is to be assumed that, where the person takes the necessary action as mentioned in sub-paragraph (3)(b), the agreement is then entered into.
- (7) No enactment limiting the time during which amendments may be made to returns or claims operates to prevent the person taking the first step mentioned in sub-paragraph (3)(a) before the tax enquiry is closed.
- (8) No appeal may be brought, by virtue of a provision mentioned in sub-paragraph (9), against an amendment made by a closure notice in respect of a tax enquiry to the extent that the amendment takes into account an amendment made by the taxpayer to a return or claim in taking the first step mentioned in sub-paragraph (3)(a).
- (9) The provisions are—
 - (a) paragraph 35(1)(b) of Schedule 33,
 - (b) section 31(1)(b) or (c) of TMA 1970,
 - (c) paragraph 9 of Schedule 1A to TMA 1970,
 - (d) paragraph 34(3) of Schedule 18 to FA 1998, and
 - (e) paragraph 35(1)(b) of Schedule 10 to FA 2003.

Corrective action by lead taxpayer

- 5 If the person mentioned in paragraph 1(1) takes the relevant corrective action (as defined in paragraph 4A of Schedule 43) before the end of the

period of 75 days beginning with the day on which the notice mentioned in paragraph 1(1) was given to that person, the lead arrangements are treated as ceasing to be in the pool.

Opinion notices and right to make representations

- 6 (1) Sub-paragraph (2) applies where—
- (a) a pooling notice is given to a person in relation to any tax arrangements, and
 - (b) an opinion notice (or opinion notices) under paragraph 11(2) of Schedule 43 about another set of tax arrangements in the pool (“the referred arrangements”) is subsequently given to a designated HMRC officer.
- (2) The officer must give the person a pooled arrangements opinion notice.
- (3) No more than one pooled arrangements opinion notice may be given to a person in respect of the same tax arrangements.
- (4) Where a designated HMRC officer gives a person a notice of binding, the officer must, at the same time, give the person a bound arrangements opinion notice.
- 7 (1) In relation to a person who is, or has been, given a pooling notice, “pooled arrangements opinion notice” means a written notice which—
- (a) sets out a report prepared by HMRC of any opinion of the GAAR Advisory Panel about the referred arrangements,
 - (b) explains the person’s right to make representations falling within sub-paragraph (3), and
 - (c) sets out the period in which those representations may be made.
- (2) In relation to a person who is given a notice of binding “bound arrangements opinion notice” means a written notice which—
- (a) sets out a report prepared by HMRC of any opinion of the GAAR Advisory Panel about the counteracted arrangements (see paragraph 2(1)),
 - (b) explains the person’s right to make representations falling within sub-paragraph (3), and
 - (c) sets out the period in which those representations may be made.
- (3) A person who is given a pooled arrangements opinion notice or a bound arrangements opinion notice has 30 days beginning with the day on which the notice is given to make representations in any of the following categories—
- (a) representations that no tax advantage has arisen to the person from the arrangements to which the notice relates;
 - (b) representations as to why the arrangements to which the notice relates are or may be materially different from—
 - (i) the referred arrangements (in the case of a pooled arrangements opinion notice), or
 - (ii) the counteracted arrangements (in the case of a bound arrangements opinion notice).

Status: This is the original version (as it was originally enacted).

- (4) In sub-paragraph (3)(b) references to “arrangements” include any circumstances which would be relevant in accordance with section 207 to a determination of whether the tax arrangements in question are abusive.

Notice of final decision

- 8 (1) This paragraph applies where—
- (a) any tax arrangements have been placed in a pool by a notice given to a person under paragraph 1, and
 - (b) a designated HMRC officer has given a notice under paragraph 12 of Schedule 43 in relation to any other arrangements in the pool (the “referred arrangements”).
- (2) The officer must, having considered any opinion of the GAAR Advisory Panel about the referred arrangements and any representations made under paragraph 7(3) in relation to the arrangements mentioned in sub-paragraph (1)(a), give the person a written notice setting out whether the tax advantage arising from those arrangements is to be counteracted under the general anti-abuse rule.
- 9 (1) This paragraph applies where—
- (a) a person has been given a notice of binding under paragraph 2, and
 - (b) the period of 30 days for making representations under paragraph 7(3) has expired.
- (2) A designated HMRC officer must, having considered any opinion of the GAAR Advisory Panel about the counteracted arrangements and any representations made under paragraph 7(3) in relation to the arrangements specified in the notice of binding, give the person a written notice setting out whether the tax advantage arising from the arrangements specified in the notice of binding is to be counteracted under the general anti-abuse rule.
- 10 If a notice under paragraph 8(2) or 9(2) states that a tax advantage is to be counteracted, it must also set out—
- (a) the adjustments required to give effect to the counteraction, and
 - (b) if relevant, any steps the person concerned is required to take to give effect to it.

“Equivalent arrangements”

- 11 (1) For the purposes of paragraph 1, tax arrangements are “equivalent” to one another if they are substantially the same as one another having regard to—
- (a) their substantive results,
 - (b) the means of achieving those results, and
 - (c) the characteristics on the basis of which it could reasonably be argued, in each case, that the arrangements are abusive tax arrangements under which a tax advantage has arisen to a person.

Notices may be given on assumption that tax advantage does arise

- 12 (1) A designated HMRC officer may give a notice, or do anything else, under this Schedule where the officer considers that a tax advantage might have arisen to the person concerned.
- (2) Accordingly, any notice given by a designated HMRC officer under this Schedule may be expressed to be given on the assumption that a tax advantage does arise (without conceding that it does).

Power to amend

- 13 (1) The Treasury may by regulations amend this Schedule (apart from this paragraph).
- (2) Regulations under sub-paragraph (1) may include—
- (a) any amendment of this Part that is appropriate in consequence of an amendment by virtue of sub-paragraph (1);
 - (b) transitional provision.
- (3) Regulations under sub-paragraph (1) are to be made by statutory instrument.
- (4) A statutory instrument containing regulations under sub-paragraph (1) is subject to annulment in pursuance of a resolution of the House of Commons.”
- (3) After Schedule 43A insert—

“SCHEDULE 43B

PROCEDURAL REQUIREMENTS: GENERIC REFERRAL OF TAX ARRANGEMENTS

Notice of proposal to make generic referral of tax arrangements

- (3) Only one determination under sub-paragraph (2) may be made in relation to any one pool.

 - (d) set out any matters the designated officer is aware of which may suggest that any view of HMRC or the designated HMRC officer expressed in the general statement is not correct;
 - (e) set out any other matters which the designated officer considers are required for the purposes of the exercise of the GAAR Advisory Panel's functions under paragraph 6.
- 5 If a generic referral is made the designated HMRC officer must at the same time give each of the notified taxpayers a notice which—
- (a) specifies that a generic referral is being made, and
 - (b) is accompanied by a copy of the statement given to the GAAR Advisory Panel in accordance with paragraph 4(1)(a).

 - (d) take account of subsections (4) to (6) of section 207.
- (6) For the purposes of the giving of an opinion under this paragraph, the arrangements are to be assumed to be tax arrangements.
- (7) In this Part, a reference to any opinion of the GAAR Advisory Panel in respect of a generic referral of any tax arrangements is a reference to the contents of any opinion notice given in relation to a generic referral in respect of the arrangements.

Notice of right to make representations

- 7 (1) Where a designated HMRC officer is given an opinion notice (or opinion notices) under paragraph 6, the officer must give each of the notified taxpayers a copy of the opinion notice (or notices) and a written notice which—

- (5) In the application of Schedule 43C to the Finance Act 2013 in relation to a relevant NICs-related penalty, paragraph 9(5) has effect as if the reference to an appeal against an assessment to the tax concerned were to an appeal against a NICs decision.
- (6) In paragraph 8 of that Schedule (aggregate penalties), references to a “relevant penalty provision” include—
 - (a) any provision mentioned in sub-paragraph (5) of that paragraph, as applied in relation to any class of national insurance contributions by regulations (whenever made);

“SCHEDULE
43C

PENALTY UNDER SECTION 212A: SUPPLEMENTARY PROVISION

Value of the counteracted advantage: introduction

- 1 Paragraphs 2 to 4 set out how to calculate the “value of the counteracted advantage” for the purposes of section 212A.

Value of the counteracted advantage: basic rule

- 2 (1) The “value of the counteracted advantage” is the additional amount due or payable in respect of tax as a result of the counteraction mentioned in section 212A(1)(c).
- (2) The reference in sub-paragraph (1) to the additional amount due and payable includes a reference to—
- (a) an amount payable to HMRC having erroneously been paid by way of repayment of tax, and
 - (b) an amount which would be repayable by HMRC if the counteraction were not made.
- (3) The following are ignored in calculating the value of the counteracted advantage—
- (a) group relief, and

Status: This is the original version (as it was originally enacted).

- (b) any relief under section 458 of CTA 2010 (relief in respect of repayment etc of loan) which is deferred under subsection (5) of that section.
- (4) For the purposes of this paragraph consequential adjustments under section 210 are regarded as part of the counteraction in question.
- (5) If the counteraction affects the person's liability to two or more taxes, the taxes concerned are to be considered together for the purpose of determining the value of the counteracted advantage.
- (6) This paragraph is subject to paragraphs 3 and 4.

Value of counteracted advantage: losses

- 3 (1) To the extent that the tax advantage mentioned in section 212A(1)(b) (“the tax advantage”) resulted in the wrong recording of a loss for the purposes of direct tax and the loss has been wholly used to reduce the amount due or payable in respect of tax, the value of the counteracted advantage is determined in accordance with paragraph 2.
- (2) To the extent that the tax advantage resulted in the wrong recording of a loss for purposes of direct tax and the loss has not been wholly used to reduce the amount due or payable in respect of tax, the value of the counteracted advantage is—
 - (a) the value under paragraph 2 of so much of the tax advantage as results (or would in the absence of the counteraction result) from the part (if any) of the loss which was used to reduce the amount due or payable in respect of tax, plus
 - (b) 10% of the part of the loss not so used.
- (3) Sub-paragraphs (1) and (2) apply both—
 - (a) to a case where no loss would have been recorded but for the tax advantage, and
 - (b) to a case where a loss of a different amount would have been recorded (but in that case sub-paragraphs (1) and (2) apply only to the difference between the amount recorded and the true amount).
- (4) To the extent that the tax advantage creates or increases (or would in the absence of the counteraction create or increase) an aggregate loss recorded for a group of companies—
 - (a) the value of the counteracted advantage is calculated in accordance with this paragraph, and
 - (b) in applying paragraph 2 in accordance with sub-paragraphs (1) and (2), group relief may be taken into account (despite paragraph 2(3)).
- (5) To the extent that the tax advantage results (or would in the absence of the counteraction result) in a loss, the value of it is nil where, because of the nature of the loss or the person's circumstances, there was no reasonable prospect of the loss being used to support a claim to reduce a tax liability (of any person).

Value of counteracted advantage: deferred tax

- 4 (1) To the extent that the tax advantage mentioned in section 212A is a deferral of tax, the value of the counteracted advantage is—
- (a) 25% of the amount of the deferred tax for each year of the deferral, or
 - (b) a percentage of the amount of the deferred tax, for each separate period of deferral of less than a year, equating to 25% per year, or, if less, 100% of the amount of the deferred tax.
- (2) This paragraph does not apply to a case to the extent that paragraph 3 applies.

Assessment of penalty

- 5 (1) Where a person is liable for a penalty under section 212A, HMRC must assess the penalty.
- (2) Where HMRC assess the penalty, HMRC must—
- (a) notify the person who is liable for the penalty, and
 - (b) state in the notice a tax period in respect of which the penalty is assessed.
- (3) A penalty under this paragraph must be paid before the end of the period of 30 days beginning with the day on which notification of the penalty is issued.
- (4) An assessment—
- (a) is to be treated for procedural purposes as if it were an assessment to tax,
 - (b) may be enforced as if it were an assessment to tax, and
 - (c) may be combined with an assessment to tax.
- (5) An assessment of a penalty under this paragraph must be made before the end of the period of 12 months beginning with—
- (a) the end of the appeal period for the assessment which gave effect to the counteraction mentioned in section 212A(1)(b), or
 - (b) if there is no assessment within paragraph (a), the date (or the latest of the dates) on which that counteraction becomes final.
- (6) The reference in sub-paragraph (5)(b) to the counteraction becoming final is to be interpreted in accordance with section 210(8).

Alteration of assessment of penalty

- 6 (1) After notification of an assessment has been given to a person under paragraph 5(2), the assessment may not be altered except in accordance with this paragraph or paragraph 7, or on appeal.
- (2) A supplementary assessment may be made in respect of a penalty if an earlier assessment operated by reference to an underestimate of the value of the counteracted advantage.

Status: This is the original version (as it was originally enacted).

- (3) An assessment may be revised as necessary if it operated by reference to an overestimate of the value of the counteracted advantage.

Revision of assessment following consequential relieving adjustment

- 7 (1) Sub-paragraph (2) applies where a person—
- (a) is notified under section 210(7) of a consequential adjustment relating to a counteraction under section 209, and
 - (b) an assessment to a penalty in respect of that counteraction of which the person has been notified under paragraph 5(2) does not take account of that consequential adjustment.
- (2) HMRC must make any alterations of the assessment that appear to HMRC to be just and reasonable in connection with the consequential amendment.
- (3) Alterations under this paragraph may be made despite any time limit imposed by or under an enactment.

Aggregate penalties

- 8 (1) Sub-paragraph (3) applies where—
- (a) two or more penalties are incurred by the same person and fall to be determined by reference to an amount of tax to which that person is chargeable,
 - (b) one of those penalties is incurred under section 212A, and
 - (c) one or more of the other penalties are incurred under a relevant penalty provision.
- (2) But sub-paragraph (3) does not apply if section 212(2) of FA 2014 (follower notices: aggregate penalties) applies in relation to the amount of tax in question.
- (3) The aggregate of the amounts of the penalties mentioned in subsection (1) (b) and (c), so far as determined by reference to that amount of tax, must not exceed—
- (a) the relevant percentage of that amount, or
 - (b) in a case where at least one of the penalties is under paragraph 5(2)(b) of, or sub-paragraph (3)(b), (4)(b) or (5)(b) of paragraph 6 of, Schedule 55 to FA 2009, £300 (if greater).
- (4) In the application of section 97A of TMA 1970 (multiple penalties) no account shall be taken of a penalty under section 212A.
- (5) “Relevant penalty provision” means—
- (a) Schedule 24 to FA 2007 (penalties for errors),
 - (b) Schedule 41 to FA 2008 (penalties: failure to notify etc),
 - (c) Schedule 55 to FA 2009 (penalties for failure to make returns etc),
or
 - (d) Part 5 of Schedule 18 to FA 2016 (penalty under serial tax avoidance regime).
- (6) “The relevant percentage” means—

Status: This is the original version (as it was originally enacted).

- (a) 200% in a case where at least one of the penalties is determined by reference to the percentage in—
 - (i) paragraph 4(4)(c) of Schedule 24 to FA 2007,

 - (iii) paragraph 6(3A)(c) of Schedule 55 to FA 2009,

 - (i) paragraph 4(3)(c) of Schedule 24 to FA 2007,
 - (ii) paragraph 6(3)(a) of Schedule 41 to FA 2008, or
 - (iii) paragraph 6(3A)(b) of Schedule 55 to FA 2009,
- (c) 140% in a case where neither paragraph (a) nor paragraph (b) applies and at least one of the penalties is determined by reference to the percentage in—
 - (i) paragraph 4(4)(b) of Schedule 24 to FA 2007,
 - (ii) paragraph 6(4)(b) of Schedule 41 to FA 2008, or
 - (iii) paragraph 6(4A)(c) of Schedule 55 to FA 2009,

 - (iii) paragraph 6(4A)(b) of Schedule 55 to FA 2009, and

 - (a) the imposition of a penalty under section 212A, or

 - (2) An appeal under sub-paragraph (1)(a) may only be made on the grounds that the arrangements were not abusive or there was no tax advantage to be counteracted.
 - (3) An appeal under sub-paragraph (1)(b) may only be made on the grounds that the assessment was based on an overestimate of the value of the counteracted advantage (whether because the estimate was made by reference to adjustments which were not just and reasonable or for any other reason).
 - (4) An appeal under this paragraph must be made within the period of 30 days beginning with the day on which notification of the penalty is given under paragraph 5(2).
 - (5) An appeal under this paragraph is to be treated in the same way as an appeal against an assessment to the tax concerned (including by the application of any provision about bringing the appeal by notice to HMRC, about HMRC's review of the decision or about determination of the appeal by the First-tier Tribunal or Upper Tribunal).

Status: This is the original version (as it was originally enacted).

- (6) Sub-paragraph (5) does not apply—
 - (a) so as to require a person to pay a penalty before an appeal against the assessment of the penalty is determined, or

- (3) The first step is that—
- (a) the taxpayer amends a return or claim to counteract the tax advantage specified in the notice under paragraph 3, or
 - (b) if the taxpayer has made a tax appeal (by notifying HMRC or otherwise) on the basis that the tax advantage specified in the notice under paragraph 3 arises from the tax arrangements specified in that notice, the taxpayer takes all necessary action to enter into an agreement with HMRC (in writing) for the purpose of relinquishing that advantage.
- (4) The second step is that the taxpayer notifies HMRC—
- (a) that the taxpayer has taken the first step, and
 - (b) of any additional amount which has or will become due and payable in respect of tax by reason of the first step being taken.
- (5) Where the taxpayer takes the first step described in sub-paragraph (3)(b), HMRC may proceed as if the taxpayer had not taken the relevant corrective action if the taxpayer fails to enter into the written agreement.
- (6) In determining the additional amount which has or will become due and payable in respect of tax for the purposes of sub-paragraph (4)(b), it is to be assumed that, where the taxpayer takes the necessary action as mentioned in sub-paragraph (3)(b), the agreement is then entered into.
- (7) No enactment limiting the time during which amendments may be made to returns or claims operates to prevent the taxpayer taking the first step mentioned in sub-paragraph (3)(a) before the tax enquiry is closed (whether or not before the specified time).
- (8) No appeal may be brought, by virtue of a provision mentioned in sub-paragraph (9), against an amendment made by a closure notice in respect of a tax enquiry to the extent that the amendment takes into account an amendment made by the taxpayer to a return or claim in taking the first step mentioned in sub-paragraph (3)(a).
- (9) The provisions are—
- (a) section 31(1)(b) or (c) of TMA 1970,
 - (b) paragraph 9 of Schedule 1A to TMA 1970,
 - (c) paragraph 34(3) of Schedule 18 to FA 1998,
 - (d) paragraph 35(1)(b) of Schedule 10 to FA 2003, and
 - (e) paragraph 35(1)(b) of Schedule 33 to FA 2013.”

Status: This is the original version (as it was originally enacted).

- (9) Before paragraph 5 (but after the heading “Referral to GAAR Advisory Panel”) insert—
- “4B Paragraphs 5 and 6 apply if the taxpayer does not take the relevant corrective action (see paragraph 4A) by the beginning of the closed period mentioned in section 209(8).”
- (10) In section 103ZA of TMA 1970 (disapplication of sections 100 to 103 in the case of certain penalties)—
- (a) omit “or” at the end of paragraph (g), and
- (b) after paragraph (g) insert
- “(ga) section 212A of the Finance Act 2013 (general anti-abuse rule), or”
- (11) In section 212 of FA 2014 (follower notices: aggregate penalties) (as amended by Schedule 18), in subsection (4)—
- (a) omit “or” at the end of paragraph (c), and
- (b) after paragraph (d) insert “, or
- (e) section 212A of FA 2013 (general anti-abuse rule).”
- (12) FA 2015 is amended in accordance with subsections (13) and (14).
- (13) In section 120 (penalties in connection with offshore matters and offshore transfers), in subsection (1), omit “and” before paragraph (c) and after paragraph (c) insert— “, and
- (d) Schedule 43C to FA 2013 (as amended by FA 2016).”
- (14) In Schedule 20 to that Act, after paragraph 19 insert—

“General anti-abuse rule: aggregate penalties

- 20 (1) In Schedule 43C to FA 2013 (general anti-abuse rule: supplementary provision about penalty), sub-paragraph (6) of paragraph 8 is amended as follows.
- (2) After paragraph (b) insert—
- “(ba) 125% in a case where neither paragraph (a) nor paragraph (b) applies and at least one of the penalties is determined by reference to the percentage in—
- (i) paragraph 4(2)(c) of Schedule 24 to FA 2007,
- (ii) paragraph 6(2)(a) of Schedule 41 to FA 2008,
- (iii) paragraph 6(3A)(a) of Schedule 55 to FA 2009.”.
- (3) In sub-paragraph (c) for “neither paragraph (a) nor paragraph (b) applies” substitute “none of paragraphs (a) to (ba) applies.
- (4) In sub-paragraph (d) for “none of paragraphs (a), (b) and (c) applies” substitute “none of paragraphs (a) to (c) applies”.
- (15) The amendments made by this section have effect in relation to tax arrangements (within the meaning of Part 5 of FA 2013) entered into on or after the day on which this Act is passed.

Tackling frequent avoidance

159 Serial tax avoidance

Schedule 18 contains provision about the issue of warning notices to, and further sanctions for, persons who incur a relevant defeat in relation to arrangements.

160 Promoters of tax avoidance schemes

- (1) Part 5 of FA 2014 (promoters of tax avoidance schemes) is amended as follows.
- (2) After section 237 insert—

“237A Duty to give conduct notice: defeat of promoted arrangements

- (1) If an authorised officer becomes aware at any time (“the relevant time”) that a person (“P”) who is carrying on a business as a promoter meets any of the conditions in subsections (11) to (13), the officer must determine whether or not P’s meeting of that condition should be regarded as significant in view of the purposes of this Part.

But see also subsection (14).

- (2) An authorised officer must make the determination set out in subsection (3) if the officer becomes aware at any time (“the section 237A(2) relevant time”) that—
 - (a) a person meets a condition in subsection (11), (12) or (13), and
 - (b) at the section 237A(2) relevant time another person (“P”), who is carrying on a business as a promoter, meets that condition by virtue of Part 4 of Schedule 34A (meeting the section 237A conditions: bodies corporate and partnerships).
- (3) The authorised officer must determine whether or not—
 - (a) the meeting of the condition by the person as mentioned in subsection (2)(a), and
 - (b) P’s meeting of the condition as mentioned in subsection (2)(b),
should be regarded as significant in view of the purposes of this Part.
- (4) Subsections (1) and (2) do not apply if a conduct notice or monitoring notice already has effect in relation to P.
- (5) Subsection (1) does not apply if, at the relevant time, an authorised officer is under a duty to make a determination under section 237(5) in relation to P.
- (6) Subsection (2) does not apply if, at the section 237A(2) relevant time, an authorised officer is under a duty to make a determination under section 237(5) in relation to P.
- (7) But in a case where subsection (1) does not apply because of subsection (5), or subsection (2) does not apply because of subsection (6), subsection (5) of section 237 has effect as if—
 - (a) the references in paragraph (a) of that subsection to “subsection (1)”, and “subsection (1)(a)” included subsection (1) of this section, and

Status: This is the original version (as it was originally enacted).

- (b) in paragraph (b) of that subsection the reference to “subsection (1A)(a)” included a reference to subsection (2)(a) of this section and the reference to subsection (1A)(b) included a reference to subsection (2)(b) of this section.
- (8) If the authorised officer determines under subsection (1) that P’s meeting of the condition in question should be regarded as significant, the officer must give P a conduct notice, unless subsection (10) applies.
- (9) If the authorised officer determines under subsection (3) that—
 - (a) the meeting of the condition by the person as mentioned in subsection (2)(a), and
 - (b) P’s meeting of the condition as mentioned in subsection (2)(b),
 should be regarded as significant in view of the purposes of this Part, the officer must give P a conduct notice, unless subsection (10) applies.
- (10) This subsection applies if the authorised officer determines that, having regard to the extent of the impact that P’s activities as a promoter are likely to have on the collection of tax, it is inappropriate to give P a conduct notice.
- (11) The condition in this subsection is that in the period of 3 years ending with the relevant time at least 3 relevant defeats have occurred in relation to P.
- (12) The condition in this subsection is that at least two relevant defeats have occurred in relation to P at times when a single defeat notice under section 241A(2) or (6) had effect in relation to P.
- (13) The condition in this subsection is that at least one relevant defeat has occurred in relation to P at a time when a double defeat notice under section 241A(3) had effect in relation to P.
- (14) A determination that the condition in subsection (12) or (13) is met cannot be made unless—
 - (a) the defeat notice in question still has effect when the determination is made, or
 - (b) the determination is made on or before the 90th day after the day on which the defeat notice in question ceased to have effect.
- (15) Schedule 34A sets out the circumstances in which a “relevant defeat” occurs in relation to a person and includes provision limiting what can amount to a further relevant defeat in relation to a person (see paragraph 6).

237B Duty to give further conduct notice where provisional notice not complied with

- (1) An authorised officer must give a conduct notice to a person (“P”) who is carrying on a business as a promoter if—
 - (a) a conduct notice given to P under section 237A(8)—
 - (i) has ceased to have effect otherwise than as a result of section 237D(2) or 241(3) or (4), and
 - (ii) was provisional immediately before it ceased to have effect,
 - (b) the officer determines that P had failed to comply with one or more conditions in the conduct notice,

Status: This is the original version (as it was originally enacted).

- (c) the conduct notice relied on a Case 3 relevant defeat,
 - (d) since the time when the conduct notice ceased to have effect, one or more relevant defeats falling within subsection (2) have occurred in relation to—
 - (i) P, and
 - (ii) any arrangements to which the Case 3 relevant defeat also relates, and
 - (e) had that relevant defeat or (as the case may be) those relevant defeats, occurred before the conduct notice ceased to have effect, an authorised officer would have been required to notify the person under section 237C(3) that the notice was no longer provisional.
- (2) A relevant defeat falls within this subsection if it occurs by virtue of Case 1 or Case 2 in Schedule 34A.
- (3) Subsection (1) does not apply if the authorised officer determines that, having regard to the extent of the impact that the person's activities as a promoter are likely to have on the collection of tax, it is inappropriate to give the person a conduct notice.
- (4) Subsection (1) does not apply if a conduct notice or monitoring notice already has effect in relation to the person.
- (5) For the purposes of this Part a conduct notice “relies on a Case 3 relevant defeat” if it could not have been given under the following condition.

The condition is that paragraph 9 of Schedule 34A had effect with the substitution of “100% of the tested arrangements” for “75% of the tested arrangements”.

237C When a conduct notice given under section 237A(8) is “provisional”

- (1) This section applies to a conduct notice which—
- (a) is given to a person under section 237A(8), and
 - (b) relies on a Case 3 relevant defeat.
- (2) The notice is “provisional” at all times when it has effect, unless an authorised officer notifies the person that the notice is no longer provisional.
- (3) An authorised officer must notify the person that the notice is no longer provisional if subsection (4) or (5) applies.
- (4) This subsection applies if—
- (a) the condition in subsection (5)(a) is not met, and
 - (b) a full relevant defeat occurs in relation to P.
- (5) This subsection applies if—
- (a) two, or all three, of the relevant defeats by reference to which the conduct notice is given would not have been relevant defeats if paragraph 9 of Schedule 34A had effect with the substitution of “100% of the tested arrangements” for “75% of the tested arrangements”, and
 - (b) the same number of full relevant defeats occur in relation to P.

Status: This is the original version (as it was originally enacted).

- (6) A “full relevant defeat” occurs in relation to P if—
- (a) a relevant defeat occurs in relation to P otherwise than by virtue of Case 3 in paragraph 9 of Schedule 34A, or
 - (b) circumstances arise which would be a relevant defeat in relation to P by virtue of paragraph 9 of Schedule 34A if that paragraph had effect with the substitution of “100% of the tested arrangements” for “75% of the tested arrangements”.
- (7) In determining under subsection (6) whether a full relevant defeat has occurred in relation to P, assume that in paragraph 6 of Schedule 34A (provision limiting what can amount to a further relevant defeat in relation to a person) the first reference to a “relevant defeat” does not include a relevant defeat by virtue of Case 3 in paragraph 9 of Schedule 34A.

237D Judicial ruling upholding asserted tax advantage: effect on conduct notice which is provisional

- (1) Subsection (2) applies if at any time—
- (a) a conduct notice which relies on a Case 3 relevant defeat (see section 237B(5)) is provisional, and
 - (b) a court or tribunal upholds a corresponding tax advantage which has been asserted in connection with any of the related arrangements to which that relevant defeat relates (see paragraph 5(2) of Schedule 34A).
- (2) The conduct notice ceases to have effect when that judicial ruling becomes final.
- (3) An authorised officer must give the person to whom the conduct notice was given a written notice stating that the conduct notice has ceased to have effect.
- (4) For the purposes of this section, a tax advantage is “asserted” in connection with any arrangements if a person makes a return, claim or election on the basis that the tax advantage arises from those arrangements.

In relation to the arrangements mentioned in paragraph (b) of subsection (1) “corresponding tax advantage” means a tax advantage corresponding to any tax advantage the counteraction of which contributed to the relevant defeat mentioned in that paragraph.

- (5) For the purposes of this section a court or tribunal “upholds” a tax advantage if—
- (a) the court or tribunal makes a ruling to the effect that no part of the tax advantage is to be counteracted, and
 - (b) that judicial ruling is final.
- (6) For the purposes of this Part a judicial ruling is “final” if it is—
- (a) a ruling of the Supreme Court, or
 - (b) a ruling of any other court or tribunal in circumstances where—
 - (i) no appeal may be made against the ruling,
 - (ii) if an appeal may be made against the ruling with permission, the time limit for applications has expired and either no application has been made or permission has been refused,

- (iii) if such permission to appeal against the ruling has been granted or is not required, no appeal has been made within the time limit for appeals, or
 - (iv) if an appeal was made, it was abandoned or otherwise disposed of before it was determined by the court or tribunal to which it was addressed.
- (7) In this section references to “counteraction” include anything referred to as a counteraction in any of Conditions A to F in paragraphs 11 to 16 of Schedule 34A.”
- (3) After section 241 insert—

“Defeat notices

241A Defeat notices

- (1) This section applies in relation to a person (“P”) only if P is carrying on a business as a promoter.
- (2) An authorised officer, or an officer of Revenue and Customs with the approval of an authorised officer, may give P a notice if the officer concerned has become aware of one (and only one) relevant defeat which has occurred in relation to P in the period of 3 years ending with the day on which the notice is given.
- (3) An authorised officer, or an officer of Revenue and Customs with the approval of an authorised officer, may give P a notice if the officer concerned has become aware of two (but not more than two) relevant defeats which have occurred in relation to P in the period of 3 years ending with the day on which the notice is given.
- (4) A notice under this section must be given by the end of the 90 days beginning with the day on which the matters mentioned in subsection (2) or (as the case may be) (3) come to the attention of HMRC.
- (5) Subsection (6) applies if—
 - (a) a single defeat notice which had been given to P (under subsection (2) or (6)) ceases to have effect as a result of section 241B(1), and
 - (b) in the period when the defeat notice had effect a relevant defeat (“the further relevant defeat”) occurred in relation to P.
- (6) An authorised officer or an officer of Revenue and Customs with the approval of an authorised officer may give P a notice in respect of the further relevant defeat (regardless of whether or not it occurred in the period of 3 years ending with the day on which the notice is given).
- (7) In this Part—
 - (a) “single defeat notice” means a notice under subsection (2) or (6);
 - (b) “double defeat notice” means a notice under subsection (3);
 - (c) “defeat notice” means a single defeat notice or a double defeat notice.
- (8) A defeat notice must—

Status: This is the original version (as it was originally enacted).

- (a) set out the dates on which the look-forward period for the notice begins and ends;
 - (b) in the case of a single defeat notice, explain the effect of section 237A(12);
 - (c) in the case of a double defeat notice, explain the effect of section 237A(13).
- (9) HMRC may specify what further information must be included in a defeat notice.
- (10) “Look-forward period”—
- (a) in relation to a defeat notice under subsection (2) or (3), means the period of 5 years beginning with the day after the day on which the notice is given;
 - (b) in relation to a defeat notice under subsection (6), means the period beginning with the day after the day on which the notice is given and ending at the end of the period of 5 years beginning with the day on which the further relevant defeat mentioned in subsection (6) occurred in relation to P.
- (11) A defeat notice has effect throughout its look-forward period unless it ceases to have effect earlier in accordance with section 241B(1) or (4).

241B Judicial ruling upholding asserted tax advantage: effect on defeat notice

- (1) If the relevant defeat to which a single defeat notice relates is overturned (see subsection (5)), the notice has no further effect on and after the day on which it is overturned.
- (2) Subsection (3) applies if one (and only one) of the relevant defeats in respect of which a double defeat notice was given is overturned.
- (3) The notice is to be treated for the purposes of this Part (including this section) as if it had always been a single defeat notice given (in respect of the other of the two relevant defeats) on the date on which the notice was in fact given.

The look-forward period for the notice is accordingly unchanged.

- (4) If both the relevant defeats to which a double defeat notice relates are overturned (on the same date), that notice has no further effect on and after that date.
- (5) A relevant defeat specified in a defeat notice is “overturned” if—
 - (a) the notice could not have specified that relevant defeat if paragraph 9 of Schedule 34A had effect with the substitution of “100% of the tested arrangements” for “75% of the tested arrangements”, and
 - (b) at a time when the notice has effect a court or tribunal upholds a corresponding tax advantage which has been asserted in connection with any of the related arrangements to which the relevant defeat relates (see paragraph 5(2) of Schedule 34A).

Accordingly the relevant defeat is overturned on the day on which the judicial ruling mentioned in paragraph (b) becomes final.

Status: This is the original version (as it was originally enacted).

- (6) If a defeat notice ceases to have effect as a result of subsection (1) or (4) an authorised officer, or an officer of Revenue and Customs with the approval of an authorised officer, must notify the person to whom the notice was given that it has ceased to have effect.
- (7) If subsection (3) has effect in relation to a defeat notice, an authorised officer, or an officer of Revenue and Customs with the approval of an authorised officer, must notify the person of the effect of that subsection.
- (8) For the purposes of this section, a tax advantage is “asserted” in connection with any arrangements if a person makes a return, claim or election on the basis that the tax advantage arises from those arrangements.
- (9) In relation to the arrangements mentioned in paragraph (b) of subsection (5) “corresponding tax advantage” means a tax advantage corresponding to any tax advantage the counteraction of which contributed to the relevant defeat mentioned in that paragraph.
- (10) For the purposes of this section a court or tribunal “upholds” a tax advantage if—
- (a) the court or tribunal makes a ruling to the effect that no part of the tax advantage is to be counteracted, and
 - (b) that judicial ruling is final.
- (11) In this section references to “counteraction” include anything referred to as a counteraction in any of Conditions A to F in paragraphs 11 to 16 of Schedule 34A.”
- (4) In section 242 (monitoring notices: duty to apply to tribunal), after subsection (5) insert—
- “(6) At a time when a notice given under section 237A is provisional, no determination is to be made under subsection (1) in respect of the notice.
- (7) If a promoter fails to comply with conditions in a conduct notice at a time when the conduct notice is provisional, nothing in subsection (6) prevents those failures from being taken into account under subsection (1) at any subsequent time when the conduct notice is not provisional.”
- (5) After Schedule 34 insert—

“SCHEDULE
34A

PROMOTERS OF TAX AVOIDANCE SCHEMES: DEFEATED ARRANGEMENTS

PART 1

INTRODUCTION

- 1 In this Schedule—
- (a) Part 2 is about the meaning of “relevant defeat”;
 - (b) Part 3 contains provision about when a relevant defeat is treated as occurring in relation to a person;

Status: This is the original version (as it was originally enacted).

- (c) Part 4 contains provision about when a person is treated as meeting a condition in subsection (11), (12) or (13) of section 237A;
- (d) Part 5 contains definitions and other supplementary provisions.

PART 2

MEANING OF “RELEVANT DEFEAT”

“Related” arrangements

- 2 (1) For the purposes of this Part of this Act, separate arrangements which persons have entered into are “related” to one another if (and only if) they are substantially the same.
- (2) Sub-paragraphs (3) to (6) set out cases in which arrangements are to be treated as being “substantially the same” (if they would not otherwise be so treated under sub-paragraph (1)).
- (3) Arrangements to which the same reference number has been allocated under Part 7 of FA 2004 (disclosure of tax avoidance schemes) are treated as being substantially the same.

For this purpose arrangements in relation to which information relating to a reference number has been provided in compliance with section 312 of FA 2004 are treated as arrangements to which that reference number has been allocated under Part 7 of that Act.

- (4) Arrangements to which the same reference number has been allocated under paragraph 9 of Schedule 11A to VATA 1994 (disclosure of avoidance schemes) are treated as being substantially the same.
- (5) Any two or more sets of arrangements which are the subject of follower notices given by reference to the same judicial ruling are treated as being substantially the same.
- (6) Where a notice of binding has been given in relation to any arrangements (“the bound arrangements”) on the basis that they are, for the purposes of Schedule 43A to FA 2013, equivalent arrangements in relation to another set of arrangements (the “lead arrangements”)—
 - (a) the bound arrangements and the lead arrangements are treated as being substantially the same, and
 - (b) the bound arrangements are treated as being substantially the same as any other arrangements which, as a result of this sub-paragraph, are treated as substantially the same as the lead arrangements.

“Promoted arrangements”

- 3 (1) For the purposes of this Schedule arrangements are “promoted arrangements” in relation to a person if—
 - (a) they are relevant arrangements or would be relevant arrangements under the condition stated in sub-paragraph (2), and

Status: This is the original version (as it was originally enacted).

- (b) the person is carrying on a business as a promoter and—
 - (i) the person is or has been a promoter in relation to the arrangements, or
 - (ii) that would be the case if the condition in sub-paragraph (2) were met.
- (2) That condition is that the definition of “tax” in section 283 includes, and has always included, value added tax.

Relevant defeat of single arrangements

- 4 (1) A defeat of arrangements (entered into by any person) which are promoted arrangements in relation to a person (“the promoter”) is a “relevant defeat” in relation to the promoter if the condition in sub-paragraph (2) is met.
- (2) The condition is that the arrangements are not related to any other arrangements which are promoted arrangements in relation to the promoter.
- (3) For the meaning of “defeat” see paragraphs 10 to 16.

Relevant defeat of related arrangements

- 5 (1) This paragraph applies if arrangements (entered into by any person) (“Set A”)—
 - (a) are promoted arrangements in relation to a person (“P”), and
 - (b) are related to other arrangements which are promoted arrangements in relation to P.
- (2) If Case 1, 2 or 3 applies (see paragraphs 7 to 9) a relevant defeat occurs in relation to P and each of the related arrangements.
- (3) “The related arrangements” means Set A and the arrangements mentioned in sub-paragraph (1)(b).

Limit on number of separate relevant defeats in relation to the same, or related, arrangements

- 6 In relation to a person, if there has been a relevant defeat of arrangements (whether under paragraph 4 or 5) there cannot be a further relevant defeat of—
 - (a) those particular arrangements, or
 - (b) arrangements which are related to those arrangements.

Case 1: counteraction upheld by judicial ruling

- 7 (1) Case 1 applies if—
 - (a) any of Conditions A to E is met in relation to any of the related arrangements, and
 - (b) in the case of those arrangements the decision to make the relevant counteraction has been upheld by a judicial ruling (which is final).

Status: This is the original version (as it was originally enacted).

- (2) In sub-paragraph (1) “the relevant counteraction” means the counteraction mentioned in paragraph 11(d), 12(1)(b), 13(1)(d), 14(1)(d) or 15(1)(d) (as the case requires).

Case 2: judicial ruling that avoidance-related rule applies

- 8 Case 2 applies if Condition F is met in relation to any of the related arrangements.

Case 3: proportion-based relevant defeat

- 9 (1) Case 3 applies if—
- (a) at least 75% of the tested arrangements have been defeated, and
 - (b) no final judicial ruling in relation to any of the related arrangements has upheld a corresponding tax advantage which has been asserted in connection with any of the related arrangements.
- (2) In this paragraph “the tested arrangements” means so many of the related arrangements (as defined in paragraph 5(3)) as meet the condition in sub-paragraph (3) or (4).
- (3) Particular arrangements meet this condition if a person has made a return, claim or election on the basis that a tax advantage results from those arrangements and—
- (a) there has been an enquiry or investigation by HMRC into the return, claim or election, or
 - (b) HMRC assesses the person to tax on the basis that the tax advantage (or any part of it) does not arise, or
 - (c) a GAAR counteraction notice has been given in relation to the tax advantage or part of it and the arrangements.
- (4) Particular arrangements meet this condition if HMRC takes other action on the basis that a tax advantage which might be expected to arise from those arrangements, or is asserted in connection with them, does not arise.
- (5) For the purposes of this paragraph a tax advantage has been “asserted” in connection with particular arrangements if a person has made a return, claim or election on the basis that the tax advantage arises from those arrangements.
- (6) In sub-paragraph (1)(b) “corresponding tax advantage” means a tax advantage corresponding to any tax advantage the counteraction of which is taken into account by HMRC for the purposes of sub-paragraph (1)(a).
- (7) For the purposes of this paragraph a court or tribunal “upholds” a tax advantage if—
- (a) the court or tribunal makes a ruling to the effect that no part of the tax advantage is to be counteracted, and
 - (b) that judicial ruling is final.
- (8) In this paragraph references to “counteraction” include anything referred to as a counteraction in any of Conditions A to F in paragraphs 11 to 16.

Status: This is the original version (as it was originally enacted).

- (9) In this paragraph “GAAR counteraction notice” means—
- (a) a notice such as is mentioned in sub-paragraph (2) of paragraph 12 of Schedule 43 to FA 2013 (notice of final decision to counteract),
 - (b) a notice under paragraph 8(2) or 9(2) of Schedule 43A to that Act (pooling or binding of arrangements) stating that the tax advantage is to be counteracted under the general anti-abuse rule, or
 - (c) a notice under paragraph 8(2) of Schedule 43B to that Act (generic referrals) stating that the tax advantage is to be counteracted under the general anti-abuse rule.

“Defeat” of arrangements

- 10 For the purposes of this Part of this Act a “defeat” of arrangements occurs if any of Conditions A to F (in paragraphs 11 to 16) is met in relation to the arrangements.
- 11 Condition A is that—
- (a) a person has made a return, claim or election on the basis that a tax advantage arises from the arrangements,
 - (b) a notice given to the person under paragraph 12 of Schedule 43 to, paragraph 8(2) or 9(2) of Schedule 43A to or paragraph 8(2) of Schedule 43B to FA 2013 stated that the tax advantage was to be counteracted under the general anti-abuse rule,
 - (c) the tax advantage has been counteracted (in whole or in part) under the general anti-abuse rule, and
 - (d) the counteraction is final.
- 12 (1) Condition B is that a follower notice has been given to a person by reference to the arrangements (and not withdrawn) and—
- (a) the person has complied with subsection (2) of section 208 of FA 2014 by taking the action specified in subsections (4) to (6) of that section in respect of the denied tax advantage (or part of it), or
 - (b) the denied tax advantage has been counteracted (in whole or in part) otherwise than as mentioned in paragraph (a) and the counteraction is final.
- (2) In this paragraph “the denied tax advantage” is to be interpreted in accordance with section 208(3) of FA 2014.
- (3) In this Schedule “follower notice” means a follower notice under Chapter 2 of Part 4 of FA 2014.
- 13 (1) Condition C is that—
- (a) the arrangements are DOTAS arrangements,
 - (b) a person (“the taxpayer”) has made a return, claim or election on the basis that a relevant tax advantage arises,
 - (c) the relevant tax advantage has been counteracted, and

PART 3

RELEVANT DEFEATS: ASSOCIATED PERSONS

Attribution of relevant defeats

- 17 (1) Sub-paragraph (2) applies if—
- (a) there is (or has been) a person (“Q”),
 - (b) arrangements (“the defeated arrangements”) have been entered into,
 - (c) an event occurs such that either—
 - (i) there is a relevant defeat in relation to Q and the defeated arrangements, or
 - (ii) the condition in sub-paragraph (i) would be met if Q had not ceased to exist,
 - (d) at the time of that event a person (“P”) is carrying on a business as a promoter (or is carrying on what would be such a business under the condition in paragraph 3(2)), and
 - (e) Condition 1 or 2 is met in relation to Q and P.
- (2) The event is treated for all purposes of this Part of this Act as a relevant defeat in relation to P and the defeated arrangements (whether or not it is also a relevant defeat in relation to Q, and regardless of whether or not P existed at any time when those arrangements were promoted arrangements in relation to Q).
- (3) Condition 1 is that—
- (a) P is not an individual,
 - (b) at a time when the defeated arrangements were promoted arrangements in relation to Q—
 - (i) P was a relevant body controlled by Q, or
 - (ii) Q was a relevant body controlled by P, and
 - (c) at the time of the event mentioned in sub-paragraph (1)(c)—
 - (i) Q is a relevant body controlled by P,
 - (ii) P is a relevant body controlled by Q, or
 - (iii) P and Q are relevant bodies controlled by a third person.
- (4) Condition 2 is that—

Status: This is the original version (as it was originally enacted).

- (5) For the purposes of sub-paragraphs (3)(b) and (4)(b), the question whether arrangements are promoted arrangements in relation to Q at any time is to be determined on the assumption that the reference to “design” in paragraph (b) of section 235(3) (definition of “promoter” in relation to relevant arrangements) is omitted.

Deemed defeat notices

- 18 (1) This paragraph applies if—
- (a) an authorised officer becomes aware at any time (“the relevant time”) that a relevant defeat has occurred in relation to a person (“P”) who is carrying on a business as a promoter,
 - (b) there have occurred, more than 3 years before the relevant time—

- (2) Where this paragraph applies by virtue of sub-paragraph (1)(b)(i), this Part of this Act has effect as if an authorised officer had (with due authority), at the time of the time of the third party defeat, given P a single defeat notice under section 241A(2) in respect of it.
- (3) Where this paragraph applies by virtue of sub-paragraph (1)(b)(ii), this Part of this Act has effect as if an authorised officer had (with due authority), at the time of the second of the two third party defeats, given P a double defeat notice under section 241A(3) in respect of the two third party defeats.

- (a) a conduct notice or a single or double defeat notice has been given to the other person (see sub-paragraph (9)) in respect of the third party defeat,
 - (b) at the time of the third party defeat an authorised officer would have had power by virtue of paragraph 17 to give P a defeat notice in respect of the third party defeat, had the officer been aware that it was a relevant defeat in relation to P, and
 - (c) so far as the authorised officer mentioned in sub-paragraph (1) (a) is aware, the conditions for giving P a defeat notice in respect of the third party defeat have never been met (ignoring this paragraph).
- (6) Condition A2 is that—
- (a) a conduct notice or a single or double defeat notice has been given to the other person (see sub-paragraph (9)) in respect of each, or both, of the third party defeats,
 - (b) at the time of the second third party defeat an authorised officer would have had power by virtue of paragraph 17 to give P a double defeat notice in respect of the third party defeats, had the

Status: This is the original version (as it was originally enacted).

- (c) so far as the authorised officer mentioned in sub-paragraph (1)(a) is aware, the conditions for giving P a defeat notice in respect of those third party defeats (or either of them) have never been met (ignoring this paragraph).

- (7) Condition B1 is that, had an authorised officer given P a defeat notice in respect of the third party defeat at the time of that relevant defeat, that defeat notice would still have effect at the relevant time (see sub-paragraph (1)).
- (8) Condition B2 is that, had an authorised officer given P a defeat notice in respect of the two third party defeats at the time of the second of those relevant defeats, that defeat notice would still have effect at the relevant time.
- (9) In this paragraph “third party defeat” means a relevant defeat which has occurred in relation to a person other than P.

- 22 (1) A relevant body (“RB”) is treated as meeting a section 237A condition at the section 237A(2) relevant time if—
