643A Deemed income because of benefits for settlor or close family member

- (1) If an individual has an untaxed benefits total for a settlement for a tax year (see section 643B), an amount equal to so much of that total as does not exceed the settlement's available protected income up to the end of the year (see section 643C) is—
 - (a) where the individual is UK resident for the year, treated for income tax purposes as income of the individual for the year, subject to subsections (2) to (5), and
 - (b) where the individual is non-UK resident for the year, treated for the purposes of subsection (2) and sections 643I to 643L (but no other purpose) as income of the individual for the year, subject to subsection (5).

 - (b) the individual is not the settlor,
 - (c) either—
 - (i) the individual is non-UK resident for the year, or

 - (d) the settlor is UK resident for the year,

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2018, PART 2. (See end of Document for details)

- (e) there is no time in the year when the settlor is domiciled in the United Kingdom, and
 - (f) there is no time in the year when the settlor is regarded for the purposes of section 809B(1)(b) of ITA 2007 as domiciled in the United Kingdom as a result of section 835BA of ITA 2007 having effect because of Condition A in that section being met.
- (3) If the case is one—
- (a) where the condition in subsection (2)(c)(i) is met, or
 - (b) where the condition in subsection (2)(c)(ii) is met and none of the deemed income is remitted to the United Kingdom in the year,
- the deemed income is to be treated for income tax purposes as income of the settlor for the year and, in a case within paragraph (b), not as income of the individual for the year.
- (4) If the case is one—
- (a) where the condition in subsection (2)(c)(ii) is met, and
 - (b) part only of the deemed income is remitted to the United Kingdom in the year,
- the remainder of the deemed income is to be treated for income tax purposes not as income of the individual for the year but as income of the settlor for the year.
- (5) If there is a choice about the individuals in whose case income is to be treated as arising by subsection (1) (before the application of subsections (3) and (4))—

 - (i) income treated as arising by this section, or
 - (ii) an amount treated as income by this section, and
 - (b) the reference mentions this section without mentioning any particular provision of this section,
- the reference is (in accordance with subsection (1)(b)) to be read as not including amounts treated as income by subsection (1)(b) except so far as they are treated as income of the settlor of a settlement by subsection (3) or (4).

643B Meaning of “untaxed benefits total” in section 643A

- (1) For the purposes of section 643A, whether an individual has an untaxed benefits total for a settlement for a tax year (“the current year”), and (if so) its amount, are determined as follows—

*Changes to legislation: There are currently no known outstanding effects
for the Finance Act 2018, PART 2. (See end of Document for details)*

Step 1 If the individual is the settlor, identify each benefit provided by the trustees to the individual at a time—

- (a) when the individual is not relevantly domiciled, and
- (b) in a tax year that is the current year or an earlier tax year.

If the individual is not the settlor, identify each benefit provided by the trustees to the individual at a time—

- (a) when the individual is a close member of the settlor's family (see section 643H), and
- (b) in a tax year that is the current year or an earlier tax year.

Step 2 Identify the amount or value of each benefit identified in the individual's case at Step 1, and calculate the total of those amounts and values.

Step 3 Take the total calculated at Step 2 and deduct from it the following—

- (a) any part of it on which the individual is liable to income tax otherwise than under section 643A,
- (b) any income treated by section 643A, 643J or 643L as arising, to a person for a tax year earlier than the current year, by reference to any of the benefits identified in the individual's case at Step 1,
- (c) where the whole or part of a benefit identified in the individual's case at Step 1 is taken into account in charging income tax under Chapter 2 of Part 13 of ITA 2007, the amount or value of so much of the benefit as is taken into account in doing that, and
- (d) any amount required to be deducted by section 643D(2) (gains treated as accruing in a year before the current year).

Step 4 If the result of the calculation at Step 3 is an amount greater than nil, that amount is the individual's untaxed benefits total for the settlement for the current year.

- (2) For the purposes of Step 1 in subsection (1), an individual is “relevantly domiciled” at any time if at that time—
 - (a) the individual is domiciled in the United Kingdom, or
 - (b) the individual is regarded for the purposes of section 809(1)(b) of ITA 2007 as domiciled in the United Kingdom as a result of section 835BA of ITA 2007 having effect because of Condition A in that section being met.
- (3) Sections 742C to 742E of ITA 2007 (value of certain benefits) apply for the purpose of calculating the value of a benefit for the purposes of this section as they apply for the purpose of calculating an income tax charge under Chapter 2 of Part 13 of ITA 2007.
- (4) In this section and sections 643C to 643M, a reference to a benefit provided by trustees of a settlement is to—
 - (a) a benefit treated by subsection (6) as provided by the trustees, or
 - (b) any other benefit if it is provided by the trustees directly, or indirectly, out of—
 - (i) property comprised in the settlement, or

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2018, PART 2. (See end of Document for details)

- (ii) income arising under the settlement.
- (5) In this section and sections 643C to 643M, a reference to a benefit provided by trustees of a settlement to an individual is to—
- (a) a benefit treated by subsection (6) as provided by the trustees to the individual, or
 - (b) any other benefit if it is provided by the trustees to the individual directly, or indirectly, out of—
 - (i) property comprised in the settlement, or
 - (ii) income arising under the settlement.
- (6) Where—
- (a) income arises under a settlement, and
 - (b) the income, before being distributed, is the income of a person other than the trustees,
- a benefit is for the purposes of subsection (4)(a) treated as provided by the trustees and is for the purposes of subsection (5)(a) treated as provided by the trustees to the person.
- (7) A benefit treated as provided by subsection (6) is treated—
- (a) as consisting of the income mentioned in that subsection, but after any reduction in accordance with Chapter 8 of Part 9 of ITA 2007 for trustees' expenses, and
 - (b) as provided at the time that income arises.

643C Meaning of “available protected income” in section 643A

- (1) For the purposes of the application of section 643A(1) in the case of an individual and a settlement, the settlement has available protected income up to the end of a tax year if—

$$\text{PFSI} - \text{TOAA} > \text{TI}$$

and, if the settlement has available protected income up to the end of a tax year, its amount is given by—

$$\text{PFSI} - \text{TOAA} - \text{TI}$$

- (2) In this section—
- PFSI is the total of—
- (a) any protected foreign-source income—
 - (i) arising under the settlement in the year or in any earlier tax year,
 - (ii) that would be treated under section 624 as income of the settlor but for section 628A,
 - (iii) that can be used directly or indirectly to provide benefits for the individual, and

*Changes to legislation: There are currently no known outstanding effects
for the Finance Act 2018, PART 2. (See end of Document for details)*

- (iv) on which the individual is not liable to income tax (ignoring for this purpose any liability under section 643A), and
- (b) any protected foreign-source income—
 - (i) arising under the settlement in the year or in any earlier tax year,
 - (ii) that would be treated under section 629 as income of the settlor but for section 630A, and
 - (iii) on which the relevant child concerned (see section 629) is not liable to income tax (ignoring for this purpose any liability under section 643A),

TOAA is so much of PFSI as is, in respect of benefits provided by the trustees in the year or in an earlier tax year, taken into account in charging income tax under Chapter 2 of Part 13 of ITA 2007 (transfer of assets abroad) for the year or any earlier tax year, and

TI is the total of—

- (a) so much of PFSI as is, by reference to benefits provided by the trustees to the individual, treated by section 643A, 643J or 643L as income for any earlier tax year, and
 - (b) so much of PFSI as is, by reference to benefits provided by the trustees to other individuals, treated by section 643A, 643J or 643L as income for the year or any earlier tax year.
- (3) As regards the definition of PFSI in subsection (2)—
- (a) section 648(3) to (5) (relevant foreign income treated as arising under settlement only if and when remitted) do not apply for the purposes of that definition,
 - (b) that definition has effect as if section 648(3) to (5) do not apply for the purposes of sections 624 and 629, and
 - (c) in that definition “protected foreign-source income” has the meaning given by sections 628A(2) to (13) and 628B.

643D Reduction in section 643A income: previous capital gains tax charge

- (1) Subsection (2) applies if—
- (a) in the case of a settlement, benefits provided to an individual as mentioned at Step 1 in section 643B(1) are received in a tax year, and
 - (b) chargeable gains are treated by section 87, 87K, 87L or 89(2) of, or paragraph 8 of Schedule 4C to, TCGA 1992 as accruing to a person in that or a subsequent tax year by reference (direct or indirect) to the whole or part of any benefits so provided.
- (2) In the calculation under section 643B of the individual's untaxed benefits total for the settlement for any tax year after the one in which such chargeable gains are so treated, the amounts to be deducted at Step 3(d) of that calculation include the amount of those gains.
- (3) References in this section to chargeable gains treated as accruing to an individual include offshore gains treated as arising to the individual (see regulations 20 and 22 to 24 of the Offshore Funds (Tax) Regulations 2009 (S.I. 2009/3001)).

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2018, PART 2. (See end of Document for details)

643E Reimbursement of tax paid by settlor because of section 643A

- (1) Where any tax for which the settlor of a settlement is liable as a result of section 643A(3) or (4) is paid, the settlor is entitled to recover the amount of the tax from the individual concerned.

 - (a) in the case of a settlement, income (“the deemed income”) is treated by section 643A as arising to an individual for a tax year, and
 - (b) section 809B, 809D or 809E of ITA 2007 (remittance basis) applies to the individual for that year.
- (2) The deemed income is treated as relevant foreign income of the individual.
- (3) In the application of section 832 to the deemed income, subsection (2) of that section has effect with the omission of paragraph (b).
- (4) For the purposes of Chapter A1 of Part 14 of ITA 2007 (remittance basis) treat a benefit, or any protected income, that relates to any part of the deemed income as deriving from that part of the deemed income.
- (5) In subsection (4) “relates” has the meaning given by section 643G.
- (6) In this section and section 643G—

“protected income” means the income that forms PFSI in the calculation of the settlement's available protected income in the case of the relevant individual for the year, and

“the relevant individual”—

 - (a) where the deemed income is treated as income of an individual by section 643A(1)(a) both before and after the application of section 643A(3) and (4), means that individual, and
 - (b) where the deemed income is treated as income of the settlor by section 643A(3) or (4) after having been treated as income of another individual by section 643A(1), means that other individual.

 - (e) where the whole or part of an item of the protected income is, by reference to benefits provided by the trustees to individuals other than the relevant individual, treated by section 643A or 643J or 643L as income for the year or any earlier tax year, reduce the item by so much of itself as is so treated,”
 - (f) place the income treated by section 643A(1) (before the application of section 643A(3) and (4)) as arising to the relevant individual in respect of the benefits referred to in paragraph (a) in the order in which it is treated as arising (starting with the earliest income treated as having arisen), and

 - (b) would be matched under that section (if it applied also for this purpose) with notional income with which the benefit would be matched under that section (if it applied also for this purpose),
