and the number by which the amount substituted by paragraph (a) of this subsection is to be multiplied shall be three hundred in any case where the tonnage concerned is less than three hundred tons.

(2) For the purposes of this section a gold franc shall be taken to be a unit consisting of sixty-five and a half milligrams of gold of millesimal fineness nine hundred.

(3) The Minister of Transport and Civil Aviation may from time to time by order made by statutory instrument specify the amounts which for the purposes of this section are to be taken as equivalent to three thousand one hundred and one thousand gold francs respectively.

- (4) Where money has been paid into court (or, in Scotland, consigned in court) in respect of any liability to which a limit is set as aforesaid, the ascertainment of that limit shall not be affected by a subsequent variation of the amounts specified under subsection (3) of this section unless the amount paid or consigned was less than that limit as ascertained in accordance with the order then in force under that subsection.

2 Amendments as to nature of liability limited by Merchant Shipping Act, 1894, s. 503

- (3) The application of the said section five hundred and three to any liability shall not be excluded by reason only that the occurrence giving rise to the liability was not due to the negligence of any person.

- (4) Nothing in the said section five hundred and three shall apply to any liability in respect of loss of life or personal injury caused to, or loss of or damage to any property or infringement of any right of, a person who is on board or employed in connection with the ship under a contract of service with all or any of the persons whose liabilities are limited by that section, if that contract is governed by the law of any country outside the United Kingdom and that law either does not set any limit to that liability or sets a limit exceeding that set to it by that section.
