A certificate under this subsection may provide that it shall be deemed to have been in force from such date not earlier than the making to the agricultural wages committee of the application for the certificate as may be specified in the certificate.

- (2) An agricultural wages committee in granting an application for a certificate under the preceding subsection may impose such conditions as appear to them requisite for securing that the worker to whom the application relates shall receive adequate instruction, and that the terms of his employment shall be in other respects satisfactory, and if (whether on an application under this subsection or otherwise) it appears to the committee that a condition imposed under this subsection is not being complied with, or that the terms of the worker's employment are no longer satisfactory, they may revoke the certificate.
- (3) An agricultural wages committee may (whether on an application under this subsection or otherwise) vary a condition imposed under the last preceding subsection.
- (4) Before revoking a certificate or varying a condition under the preceding provisions of this section, an agricultural wages committee shall serve on the worker to whom the certificate relates and on his employer notice of their proposal so to do, and afford to the worker and employer an opportunity of making representations to the committee, and no such revocation or variation as aforesaid shall take effect until notice of the revocation or variation has been served by the agricultural wages committee on the worker to whom the certificate relates and on his employer.
