Section 2

TRANSITIONAL AMENDMENTS

PART 1

AMENDMENTS TO THE MARKETS IN FINANCIAL INSTRUMENTS REGULATION

Introductory

- 1 [Regulation \(EU\) No 600/2014](#) of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments is amended in accordance with this Part of this Schedule.

Transparency requirements for equities

- 2 In Article 3 (pre-trade transparency requirements), after paragraph 3 insert—
- “4. The FCA may make technical standards to specify—
- (a) the range of bid and offer prices, or designated market-maker quotes, to be made public for each class of financial instrument concerned in accordance with paragraph 1, and
 - (b) the depth of trading interest at those prices.
5. In making technical standards under paragraph 4 the FCA must take into account the necessary calibration for the different types of trading systems referred to in paragraph 2.”
- 3 For Article 4 substitute—

“Article 4

Waivers for equity instruments

1. The FCA may by rules provide for the obligation for market operators and investment firms operating a trading venue to make public the information referred to in Article 3(1) to be waived in such cases as the rules may specify.
 2. The power to make rules under paragraph 1 is exercisable only if the FCA considers that the rules are necessary or expedient for the purpose of advancing one or more of its operational objectives referred to in section 1B(3) of FSMA.
 3. Rules under paragraph 1 may impose whatever conditions on the application of the waiver the FCA considers appropriate.
 4. The FCA must monitor the application of waivers conferred by rules under paragraph 1 (in particular the effect of such waivers on price formation and compliance with any conditions imposed under paragraph 3).
 5. The FCA may by notice given to a market operator, or an investment firm operating a trading venue, withdraw a waiver granted by rules made under this Article if the FCA considers that the waiver is being used—
 - (a) in a way that deviates from its original purpose, or
 - (b) to avoid requirements imposed by the rules.”
- 4 After Article 4 insert—

“Article 4a

Suspension of waivers

1. The FCA may direct that a waiver provided for by Article 4 is suspended (whether entirely or to such an extent as may be specified in the direction) if it considers that continued use of the waiver would unduly harm price formation.
2. The suspension of a waiver by virtue of a direction under paragraph 1 may not have effect for a period longer than six months, but this does not prevent the giving of a further direction under that paragraph by which the suspension is renewed for a period no longer than six months.

Status: This is the original version (as it was originally enacted).

3. The FCA may give a direction under paragraph 1 only if it considers that the direction is necessary to advance the FCA’s integrity objective under section 1D of FSMA.
 4. In deciding whether to give a direction under paragraph 1 to suspend (or renew the suspension of) a waiver the FCA must have regard to—
 - (a) its consumer protection objective under section 1C of FSMA and its competition objective under section 1E of FSMA,
 - (b) relevant information produced under Article 3, or under equivalent pre-trading transparency requirements in other jurisdictions, about the use of the waiver in the United Kingdom, or under equivalent waiver arrangements in any other country, in relation to the financial instrument concerned, and
 - (c) any other relevant information available in relation to trading volumes in the financial instrument concerned, whether in the United Kingdom or elsewhere.
 5. The FCA must consult the Treasury before giving a direction under paragraph 1.
 6. The requirement to consult under paragraph 5 does not apply if the FCA considers it necessary by reason of urgency to give the direction before such consultation can be carried out in order to protect—
 - (a) the transparency of the price formation process, or
 - (b) the interests of consumers (within the meaning of section 1G of FSMA).”
- 5 Omit Article 5 (volume cap mechanism).
- 6 (1) Article 14 (obligation for systematic internalisers to make public firm quotes in respect of shares etc) is amended as follows.
- (2) In paragraph 6A, omit “referred to in Article 5(3A)”.
- (3) After paragraph 6C insert—
- “6D. The reference in paragraph 6A to the “transitional period” is a reference to—
- (a) the period of four years beginning with IP completion day; or
 - (b) the period ending on such day as the Treasury may direct, if that period ends earlier than the period mentioned in sub-paragraph (a).
- 6E. In deciding whether to issue a direction under paragraph 6D(b), the Treasury must take into account whether the FCA is able to carry out its functions relating to transparency under this Regulation and its implementing measures.”

Transparency requirements for fixed income instruments and derivatives etc

- 7 For Articles 8 to 11 substitute—

Status: This is the original version (as it was originally enacted).

“Article 8

***Pre-trade transparency requirements for
fixed income instruments and derivatives etc***

1. The FCA must by rules impose pre-trade transparency requirements on relevant persons in respect of the trading of such relevant instruments as the FCA determines should be subject to the requirements for the purposes of furthering—
 - (a) efficient price formation, and
 - (b) the fair evaluation of financial assets.
2. The power to make rules under paragraph 1 is exercisable only if the FCA considers that the rules are necessary or expedient for the purpose of advancing one or more of its operational objectives referred to in section 1B(3) of FSMA.
3. In making rules under paragraph 1 the FCA must (in particular) have regard to the impact that requirements imposed by the rules will have on market liquidity.
4. The reference in paragraph 1 to “pre-trade transparency requirements” is a reference to whatever kinds of requirements relating to transparency before trading that the rules may specify, for example—
 - (a) requirements to make public matters specified in the rules in respect of the trading of relevant instruments;
 - (b) requirements about the means by which, and the times at which, such matters are to be made public;

PART 5

SPECIAL RESOLUTION ACTION

Special resolution objectives

- 15 (1) This paragraph sets out the special resolution objectives.
- (2) The Bank must have regard to the special resolution objectives in using, or considering the use of, the stabilisation powers.
- (3) Objective 1 is to protect and enhance the stability of the UK financial system, including in particular by—
 - (a) preventing contagion (including contagion to market infrastructures), and
 - (b) maintaining market discipline.
- (4) Objective 2 is to protect and enhance public confidence in the stability of the UK financial system.
- (5) Objective 3 is to maintain the continuity of central counterparty clearing services.
- (6) Objective 4 is to protect public funds.
- (7) Objective 5 is to avoid interfering with property rights in contravention of a Convention right (within the meaning of the Human Rights Act 1998).
- (8) The order in which the objectives are listed in this paragraph is not significant; they are to be balanced as appropriate in each case.
- (9) In this paragraph, “market infrastructures” include recognised investment exchanges, recognised clearing houses and recognised CSDs, within the meaning of section 285 of FSMA 2000.

Code of Practice

- 16 (1) The Treasury must issue a code of practice about the use of the stabilisation powers.
- (2) The code may, in particular, provide guidance on—
 - (a) how the special resolution objectives are to be understood and achieved,
 - (b) the choice between different options,
 - (c) the information to be provided in the course of a consultation under this Schedule,
 - (d) how to determine whether Condition 2 in paragraph 17 is met,
 - (e) how to determine whether the test for the use of stabilisation powers under paragraph 19 is satisfied,

Status: This is the original version (as it was originally enacted).

- (f) paragraphs 89 and 92, and
 - (g) compensation, including how the Treasury intend to satisfy the requirement under paragraph 87(3).
- (3) See also paragraph 29 which requires the inclusion in the code of certain matters about bridge central counterparties.
- (4) The Treasury may revise and re-issue the code of practice.
- (5) Before issuing or re-issuing the code of practice the Treasury must consult the Bank, the FCA and the PRA.
- (6) The Bank must have regard to the code of practice.
- (7) As soon as is reasonably practicable after issuing or re-issuing the code of practice the Treasury must lay a copy before Parliament.

General conditions

- 17 (1) A stabilisation power may be exercised in respect of a CCP only if the Bank is satisfied that each of the following conditions is met.
- (2) Condition 1 is that the CCP is failing or likely to fail.
- (3) Condition 2 is that—
- (a) having regard to timing and other relevant circumstances, it is not reasonably likely that (ignoring the stabilisation powers) action will be taken by or in respect of the CCP that will result in Condition 1 ceasing to be met, or
 - (b) in the Bank’s assessment, the action that may be taken by or in respect of the CCP for the purpose of ensuring that Condition 1 is no longer met might have an adverse impact on the stability of the UK financial system.
- (4) Condition 3 is that the exercise of the power is necessary having regard to the public interest in the advancement of one or more of the special resolution objectives.
- (5) Condition 4 is that one or more of the special resolution objectives would not be met to the same extent by the winding up of the CCP.
- (6) For the purposes of Condition 1, a CCP is failing or likely to fail if one or more of the following apply—
- (a) the CCP is failing or is likely to fail to meet the recognition requirements (within the meaning of section 286 of FSMA 2000);
 - (b) the value of the assets of the CCP is less than the amount of its liabilities;
 - (c) the CCP is unable to pay its debts or other liabilities as they fall due;
 - (d) any of paragraphs (a) to (c) will, in the near future, apply to the CCP;
 - (e) extraordinary public financial support is required in respect of the CCP and sub-paragraph (9) does not apply to that support.
- (7) The Bank may treat Condition 1 as met if satisfied that it would be met but for the withdrawal or possible withdrawal of critical clearing services by the CCP.
- (8) The Bank must treat Conditions 1 and 2(a) as met if satisfied that those conditions would be met but for financial assistance provided by—
- (a) the Treasury, or

- (b) the Bank (disregarding ordinary market assistance offered by the Bank on its usual terms).
- (9) This sub-paragraph applies where, in order to remedy a serious disturbance in the economy of the United Kingdom and preserve financial stability, the extraordinary public financial support takes either of the following forms—
 - (a) a State guarantee to back liquidity facilities provided by the Bank, or
 - (b) a State guarantee of newly issued liabilities.
- (10) Before determining that Conditions 2, 3 and 4 are met the Bank must consult—
 - (a) if the CCP is a PRA-authorised person, the PRA,
 - (b) the FCA, and
 - (c) the Treasury.

Effect on other group members

- 18 Where the Bank is considering the exercise of a stabilisation power in respect of a CCP which is a member of a group, the Bank must have regard to—
- (a) the need to minimise the effect of the exercise of the power on other undertakings in the same group, and
 - (b) the potential effect of the exercise of the power on the financial stability of countries other than the United Kingdom (particularly those countries in which any member of that group is operating).

Specific conditions: financial assistance cases

- 19 (1) In a financial assistance case, the Bank may exercise a stabilisation power in respect of the CCP concerned in accordance with paragraph 27, 29 or 30 only if satisfied that the condition in sub-paragraph (3) is met.
- (2) “Financial assistance case” means a case where the Treasury notify the Bank that they have provided financial assistance in respect of a CCP for the purpose of resolving or reducing a serious threat to the stability of the UK financial system.
- (3) The condition is that—
- (a) the Treasury have given a recommendation to the Bank to exercise the stabilisation power on the grounds that it is necessary in order to protect the public interest, and
 - (b) the Bank considers that the exercise of the stabilisation power is an appropriate way to provide that protection.
- (4) The condition in this paragraph is in addition to the conditions in paragraph 17.

Resolution liaison panel

- 20 (1) The Treasury must make arrangements for a panel to advise the Treasury about the effect of the special resolution regime on—
- (a) CCPs,
 - (b) persons with whom CCPs do business, and
 - (c) the financial markets.
- (2) In particular, the panel may advise the Treasury about—

Status: This is the original version (as it was originally enacted).

- (a) the exercise of powers to make statutory instruments under or by virtue of this Schedule, (excluding the stabilisation powers and regulations under paragraphs 87 and 153),
 - (b) the code of practice under paragraph 16, and
 - (c) anything else referred to the panel by the Treasury.
- (3) The Treasury must ensure that the panel includes—
- (a) a member appointed by the Treasury,
 - (b) a member appointed by the Bank,
 - (c) a member appointed by the PRA,
 - (d) a member appointed by the FCA,
 - (e) one or more persons who in the Treasury’s opinion represent the interests of CCPs,
 - (f) one or more persons who in the Treasury’s opinion represent the interests of clearing members of CCPs,
 - (g) one or more persons who in the Treasury’s opinion have expertise in law relating to the UK financial system, and
 - (h) one or more persons who in the Treasury’s opinion have expertise in insolvency law and practice.

Restrictions on use of certain resolution powers

- 21 (1) Where the Bank has exercised the first stabilisation option (private sector purchaser) in respect of a CCP it may only exercise the relevant resolution powers in relation to the residual CCP.
- (2) Where the Bank has exercised the third stabilisation option (transfer of ownership) in respect of a CCP it may only exercise the relevant resolution powers in respect of the CCP where the transferee under paragraph 30 is—
- (a) the Bank,
 - (b) a company wholly owned by the Bank or the Treasury, or
 - (c) a nominee of the Treasury.
- (3) In this paragraph—
- “relevant resolution powers” means any of the resolution powers under paragraphs 27 to 38;
- the “residual CCP” means the CCP all or part of whose business has been transferred in accordance with paragraph 27(2).

Pre-resolution valuation

- 22 (1) Before the Bank exercises a stabilisation power in respect of a CCP, it must ensure that the assets and liabilities of the CCP are valued.
- (2) The purpose of a valuation carried out under sub-paragraph (1) is to—
- (a) inform the decision as to—
 - (i) whether the conditions for the exercise of a stabilisation power are satisfied,
 - (ii) which stabilisation option should be employed,
 - (iii) the extent to which any liabilities should be cancelled, modified, converted or deferred through the use of a write-down instrument,

Status: This is the original version (as it was originally enacted).

- (iv) the extent to which any securities should be cancelled, diluted, modified, converted or deferred through the use of a write-down instrument,
 - (v) what assets, liabilities or securities (if any) are to be transferred by a property transfer instrument, share transfer instrument or write-down instrument, and
 - (vi) the value of any consideration to be paid to the CCP or the owners of the securities for any assets, liabilities or securities so transferred, and
 - (b) ensure that the full extent of any losses on the assets of that CCP are appreciated at the time that the Bank exercises a stabilisation power.
- (3) Unless sub-paragraph (4) applies, the Bank must arrange for the appointment of an independent valuer in accordance with paragraph 24 to carry out a valuation for the purposes of sub-paragraph (1).
- (4) Where the Bank considers that the urgency of the case makes it appropriate to exercise the stabilisation power before a valuation can be carried out by a person appointed in accordance with sub-paragraph (3), the Bank may carry out a provisional valuation of the assets and liabilities of the CCP for the purposes of sub-paragraph (1).
- (5) In carrying out a valuation required under sub-paragraph (1), the person carrying out the valuation must—
 - (a) make prudent assumptions as to possible rates of default and the severity of losses suffered by the CCP,
 - (b) disregard potential financial assistance which may be provided by the Bank or the Treasury after the Bank has exercised the stabilisation power (except for ordinary market assistance offered by the Bank on its usual terms),
 - (c) take account of the fact that the Bank and the Treasury may charge interest or fees in respect of any loans or guarantees provided to the CCP after the Bank has exercised the stabilisation power,
 - (d) apply any relevant methodology specified in regulations made under this paragraph.
- (6) A provisional valuation carried out under sub-paragraph (4) must in particular make provision in respect of additional losses by the CCP in accordance with any regulations made under this paragraph.
- (7) A valuation under sub-paragraph (1) must be accompanied by—
 - (a) a balance sheet of the CCP as at the date of the valuation,
 - (b) a report on the financial position of the CCP,
 - (c) an analysis and an estimate of the accounting value of the assets of the CCP,
 - (d) a list of the outstanding liabilities of the CCP (including any off-balance sheet liabilities), with the creditors subdivided into classes according to the priority their claims would receive in insolvency proceedings, and
 - (e) an estimate of the amount that each class of creditors and shareholders might be expected to receive if the CCP went into insolvent liquidation.
- (8) Where appropriate, the information in sub-paragraph (7)(c) may be supplemented by an analysis and estimate of the value of the assets and liabilities of the CCP on a market value basis.

- (9) Where a provisional valuation is carried out under sub-paragraph (4), the Bank need only comply with sub-paragraph (7) as far as it is reasonable to do so in the circumstances.
- (10) The Treasury may by regulations make provision for the purposes of a valuation under this paragraph specifying—
 - (a) the methodology for assessing the value of the assets and liabilities of a CCP;
 - (b) the methodology for calculating and including a buffer for additional losses in the provisional valuation.
- (11) Before making regulations under sub-paragraph (10) the Treasury must consult the Bank.
- (12) Regulations under this paragraph are subject to the negative procedure.

Replacement of Bank's provisional valuation

- 23 (1) Where the Bank has carried out a provisional valuation under paragraph 22 before exercising a stabilisation power, the Bank must arrange for the appointment of an independent valuer in accordance with paragraph 24 to carry out a full valuation in accordance with this paragraph as soon as reasonably practicable.
- (2) The purpose of the valuation carried out under sub-paragraph (1) is to—
 - (a) ensure the full extent of any losses on the assets of the CCP is recognised in the accounting records of the CCP, and
 - (b) inform a decision by the Bank as to whether—
 - (i) additional consideration should be paid by a bridge central counterparty for any property, rights or liabilities transferred by a property transfer instrument, or securities transferred by a share transfer instrument, or
 - (ii) the Bank should exercise the power under paragraph 26 to increase or reinstate any liability which has been reduced, cancelled or deferred by a write-down instrument.
- (3) A valuation carried out under sub-paragraph (1) must comply with sub-paragraph (5) of paragraph 22 and be accompanied by the information required in sub-paragraph (7) of that paragraph.

Independent valuer: valuation under paragraph 22 or 23

- 24 (1) The Bank must make arrangements for the appointment of a person to act as an independent valuer for the purposes of a valuation to be conducted under paragraph 22 or 23.
- (2) The Bank may require the CCP to which the valuation relates to reimburse the Bank for costs it incurs in relation to the independent valuer (including remuneration and allowances paid to the valuer and the valuer's staff).
- (3) A person may not be appointed as an independent valuer under sub-paragraph (1) unless the Bank is satisfied that the person is independent from the Bank and the CCP to which the valuation relates.
- (4) An independent valuer is to hold and vacate office in accordance with the terms of the appointment.

Status: This is the original version (as it was originally enacted).

- (5) An independent valuer may be removed from office only on the grounds of incapacity or serious misconduct.
- (6) In the event of the death of an independent valuer, or an independent valuer being removed from office or resigning, a new independent valuer must be appointed by the Bank in accordance with this paragraph.

Independent valuer: supplemental

- 25
- (1) An independent valuer may do anything necessary or desirable for the purposes of or in connection with the performance of the functions of the office.
 - (2) The Treasury may by regulations confer specific functions on independent valuers; in particular, the regulations may—
 - (a) enable an independent valuer to apply to a court or tribunal for an order requiring the provision of information or the giving of oral or written evidence;
 - (b) enable or require independent valuers to publish, disclose or withhold information.
 - (3) Provision under sub-paragraph (2) may—
 - (a) confer a discretion on independent valuers;
 - (b) confer jurisdiction on a court or tribunal;
 - (c) make provision about oaths, expenses and other procedural matters relating to the giving of evidence or the provision of information;
 - (d) make provision about enforcement.
 - (4) An independent valuer may appoint staff.
 - (5) The Treasury may by regulations make provision about the procedure to be followed by independent valuers.
 - (6) Independent valuers (and their staff) are neither servants nor agents of the Crown (and, in particular, are not civil servants).
 - (7) Records of an independent valuer are public records for the purposes of the Public Records Act 1958.
 - (8) Regulations under this paragraph are subject to the negative procedure.

Consequences of a replacement valuation

- 26
- (1) Where the independent valuation carried out under paragraph 23(1) produces a higher valuation of the net asset value of the CCP than a provisional valuation carried out under paragraph 22(4), the Bank may—
 - (a) modify any liability of the CCP which has been reduced, deferred or cancelled by a write-down instrument so as to increase or reinstate that liability, or
 - (b) instruct a bridge central counterparty to pay additional consideration—
 - (i) to the CCP for any property, rights or liabilities transferred to the bridge central counterparty by a property transfer instrument, or

Status: This is the original version (as it was originally enacted).

(ii) to the previous holders of securities issued by the CCP for any securities transferred to the bridge central counterparty by a share transfer instrument.

- (2) The power in sub-paragraph (1)(a)—
- (a) may not be exercised so as to increase the value of the liability beyond the value it would have had if the write-down instrument which reduced, cancelled or deferred it had not been made, and
 - (b) must be exercised by a resolution instrument (whether or not that instrument contains any other provision authorised by this Schedule).

Private sector purchaser

- 27 (1) The first stabilisation option is to sell all or part of the business of the CCP to a commercial purchaser.
- (2) For that purpose the Bank may make—
- (a) one or more share transfer instruments;
 - (b) one or more property transfer instruments.

Private sector purchaser: marketing

- 28 (1) Subject to sub-paragraph (4) and (5), the Bank must make arrangements for marketing—
- (a) any securities issued by the CCP which the Bank intends to transfer by a share transfer instrument under paragraph 27(2)(a), or
 - (b) any property, rights or liabilities of the CCP which the Bank intends to transfer by a property transfer instrument under paragraph 27(2)(b).
- (2) The arrangements under sub-paragraph (1) must—
- (a) be as transparent as possible having regard to the circumstances and the need to maintain financial stability;
 - (b) ensure there is no conflict of interest;
 - (c) take account of the need for the Bank to act quickly to address the situation where a CCP is failing or likely to fail;
 - (d) aim at maximising, as far as possible, the sale price for the property, rights or liabilities involved.
- (3) The arrangements under sub-paragraph (1) must not—
- (a) materially misrepresent the securities, property, rights or liabilities which the Bank intends to transfer;
 - (b) favour or discriminate between potential purchasers or grant an unfair advantage to a potential purchaser.
- (4) Sub-paragraph (1) does not apply if the Bank considers that complying with that sub-paragraph would undermine one or more of the special resolution objectives.
- (5) In particular sub-paragraph (1) does not apply if the Bank considers that—
- (a) there is a material threat to financial stability in the United Kingdom arising from or aggravated by the failure or likely failure of the CCP, and

- (b) complying with sub-paragraph (1) would undermine the effectiveness of the first stabilisation option in addressing that threat or achieving the objective in paragraph 15(4).

Bridge central counterparty

- 29 (1) The second stabilisation option is to transfer all or part of the business of the CCP to a company which meets the requirements of sub-paragraph (2) (a “bridge central counterparty”).
- (2) Those requirements are that the company—
- (a) is wholly or partially owned by the Bank,
 - (b) is controlled by the Bank, and
 - (c) is created for the purposes of receiving a transfer by virtue of this paragraph with a view to maintaining access to critical clearing services and (in due course) selling the CCP or its business.
- (3) For that purpose the Bank may make—
- (a) one or more property transfer instruments;
 - (b) one or more share transfer instruments.
- (4) The code of practice under paragraph 16 must include provision about the management and control of bridge central counterparties including, in particular, provision about—
- (a) setting objectives,
 - (b) the content of the articles of association,
 - (c) the content of reports under paragraph 114,
 - (d) different arrangements for management and control at different stages, and
 - (e) eventual disposal.
- (5) The Bank must, without delay, take all necessary steps to wind up the bridge central counterparty if—
- (a) all or substantially all of the bridge central counterparty’s assets, rights and liabilities have been transferred to a third party, or
 - (b) following a transfer to the bridge central counterparty under this paragraph, no further transfer to the bridge central counterparty is made under this paragraph during the relevant post-transfer period.
- (6) Sub-paragraph (5) does not apply if the bridge central counterparty—
- (a) has merged with another entity,
 - (b) has ceased to meet the requirements of sub-paragraph (2)(a) or (b), or
 - (c) has already been wound up.
- (7) “The relevant post-transfer period” means the period of two years beginning with the day of the transfer mentioned in sub-paragraph (5)(a), subject to any extension under sub-paragraph (8).
- (8) The Bank may extend (or further extend) the relevant post-transfer period by one year if it is satisfied that the extension—
- (a) would support one or more of the outcomes mentioned in sub-paragraph (5) (a) or (6)(a), (b) or (c), or
 - (b) is necessary to ensure the continuity of critical clearing services.

- (9) Where property, rights or liabilities are first transferred by property transfer instrument to a bridge central counterparty and later transferred (whether or not by the exercise of a power under this Schedule) to another company which is wholly owned by the Bank, that other company is an “onward bridge central counterparty”.
- (10) An onward bridge central counterparty—
- (a) is a bridge central counterparty for the purposes of—
 - (i) sub-paragraphs (4) to (6),
 - (ii) paragraph 34(6)(d),
 - (iii) paragraph 110,
 - (iv) paragraph 112, and
 - (v) paragraph 114(5), but
 - (b) is not a bridge central counterparty for the purposes of—
 - (i) paragraph 52,
 - (ii) paragraph 69, and
 - (iii) paragraph 114(1).

Transfer of ownership

- 30 (1) The third stabilisation option is to transfer ownership of the CCP to any person other than a bridge central counterparty or a commercial purchaser.
- (2) For that purpose the Bank may make one or more share transfer instruments.

Tear-up power

- 31 (1) The fourth stabilisation option is to make one or more tear-up instruments for the purpose of ensuring that the CCP has a matched book.
- (2) A tear-up instrument is an instrument that makes provision terminating one or more contracts held by the CCP with clearing members.
- (3) Where the Bank exercises the power under sub-paragraph (1), it must as soon as reasonably practicable determine the value of the terminated contract.
- (4) On the basis of the determination under sub-paragraph (3) the Bank must as soon as reasonably practicable either—
- (a) require the CCP to make a commercially reasonable payment, representing the value of the terminated contract, to the clearing member who is a party to the contract, or
 - (b) require the clearing member who is a party to the contract to make a commercially reasonable payment, representing the value of the terminated contract, to the CCP.
- (5) The Bank must within 12 months of this paragraph coming into force publish a statement of policy as to how it determines what a commercially reasonable payment is for the purpose of complying with sub-paragraph (4).
- (6) The Bank may alter or replace a statement of policy published under this paragraph.
- (7) The Bank must publish a statement as altered or replaced under sub-paragraph (6).

- (8) For the purposes of this paragraph, a CCP has a matched book when the sum of the financial obligations owed by the CCP to its clearing members is equal to the sum of the financial obligations owed to the CCP by its clearing members.

Cash call power

(3) For the purposes of supporting, or giving full effect to, the third-country resolution action (or the part), the Bank may exercise, in relation to a third-country central counterparty, one or more of the stabilisation options, or one or more of the stabilisation powers, available to the Bank in relation to a similar entity in the United Kingdom.

“(7A) Objective 6 is to support third-country resolution action with a view to promoting objectives which, in relation to the country or territory concerned, correspond to Objectives 1 to 5 in relation to the United Kingdom.”

(7) Paragraphs 17 to 19 do not apply.

- (2) Paragraph 48 (procedure: instruments) applies to a third-country instrument as it applies to a share transfer instrument, except that references in that paragraph to the CCP are to be read as references to the third-country central counterparty to which the third-country instrument relates.
- (3) Paragraph 109 (international obligation notice: general) applies in relation to the making of a third-country instrument under paragraph 145 or 146 as it applies in relation to the exercise of a stabilisation power, except that—
- (a) for the purposes of paragraph 109(3), paragraph 15 is to be read subject to the modification in paragraph 146(6), and
 - (b) in sub-paragraph (4), the reference to a CCP is to be read as a reference to a third-country central counterparty in respect of which a third-country instrument is made.
- (4) Paragraph 110 (international obligation notice: bridge central counterparty) applies where the Bank has, by virtue of paragraph 146, transferred all or part of the business of a third-country central counterparty to a bridge central counterparty as it applies where the Bank has transferred all or part of the business of a CCP to a bridge central counterparty.

 - (a) revoked, or
 - (b) varied in one or more respects.
- (2) The manager must apply to the court for such orders (whether under section 3771 or otherwise) as the manager thinks likely to achieve the best outcome for the insurer's policyholders and other creditors (taken as a whole).

- (2) Each of the following is a "relevant person" for these purposes—

 - (b) the PRA;
 - (c) the scheme manager of the Financial Services Compensation Scheme (see section 212(1));

PART 1

INTRODUCTORY

Application of this Schedule

- 1 This Schedule applies in relation to an insurer while the insurer is in financial difficulties.
