Section 65A

PAIF SEEDING RELIEF AND COACS SEEDING RELIEF

PART 1

PROPERTY AUTHORISED INVESTMENT FUNDS

PAIF seeding relief

- 1 (1) A land transaction is exempt from charge if conditions A to D are met.
- Relief under this paragraph is referred to in this Part of this Act as “PAIF seeding relief”.
- (2) Condition A is that the purchaser is a property AIF (see paragraph 2).
- (3) Condition B is that the main subject-matter of the transaction consists of a major interest in land.
- (4) Condition C is that the only consideration for the transaction is the issue of units in the property AIF to a person who is the vendor.
- (5) Condition D is that the effective date of the transaction is a day within the seeding period (see paragraph 3).
- (6) This paragraph is subject to paragraph 4 (restrictions on availability of relief) and paragraphs 5 to 8 (withdrawal of relief).

Meaning of “property AIF”

- 2 (1) This paragraph has effect for the purposes of this Schedule.
- (2) A “property AIF” is an open-ended investment company to which Part 4A of the AIF (Tax) Regulations applies.
- (3) In sub-paragraph (2) “open-ended investment company” is to be read in accordance with regulation 7(1) and (2) of those Regulations (part of an umbrella company is regarded as an open-ended investment company).
- (4) Regulation 7(3)(a) of those Regulations applies for the purposes of this Schedule as it applies for the purposes of those Regulations but as if references to investments and scheme property were a reference to chargeable interests.
- (5) References to a property AIF are treated as including a collective investment scheme which—
- (a) is a company incorporated under the law of an EEA State other than the United Kingdom, and
 - (b) is authorised under the law of that EEA State in a way which makes it, under that law, the equivalent of a property AIF as defined in sub-paragraph (2).

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Finance Act 2016. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

- (6) In sub-paragraph (5) “collective investment scheme” has the meaning given by section 235 of FSMA 2000.

Meaning of “seeding period”

- 3 (1) In this Part of this Schedule, subject to sub-paragraph (2), the “seeding period” means—
- (a) the period beginning with the first property seeding date and ending with the date of the first external investment into the property AIF, or
 - (b) if shorter, the period of 18 months beginning with the first property seeding date.

- (2) The property AIF may elect to bring the seeding period to an end sooner than it would otherwise end under sub-paragraph (1).

Where an election is made, the seeding period is the period beginning with the first property seeding date and ending with the date specified in the election.

- (3) An election under sub-paragraph (2) may be made—
- (a) by being included in a notice accompanying a claim for PAIF seeding relief (see section 65A), or
 - (b) by separate notice in writing to HMRC.

- (4) In sub-paragraphs (1) and (2), “the first property seeding date” means the earliest effective date of a transaction in respect of which conditions A to C in paragraph 1 are met.

- (5) In this paragraph—
- “external investment” means a non-land transaction in which the vendor is an external investor;
 - “external investor” means a person other than a person who has been a vendor in a transaction—
 - (a) the effective date of which is on or before the date of the non-land transaction, and
 - (b) in respect of which conditions A to C in paragraph 1 are met;
 - “non-land transaction” means a transaction by which the property AIF acquires assets which do not consist of or include a chargeable interest.

Restrictions on availability of relief

- 4 (1) This paragraph restricts the availability of PAIF seeding relief for a transaction in respect of which conditions A to D in paragraph 1 are met.
- (2) PAIF seeding relief is not available unless, at the effective date of the transaction, the property AIF has arrangements in place requiring a person who is the vendor to notify the authorised corporate director of the property AIF of the following matters—
- (a) the identity of the beneficial owner of the units in the property AIF received in consideration of the transaction, and

In paragraph (b) “group company” means a company which is a member of the same group of companies as the person mentioned in paragraph (a) for the purposes mentioned in paragraph 1(2) of Schedule 7 (group relief).

- (3) PAIF seeding relief is not available if at the effective date of the transaction there are arrangements in existence by virtue of which, at that or some later time, a person who is the vendor makes or could make a disposal of units in the property AIF which is or could be a relevant disposal (see paragraph 7).
- (4) PAIF seeding relief is not available if the transaction—
 - (a) is not effected for bona fide commercial reasons, or

 - (b) at any time in the control period (see paragraph 21), or
 - (c) in pursuance of, or in connection with, arrangements made before the end of the control period,
 then, subject to sub-paragraph (2), the relief, or an appropriate proportion of it, is withdrawn, and tax is chargeable in accordance with this paragraph.
- (2) Relief is withdrawn only if, at the time when the purchaser ceases to be a property AIF, the purchaser holds—
 - (a) the chargeable interest that was acquired by the purchaser under the relevant transaction, or
 - (b) a chargeable interest that is derived from that interest.
- (3) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for PAIF seeding relief or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.
- (4) In sub-paragraphs (1) and (3) an “appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relevant transaction and what is held by the purchaser at the time it ceases to be a property AIF.

- (4) The requirement to meet the portfolio test at a time mentioned in sub-paragraph (3)(a) or (b) applies only to times when the property AIF holds—
 - (a) the chargeable interest that was acquired by the property AIF under the relevant transaction, or
 - (b) a chargeable interest that is derived from that interest.
- (5) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for PAIF seeding relief or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.
- (6) In sub-paragraphs (3) and (5) an “appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relevant transaction and what is held by the property AIF at the time when the portfolio test is not met.
- (7) The portfolio test is a requirement that the property AIF meets—
 - (a) the non-residential portfolio test (see sub-paragraph (8)), or
 - (b) the residential portfolio test (see sub-paragraph (9)).
- (8) The “non-residential portfolio test” is met at any time if—
 - (a) the property AIF holds at least 10 seeded interests at that time,
 - (b) so much of the total chargeable consideration as is attributable to all the seeded interests held by the property AIF at that time (“the seeded portfolio”) is at least £100 million, and
 - (c) so much of the total chargeable consideration as is attributable to so many of those seeded interests as are interests in or over residential property (if any) does not exceed 10% of the seeded portfolio.

where—

“C” means the difference between A and B;

“CCRST” means the total of the chargeable consideration for all relevant seeding transactions;

“SDLT” means the amount of tax that would have been chargeable in respect of RST but for PAIF seeding relief, ignoring any amount of tax that has been charged under this paragraph in respect of RST in relation to an earlier disposal of units by V.

(6) In this paragraph—

The dwelling which a non-qualifying individual is permitted to occupy is referred to as “the disqualifying dwelling”.

- (2) The relief, or an appropriate proportion of it, is withdrawn, and tax is chargeable in accordance with this paragraph.

This is subject to sub-paragraphs (3) and (4).

- (3) Relief is withdrawn only if, at the time a non-qualifying individual is permitted to occupy the disqualifying dwelling, the property AIF holds a chargeable interest in or over that dwelling—

For the purposes of this sub-paragraph, regulation 9A(2)(a) of those Regulations is to be read as if the words “throughout the accounting period” were omitted.

- (5) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for PAIF seeding relief or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.

 - (b) would in the event of the winding up of the property AIF be entitled to 50% or more of the assets of the property AIF that would then be available for distribution among the participants.

- (a) the identity of the beneficial owner of the units in the scheme received in consideration of the transaction, and
 - (b) any disposal of units in the scheme on or after the effective date of that transaction by that owner (or, where that person is a company, by a group company) which is or could be a relevant disposal (see paragraph 17).

In paragraph (b) “group company” means a company which is a member of the same group of companies as the person mentioned in paragraph (a) for the purposes mentioned in paragraph 1(2) of Schedule 7 (group relief).

- (4) COACS seeding relief is not available if the transaction—
- (a) is not effected for bona fide commercial reasons, or
 - (b) forms part of arrangements of which the main purpose, or one of the main purposes, is the avoidance of liability to tax.

“Tax” here means stamp duty, income tax, corporation tax, capital gains tax or tax under this Part.

Withdrawal of relief: ceasing to be co-ownership authorised contractual scheme

- 13 (1) Where COACS seeding relief has been allowed in respect of a transaction (“the relevant transaction”), and the purchaser ceases to be a co-ownership authorised contractual scheme—

 - (b) at any time in the control period (see paragraph 21), or
 - (c) in pursuance of, or in connection with, arrangements made before the end of the control period,
- then, subject to sub-paragraph (2), the relief, or an appropriate proportion of it, is withdrawn, and tax is chargeable in accordance with this paragraph.
- (2) Relief is withdrawn only if, at the time when the purchaser ceases to be a co-ownership authorised contractual scheme, the purchaser holds—
- (a) the chargeable interest that was acquired by the purchaser under the relevant transaction, or
 - (b) a chargeable interest that is derived from that interest.
- (3) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for COACS seeding relief or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.

- (a) immediately before the end of the seeding period,
 - (b) at a time in the control period, or
 - (c) at a time after the end of the control period, where the failure is pursuant to or in connection with arrangements made before the end of that period,
- then, subject to sub-paragraph (2), the relief, or an appropriate proportion of it, is withdrawn, and tax is chargeable in accordance with this paragraph.
- (2) The requirement to meet the genuine diversity of ownership condition at a time mentioned in sub-paragraph (1) applies only to times when the co-ownership authorised contractual scheme holds—
- (a) the chargeable interest that was acquired by the scheme under the relevant transaction, or
 - (b) a chargeable interest that is derived from that interest.
- (3) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for COACS seeding relief or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.

- (5) For the purposes of this paragraph, the operator of a co-ownership authorised contractual scheme may apply to HMRC in writing for clearance that the scheme meets the genuine diversity of ownership condition, and where an application is made, HMRC must notify the scheme of its decision within 28 days of the receipt of all the information that is needed to make the decision.
- (6) Any such clearance has effect only for so long as the information on which HMRC relies in granting clearance is materially unchanged and the scheme is operated in accordance with it (including, in particular, continuing to operate in accordance with condition C of the genuine diversity of ownership condition).

Genuine diversity of ownership condition

- 15 (1) This paragraph has effect for the purposes of paragraphs 14 and 18(4).
- (2) A co-ownership authorised contractual scheme meets the genuine diversity of ownership condition at any time when it meets conditions A to C.

- (4) Condition B is that—
- (a) the specification of the intended categories of investor does not have a limiting or deterrent effect, and
 - (b) any other terms or conditions governing participation in the scheme do not have a limiting or deterrent effect.
- (5) In sub-paragraph (4) “limiting or deterrent effect” means an effect which—
- (a) limits investors to a limited number of specific persons or specific groups of connected persons, or
 - (b) deters a reasonable investor falling within one of (what are specified as) the intended categories of investor from investing in the scheme.
- (6) Condition C is that—
- (a) units in the scheme are marketed and made available—
 - (i) sufficiently widely to reach the intended categories of investors, and

 - (b) a person who falls within one of the intended categories of investors can, upon request to the operator of the scheme, obtain information about the scheme and acquire units in it.
- (7) A scheme is not regarded as failing to meet condition C at any time by reason of the scheme's having, at that time, no capacity to receive additional investments, unless—
- (a) the capacity of the scheme to receive investments in it is fixed by the scheme documents (or otherwise), and
 - (b) a pre-determined number of specific persons or specific groups of connected persons make investments in the scheme which collectively exhaust all, or substantially all, of that capacity.
- (8) A co-ownership authorised contractual scheme also meets the genuine diversity of ownership condition at any time when—

Withdrawal of relief: portfolio test not met

- 16 (1) Where COACS seeding relief has been allowed in respect of a transaction, and the portfolio test is not met immediately before the end of the seeding period, the relief is withdrawn and tax is chargeable in accordance with sub-paragraph (2).
- See sub-paragraph (7) for the meaning of “portfolio test”.
- (2) The amount chargeable is the amount that would have been chargeable in respect of the transaction but for COACS seeding relief.
- (3) Where COACS seeding relief has been allowed in respect of a transaction (“the relevant transaction”), and the portfolio test is met immediately before the end of the seeding period, but is not met—
- (a) at a time in the control period, or
 - (b) at a time after the end of the control period, where the failure is pursuant to or in connection with arrangements made before the end of that period,
- then, subject to sub-paragraph (4), the relief, or an appropriate proportion of it, is withdrawn, and tax is chargeable in accordance with sub-paragraph (5).
- (4) The requirement to meet the portfolio test at a time mentioned in sub-paragraph (3)(a) or (b) applies only to times when the co-ownership authorised contractual scheme holds—
- (a) the chargeable interest that was acquired by the scheme under the relevant transaction, or
 - (b) a chargeable interest that is derived from that interest.
- (5) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for COACS seeding relief or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.
- (6) In sub-paragraphs (3) and (5) an “appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relevant transaction and what is held by the scheme at the time when the portfolio test is not met.
- (7) The portfolio test is a requirement that the scheme meets—

 - (c) so much of the total chargeable consideration as is attributable to so many of those seeded interests as are interests in or over residential property (if any) does not exceed 10% of the seeded portfolio.
- (9) The “residential portfolio test” is met at any time if—

- (3) V's disposal of units in a scheme is a “relevant disposal” for the purposes of this paragraph if, in relation to the disposal, A exceeds B.
- (4) In this paragraph—
- “A” means—
- (a) where the value of V's investment in the scheme immediately before the disposal is equal to or greater than the total of the chargeable consideration for all relevant seeding transactions, the total of the chargeable consideration for all relevant seeding transactions, or

- (b) (where V is a company) a company which—
 - (i) is a group company at that time, and
 - (ii) before that time, has been a vendor in one or more seeding transactions in which the scheme was the purchaser.

- (7) For the purposes of this paragraph, the “market value” on a particular date of units in the scheme is an amount equal to the buying price (that is, the lower price) published by the operator on that date (or, if no such price is published on that date, on the latest date before).
