 - (b) at the end of that accounting period the company is not a charity.
- (2) In this Chapter “the deficit” and “the deficit period” mean that deficit and that period respectively.
- (3) Sections 463B and 463C deal with claims to set off the deficit against profits of the deficit period or earlier periods.

Status: This is the original version (as it was originally enacted).

- (4) Sections 463D to 463F deal with the consequences of such claims.
- (5) Sections 463G to 463I provide for so much of the deficit as is not—
 - (a) set off against profits under section 463B, or
 - (b) surrendered as group relief under Part 5 of CTA 2010,to be carried forward to later accounting periods.

463B Claim to set off deficit against profits of deficit period or earlier periods

- (1) The company may make a claim for the whole or part of the deficit—
 - (a) to be set off against any profits of the company (of whatever description) for the deficit period, or
 - (b) to be carried back to be set off against profits for earlier accounting periods.
- (2) No claim may be made under subsection (1) in respect of so much of the deficit as is surrendered as group relief under Part 5 of CTA 2010.
- (3) For time limits and other provisions applicable to claims under subsection (1), see section 463C.
- (4) For what happens when a claim is made under subsection (1)(a), see section 463D.
- (5) For what happens when a claim is made under subsection (1)(b), and the profits available for relief when such a claim is made, see sections 463E and 463F.

463C Time limits for claims under section 463B(1)

- (1) A claim under section 463B(1) must be made within—
 - (a) the period of 2 years after the deficit period ends, or
 - (b) such further period as an officer of Revenue and Customs allows.
- (2) Different claims may be made in respect of different parts of a non-trading deficit for any deficit period.
- (3) But no claim may be made in respect of any part of a deficit to which another such claim relates.

463D Claim to set off deficit against profits for the deficit period

- (1) This section applies if a claim is made under section 463B(1)(a) for the whole or part of the deficit to be set off against profits for the deficit period.
- (2) The amount of the deficit to which the claim relates must be set off against the profits of the company for the deficit period which are identified in the claim.
- (3) Those profits are reduced accordingly.
- (4) Relief under this section must be given before relief is given against profits for the deficit period—

Status: This is the original version (as it was originally enacted).

- (a) under section 37 or 62(1) to (3) of CTA 2010 (deduction of losses from total profits for the same or earlier accounting periods), or

- (1) This section applies if a claim is made under section 463B(1)(b) for the whole or part of the deficit to be carried back to be set off against profits for accounting periods before the deficit period.
- (2) The claim has effect only if it relates to an amount no greater than the lesser of—
 - (a) so much of the deficit as is not an amount in relation to which a claim is made under section 463B(1)(a), and
 - (b) the total amount of the profits available for relief under this section.
- (3) Section 463F explains which profits are so available.
- (4) The amount to which the claim relates is set off against those profits by treating them as reduced accordingly.
- (5) If those profits are profits for more than one accounting period, the relief is applied by setting off the amount to which the claim relates against profits for a later period before setting off any remainder of that amount against profits for an earlier period.

463F Profits available for relief under section 463E

- (1) The profits available for relief under section 463E are the amounts which (apart from the relief) would be charged under this Part as profits for accounting periods ending within the permitted period after giving every prior relief.
- (2) In this section—
 - “the permitted period” means the period of 12 months immediately before the deficit period, and
 - “prior relief” means a relief which subsection (5) provides must be given before relief under section 463E.
- (3) If an accounting period ending within the permitted period begins before it, only a part of the amount which (apart from the relief) would be chargeable under this Part for the period, after giving every prior relief, is available for relief under section 463E.
- (4) That part is so much as is proportionate to the part of the accounting period in the permitted period.
- (5) The reliefs which must be given before relief under section 463E are—

Status: This is the original version (as it was originally enacted).

- (a) relief as a result of a claim under section 459(1)(a) or section 463B(1)(a) (claim for deficit to be set off against total profits for the deficit period),

463G Carry forward of unrelieved deficit against total profits

- (1) This section applies if conditions A to D are met.
- (2) Condition A is that—
 - (a) any amount of the deficit (“the unrelieved amount”) is not—
 - (i) set off against profits on a claim under section 463B(1), or
 - (ii) surrendered as group relief under Part 5 of CTA 2010.
- (3) Condition B is that it is not the case—
 - (a) that the company ceased to be a company with investment business in the deficit period, or
 - (b) (if the company was a company with investment business immediately before the beginning of the deficit period) that its investment business became small or negligible in the deficit period.
- (4) Condition C is that (if the company is a Solvency 2 insurance company) it is not the case that the whole of the deficit is a shock loss.
- (5) Condition D is that (if the company is a general insurance company) the first accounting period after the deficit period is not an excluded accounting period.
- (6) The unrelieved amount is carried forward to the first accounting period after the deficit period.
- (7) The company may make a claim for the whole or part of the unrelieved amount to be set off against the company’s total profits for the first accounting period after the deficit period.

- (12) If —
 - (a) the company is a Solvency 2 insurance company, and
 - (b) the deficit is partly (but not wholly) a shock loss,subsections (6) to (9) have effect as if references to the unrelieved amount were to the eligible amount (see subsection (13)).
- (13) In this section “the eligible amount” means so much of the unrelieved amount as is not a shock loss; and for the purpose of determining how much of the unrelieved amount is, or is not, a shock loss, it is to be assumed that in setting off or surrendering amounts as mentioned in subsection (2)(a)(i) and (ii) the company uses shock losses before other amounts.
- (14) In this Chapter—
 - “company with investment business” has the same meaning as in Part 16 (see section 1218B);
 - “excluded accounting period” has the meaning given by section 269ZG of CTA 2010;

Status: This is the original version (as it was originally enacted).

- (b) section 463G would apply but for condition D in that section (no carry-forward to an excluded accounting period of a general insurance company), or
 - (c) the company is a Solvency 2 insurance company and any amount of the deficit would be eligible to be carried forward under section 463G(6) were that amount not a shock loss (see section 463G(4), (12) and (13)).
- (2) Subsections (4) to (8) also apply if—
 - (a) subsections (6) to (10) of section 463G would apply but for the fact that the company’s investment business became small or negligible in the accounting period mentioned in section 463I(1)(c)(ii), or
 - (b) subsections (6) to (10) of section 463G would apply but for section 463I(1)(d) (no carry-forward under those subsections to an excluded accounting period of a general insurance company).

 - (b) (in a case within subsection (2)) the period mentioned in section 463I(1)(a).
- (5) So much of the unrelieved amount as is not the subject of a claim under subsection (7) must be set off against the non-trading profits of the company for period 2.
- (6) Those profits are reduced accordingly.
- (7) The company may make a claim for relief under subsection (5) not to be given in period 2 for the unrelieved amount or so much of it as is specified in the claim.
- (8) A claim under subsection (7) is effective if, and only if, it is made—
 - (a) within the period of two years after the end of period 2, or
 - (b) within such further period as an officer of Revenue and Customs may allow.
- (9) Subsection (10) applies if any amount is carried forward under subsection (4) to an accounting period (“the carry forward period”) and—
 - (a) cannot be set off under subsection (5) against non-trading profits of that period, or

Status: This is the original version (as it was originally enacted).

 - (c) it is not the case—
 - (i) that the company ceased to be a company with investment business in the later period, or
 - (ii) (if the company was a company with investment business immediately before the beginning of the later period) that its investment business became small or negligible in the later period, and
 - (d) it is not the case that the first accounting period after the later period is an excluded accounting period of a general insurance company.

- (3) The overlapping proportion is the same as the proportion that the part of the accounting period falling within the period of 3 years bears to the whole of the accounting period.
- (4) In this section “the unrelieved amount” and “relevant profits” have the meaning given by section 45F(7).

45H Section 45F: transfers of trade to obtain relief

Section 45F does not apply by reason of a company ceasing to carry on a trade if—

- (a) on the company ceasing to carry on the trade, any of the activities of the trade begin to be carried on by a person who is not (or by persons any or all of whom are not) within the charge to corporation tax, and
- (b) the company's ceasing to carry on the trade is part of a scheme or arrangement the main purpose, or one of the main purposes, of which is to secure that that section applies by reason of the cessation.”

 - (b) any deduction under section 303B(4) or 303D(5), so far as it is a restricted deduction.
- (4) For the purposes of this section a deduction under section 303B(4) or 303D(5) is a “restricted deduction” so far as it would not be available but for section 304(5) (reduction of income derived from related activities).
- (5) In this section the “relevant maximum” means the sum of—
 - (a) 50% of the company’s relevant trading profits for the accounting period, and

- (7) A company’s “trading profits deductions allowance” for an accounting period—
 - (a) is so much of the company’s deductions allowance for the period as is specified in the company’s tax return as its trading profits deductions allowance for the period, and
 - (b) accordingly, is nil if no amount of the company’s deductions allowance for the period is so specified.

Status: This is the original version (as it was originally enacted).

- (8) An amount specified under subsection (7)(a) as a company's trading profits deductions allowance for an accounting period may not exceed the difference between—
- (a) the amount of the company's deductions allowance for the period, and
 - (b) the total of any amounts specified for the period under section 269ZC(5)(a) (non-trading profits deductions allowance) and section 124D(4) of FA 2012 (BLAGAB trade profits deductions allowance).
- (9) A company's "deductions allowance" for an accounting period is to be determined in accordance with section 269ZR where, at any time in that period—
- (a) the company is a member of a group (see section 269ZZB), and
 - (b) one or more other companies within the charge to corporation tax are members of that group.
- Otherwise, a company's "deductions allowance" for an accounting period is to be determined in accordance with section 269ZW.
- (10) Subsection (2) does not apply in relation to a company for an accounting period where, in determining the company's relevant trading profits, the amount given by step 1 in section 269ZF(3) is not greater than nil.

269ZC Restriction on deductions from non-trading profits

- (1) This section has effect for determining the taxable total profits of a company for an accounting period.
- (2) The sum of any deductions made by the company for the accounting period under section 457(3) and 463H(5) of CTA 2009 (carry forward of non-trading deficits from loan relationships against subsequent non-trading profits) may not exceed the relevant maximum.
- But this is subject to subsection (8).
- (3) In this section the "relevant maximum" means the sum of—
- (a) 50% of the company's relevant non-trading profits for the accounting period, and
 - (b) the amount of the company's non-trading profits deductions allowance for the accounting period.
- (4) Section 269ZF contains provisions for determining a company's relevant non-trading profits for an accounting period.
- (5) A company's "non-trading profits deductions allowance" for an accounting period—
- (a) is so much of the company's deductions allowance for the period as is specified in the company's tax return as its non-trading profits deductions allowance for the period, and
 - (b) accordingly, is nil if no amount of the company's deductions allowance for the period is so specified.

Status: This is the original version (as it was originally enacted).

- (6) An amount specified under subsection (5)(a) as a company’s non-trading profits deductions allowance for an accounting period may not exceed the difference between—
- (a) the amount of the company’s deductions allowance for the period, and
 - (b) the total of any amounts specified for the period under section 269ZB(7)(a) (trading profits deductions allowance) and section 124D(4) of FA 2012 (BLAGAB trade profits deductions allowance).
- (7) A company’s “deductions allowance” for an accounting period is to be determined in accordance with section 269ZR where, at any time in that period—
- (a) the company is a member of a group (see section 269ZZB), and
 - (b) one or more other companies within the charge to corporation tax are members of that group.
- Otherwise, a company’s “deductions allowance” for an accounting period is to be determined in accordance with section 269ZW.
- (8) Subsection (2) does not apply in relation to a company for an accounting period where, in determining the company’s relevant non-trading profits for the period, the amount given by step 1 in section 269ZF(3) is not greater than nil.

269ZD Restriction on deductions from total profits

- (1) This section has effect for determining the taxable total profits of a company for an accounting period.
- (2) The sum of any relevant deductions made by the company for the accounting period may not exceed the difference between—
 - (a) the relevant maximum, and
 - (b) the sum of—
 - (i) any deductions falling within section 269ZB(3) (carry forward of trade loss against subsequent trade profits) made by the company for the accounting period,
 - (ii) any deductions made by the company for the accounting period under sections 457(3) and 463H(5) of CTA 2009 (carry forward of non-trading deficits from loan relationships against subsequent non-trading profits), and
 - (iii) any deductions made by the company for the accounting period under sections 124(5), 124A(5) and 124C(6) of FA 2012 (carry forward of BLAGAB trade losses against BLAGAB trade profits).

But this is subject to subsection (7) and section 269ZE.

- (3) The following deductions made for an accounting period are “relevant deductions” for the purposes of this section—
 - (a) a deduction under section 463G of CTA 2009 (carry forward of non-trading deficit against total profits);

Status: This is the original version (as it was originally enacted).

- (b) a deduction under section 753 of CTA 2009 (non-trading losses on intangible fixed assets) in respect of a loss treated by subsection (3) of that section (carry forward of losses) as if it were a loss of the accounting period;
 - (c) a deduction under section 1219 of CTA 2009 (expenses of management of a company's investment business) in respect of an amount treated by section 1223(3) of that Act (carrying forward of expenses of management and other amounts) as expenses of management deductible for the accounting period;
 - (d) a deduction under section 1219 of CTA 2009 (expenses of management of a company's investment business) in respect of a loss treated by section 63(3) (carrying forward of certain losses made by company with investment business which ceases to carry on UK property business) as an expense of management deductible for the accounting period;
 - (e) a deduction under section 37 (relief for trade losses against total profits) made in reliance on section 1210(3), 1216DB(3), 1217DB(3), 1217MB(2), 1217SB(2) or 1218ZDB(2) of CTA 2009;
 - (f) a deduction under section 45A (carry forward of trade loss against total profits);
 - (g) a deduction under section 62(3) (relief for losses made in UK property business) in respect of a loss treated by subsection (5)(b) of that section (carry forward of losses) as a loss made by the company in the accounting period;
 - (h) a deduction under section 303C (excess carried forward non-decommissioning losses of ring fence trade: relief against total profits);
 - (i) a deduction under Part 5 (group relief) made in respect of a loss surrendered under that Part in reliance on section 1210(3), 1216DB(3), 1217DB(3), 1217MB(2), 1217SB(2) or 1218ZDB(2) of CTA 2009;
 - (j) a deduction under Part 5A (group relief for carried-forward losses);
 - (k) a deduction under section 124B of FA 2012 (deduction from total profits of excess carried-forward BLAGAB trade losses),
(but see section 269ZJ (insurance companies: shock losses)).
- (4) In this section the “relevant maximum” means the sum of—
- (a) 50% of the company's relevant profits for the accounting period, and
 - (b) the amount of the company's deductions allowance for the accounting period.
- (5) A company's “relevant profits” for an accounting period are the sum of—
- (a) the company's relevant trading profits for the accounting period (see section 269ZF(1)),
 - (b) the company's relevant non-trading profits for the accounting period (see section 269ZF(2), and
 - (c) the company's relevant BLAGAB trade profits for the accounting period.

In this subsection “relevant BLAGAB trade profits” has the same meaning as in section 124D of FA 2012.

Status: This is the original version (as it was originally enacted).

- (6) A company’s “deductions allowance” for an accounting period is to be determined in accordance with section 269ZR where, at any time in that period—
- (a) the company is a member of a group (see section 269ZZB), and
 - (b) one or more other companies within the charge to corporation tax are members of that group.

Otherwise, the company’s “deductions allowance” for the accounting period is to be determined in accordance with section 269ZW.

- (7) Subsection (2) does not apply in relation to a company for an accounting period where the sum of—
- (a) the amount given by paragraph (1) of step 1 in section 269ZF(3), and
 - (b) the company’s BLAGAB trade profit for the accounting period,
- is not greater than nil.

269ZE Restriction on deductions from total profits: insurance companies

- (1) Where the conditions in subsection (2) are met, section 269ZD has effect as if, for subsection (2) of that section there were substituted—

“(2) The sum of any relevant deductions made by the company for the accounting period may not exceed the modified loss cap (as defined in section 269ZE).

But this is subject to subsection (7).”

- (2) The conditions are that—
- (a) the company referred to in section 269ZD(1) carries on business to which the charge to corporation tax under section 68 of FA 2012 (charge to tax on I-E profit) applies and has an I-E profit for the accounting period,
 - (b) the policyholders’ share (if any) of the I-E profit is not the whole of that profit, and
 - (c) the adjusted shareholders’ I-E profit for the accounting period is less than the BLAGAB-related loss capacity.
- (3) The “adjusted shareholders’ I-E profit” is equal to—
- (a) the shareholders’ share of the I-E profit, less
 - (b) any excess capacity.
- (4) The “BLAGAB-related loss capacity” is equal to $A + B - C$ where—
- A is 50% of the company’s relevant BLAGAB trade profits for the accounting period (as defined in section 124D of FA 2012);
 - B is the company’s BLAGAB trade profits deductions allowance for the period (if any) (as defined in section 124D of FA 2012);
 - C is the total of any deductions made by the company for the accounting period under sections 124(5), 124A(5) and 124C(6) of FA 2012.
- (5) To determine the modified loss cap, take the following steps—
- Step 1: find the basic loss cap.

Status: This is the original version (as it was originally enacted).

Step 2: reduce that amount by the BLAGAB-related loss capacity.

Step 3: add to the result of step 2 the adjusted shareholders' I-E profit.

The result is the modified loss cap.

- (6) In this section “the basic loss cap” means the difference referred to in the opening words of section 269ZD(2) (assuming that that section has effect without the modification set out in subsection (1) of this section) (but, if applicable, taking account of section 269ZJ).
- (7) In this section “excess capacity” means the amount (if any) by which—
 - (a) the section 269ZF step 2 amount, is less than
 - (b) what the section 269ZF step 2 amount would be if in paragraph (d) of section 269ZF(4) the reference to any I-E profit were to the policyholders' share of any I-E profit.
- (8) In subsection (7) the reference to the “section 269ZF step 2 amount” is to the sum given by paragraph (1) of step 2 of section 269ZF(3) in calculating the company's relevant trading profits and relevant non-trading profits for the accounting period: but for this purpose disregard paragraph (4) of step 1 of section 269ZF(3).
- (9) For the purposes of this section the “shareholders' share” of an insurance company's I-E profit for an accounting period is equal to—
 - (a) the amount of the I-E profit, less
 - (b) the policyholders' share (if any) of that profit.
- (10) In this section references to the policyholders' share of I-E profit are to that share as determined in accordance with section 103 of FA 2012.

Relevant profits

269ZF “Relevant trading profits” and “relevant non-trading profits”

- (1) A company's “relevant trading profits” for an accounting period are—
 - (a) the company's qualifying trading profits for the accounting period (see subsection (3)), less
 - (b) the company's trading profits deductions allowance for the accounting period (see section 269ZB(7)).

But if the allowance mentioned in paragraph (b) exceeds the profits mentioned in paragraph (a), the company's “relevant trading profits” for the accounting period are nil.

- (2) A company's “relevant non-trading profits” for an accounting period are—
 - (a) the company's qualifying non-trading profits for the accounting period (see subsection (3)), less
 - (b) the company's non-trading profits deductions allowance for the accounting period (see section 269ZC(5)).

But if the allowance mentioned in paragraph (b) exceeds the profits mentioned in paragraph (a), the company's “relevant non-trading profits” for the accounting period are nil.

Status: This is the original version (as it was originally enacted).

- (3) To determine a company's qualifying trading profits and qualifying non-trading profits for an accounting period—

Step 1 - modified total profits

- (1) Calculate the company's total profits for the accounting period.
- (2) For the purposes of this subsection assume that the company's total profits for the accounting period are to be calculated with the modifications set out in subsection (4).
- (3) If the company's total profits for the accounting period (as modified under paragraph (2)) are not greater than nil, the company's qualifying trading profits and relevant non-trading profits for the accounting period are both nil.
- (4) Otherwise, proceed with steps 2 to 5.

Step 2 - negative amount for apportioning under step 4

- (1) Calculate the sum ("the step 2 amount") of any amounts which (on the assumption set out in paragraph (2) of step 1), could be relieved against the company's total profits of the accounting period.
- (2) But in calculating that sum, ignore the amount of any excluded deductions for the accounting period (see subsection (5)).
- (3) If the company's total profits for the accounting period (as modified under step 1(2)) do not exceed the amount given by this step, the qualifying trading profits and the qualifying non-trading profits are both nil.
- (4) Otherwise, proceed with steps 3 to 5.

Step 3 - trade profits and non-trade profits

Divide the company's total profits for the accounting period (as modified under step 1(2)) into—

- (a) profits of a trade of the company (the company's "trade profits"), and
- (b) profits that are not profits of a trade of the company (the company's "non-trade profits").

Step 4 - apportioning the step 2 amount

Take the step 2 amount and do one of the following—

- (a) reduce the company's trade profits by the whole of that amount,
- (b) reduce the company's non-trade profits by the whole of that amount, or
- (c) reduce the company's trade profits by part of that amount and reduce the company's non-trade profits by the remaining part of that amount.

Apply this step in a way which ensures that neither the company's trade profits nor the company's non-trade profits are reduced below nil.

Step 5 - amount of qualifying trading or non-trading profits (if not determined under step 1 or 2)

The amounts resulting from step 3, after any reduction under step 4, are—

- (a) in the case of the amount in step 3(a), the company's qualifying trading profits, and

Status: This is the original version (as it was originally enacted).

- (b) in the case of the amount in step 3(b), the company’s qualifying non-trading profits.
- (4) For the purposes of subsection (3) the company’s total profits for an accounting period are to be calculated with the following modifications—
- (a) ignore any income so far as it falls within, and is dealt with under, Part 9A of CTA 2009 (company distributions);
 - (b) ignore any ring fence profits (as defined in section 276);
 - (c) ignore any contractor’s ring fence profits (as defined in section 356LD);
 - (d) if the company is an insurance company, ignore any I-E profit (see section 141(2) of FA 2012);
 - (e) make no deductions under sections 45(4)(b) and 45B (carry forward of trade loss against subsequent trade profits) other than deductions that would be ignored for the purposes of section 269ZB by reason of—
 - (i) section 1209(3), 1210(5A) or 1211(7A) of CTA 2009 (losses of film trade),
 - (ii) section 1216DA(3), 1216DB(5A) or 1216DC(7A) of that Act (losses of television programme trade),
 - (iii) section 1217DA(3), 1217DB(5A) or 1217DC(7A) of that Act (losses of video game trade),
 - (iv) section 1217MA(3) or 1217MC(9) of that Act (losses of theatrical trade),
 - (v) section 1217SA(3) or 1217SC(9) of that Act (losses of orchestral trade),
 - (vi) section 1218ZDA(3) or 1218ZDC(9) of that Act (losses of museum or gallery exhibition trade),
 - (vii) section 65(4B) or 67A(5A) (losses of UK or EEA furnished holiday lettings business),
 - (viii) section 269ZJ(1) (insurance companies: shock losses),
 - (ix) section 304(7) (certain losses of ring fence trades), or
 - (x) section 356NJ(2) (pre-1 April 2017 loss arising from oil contractor activities);
 - (f) make no restricted deductions (as defined in section 269ZB(4)) under section 303B(4) or 303D(5)); and
 - (g) make no deductions under section 457(3) or 463H(5) of CTA 2009 (carry forward of non-trading deficits from loan relationships against subsequent non-trading profits), other than deductions that would be ignored for the purposes of section 269ZC by reason of section 269ZJ(2) (insurance companies: shock losses).
- (5) The following are “excluded deductions” for an accounting period (“the current accounting period”)—
- (a) a deduction for the current accounting period which is a relevant deduction for the purposes of section 269ZD (see subsection (3) of that section);
 - (b) a deduction under section 37 (relief for trade losses against total profits) in relation to a loss made in an accounting period after the current accounting period;

Status: This is the original version (as it was originally enacted).

- (c) a deduction under section 45F (terminal losses);
- (d) a deduction under section 260(3) of CAA 2001 (special leasing of plant or machinery: carry back of excess allowances) in relation to capital allowances for an accounting period after the current accounting period; and
- (e) a deduction under section 463E of CTA 2009 (non-trading deficit from loan relationships) in relation to a deficit for a period after the current accounting period.

Exclusion for certain general insurance companies

269ZG General insurance companies: excluded accounting periods

- (1) Nothing in sections 269ZB to 269ZE has effect for determining the taxable total profits of a general insurance company for an excluded accounting period.
- (2) An accounting period of a general insurance company is an “excluded accounting period” if conditions A and B are met.
- (3) Condition A is that—

 - (b) immediately before it became subject to insolvency procedures the company—
 - (i) was unable to pay its debts as they fell due, and

 - (b) the company’s liabilities in respect of qualifying latent claims are the main factor contributing to the company’s meeting that condition at that time.

- (6) For the purposes of this section a person who carries on the activity of effecting or carrying out contracts of general insurance is a “general insurance company” if—

 - (b) the person is of the kind mentioned in paragraph 5(d) or (da) of Schedule 3 to the Financial Services and Markets Act 2000 (EEA passport rights) and carries on that activity in the United Kingdom through a permanent establishment there, or

- (c) the person qualifies for authorisation under Schedule 4 to the Financial Services and Markets Act 2000 (Treaty rights) and carries on that activity in the United Kingdom through a permanent establishment there.

- (a) a friendly society within the meaning of Part 3 of FA 2012 is not a general insurance company, and
 - (b) an insurance special purpose vehicle (as defined in section 139 of FA 2012) is not a general insurance company.

- “contract of general insurance” means a contract of a type described in Part 1 of Schedule 1 to the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001 ([S.I. 2001/544](#));
 - “liability” includes a contingent or prospective liability.

269ZH “Insolvency procedures”

- (1) For the purposes of section [269ZG](#) a company is subject to insolvency procedures if—

 - (b) it is in administration,
 - (c) it is in receivership, or
 - (d) a relevant scheme has effect in relation to it.
- (2) A company is “in liquidation” for the purposes of this section if—

- (3) A company is “in administration” for the purposes of this section if—
- (a) it is in administration within the meaning of Schedule B1 to the Insolvency Act 1986 or Schedule B1 to the Insolvency (Northern Ireland) Order 1989, or
 - (b) there is in force in relation to it under the law of a country or territory outside the United Kingdom any appointment corresponding to the appointment of an administrator under either of those Schedules.
- (4) A company is “in receivership” for the purposes of this section if there is in force in relation to it—

- (b) under any corresponding provision of the law of a country or territory outside the United Kingdom.

269ZI “Qualifying latent claims”

- (1) This section applies for the purposes of section 269ZG.
- (2) Where a general insurance company has a liability in respect of a claim, the claim is a “qualifying latent claim” if conditions A to C are met.
- (3) In this section “claim” means a claim (whether actual or potential) under an insurance policy.
- (4) Condition A is that—
 - (a) the claim is of a type that was not reasonably foreseeable at the time when the insurance policy concerned was entered into, and
 - (b) it is likely that, had the company foreseen that type of claim, the price or other terms of the policy would have been significantly different.
- (5) Condition B is that the latency period associated with that type of claim (see subsection (7)) is more than 10 years.
- (6) Condition C is that the insurance policy, or the part of the insurance policy under which the claim is or would be made, is—
 - (a) an employer’s liability policy, or
 - (b) a public or products liability policy.
- (7) The “latency period” associated with a type of claim is the mean period for claims of the type between—
 - (a) the insured event giving rise to the claim, and
 - (b) notification of the claim.
- (8) The mean period mentioned in subsection (7) is to be determined as at the end of the accounting period mentioned in section 269ZG(2).
- (9) In this section—
 - “employer’s liability policy” means an insurance policy against the risks of the person insured incurring liabilities to the insured’s employees for injury, illness or death arising out of their employment during the course of business;
 - “general insurance company” is to be interpreted in accordance with section 269ZG;
 - “insurance policy” includes any contract of insurance;
 - “liability” includes a contingent or prospective liability;
 - “public or products liability policy” means an insurance policy against the risks of the person insured incurring liabilities to third parties for damage to property, injury, illness or death, arising in the course of the insured’s business.

269ZJ Exclusion of shock losses from restrictions

- (1) If a shock loss is—
 - (a) carried forward to an accounting period of an insurance company (see section 269ZP(2)), and
 - (b) deducted under section 45B (post-1 April 2017 trade losses carried forward against trade profits),the deduction is to be treated as not falling within section 269ZB(3).
- (2) If a shock loss is—
 - (a) carried forward to an accounting period of an insurance company, and
 - (b) deducted under section 463H of CTA 2009 (carry forward of unrelieved non-trading deficit from loan relationships against non-trading profits),the company is to be treated for the purposes of sections 269ZC and 269ZD(2)(b)(ii) as not having made that deduction.
- (3) If an insurance company makes a deduction of (or in respect of) a shock loss, that deduction is not a “relevant deduction” for the purposes of section 269ZD (restriction on deductions from total profits).
- (4) See also section 124E of FA 2012 (exclusion from the restriction on deductions from BLAGAB trade profits).

269ZK Meaning of “shock loss”: requirement to make a claim

- (1) If the conditions in subsection (3) are met, an insurance company may make a claim in respect of—
 - (a) a loss or other amount (the “specified loss”), and
 - (b) a period of 12 months (“the specified period”) which is a solvency shock period (see section 269ZM).
- (2) A claim may specify more than one 12 month period under subsection (1) (b) (but periods specified by an insurance company under this section may not overlap with one another).
- (3) The conditions are that—
 - (a) the accounting period (for corporation tax purposes) in which the specified loss arises (“the loss-making period”) begins on or after 1 April 2017,
 - (b) the specified loss is, or is capable of being, carried forward to a subsequent accounting period, and
 - (c) the loss-making period and the specified period have one or more days in common.
- (4) A claim under this section must be made within—
 - (a) the period of two years after the end of the loss-making period, or
 - (b) such further period as an officer of Revenue and Customs allows.
- (5) If—
 - (a) a claim is made under this section, and

Status: This is the original version (as it was originally enacted).

- (b) the whole of the loss-making period is, or falls within, the specified period,
the specified loss is a “shock loss”.
- (6) If—
- (a) a claim is made under this section, and
- (b) the loss-making period falls partly, but not wholly, in the specified period,
the specified loss is a “shock loss” so far as it is attributable to the specified period.
- (7) For the purposes of subsection (6) the specified loss is “attributable to” the specified period in the proportion—

$$\frac{P}{N}$$

Where P is the number of days of the loss-making period that fall within the specified period and N is the number of days in the loss-making period.

- (8) If the method in subsection (7) would produce a result that is unjust or unreasonable, the apportionment of the specified loss for the purposes of subsection (6) is to be made on a just and reasonable basis.

269ZL Further provision about claims under section 269ZK

- (1) A claim under section 269ZK is not effective unless—
- (a) the claim—
- (i) states the company’s solvency capital requirement at the beginning of the specified period,
- (ii) states the company’s shock loss threshold for that period, and sets out the calculation of that amount (as described in steps 2 to 5 of 269ZN(1)), and
- (iii) states the amount of the company’s solvency loss for that period (see section 269ZO), and
- (b) the company submits with the claim—
- (i) information (“the submitted information”) corresponding to the information specified in the template mentioned in point (i), (j) or (k) (as the case requires) of Article 4 of the technical standards implementing Regulation, and
- (ii) a report provided by the appropriate person which meets the condition in subsection (2).
- (2) The condition is that the report includes an opinion confirming that—
- (a) the submitted information is prepared in all material respects in accordance with any relevant requirements which would apply if the submitted information were disclosed as part of the company’s report on solvency and financial condition,
- (b) the calculation of the company’s shock loss threshold (not including step 1(a) of section 269ZN(1)) complies in all material respects with section 269ZN, and

Status: This is the original version (as it was originally enacted).

- (c) the company’s solvency loss is calculated in all material respects in accordance with section 269ZO.
- (3) In this section “relevant requirements” means—
 - (a) requirements under rules made by the Prudential Regulation Authority, and
 - (b) requirements under any directly applicable EU regulation made under the Solvency 2 Directive.
- (4) In this section “the appropriate person” means—
 - (a) the company’s chief actuary, or
 - (b) (if the company is not a PRA-authorized person) a person with equivalent functions.
- (5) Subsections (1)(b)(i), (2)(a) and (3) have effect in relation to a third-country insurance undertaking as if it were an insurance undertaking.

269ZM Meaning of “solvency shock period”

A period of 12 months is a “solvency shock period” in relation to an insurance company if the company has a solvency loss for that period (see section 269ZO) which exceeds the company’s shock loss threshold for that period (see section 269ZN).

269ZN Determination of shock loss threshold

- (1) A company’s shock loss threshold for a 12 month period is determined as follows.
 - Step 1*
 - (a) Calculate the company’s solvency capital requirement at the beginning of that period.
 - (b) But any adjustment for the loss-absorbing capacity of deferred taxes is to be calculated, and applied, on the assumption that that period is a solvency shock period in relation to the company.
 - (c) The resulting amount is the company’s “adjusted SCR”.
 - Step 2*

Calculate the deductible amount (see subsection (2)) for each relevant ring-fenced fund of the company.
 - Step 3*

Deduct the total of the amounts found under step 2 from the company’s adjusted SCR.
 - Step 4*

Multiply the amount found under step 3 by 90%.
 - Step 5*

The result is the company’s shock loss threshold for the period.
- (2) The deductible amount for a relevant ring-fenced fund is the lesser of A and B, where—
 - (a) A is the amount of basic own funds within that fund at the beginning of the period (or zero, if greater);

Status: This is the original version (as it was originally enacted).

- (b) B is the notional solvency capital requirement for that fund at the beginning of that period.
- (3) But in calculating amount A for the purposes of subsection (2)—
- (a) no account is to be taken of the value of future transfers attributable to shareholders;
 - (b) a restricted own-fund item within the fund is to be disregarded if the company’s with-profits actuary provides a written opinion confirming that the condition in subsection (4) is met.
- (4) The condition is that—
- (a) the item is available as a restricted own-fund item pursuant to conditional support arrangements, and
 - (b) if at the time mentioned in subsection (2)(a) or any subsequent time (when the conditional support arrangements are in place) the value of the company’s interest in the item were to be (or is in fact) greater than zero, that value would be recognised for the purposes of a balance sheet drawn up at the time in question by the company in accordance with generally accepted accounting practice.
- (5) In this section “conditional support arrangements” means arrangements under which the relevant restrictions would cease to apply if specified conditions relating to the financial strength of the fund were met.
- (6) In subsection (5) “the relevant restrictions” means the restrictions on transferability as a result of which the item is a restricted own-fund item.
- (7) In this section “adjustment for the loss-absorbing capacity of deferred taxes” means—
- (a) an adjustment pursuant to Article 103(c) of the Solvency 2 Directive, or
 - (b) any corresponding adjustment made pursuant to Subsection 3 of Section 4 of Chapter 6 of Title 1 of the Solvency 2 Directive (solvency capital requirement full and partial internal models).
- (8) Where the company is a third-country insurance undertaking—
- (a) steps 1(b) and 2 to 5 of subsection (1), and
 - (b) subsections (2) to (7),
- have effect with any modifications that are appropriate as a result of the reference in step 1(a) of subsection (1) to the “solvency capital requirement” having effect in accordance with section [269ZP\(1\)\(b\)](#).

269ZO Calculation of solvency loss

- (1) An insurance company’s solvency loss (if any) for a 12 month period is determined as follows.
- (2) Calculate, in the manner set out in subsections (5) to [\(11\)](#)—
- (a) whether the total amount of the company’s basic own funds at the beginning of the period (“opening BOF”) exceeds the total amount of the company’s basic own funds at the end of the period (“closing BOF”), and
 - (b) if so, the amount by which opening BOF exceeds closing BOF.

Status: This is the original version (as it was originally enacted).

- (3) The company has a solvency loss for the 12 month period only if an excess of opening BOF over closing BOF is found under subsection (2)(a).
- (4) The amount found under subsection (2)(b) is the amount of the solvency loss.
- (5) The method of calculation under subsection (2) must fairly represent the method by which the company calculates its solvency capital requirement.

But this is subject to subsections (6) to (10).

- (6) Closing BOF is to be calculated on the assumption that the 12 month period mentioned in subsection (1) is a solvency shock period in relation to the company.
- (7) The following adjustments are to be made in calculating the company's basic own funds at the beginning and end of the period—
1. Find (with respect to each of those times) what that amount would be in the absence of this subsection.
 2. Find the surplus in respect of each relevant ring-fenced fund of the company (at the time in question).
 3. Deduct the total of the amounts found under paragraph 2 from the amount found under paragraph 1.

The result is to be taken to be the amount of the company's basic own funds at the beginning, or (as the case may be) the end, of the period.

- (8) The surplus in respect of a relevant ring-fenced fund (at any time) is equal to—
- (a) the amount of basic own funds attributable to policyholders, or
 - (b) zero, if greater.
- (9) For any relevant ring-fenced fund, the amount of basic own funds attributable to policyholders (at any time) is equal to—

$$A - B$$

where—

A is the amount of basic own funds within the relevant ring-fenced fund;

B is the total of any items in the fund that fall within subsection (10).

- (10) The items are—
- (a) the value of future transfers attributable to shareholders;
 - (b) any restricted own-fund item in relation to which the company's with-profits actuary provides a written opinion confirming that the condition in subsection (4) of section 269ZN is met.
- (11) In subsection (5) the reference to the "method" of a calculation is to the—
- (a) taking into account, and
 - (b) leaving out of account,
- of variations in items of basic own funds for the purposes of the calculation.
- (12) If the company is a third-country insurance undertaking, subsections (1) to (11) have effect in relation to it as if it were an insurance undertaking.

Status: This is the original version (as it was originally enacted).

Deductions allowance

269ZR Deductions allowance for company in a group

- (1) This section makes provision as to the deductions allowance of a company for an accounting period where, at any time in the period—
- (a) the company is a member of a group, and
 - (b) one or more other companies within the charge to corporation tax are members of that group.
- (2) The company’s deductions allowance for the accounting period is the sum of—
- (a) any amounts of group deductions allowance allocated to the company for the period in accordance with sections 269ZS to 269ZV, and
 - (b) the appropriate amount of non-group deductions allowance of the company for the period,
- up to a limit of £5,000,000.
- (3) The “appropriate amount of non-group deductions allowance” of the company, for the accounting period, is—

$$\frac{\text{DNG}}{\text{DAC}} \times \text{£5,000,000}$$

where—

“DNG” is the number of days in the period on which the company is not a member of a group that has another member that is a company within the charge to corporation tax, and

“DAC” is the total number of days in the period.

- (4) If the accounting period is less than 12 months—
- (a) the appropriate amount of non-group deductions allowance, and
 - (b) the limit in subsection (2),
- are proportionally reduced.

269ZS Group deductions allowance and the nominated company

- (1) This section applies where—
- (a) two or more members of a group are companies within the charge to corporation tax, and
 - (b) all the companies within the charge to corporation tax that are members of the group together nominate (“the group allowance nomination”) one of their number (“the nominated company”) for the purposes of this Part.
- (2) The “group deductions allowance” for the group is £5,000,000 for each accounting period of the nominated company throughout which the group allowance nomination has effect.

Status: This is the original version (as it was originally enacted).

- (3) If the group allowance nomination takes effect, or ceases to have effect, part of the way through an accounting period of the nominated company, the “group deductions allowance” for the group for that period is—

$$\frac{\text{DNG}}{\text{DAC}} \times \pounds 5,000,000$$

where—

“DN” is the number of days in the accounting period on which a group allowance nomination that nominates the nominated company in relation to the group has effect, and

“DAC” is the total number of days in the accounting period.

- (4) If an accounting period of the nominated company is less than 12 months, the group deductions allowance for that period is proportionally reduced.
- (5) A group allowance nomination must state the date on which it is to take effect (which may be earlier than the date the nomination is made).
- (6) A group allowance nomination is of no effect unless it is signed by the appropriate person on behalf of each company that is, when the nomination is made, a member of the group and within the charge to corporation tax.
- (7) A group allowance nomination ceases to have effect—
- immediately before the date on which a new group allowance nomination in respect of the group takes effect,
 - upon the appropriate person in relation to a company within the charge to corporation tax that is a member of the group notifying an officer of Revenue and Customs, in writing, that the group allowance nomination is revoked, or
 - upon the nominated company ceasing to be a company within the charge to corporation tax or ceasing to be a member of the group.
- (8) The Commissioners for Her Majesty’s Revenue and Customs may by regulations make further provision about a group allowance nomination or any notification under this section including, in particular, provision—

- (4) A group allowance allocation statement under this section must be received by HMRC before the first anniversary of the filing date for the company tax return for the accounting period to which the statement relates.

- (5) The maximum amount of group deductions allowance that may be allocated, by the group allowance allocation statement, to a listed company for an accounting period of that company is—

$$\frac{\text{DAP}}{\text{DNAP}} \times \text{GSA}$$

where—

“DAP” is the number of days in the accounting period of the listed company that are—

- (a) days in the nominee’s accounting period, and
- (b) days on which the company was a member of the group,

“DNAP” is the number of days in the nominee’s accounting period, and

“GSA” is the group deductions allowance of the group for the nominee’s accounting period.

- (6) The sum of the amounts allocated to listed companies by the group allowance allocation statement may not exceed the group deductions allowance for the nominee’s accounting period.
- (7) If a group allowance allocation statement is submitted that does not comply with subsection (5) or (6), the company that is, for the time being, the nominated company in relation to the group must submit a revised group allowance allocation statement that does comply with those subsections within 30 days of the date on which the group allowance allocation statement that did not comply was submitted or within such further period as an officer of Revenue and Customs allows.
- (8) If a group allowance allocation statement—
- (a) complies with those subsections when it is submitted, but
 - (b) subsequently ceases to comply with either of them,
- the company that is, for the time being, the nominated company in relation to the group must submit a revised group allowance allocation statement that does comply with those subsections within 30 days of the date on which the group allowance allocation statement ceased to comply with one of those subsections or within such further period as an officer of Revenue and Customs allows.
- (9) If a company fails to comply with subsection (7) or (8), an officer of Revenue and Customs may by written notice to the company amend the

Status: This is the original version (as it was originally enacted).

group allowance allocation statement as the officer thinks fit for the purpose of making it comply with subsections (5) and (6).

- (10) An officer of Revenue and Customs who issues a notice under subsection (9) to a company must, at the same time, send a copy of the notice to each of the listed companies.
- (11) The time limits otherwise applicable to the amendment of a company tax return do not apply to any such amendment to the extent that it is made in consequence of a group allowance allocation statement being submitted in accordance with section 269ZT or 269ZU.
- (12) The Commissioners for Her Majesty's Revenue and Customs may by regulations make further provision about a group allowance allocation statement including, in particular, provision—
 - (a) about the form of a statement and the manner in which it is to be submitted,
 - (b) requiring a person to give information to HMRC in connection with a statement,
 - (c) as to the circumstances in which a statement that is not received by the time specified in section 269ZU(4) is to be treated as if it were so received, and
 - (d) as to the circumstances in which a statement that does not comply with the requirements of this section is to be treated as if it did comply.

269ZY Meaning of “relevant reversal credit”

- (1) For the purposes of section 269ZX a “relevant reversal credit” is a credit, or other income, brought into account in respect of the relevant reversal (see subsections (3) and (5)) of a relevant onerous lease provision.

 - (a) the provision relates to a lease of land under which C is the tenant (and “L” is the landlord),
 - (b) the provision is required, for accountancy purposes, as a provision for an onerous lease, and
 - (c) the lease was entered into at arm’s length.
- (3) The reversal (in whole or in part) of a relevant onerous lease provision is a “relevant reversal” if—
 - (a) the reversal is required for accountancy purposes as a result of an arrangement (“C’s arrangement”) made at arm’s length under which C’s obligations under the lease are varied or cancelled,

- (5) The reversal (in whole or in part) of a relevant onerous lease provision is a “relevant reversal” if—
 - (a) the lease has been granted out of a lease (“the superior lease”),
 - (b) L and C are members of the same group of companies,
 - (c) the reversal would be a relevant reversal by virtue of subsection (3) if the condition in subsection (3)(b) (lack of connection between C and L) were met,
 - (d) the terms of C’s arrangement substantially reflect those of an arrangement (“L’s arrangement”) made at arm’s length under which L’s obligations under the superior lease are varied or cancelled, and
 - (e) subsection (6) does not apply.
- (6) This subsection applies if—
 - (a) at the time when L’s arrangement is made, the landlord under the superior lease (“S”) is connected with L or C, or

- (7) The conditions mentioned in subsection (3)(c) are as follows.
- Condition X is that—
- (a) it is reasonable to suppose that immediately before C’s arrangement was made there was a material risk that at some time within the next 12 months C would be unable to pay its debts as they fell due, and
 - (b) the sole or main purpose of C’s arrangement was to avert that risk (whether directly or indirectly).
- Debts due to a person connected with C are to be regarded as not being debts for the purposes of paragraph (a).
- Condition Y is that C is in insolvent administration.
- Condition Z is that C’s arrangement is, or is part of, a statutory insolvency arrangement.
- (8) In this section “statutory insolvency arrangement” means—
- (a) a voluntary arrangement that has taken effect under, or as a result of, the Insolvency Act 1986 or the [Insolvency \(Northern Ireland\) Order 1989 \(S.I. 1989/ 2405 \(N.I. 19\)\)](#),

- (9) For the purposes of this section a company in administration is in insolvent administration if—
- (a) it entered administration under Schedule B1 to the Insolvency Act 1986, or Schedule B1 to the Insolvency (Northern Ireland) Order 1989, at a time when its assets were insufficient for the payment of its debts and other liabilities and the expenses of the administration, or

 - (b) if section 269ZX (increase of deductions allowance where provision for onerous lease reversed) applies, what that amount would be without the increase provided for by subsection (3) of that section.
- (2) But subsection (1) applies only if the company makes for the accounting period a deduction to which section 269ZB(2), 269ZC(2) or 269ZD(2) or section 124D(1) of FA 2012 applies.

- (4) If—
- (a) the amount specified became excessive in consequence of an alteration being made to the amount of group deductions allowance allocated to the company for the accounting period concerned, and
 - (b) the company has failed, or is unable, to amend its company tax return in accordance with subsection (2),
- an assessment under subsection (3) is not out of time if it is made within 12 months of the date on which the alteration took place.

- (5) An amount is within this subsection if, for the purposes of non-UK tax chargeable under the law of the territory in which the permanent establishment was situated, the amount is or at any time has been (in any period) deductible from or otherwise allowable against non-UK profits of a person other than the surrendering company.

- (10) But an amount is not to be taken to be within subsection (7) or (9) by reason only that it is—
 - (a) an amount of profits brought into account for the purpose of being excluded from non-UK profits of the person, or
 - (b) an amount brought into account in calculating an amount of profits brought into account as mentioned in paragraph (a).

Status: This is the original version (as it was originally enacted).

 - (b) ends during or after the overlapping period.
- (4) A claim under this section may relate to the whole of the surrenderable amounts attributable to the specified loss-making period or to part of them only.
- (5) This section is subject to section 188CD (claim not allowed by company with unused carried-forward losses of its own)

188CD Claim not allowed by company with unused carried-forward losses of its own

A company may not make a claim for group relief for carried-forward losses for an accounting period if—

- (a) any amount carried forward to that period under any provision mentioned in section 188BB(1), or any amount which is carried forward to that period and falls within section 124B(1)(b) of FA 2012, is not deducted in full from the total profits of the company for that period at Step 2 of section 4(2),

- (c) the company makes a claim under section 45(4A) that the profits of a trade of that period are not to be reduced or are not to be reduced by more than a specified amount, or
- (d) the company makes a claim under section 45B(5) for relief not to be given in that period for an amount of a loss or for a specified part of an amount of a loss.

188CE The group condition

- (1) The group condition is met if the surrendering company and the claimant company—
 - (a) are members of the same group of companies, and

- (2) But consortium condition 1 is not met if a profit on a sale within subsection (3) by the surrendering company would be a trading receipt of the surrendering company.
- (3) A sale is within this subsection if it is a sale of—
 - (a) the share capital the surrendering company owns in the claimant company, or
 - (b) if the claimant company is owned by the consortium as a result of section 153(3) (consortiums involving holding companies), the share capital the surrendering company owns in the holding company in question.

Status: This is the original version (as it was originally enacted).

188CG Consortium condition 2

- (1) Consortium condition 2 is met if—
 - (a) the claimant company is a trading company or a holding company,

- (3) A sale is within this subsection if it is a sale of—
 - (a) the share capital the link company owns in the claimant company, or
 - (b) if the claimant company is owned by the consortium as a result of section 153(3) (consortiums involving holding companies), the share capital the link company owns in the holding company in question.

188CH Consortium condition 3

- (1) Consortium condition 3 is met if—
 - (a) the surrendering company is a trading company or a holding company,
 - (b) the surrendering company is owned by a consortium,
 - (c) the claimant company is a member of the consortium, and
 - (d) both companies are UK related.
- (2) But consortium condition 3 is not met if a profit on a sale within subsection (3) by the claimant company would be a trading receipt of the claimant company.
- (3) A sale is within this subsection if it is a sale of—
 - (a) the share capital the claimant company owns in the surrendering company, or
 - (b) if the surrendering company is owned by the consortium as a result of section 153(3) (consortiums involving holding companies), the share capital the claimant company owns in the holding company in question.

188CI Consortium condition 4

- (1) Consortium condition 4 is met if—
 - (a) the surrendering company is a trading company or a holding company,
 - (b) the surrendering company is owned by a consortium,

Status: This is the original version (as it was originally enacted).

 - (b) if the surrendering company is owned by the consortium as a result of section 153(3) (consortiums involving holding companies), the share capital the link company owns in the holding company in question.

188CJ Meaning of “UK related” company

For the purpose of sections 188CE to 188CI a company is UK related if—

- (a) it is a UK resident company, or
- (b) it is a non-UK resident company carrying on a trade in the United Kingdom through a permanent establishment.

Giving group relief for carried-forward losses

188CK Deductions from total profits

- (1) If a claimant company makes a claim under section 188CB or 188CC, the group relief for carried-forward losses is given by the making of a deduction from the claimant company’s total profits of the claim period.
- (2) In the case of a claim under section 188CB, the amount of the deduction under subsection (1) is—
- (a) an amount equal to the surrendering company’s surrenderable amounts for the surrender period, or
 - (b) if the claim is in relation to only part of those amounts, an amount equal to that part.
- (3) Subsection (2) is subject to—
- (a) subsections (6) to (9),
 - (b) the limitations set out in Chapter 4, and
 - (c) section 269ZD (restriction on deductions from total profits).
- (4) In the case of a claim under section 188CC, the amount of the deduction under subsection (1) is—
- (a) an amount equal to the surrendering company’s surrenderable amounts for the surrender period that are attributable to the specified loss-making period, or

Status: This is the original version (as it was originally enacted).

- (b) if the claim is in relation to only part of those amounts, an amount equal to that part.
- (5) Subsection (4) is subject to—
 - (a) subsections (6) to (9),
 - (b) the limitations set out in Chapter 5, and
 - (c) section 269ZD (restriction on deductions from total profits).
- (6) A deduction under subsection (1) is to be made—
 - (a) before deductions for relief within subsection (7), but
 - (b) after all other deductions to be made at Step 2 in section 4(2) (apart from deductions for group relief for carried-forward losses on other claims).
- (7) The deductions within this subsection are deductions for relief—
 - (a) under section 37 in relation to a loss made in an accounting period after the claim period,
 - (b) under section 260(3) of CAA 2001 in relation to capital allowances for an accounting period after the claim period, and
 - (c) under section 389 or 463B of CTA 2009 in relation to a deficit of a deficit period after the claim period.
- (8) For the purposes of subsection (6)(b) it is to be assumed that the claimant company has claimed all relief available to it for the claim period under section 37 of this Act or section 260(3) of CAA 2001.
- (9) Corporation tax relief is not to be given more than once for the same amount, whether—
 - (a) by giving group relief for carried-forward losses and by giving some other relief (for any accounting period) to the surrendering company, or
 - (b) by giving group relief for carried-forward losses more than once.

CHAPTER 4

LIMITATIONS ON RELIEF: CLAIMS UNDER SECTION 188CB

Introduction

188DA Overview

This Chapter sets out limitations on the amount of relief which may be given on a claim under section 188CB.

General limitation on amount of relief

188DB Limitation on amount of relief applying to all claims under section 188CB

- (1) The amount of group relief for carried-forward losses to be given on a claim under section 188CB (“the current claim”) is limited to whichever is the lesser of—
 - (a) the amount mentioned in subsection (2), and
 - (b) the amount mentioned in subsection (3).
- (2) The amount referred to in subsection (1)(a) is the unused part of the surrenderable amounts (see section 188DC).
- (3) The amount referred to in subsection (1)(b) is the difference between—
 - (a) the claimant company’s relevant maximum for the overlapping period (see section 188DD), and
 - (b) the amount of previously claimed group relief for carried-forward losses for the overlapping period (see section 188DE).

188DC Unused part of the surrenderable amounts

- (1) The unused part of the surrenderable amounts is the amount equal to—
 - (a) the surrenderable amount for the overlapping period (see subsection (2)), less
 - (b) the amount of prior surrenders for that period (see subsections (3) to (5)).
- (2) To determine the surrenderable amount for the overlapping period—
 - (a) take the proportion of the surrender period included in the overlapping period, and
 - (b) apply that proportion to the surrenderable amounts for the surrender period.

The surrenderable amount for the overlapping period is the amount given as a result of paragraph (b).

- (3) To determine the amount of prior surrenders for the overlapping period—
 - (a) identify any prior claims for the purposes of this section (see subsection (4)), and
 - (b) take the steps set out in subsection (5) in relation to each such claim.

The amount of prior surrenders for the overlapping period is the total of the previously used amounts given at step 3 in subsection (5) for all the prior claims.

- (4) A claim is a prior claim for the purposes of this section if—
 - (a) it is either—
 - (i) a claim under section 188CB by any company which relates to the same amounts as the current claim, or

Status: This is the original version (as it was originally enacted).

- (ii) a claim under section 188CC by any company which relates to amounts included in the amounts to which the current claim relates,
 - (b) it is made before the current claim, and
 - (c) it has not been withdrawn.
- (5) These are the steps referred to in subsection (3)(b) to be taken in relation to each prior claim.
- Step 1*
Identify the overlapping period for the prior claim.
- Step 2*
Identify any period that is common to the overlapping period for the current claim and the overlapping period for the prior claim.
If there is a common period, go to step 3.
If there is no common period, there is no previously used amount in relation to the prior claim (and ignore step 3).
- Step 3*
Determine the previously used amount of group relief for carried-forward losses in relation to the prior claim (see subsection (6)).
- (6) To determine the previously used amount of group relief for carried-forward losses in relation to a prior claim—
- (a) take the proportion of the overlapping period for the prior claim that is included in the common period identified at step 2 in relation to that claim, and
 - (b) apply that proportion to the amount of group relief for carried-forward losses given on the prior claim.
- The previously used amount of group relief for carried-forward losses in relation to the prior claim is the amount given as a result of paragraph (b).
- (7) For the meaning of the “overlapping period” see section 188DG.

188DD Claimant company’s relevant maximum for overlapping period

- (1) The claimant company’s relevant maximum for the overlapping period is determined as follows—
- Step 1*
Calculate the claimant company’s relevant maximum for the claim period in accordance with section 269ZD(4).
- Step 2*
Deduct from that amount the sum of—
- (a) any deductions made by the company for the claim period
 - (i) under section 45(4)(b) or 45B(4), or
 - (ii) under section 303B or 303D by virtue of section 304(5),
 - (b) any deductions made by the company for the claim period under section 457(3) or 463H(5) of CTA 2009,
 - (c) any deductions made by the company for the claim period under section 124(5), 124A(5) or 124C(6) of FA 2012, and

Status: This is the original version (as it was originally enacted).

- (d) any deductions made by the company for the claim period which are deductions within any of paragraphs (a) to (i) and (k) of section 269ZD(3).

Step 3

Take the proportion of the claim period included in the overlapping period and apply that proportion to the amount arrived at under step 2.

- (2) In step 2 of subsection (1)—
- (a) in paragraph (a)(i), the references to deductions under section 45(4) (b) or 45B(4) do not include deductions that would be ignored for the purposes of section 269ZB by reason of—
- (i) section 1209(3), 1210(5A) or 1211(7A) of CTA 2009 (losses of film trade),
 - (ii) section 1216DA(3), 1216DB(5A) or 1216DC(7A) of that Act (losses of television programme trade),
 - (iii) section 1217DA(3), 1217DB(5A) or 1217DC(7A) of that Act (losses of video game trade),
 - (iv) section 1217MA(3) or 1217MC(9) of that Act (losses of theatrical trade),
 - (v) section 1217SA(3) or 1217SC(9) of that Act (losses of orchestral trade),
 - (vi) section 1218ZDA(3) or 1218ZDC(9) of that Act (losses of museum or gallery exhibition trade),
 - (vii) section 65(4B) or 67A(5A) (losses of UK or EEA furnished holiday lettings business),
 - (viii) section 269ZJ(1) (insurance companies: shock losses),
 - (ix) section 304(7) (certain losses of ring fence trades), or
 - (x) section 356NJ(2) (pre-1 April 2017 loss arising from oil contractor activities);
- (b) in paragraph (b) the reference to a deduction under section 463H(5) does not include the deduction of a shock loss.

- (3) If the amount of the claimant company's relevant profits for the claim period (calculated in accordance with section 269ZD(5)) is less than the amount of the claimant company's deductions allowance for the claim period (determined in accordance with section 269ZD(6)), subsection (1) has effect as if step 1 was modified as follows—

Step 1

Calculate the claimant company's relevant profits for the claim period in accordance with section 269ZD(5).

- (4) If section 269ZD has effect in relation to the claimant company for the claim period with the modifications set out in section 269ZE(1) (special loss cap for insurance companies in certain cases), subsection (1) has effect as if steps 1 and 2 were modified as follows—

Step 1

Determine, in accordance with section 269ZE(5), the modified loss cap for the claimant company and the claim period.

Step 2

Status: This is the original version (as it was originally enacted).

Reduce that amount by the total of any deductions made by the claimant company for the claim period which are deductions within any of paragraphs (a) to (i) and (k) of section 269ZD(3).

- (5) Subsection (2) is to be ignored if subsection (3) applies.

188DE Previously claimed group relief for carried-forward losses

- (1) To determine the amount of previously claimed group relief for carried-forward losses for the overlapping period—
- (a) identify any prior claims for the purposes of this section (see subsection (2)), and
 - (b) take the steps set out in subsection (3) in relation to each such claim.

The amount of previously claimed group relief for carried-forward losses for the overlapping period is the total of the previously claimed amounts given at step 3 in subsection (3) for all the prior claims.

- (2) A claim is a prior claim for the purposes of this section if—
- (a) it is a claim under section 188CB or 188CC by the claimant company for group relief for carried-forward losses which would be given by way of a deduction from the company's total profits of the claim period,
 - (b) it is made before the current claim, and
 - (c) it has not been withdrawn.
- (3) These are the steps referred to in subsection (1)(b) to be taken in relation to each prior claim.

Step 1

Identify the overlapping period for the prior claim.

Step 2

Identify any period that is common to the overlapping period for the current claim and the overlapping period for the prior claim.

If there is a common period, go to step 3.

If there is no common period, there is no previously claimed amount in relation to the prior claim (and ignore step 3).

Step 3

Determine the previously claimed amount of group relief for carried forward losses in relation to the prior claim (see subsection (4)).

- (4) To determine the previously claimed amount of group relief for carried-forward losses in relation to a prior claim—
- (a) take the proportion of the overlapping period for the prior claim that is included in the common period identified at step 2 in relation to that claim, and
 - (b) apply that proportion to the amount of group relief for carried-forward losses given on the prior claim.

The previously claimed amount of group relief for carried-forward losses in relation to the prior claim is the amount given as a result of paragraph (b).

188DF Sections 188DC to 188DE: supplementary

- (1) If two or more claims for group relief for carried-forward losses are made at the same time, for the purpose of section 188DC and 188DE treat the claims as made—
 - (a) in such order as the company making them may elect or the companies making them may jointly elect, or
 - (b) if no such election is made, in such order as an officer of Revenue and Customs may direct.
- (2) For the purpose of step 3 in each of section 188DC(5) and 188DE(3) the amount of group relief for carried-forward losses given on a prior claim is determined on the basis that relief is given on the claim before it is given on any later claim.
- (3) If the use of any proportion mentioned in subsection (4), would, in the circumstances of a particular case, produce a result that is unjust or unreasonable, the proportion is to be modified so far as necessary to produce a result that is just and reasonable.
- (4) The proportions are those found in—
 - (a) section 188DC(2),
 - (b) section 188DC(6),
 - (c) step 3 in section 188DD(1), and
 - (d) section 188DE(4)

188DG Sections 188DC and 188DE: meaning of “the overlapping period”

- (1) In sections 188DC and 188DE “the overlapping period”, in relation to a claim for group relief for carried-forward losses, means the period that is common to the claim period and the surrender period (see Requirement 2 in section 188CB(3) and Requirement 2 in section 188CC(3)).
- (2) But if during any part of the overlapping period the relief condition is not met, that part is treated as not forming part of the overlapping period but instead as forming—
 - (a) a part of the surrender period that is not included in the overlapping period, and
 - (b) a part of the claim period that is not included in the overlapping period.
- (3) The relief condition is the condition on which the claim for group relief for carried forward losses is based, that is—
 - the group condition,
 - consortium condition 1,
 - consortium condition 2,
 - consortium condition 3, or
 - consortium condition 4.

Status: This is the original version (as it was originally enacted).

*Further limitations on amount of relief if
claim based on consortium conditions 1 or 2*

188DH Condition 1: ownership proportion

- (1) This section applies if—
 - (a) the claimant company makes a claim under section 188CB for group relief for carried-forward losses, and
 - (b) the claim is based on consortium condition 1.
- (2) The relief to be given on the claim is limited to the ownership proportion of the claimant company’s relevant maximum for the overlapping period (see section 188DD to determine the claimant company’s relevant maximum for the overlapping period).
- (3) The ownership proportion is the same as the lowest of the following proportions prevailing during the overlapping period—
 - (a) the proportion of the ordinary share capital of the claimant company that is beneficially owned by the surrendering company,
 - (b) the proportion of any profits available for distribution to equity holders of the claimant company to which the surrendering company is beneficially entitled,
 - (c) the proportion of any assets of the claimant company available for distribution to such equity holders on a winding up to which the surrendering company would be beneficially entitled, and
 - (d) the proportion of the voting power in the claimant company that is directly possessed by the surrendering company.
- (4) If any of the proportions in subsection (3) changes during the overlapping period, use the average of that proportion during that period.
- (5) If the claimant company is owned by the consortium company as a result of section 153(3) (consortium company involving holding companies), references in subsection (3) to the claimant company are to be read as references to the holding company in question.
- (6) In this section “the overlapping period” is to be read in accordance with section 188DG.
- (7) Chapter 6 of Part 5 (equity holders and profits or assets available for distribution) applies for the purposes of subsection (3)(b) and (c).

188DI Condition 2: ownership proportion

- (1) This section applies if—
 - (a) the claimant company makes a claim under section 188CB for group relief for carried-forward losses, and
 - (b) the claim is based on consortium condition 2.
- (2) The limitation on relief in section 188DH applies in relation to the claim, but for this purpose references in section 188DH(3) to the surrendering company are to be read as reference to the link company.

188DJ Condition 2: companies in link company's group

- (1) Where—
 - (a) the claimant company makes a claim under section 188CB, and
 - (b) the claim is based on consortium condition 2,the amount of relief to be given on the claim is limited by subsections (2) and (3).
- (2) There is a limit on the amount of group relief for carried-forward losses that can be given, in total, to the claimant company for the claim period on consortium claims made in relation to losses and other amounts surrendered by the link company and group companies.
- (3) That limit is the same as the limit that, as a result of section 188DH(2), would apply for the purposes of a consortium claim made by the claimant company for the claim period in relation to losses or other amounts surrendered by the link company, assuming that the link company was UK related.
- (4) In determining the limit that would apply as a result of section 188DH(2) it is to be assumed that the accounting period of the link company is the same as the accounting period of the claimant company.
- (5) In this section—
 - “consortium claim” means a claim for group relief for carried-forward losses under section 188CB,
 - “group company” means a company that is a member of the same group of companies as the link company (other than the link company itself), and
 - “UK related”, in relation to a company, has the meaning given by section 188CJ.

188DK Conditions 1 and 2: claimant company not controlled by surrendering company etc

- (1) This section applies if—
 - (a) the claimant company makes a claim under section 188CB for group relief for carried-forward losses,
 - (b) the claim is based on consortium condition 1, and
 - (c) during any part of the overlapping period, arrangements within subsection (3) are in place which enable a person to prevent the surrendering company, either alone or together with one or more other companies that are members of the consortium, from controlling the claimant company.
- (2) This section also applies if—
 - (a) the claimant company makes a claim under section 188CB for group relief for carried-forward losses,
 - (b) the claim is based on consortium condition 2, and
 - (c) during any part of the overlapping period, arrangements within subsection (3) are in place which enable a person to prevent the link company, either alone or together with one or more other companies

Status: This is the original version (as it was originally enacted).

that are members of the consortium, from controlling the claimant company.

- (3) Arrangements are within this subsection if—
- (a) the company, either alone or together with one or more other companies that are members of the consortium, would control the claimant company, but for the existence of the arrangements, and
 - (b) the arrangements form part of a scheme the main purpose, or one of the main purposes, of which is to enable the claimant company to obtain a tax advantage under this Chapter.
- (4) The relief to be given on the claim is to be determined as if the claimant company’s relevant maximum for the overlapping period was 50% of what it would be but for this section (see section 188DD to determine the claimant company’s relevant maximum for the overlapping period).
- (5) In this section “the overlapping period” is to be read in accordance with section 188DG
- (6) Section 1139 (“tax advantage”) applies for the purposes of this section.

188DL Conditions 1 and 2: claimant company in group of companies

- (1) This section applies if—
- (a) the claimant company makes a claim under section 188CB based on consortium condition 1 or 2, and
 - (b) the claimant company is a member of a group of companies.
- (2) In determining the claimant company’s relevant maximum for the overlapping period under section 188DD, the amount calculated at step 1 of that section is to be treated as reduced (but not below nil) by the group’s potential relief.
- (3) The group’s potential relief is the sum of—
- (a) the maximum amount of group relief for carried-forward losses that could be claimed by the claimant company for the claim period on claims under section 188CB based on the group condition, and
 - (b) the maximum amount of group relief under Part 5 that could be claimed by the claimant company for the claim period on claims under section 130 based on the group condition.
- (4) Before determining the maximum amount of potential group relief for carried-forward losses or potential group relief under subsection (3) take account of any claim made before the claim mentioned in subsection (1) that—
- (a) is a claim for group relief or group relief for carried-forward losses based on the group condition made by another member of the same group of companies as the claimant company, and
 - (b) is in relation to losses or other amounts surrendered.

CHAPTER 5

LIMITATIONS ON RELIEF: CLAIMS UNDER SECTION 188CC

Introduction

188EA Overview of Chapter

This Chapter sets out limitations on the amount of relief which may be given on a claim under section 188CC.

General limitation on amount of relief

188EB Limitation on amount of relief applying to all claims under section 188CC

- (1) The amount of group relief for carried-forward losses to be given on a claim under section 188CC (“the current claim”) is limited to whichever is the lesser of—
 - (a) the amount mentioned in subsection (2),
 - (b) the amount mentioned in subsection (3), and
 - (c) the amount mentioned in subsection (4).
- (2) The amount referred to in subsection (1)(a) is the unused part of the surrenderable amounts that are attributable to the specified loss-making period (see section 188EC).
- (3) The amount referred to in subsection (1)(b) is the difference between—
 - (a) the claimant company’s relevant maximum for the overlapping period (see section 188ED), and
 - (b) the amount of previously claimed group relief for carried-forward losses for the overlapping period (see section 188EE).
- (4) The amount referred to in subsection (1)(c) is the potential Part 5 group relief amount (see section 188EF).

188EC Unused part of surrenderable amounts attributable to specified loss-making period

- (1) The unused part of the surrenderable amounts that are attributable to the specified loss-making period is the amount equal to—
 - (a) the surrenderable amount for the overlapping period (see subsection (2)), less
 - (b) the amount of prior surrenders for that period (see subsections (3) to (5)).
- (2) To determine the surrenderable amount for the overlapping period—
 - (a) take the proportion of the surrender period included in the overlapping period, and

Status: This is the original version (as it was originally enacted).

- (b) apply that proportion to the surrenderable amounts for the surrender period that are attributable to the specified loss-making period.

The surrenderable amount for the overlapping period is the amount given as a result of paragraph (b).

- (3) To determine the amount of prior surrenders for the overlapping period—
- (a) identify any prior claims for the purposes of this section (see subsection (4)), and
 - (b) take the steps set out in subsection (5) in relation to each such claim.

The amount of prior surrenders for the overlapping period is the total of the previously used amounts given at step 3 in subsection (5) for all the prior claims.

- (4) A claim is a prior claim for the purposes of this section if—
- (a) it is either—
 - (i) a claim under section 188CB by any company which relates to the amounts to which the current claim relates (as well as any other amounts), or
 - (ii) a claim under section 188CC by any company which relates to the same amounts to which the current claim relates,
 - (b) it is made before the current claim, and
 - (c) it has not been withdrawn.
- (5) These are the steps referred to in subsection (3)(b) to be taken in relation to each prior claim.

Step 1

Identify the overlapping period for the prior claim.

Step 2

Identify any period that is common to the overlapping period for the current claim and the overlapping period for the prior claim.

If there is a common period, go to step 3.

If there is no common period, there is no previously used amount in relation to the prior claim (and ignore step 3).

Step 3

Determine the previously used amount of group relief for carried-forward losses in relation to the prior claim (see subsections (6) to (8)).

- (6) To determine the previously used amount of group relief for carried-forward losses in relation to a prior claim made under section 188CB—

Step 1

Take the proportion of the overlapping period for the prior claim that is included in the common period identified at step 2 in subsection (5) in relation to that claim.

Step 2

Apply that proportion to the amount of group relief for carried-forward losses given on the claim.

Step 3

Status: This is the original version (as it was originally enacted).

Multiply the amount arrived at under step 2 by the fraction set out in subsection (7).

(7) The fraction is—

$$\frac{A}{B}$$

where—

A is the sum of the surrenderable amounts that are attributable to the specified loss-making period, and

B is the sum of all the surrenderable amounts.

(8) To determine the previously used amount of group relief for carried-forward losses in relation to a prior claim made under section 188CC—

- (a) take the proportion of the overlapping period for the prior claim that is included in the common period identified at step 2 in subsection (5) in relation to that claim, and
- (b) apply that proportion to the amount of group relief for carried-forward losses given on the prior claim.

The previously used amount of group relief for carried-forward losses in relation to the prior claim is the amount given as a result of paragraph (b).

188ED Claimant company's relevant maximum for the overlapping period

(1) The claimant company's relevant maximum for the overlapping period is determined as follows—

Step 1

Calculate the claimant company's relevant maximum for the claim period in accordance with section 269ZD(4).

Step 2

Deduct from that amount the sum of—

- (a) any deductions made by the company for the claim period
 - (i) under section 45(4)(b) or 45B(4), or
 - (ii) under section 303B or 303D by virtue of section 304(5),
- (b) any deduction made by the company for the claim period under section 457(3) or 463H(5) of CTA 2009,
- (c) any deductions made by the company for the claim period under section 124(5), 124A(5) or 124C(6) of FA 2012, and
- (d) any deductions made by the company for the claim period which are deductions within any of paragraphs (a) to (i) and (k) of section 269ZD(3).

Step 3

Take the proportion of the claim period included in the overlapping period and apply that proportion to the amount arrived at under step 2.

(2) In step 2 of subsection (1)—

- (a) in paragraph (a)(i), the references to deductions under section 45(4)(b) or 45B(4) do not include deductions that would be ignored for the purposes of section 269ZB by reason of—

Status: This is the original version (as it was originally enacted).

- (i) section 1209(3), 1210(5A) or 1211(7A) of CTA 2009 (losses of film trade),
 - (ii) section 1216DA(3), 1216DB(5A) or 1216DC(7A) of that Act (losses of television programme trade),
 - (iii) section 1217DA(3), 1217DB(5A) or 1217DC(7A) of that Act (losses of video game trade),
 - (iv) section 1217MA(3) or 1217MC(9) of that Act (losses of theatrical trade),
 - (v) section 1217SA(3) or 1217SC(9) of that Act (losses of orchestral trade),
 - (vi) section 1218ZDA(3) or 1218ZDC(9) of that Act (losses of museum or gallery exhibition trade),
 - (vii) section 65(4B) or 67A(5A) (losses of UK or EEA furnished holiday lettings business),
 - (viii) section 269ZJ(1) (insurance companies: shock losses),
 - (ix) section 304(7) (certain losses of ring fence trades), or
 - (x) section 356NJ(2) (pre-1 April 2017 loss arising from oil contractor activities);
- (b) in paragraph (b) the reference to a deduction under section 463H(5) does not include the deduction of a shock loss.
- (3) If the amount of the claimant company's relevant profits for the claim period (calculated in accordance with section 269ZD(5)) is less than the amount of the claimant company's deductions allowance for the claim period (determined in accordance with section 269ZD(6)), subsection (1) has effect as if step 1 was modified as follows—
- Step 1*
- Calculate the claimant company's relevant profits for the claim period in accordance with section 269ZD(5).
- (4) If section 269ZD has effect in relation to the claimant company for the claim period with the modifications set out in section 269ZE(1) (special loss cap for insurance companies in certain cases), subsection (1) has effect as if steps 1 and 2 were modified as follows—
- Step 1*
- Determine, in accordance with section 269ZE(5), the modified loss cap for the claimant company and the claim period.
- Step 2*
- Reduce that amount by the total of any deductions made by the claimant company for the claim period which are deductions within any of paragraphs (a) to (i) and (k) of section 269ZD(3).
- (5) Subsection (2) is to be ignored if subsection (4) applies.

188EE Previously claimed group relief for carried-forward losses

- (1) To determine the amount of previously claimed group relief for carried-forward losses for the overlapping period—
- (a) identify any prior claims for the purposes of this section (see subsection (2)), and

Status: This is the original version (as it was originally enacted).

- (b) take the steps set out in subsection (3) in relation to each such claim.

The amount of previously claimed group relief for carried-forward losses for the overlapping period is the total of the previously claimed amounts given at step 3 in subsection (3) for all the prior claims.

- (2) A claim is a prior claim for the purposes of this section if—
- (a) it is a claim under section 188CB or 188CC by the claimant company for group relief for carried-forward losses which would be given by way of a deduction from the company's total profits of the claim period,
 - (b) it is made before the current claim, and
 - (c) it has not been withdrawn.
- (3) These are the steps referred to in subsection (1)(b) to be taken in relation to each prior claim.

Step 1

Identify the overlapping period for the prior claim.

Step 2

Identify any period that is common to the overlapping period for the current claim and the overlapping period for the prior claim.

If there is a common period, go to Step 3.

If there is no common period, there is no previously claimed amount in relation to the prior claim (and ignore step 3).

Step 3

Determine the previously claimed amount of group relief for carried forward losses in relation to the prior claim (see subsection (4)).

- (4) To determine the previously claimed amount of group relief for carried-forward losses in relation to a prior claim—
- (a) take the proportion of the overlapping period for the prior claim that is included in the common period identified at step 2 in subsection (3) in relation to that claim, and
 - (b) apply that proportion to the amount of group relief for carried-forward losses given on the prior claim.

The previously claimed amount of group relief for carried-forward losses in relation to the prior claim is the amount given as a result of paragraph (b).

188EF The potential Part 5 group relief amount

- (1) The potential Part 5 group relief amount is determined as follows—

Step 1

Calculate the maximum amount of group relief that could have been given to the claimant company under Part 5 in relation to losses or other amounts within section 99(1) which the surrendering company had for the specified loss-making period.

In applying this step, ignore any lack of profits of the claimant company from which deductions could have been made as mentioned in section 137(1).

Step 2

Status: This is the original version (as it was originally enacted).

Deduct from the amount arrived at under step 1 the amount of any group relief actually given to the claimant company under Part 5 in relation to losses or other amounts within section 99(1) which the surrendering company had for the specified loss-making period.

Step 3

Multiply the amount arrived at following step 2 by the fraction in subsection (2).

Step 4

Deduct from the amount arrived at following step 3 any group relief for carried-forward losses previously given to the claimant company on claims under section 188CC which are related to the current claim.

- (2) The fraction referred to in step 3 is—

$$\frac{A}{B}$$

where—

A is the sum of the losses or other amounts within section 99(1) (a), (c), (e), (f) and (g) which the surrendering company had for the specified loss-making period, and

B is the sum of the losses or other amounts within section 99(1) (a) to (g) which the surrendering company had for the specified loss-making period.

- (3) References in subsection (2) to losses or other amounts are references to losses or other amounts only in so far as they were eligible for surrender under Chapter 2 of Part 5.
- (4) A claim under section 188CC is related to the current claim if the surrendering company and the specified loss-making period are the same in relation to both claims.

188EG Sections 188EC to 188EE: supplementary

- (1) If two or more claims for group relief for carried-forward losses are made at the same time, for the purpose of section 188EC and 188EE treat the claims as made—
- in such order as the company making them may elect or the companies making them may jointly elect, or
 - if no such election is made, in such order as an officer of Revenue and Customs may direct.
- (2) For the purpose of step 3 in each of sections 188EC(5) and 188EE(3) the amount of group relief for carried-forward losses given on a prior claim is determined on the basis that relief is given on the claim before it is given on any later claim.
- (3) If the use of any proportion mentioned in subsection (4), would, in the circumstances of a particular case, produce a result that is unjust or unreasonable, the proportion is to be modified so far as necessary to produce a result that is just and reasonable.
- (4) The proportions are those found in—

Status: This is the original version (as it was originally enacted).

- (a) section 188EC(2)(a),
- (b) step 1 in section 188EC(6),
- (c) section 188EC(8)(a),
- (d) step 3 in section 188ED(1), and
- (e) section 188EE(4)(a).

188EH Sections 188EC and 188EE: meaning of “the overlapping period”

- (1) In sections 188EC and 188EE “the overlapping period”, in relation to a claim for group relief for carried-forward losses, means the period that is common to the claim period and the surrender period (see Requirement 2 in section 188CB(3) and Requirement 2 in section 188CC(3)).
- (2) But if during any part of the overlapping period the relief condition is not met, that part is treated as not forming part of the overlapping period but instead as forming—
 - (a) a part of the surrender period that is not included in the overlapping period, and
 - (b) a part of the claim period that is not included in the overlapping period.
- (3) The relief condition is the condition on which the claim for group relief for carried forward losses is based, that is—
 - the group condition,
 - consortium condition 1,
 - consortium condition 2,
 - consortium condition 3, or
 - consortium condition 4.

Further limitations on amount of relief that apply in particular cases

188EI Condition 4: companies in link company’s group

- (1) Where—
 - (a) the claimant company makes a claim under section 188CC, and
 - (b) the claim is based on consortium condition 4the amount of relief to be given on the claim is limited by subsections (2) and (3).
- (2) There is a limit on the amount of group relief for carried-forward losses that can be given, in total, on relevant consortium claims made by the link company and group companies.
- (3) That limit is the maximum amount of group relief for carried-forward losses that could be given to the link company on relevant consortium claims—
 - (a) assuming that no relevant consortium claims were made by group companies based on consortium condition 4,
 - (b) assuming that the link company was UK related, and
 - (c) ignoring any lack of profits of the link company from which deductions could be made as mentioned in section 188CK(1).

Status: This is the original version (as it was originally enacted).

(4) In this section—

“consortium claim” means a claim made under section 188CC for group relief for carried-forward losses,

“group company” means a company that is a member of the same group of companies as the link company (other than the link company),

“relevant consortium claim” means a consortium claim in relation to which the surrendering company, the surrender period and the specified loss-making period are the same as is the case for the claim mentioned in subsection (1), and

“UK related”, in relation to a company, has the meaning given by section 188CJ.

188EJ Condition 3 or 4: surrendering company not controlled by claimant company etc

(1) This section applies if—

- (a) the claimant company makes a claim under section 188CC for group relief for carried-forward losses,
- (b) the claim is based on consortium condition 3, and
- (c) during any part of the overlapping period, arrangements within subsection (3) are in place which enable a person to prevent the claimant company, either alone or together with one or more other companies that are members of the consortium, from controlling the surrendering company.

(2) This section also applies if—

- (a) the claimant company makes a claim under section 188CC for group relief for carried-forward losses,
- (b) the claim is based on consortium condition 4, and
- (c) during any part of the overlapping period, arrangements within subsection (3) are in place which enable a person to prevent the link company, either alone or together with one or more other companies that are members of the consortium, from controlling the surrendering company.

(3) Arrangements are within this subsection if—

- (a) the company, either alone or together with one or more other companies that are members of the consortium, would control the surrendering company, but for the existence of the arrangements, and
- (b) the arrangements form part of a scheme the main purpose, or one of the main purposes, of which is to enable the claimant company to obtain a tax advantage under this Chapter.

(4) The relief to be given on the claim is to be determined as if the surrenderable amount for the overlapping period were 50% of what it would be but for this section (see section 188EC(2) to determine the surrenderable amount for the overlapping period).

Status: This is the original version (as it was originally enacted).

- (5) In this section “the overlapping period” is to be read in accordance with section 188EH.
- (6) Section 1139 (“tax advantage”) applies for the purposes of this section.

188EK Condition 3 or 4: surrendering company in group of companies

- (1) This section applies if—
 - (a) the claimant company makes a claim under section 188CC for group relief for carried-forward losses, and
 - (b) the surrendering company is a member of a group of companies.
- (2) The surrendering company’s surrenderable amounts for the surrender period that are attributable to the specified loss-making period are to be treated as reduced (but not below nil) by the relevant amount.
- (3) To determine the relevant amount—
 - Step 1*
Calculate the group’s potential relief.
 - Step 2*
Multiply the amount arrived at under step 1 by the fraction set out in subsection (6).
- (4) The group’s potential relief is the maximum amount of group relief for carried-forward losses that could be given if every claim that could be made based on the group condition in respect of the surrenderable amounts for the surrender period was in fact made (and for this purpose it is to be assumed that the maximum possible claim is made in each case).
- (5) Before determining the maximum amount of potential group relief for carried-forward losses under subsection (4), take account of any claim made before the current claim that—
 - (a) is a claim for group relief for carried-forward losses based on the group condition, and
 - (b) is in relation to losses or other amounts surrendered by a member of the same group of companies as the surrendering company (other than the surrendering company itself).
- (6) The fraction mentioned in step 2 in subsection (3) is—

$$\frac{A}{B}$$

where—

A is the sum of the surrendering company’s surrenderable amounts for the surrender period that are attributable to the specified loss-making period, and

B is the sum of all the surrendering company’s surrenderable amounts for the surrender period.

Status: This is the original version (as it was originally enacted).

 - (a) the company’s BLAGAB trade profit for the accounting period, less

- (1) Subsection (2) applies where the company making a deduction under section 124A(5) or 124C(6) is a Solvency 2 insurance company.
- (2) The deduction is to be ignored for the purposes of section 124D(1) and section 269ZD(2)(b)(iii) of CTA 2010 so far as it is a deduction of a shock loss.
- (3) Where, by virtue of subsection (2), any deductions made by a Solvency 2 insurance company for an accounting period would be ignored for the purposes of section 124D(1), the references in section 124D(3)(a) and (6) to the company's BLAGAB trade profit have effect as references to that profit as reduced by those deductions.
- (4) In this section "Solvency 2 insurance company" and "shock loss" have the same meaning as in section 124B."

In this subsection the reference to section 81 of FA 2013 is to that section as it has effect when the agreement in question is made.

- (3) If an accounting period of the company begins before, and ends after, the anniversary mentioned in subsection (2), then for the purposes of that subsection—

Status: This is the original version (as it was originally enacted).

- (2) In this section “relevant UK property business loss” means a loss made in a UK property business in an accounting period beginning—
 - (a) on or after 1 April 2017, and
 - (b) before the change in ownership.

ASSET TRANSFERRED WITHIN GROUP: RESTRICTION
OF RELIEF FOR POST-1 APRIL TRADE LOSSES

676BA Introduction to Chapter

- (1) This section applies if there is a change in the ownership of a company (“the company”) on or after 1 April 2017 and—
 - (a) conditions 1 and 2 are met, or
 - (b) condition 3 is met.

Status: This is the original version (as it was originally enacted).

- (2) Condition 1 is that after the change in ownership the company acquires an asset from another company in circumstances such that—
- (a) section 171 of TCGA 1992 (no gain/no loss transfer within group), or
 - (b) section 775 of CTA 2009 (tax-neutral transfer within group),
- applies to the acquisition.
- (3) Condition 2 is that—
- (a) in a case within subsection (2)(a), a chargeable gain accrues to the company on a disposal of the asset within the period of 5 years beginning with the change in ownership, or
 - (b) in a case within subsection (2)(b), there is a non-trading chargeable realisation gain on the realisation of the asset within that period.
- (4) Condition 3 is that a chargeable gain on a disposal of an asset within the period of 5 years beginning immediately after the change in ownership (or an amount of such a gain) is treated as accruing to the company by virtue of an election under section 171A of TCGA 1992 (notional transfers within a group).
- (Accordingly, references in this Chapter to the accrual of a relevant gain are to be read in the light of section 171B(2) and (3) of TCGA 1992.)
- (5) For the purposes of subsection (3), an asset (P) acquired by the company as mentioned in subsection (2) is treated as the same as an asset (Q) owned at a later time by the company if the value of Q is derived in whole or in part from P.
- (6) In particular, P is treated as the same as Q for those purposes if—
- (a) Q is a freehold,
 - (b) P was a leasehold, and
 - (c) the lessee has acquired the reversion.

- (7) In this Chapter—

“the change in ownership” means the change in ownership mentioned in subsection (1),

“the company” has the same meaning as in this section,

“non-trading chargeable realisation gain” means a chargeable realisation gain (within the meaning of Part 8 of CTA 2009 (intangible fixed assets)) which is a non-trading credit for the purposes of that Part (see section 746 of that Act),

“realisation” has the meaning given by section 734 of CTA 2009, and

“the relevant gain” means the gain (or amount of a gain) within subsection (3)(a) or (b) or (4).

676BB Notional split of accounting period in which change in ownership occurs

- (1) This section applies for the purposes of this Chapter.

Status: This is the original version (as it was originally enacted).

- (2) The accounting period in which the change in ownership occurs (“the actual accounting period”) is treated as two separate accounting periods (“notional accounting periods”), the first ending with the change and the second consisting of the remainder of the period.
- (3) Section 702 (apportionment of amounts) applies for the purposes of this Chapter as it applies for the purposes of Chapter 4.
- (4) The amounts for the actual accounting period in column 1 of the table in section 702(2) are apportioned to the two notional accounting periods in accordance with section 702.
- (5) In this Chapter, and in sections 702 and 703 as they apply by virtue of subsection (3), “the actual accounting period” and “notional accounting periods” have the same meaning as in this section.

676BC Disallowance of relief for trade losses

- (1) This section has effect for the purposes of restricting relief under sections 45A, 45F and 303C of this Act and section 124B of FA 2012 for a loss made by the company in a trade before the change in ownership.
- (2) But this section applies only if, in accordance with the relevant provisions and section 702, an amount is included in respect of chargeable gains or, as the case may be, non-trading chargeable realisation gains in the total profits of the accounting period in which the relevant gain accrues or arises.
- (3) Relief under section 45A or 303C of this Act or section 124B of FA 2012 is available only in relation to each of the notional accounting periods considered separately.
- (4) A loss made in an accounting period beginning before the change in ownership—
 - (a) may not be deducted as a result of section 45A or 303C of this Act or section 124B of FA 2012 from so much of the total profits of an accounting period ending after the change in ownership as represents the relevant gain;
 - (b) may not be deducted by virtue of paragraph (a) of the definition of “relevant profits” in section 45F(7) from so much of the total profits of an accounting period ending after the change in ownership as represents the relevant gain.

676BD Meaning of “the relevant provisions”

In this Chapter “the relevant provisions” means—

- (a) section 8(1) of, and Schedule 7A to, TCGA 1992 (amounts included in respect of chargeable gains in total profits), or
- (b) Chapter 6 of Part 8 of CTA 2009 (intangible fixed assets: how credits and debits are given effect).

Status: This is the original version (as it was originally enacted).

676BE Meaning of “amount of profits which represents a relevant gain”

- (1) In this Chapter, the amount of any profits which represents a relevant gain is found by comparing—
 - (a) the amount (“Y”) of the relevant gain, with
 - (b) the amount (“Z”) which is included in respect of chargeable gains or, as the case may be, non-trading chargeable realisation gains for the accounting period concerned.
- (2) If Y does not exceed Z, the amount of the profits which represents the relevant gain equals Y.
- (3) If Y exceeds Z, the amount of those profits equals Z.”

77 After Chapter 2B insert—

“CHAPTER 2C

DISALLOWANCE OF GROUP RELIEF FOR CARRIED-FORWARD LOSSES: GENERAL PROVISION

676CA Introduction to Chapter

- (1) This Chapter applies if on or after 1 April 2017 there is a change in the ownership of a company (“the transferred company”).
- (2) In this Chapter—
 - “the change in ownership” means the change in ownership mentioned in subsection (1);
 - “the transferred company” has the meaning given by subsection (1).

676CB Restriction on surrender of carried-forward losses

- (1) Subsection (3) applies if a company (“the claimant company”) would, (apart from this section), be eligible under Part 5A to make a relevant claim for group relief for carried-forward losses.
- (2) For the purposes of this section a claim for group relief for carried-forward losses is a “relevant claim” if it is—
 - (a) for an accounting period ending after the change in ownership, and
 - (b) in respect of an amount surrendered by the transferred company or a co-transferred company which is a relevant pre-acquisition loss.
- (3) The general rule is that the relief is not available.
- (4) The general rule is subject to the exceptions in sections 676CD and 676CE.
- (5) For the purposes of this section—
 - (a) the accounting period of the company mentioned in subsection (2)
 - (b) in which the change in ownership occurs is treated as two

Status: This is the original version (as it was originally enacted).

- separate accounting periods, the first ending with the change and the second consisting of the remainder of the period, and
- (b) the profits or losses of the accounting period are apportioned to the two periods.
- (6) Any apportionment under subsection (5)(b) is to be made on a time basis according to the respective lengths of the two periods.
- (7) But if that method of apportionment would work unjustly or unreasonably in any case, such other method is to be used as is just and reasonable.

676CC Cases where consortium condition 1 or 2 was previously met

- (1) Subsection (4) applies in relation to a claim for group relief for carried-forward losses by the transferred company if conditions A and B are met.
- (2) Condition A is that the claim is—
 - (a) for an accounting period ending after the change in ownership, and
 - (b) in respect of a relevant pre-acquisition loss.
- (3) Condition B is that consortium condition 1 was met in relation to—
 - (a) the transferred company (as the company owned by a consortium as mentioned in section 188CF(1)(b)), and
 - (b) the surrendering company (as the company mentioned in section 188CF(1)(c)),
immediately before the change in ownership (“time T”).
- (4) The relief given under section 188CK in respect of the transferred company’s total profits of the claim period may not exceed the relief that would be available on the assumption that the claim is based on consortium condition 1 and the ownership proportion for the purposes of that condition is equal to the lowest of the following proportions—
 - (a) the proportion of the ordinary share capital of the transferred company that was beneficially owned by the surrendering company at time T,
 - (b) the proportion of any profits available for distribution to equity holders of the transferred company to which the surrendering company was beneficially entitled at that time,
 - (c) the proportion of any assets of the transferred company available for distribution to such equity holders on a winding up to which the surrendering company would be beneficially entitled (as determined at that time), and
 - (d) the proportion of the voting power in the transferred company that was directly possessed by the surrendering company at that time.
- (5) Subsection (8) applies in relation to a claim for group relief for carried-forward losses by the transferred company if conditions A and B are met.
- (6) Condition A is that the claim is—
 - (a) for an accounting period ending after the change in ownership, and
 - (b) in respect of a relevant pre-acquisition loss.
- (7) Condition B is that consortium condition 2 was met in relation to—

Status: This is the original version (as it was originally enacted).

- (a) the transferred company (as the company owned by a consortium as mentioned in section 188CG(1)(b)), and
 - (b) the surrendering company (as the company mentioned in section 188CG(1)(c)),
- immediately before the change in ownership (“time T”).
- (8) The relief given under section 188CK in respect of the transferred company’s total profits of the claim period may not exceed the relief that would be available on the assumption that the claim is based on consortium condition 2 and the ownership proportion for the purposes of that condition is equal to the lowest of the following proportions—
- (a) the proportion of the ordinary share capital of the transferred company that was beneficially owned by the link company at time T,
 - (b) the proportion of any profits available for distribution to equity holders of the transferred company to which the link company was beneficially entitled at that time,
 - (c) the proportion of any assets of the transferred company available for distribution to such equity holders on a winding up to which the link company would be beneficially entitled (as determined at that time), and
 - (d) the proportion of the voting power in the transferred company that was directly possessed by the link company at that time.
- (9) For the purposes of this section—
- (a) the accounting period of the surrendering company mentioned in subsection (3)(b) or (7)(b) (as the case may be) in which the change in ownership occurs is treated as two separate accounting periods, the first ending with the change and the second consisting of the remainder of the period, and
 - (b) the profits or losses of the accounting period are apportioned to the two periods.
- (10) Any apportionment under subsection (9)(b) is to be made on a time basis according to the respective lengths of the two periods.
- (11) In this section—
- “the link company” means the company which is the link company (see section 188CG(1)(d)) for the purposes of the meeting of consortium condition 2 as mentioned in subsection (7),
 - “the claim period” and “the surrendering company” has the same meaning as in Part 5A (see section 188FD(1)).
- (12) Chapter 6 of Part 5 (equity holders and profits or assets available for distribution) applies for the purposes of subsections (4)(b) and (c) and (8)(b) and (c).

676CD Cases where consortium condition 3 or 4 was previously met

- (1) If the requirement in subsection (3) is met, section 676CB(3) does not prevent a company from making under section 188CC a claim for group relief for carried-forward losses falling within subsection (2).
- (2) A claim falls within this subsection if it is—

Status: This is the original version (as it was originally enacted).

- (a) for an accounting period (“the claim period”) ending after the change in ownership, and
 - (b) in relation to an amount surrendered by the transferred company which is a relevant pre-acquisition loss and is attributable to an accounting period of that company specified in the claim (“the specified loss-making period”).
- (3) The requirement is that consortium condition 3 or consortium condition 4 is met throughout a period which—
 - (a) begins before or during the specified loss-making period, and
 - (b) ends with or after the time when the change in ownership occurs.
- (4) For the purposes of a claim by virtue of this section, section 188CC(3) has effect as if requirement 3 were omitted.

676CE Exceptions to restrictions

- (1) Nothing in section 676CB(3) or 676CC affects the giving of group relief for carried-forward losses by the making of a deduction under section 188CK(1) from total profits of the claimant company which arise after the 5th anniversary of the end of the accounting period of the transferred company in which the change in ownership occurs.
- (2) Nothing in section 676CB(3) or 676CC affects the availability of relief under Part 5A if immediately before the change in ownership the group condition was met in relation to the transferred company and the claimant company.

But see also section 676CF.
- (3) If an accounting period of the claimant company begins before, and ends after, the anniversary mentioned in subsection (1), then for the purposes of that subsection—
 - (a) the accounting period is treated as two separate accounting periods, the first ending with that date and the second consisting of the remainder of the period, and
 - (b) the profits or losses of the accounting period are apportioned to the two periods.
- (4) Any apportionment under subsection (3)(b) is to be made on a time basis according to the respective lengths of the two periods.
- (5) But if that method of apportionment would work unjustly or unreasonably in any case, such other method is to be used as is just and reasonable.
- (6) In this section “the claimant company” has the same meaning as in Part 5A (see section 188FD(1)).

676CF Cases where Chapter 2, 2A or 3 also applies

- (1) This section applies if—
 - (a) Chapter 2 applies in relation to the change in ownership by virtue of condition A in section 673 being met,
 - (b) Chapter 2A applies in relation to the change in ownership, or

Status: This is the original version (as it was originally enacted).

- (c) Chapter 3 applies in relation to the change in ownership by virtue of condition B in section 677 being met.
- (2) This section also applies if—
 - (a) the condition in subsection (1)(a) would be met if in subsection (4A) of section 719 (meaning of “change in the ownership of a company”) the reference to Chapter 2C included a reference to Chapter 2, or
 - (b) the condition in subsection (1)(c) would be met if in subsection (4A) of section 719 the reference to Chapter 2C included a reference to Chapter 3.
- (3) Where the company in relation to which the major change mentioned in section 673(4), 676AA(3) or 677(3) has occurred would (apart from this section) be eligible under Part 5A to claim in respect of a relevant pre-acquisition loss group relief for carried-forward losses for an accounting period ending after the change in ownership, no deduction in respect of that loss may be made from affected profits under section 188CK.

See section 676CG for the meaning of “affected profits”.
- (4) For the purposes of this section—
 - (a) the accounting period in which the change in ownership occurs is treated as two separate accounting periods, the first ending with the change and the second consisting of the remainder of the period, and
 - (b) the profits or losses of the accounting period are apportioned to the two periods.
- (5) Any apportionment under subsection (4)(b) is to be made on a time basis according to the respective lengths of the two deemed accounting periods.
- (6) But if that method of apportionment would work unjustly or unreasonably in any case, such other method is to be used as is just and reasonable.

676CG “Affected profits”

- (1) This section has effect for the purposes of section 676CF.
- (2) Profits of an accounting period ending after the change in ownership are “affected profits” if and so far as—
 - (a) they arise before the 5th anniversary of the end of the accounting period of the transferred company in which the change in ownership occurs, and
 - (b) they can fairly and reasonably be attributed to activities, or other sources of income, as a result of which, or partly as a result of which, the major change mentioned in section 673(4), 676AA(3) or 677(3) (as the case may be) has occurred.
- (3) If an accounting period of the company in relation to which the major change mentioned in section 673(4), 676AA(3) or 677(3) has occurred begins before, and ends after, the anniversary mentioned in subsection (2), then for the purposes of that subsection—
 - (a) the accounting period is treated as two separate accounting periods, the first ending with that date and the second consisting of the remainder of the period, and

Status: This is the original version (as it was originally enacted).

- (b) the profits or losses of the accounting period are apportioned to the two periods.
- (4) Any apportionment under subsection (3)(b) is to be made on a time basis according to the respective lengths of the two deemed accounting periods.
- (5) But if that method of apportionment would work unjustly or unreasonably in any case, such other method is to be used as is just and reasonable.

676CH “Relevant pre-acquisition loss”

- (1) In this Chapter “relevant pre-acquisition loss” means—
 - (a) a non-trading deficit from loan relationships for an accounting period beginning before the change in ownership carried forward to the surrender period under section 463G(6) of CTA 2009,
 - (b) a loss on intangible fixed assets so far as it is made up of amounts carried forward to the surrender period under section 753(3) of CTA 2009 from one or more accounting periods beginning before the change in ownership,

 - (g) a BLAGAB trade loss made in an accounting period beginning before the change in ownership and carried forward to the surrender period under section 124A(2) or 124C(3) of FA 2012.
- (2) In this section “the surrender period” is to be interpreted in accordance with section 188BB(7).

676CI Interpretation of Chapter

- (1) In this Chapter “co-transferred company” means any company which is related to the transferred company both immediately before and immediately after the change in ownership.
- (2) For the purposes of this Chapter any two companies (“T”) and (“C”) are “related” to one another at any time when—
 - (a) the group condition is met in relation to T and C, or
 - (b) any of consortium conditions 1 to 4 is met in relation to T and C,(whether on the assumption that T is the claimant company and C is the surrendering company or vice versa).

Status: This is the original version (as it was originally enacted).

(3) In this Chapter—

“consortium condition 1” is to be interpreted in accordance with section 188CF,

POST-1 APRIL 2017 TRADE LOSSES: CASES INVOLVING THE TRANSFER OF A TRADE

676EA Introduction to Chapter

(1) This Chapter applies if on or after 1 April 2017 there is a change in the ownership of a company (“the transferred company”).

(2) In this Chapter—

“the change in ownership” means the change in ownership mentioned in subsection (1);

“the transferred company” has the meaning given by subsection (1).

676EB Restriction on use of trade losses carried-forward on transfer of trade

(1) Subsection (2) applies if—

- (a) the transferred company transfers a trade to another company (“the successor company”) within the period of 8 years beginning 3 years before the change in ownership,

(3) Profits of an accounting period of the successor company ending after the change in ownership are “relevant profits” if and so far as—

- (a) they arise before the 5th anniversary of the end of the accounting period of the transferred company in which the change in ownership occurs, and

PART 12

COMMENCEMENT ETC

Parts 1 to 9 and 11

- 190 (1) The amendments made by Parts 1 to 9 and 11 of this Schedule have effect in relation to accounting periods beginning on or after 1 April 2017.
- (2) For the purposes of those amendments, where a company has an accounting period beginning before 1 April 2017 and ending on or after that date (“the straddling period”)—
- (a) so much of the straddling period as falls before 1 April 2017, and so much of that period as falls on or after that date, are treated as separate accounting periods, and
 - (b) where it is necessary to apportion an amount for the straddling period to the two separate accounting periods, it is to be apportioned—
 - (i) in accordance with section 1172 of CTA 2010 (time basis), or
 - (ii) if that method would produce a result that is unjust or unreasonable, on a just and reasonable basis.
- (3) But sub-paragraph (2)(b) is to be ignored if paragraph 191 or 192 applies.
- 191 (1) This paragraph applies if—
- (a) an accounting period of a company (“the straddling period”) is treated as two separate accounting periods under paragraph 190(2)(a),
 - (b) it is necessary to apportion an amount (“the amount concerned”) for the straddling period to the two separate accounting periods, and
 - (c) the amount concerned is either—
 - (i) an amount chargeable to corporation tax which would have been less but for Part 10 of TIOPA 2010 (corporate interest restriction), or
 - (ii) an amount in respect of which corporation tax relief is available which would have been greater but for Part 10 of TIOPA 2010.

- (2) The amount concerned is to be apportioned as follows—

Step 1

Determine what the amount concerned would have been but for Part 10 of TIOPA 2010 (“the notional amount”).

Step 2

Status: This is the original version (as it was originally enacted).

Determine what amount of the notional amount would have been apportioned to the first separate accounting period had paragraph 190(2)(b) applied (“the notional apportioned amount”).

If the notional apportioned amount is less than the amount concerned, proceed with steps 3 and 4.

If the notional apportioned amount is equal to or greater than the amount concerned, the whole of the amount concerned is to be apportioned to the first separate accounting period.

Step 3

Take so much of the amount concerned as is equal to the notional apportioned amount and apportion it to the first accounting period.

Step 4

Take the remainder of the amount concerned and apportion it to the second separate accounting period.

- 192 (1) This paragraph applies if—
- (a) an accounting period of a company (“the straddling period”) is treated as two separate accounting periods under paragraph 190(2)(a),
 - (b) it is necessary to apportion an amount (“the amount concerned”) for the straddling period to the two separate accounting period,
 - (c) the amount concerned is an amount chargeable to corporation tax, and
 - (d) the amount concerned would not have arisen but for Part 10 of TIOPA 2010 (whether or not an amount in respect of which corporation tax relief would have been available would have arisen instead).
- (2) The whole of the amount concerned is apportioned to the second separate accounting period.

Part 10

- 193 Section 5(4) to (6) of CT(NI)A 2015 (commencement) has effect as if references to Part 8B of CTA 2010 were to that Part as amended by Part 10 of this Schedule.

Transitional provision

- 194 (1) An amount of a non-trading deficit from a company’s loan relationships which is carried forward under section 463H of CTA 2009 is to be disregarded for the purposes of section 730F of CTA 2010 (as amended by paragraph 69(4)), unless it is a post-13 July 2017 amount.
- (2) An amount of a non-trading deficit from a company’s loan relationships which is deducted under section 463H(5) of CTA 2009 is to be disregarded for the purposes sections 188DD and 188ED of CTA 2010, unless it is a post-13 July 2017 amount.
- (3) For the purposes of this paragraph an amount of a non-trading deficit from a company’s loan relationships (“the deficit amount”) is a post-13 July 2017 amount—
- (a) if the deficit period begins on or after 13 July 2017 or,
 - (b) (where the deficit period is one that begins before, and ends on or after 13 July 2017 (a “straddling deficit period”), so far as the deficit is apportioned under sub-paragraphs (4) and (5) to the part of the deficit period that begins with 13 July 2017.

Status: This is the original version (as it was originally enacted).

- (4) For the purposes of sub-paragraph (3)(b)—
 - (a) a straddling deficit period is to be treated as consisting of two parts, namely the part that precedes, and the part that begins with, 13 July 2017,
 - (b) the deficit amount is to be apportioned to those parts (see sub-paragraph (5)).
- (5) The apportionment is to be made—
 - (a) in accordance with section 1172 of CTA 2010 (time basis), or
 - (b) if that method would produce a result that is unjust or unreasonable, on a just and reasonable basis.
- (6) In this paragraph “deficit period” is to be interpreted in accordance with section 463A(2) of CTA 2009.
