10 Interpretation of "Person."

Proceedings preliminary to Sanction of Improvements

And with regard to the Proceedings preliminary to the Sanction of any Improvements, be it enacted as follows :

11 Application to Commissioners to sanction Improvements.

When any Landowner shall be desirous of borrowing or advancing Money under this Act for the Improvement of his Land, he shall make an Application to the Commissioners to sanction the proposed Improvements in such Manner and Form and stating such Particulars as the Commissioners shall from Time to Time direct; and until the proposed Improvements shall have been sanctioned by the Commissioners in manner herein-after mentioned, the Application may be withdrawn or altered, or consolidated with any other Application, at the Pleasure of the Applicant, but without Prejudice to his Liability as herein-after mentioned for the Expenses incurred by the Commissioners or their Officers in consequence of his Application.

12 Joint Application by several Landowners.

Any Two or more Landowners may, with the Consent of the Commissioners, join in an Application to them to sanction the Improvement of the Lands of such Landowners respectively, but the Sum to be charged in pursuance of any such joint Application shall be apportioned so that a separate and distinct Sum may become charged on the Land of each Landowner.

13 Commissioners may issue Forms.

The Commissioners may from Time to Time frame and circulate, as they shall see Occasion, Forms indicating the Particulars of the Information to be furnished to them by Landowners for the Purposes of this Act, and such other Forms as the Commissioners may deem expedient for facilitating any Proceedings under this Act.

14 Require Security for Expenses.

The Commissioners may require Security to be given to them by the Landowner, by Bond, Deposit, or otherwise, in such Form as they may think fit, for the Payment to them of the Expenses which they or their Officers shall incur in respect of the Investigation on any Application, and, if they shall issue such provisional or other sanctioning Order as herein-after mentioned, of the Expenses which they or their Officers shall incur in inspecting and ascertaining the due Execution of the Works; but unless the Commissioners shall issue such absolute Order as herein-after mentioned, such Payment shall not be a Charge on the Land to which such Application relates, but shall be a Debt due by the Person making such Application to the Commissioners, and shall be recoverable by them as in the Nature of a Crown Debt.

15 Cause Application to be investigated.

If the Commissioners shall think fit to entertain the Application so made to them, they may cause the Land to be inspected and examined by an Assistant Commissioner, or an Engineer or Surveyor, who shall have regard to and examine the Proposals and Statements contained in such Application, and shall report his Opinion thereon, and who shall also report whether in his Judgment the proposed Improvements will effect a permanent Increase of the yearly Value of the Land exceeding the yearly Amount proposed to be charged thereon in respect of the Improvements applied for; and the Commissioners may by themselves, or any Assistant Commissioner, Engineer, or Surveyor, make such other Inquiries in relation to any such Application as they shall think fit: Provided that the above Requisition as to increased annual Value shall not apply to any Outlay proposed to be made upon or in respect of planting only.

16 And require proposed Improvements to be modified.

The Commissioners shall have Power to require such Alterations as they shall think expedient to be made in the Improvements proposed, or in the proposed Mode of executing them.

17 Advertisements and Notices preliminary to Sanction.

Before the Commissioners shall sanction any Improvements, Notice shall be given of the Application as well by Advertisement 'inserted in Two successive Weeks in some Newspaper published in the County in which the Land to be improved lies, or in case there shall be no such Newspaper published in such County then in some County adjoining thereto, as by a Notice in Writing given, where such Lands are situate in *England* or *Ireland*, to every Person entitled to any Estate in such Land, or any Part thereof, in reversion or remainder up to and inclusive of the Person entitled to the first vested Estate of Inheritance therein, and to every Person entitled to any Mortgage upon such Land or any Part thereof who by reasonable Inquiry shall be known to be so interested, and given, where such Lands are situate in *Scotland*, to the nearest Heir or Heirs of Entail, not exceeding Three, and to the Holders of every Heritable Security on such Lands appearing upon the Records; and in such Advertisements and Notices respectively shall be stated the maximum Amount which it is proposed to charge in respect of the Improvements, and the greatest and least Terms over which it is proposed that the Rentcharge should be spread ; and the Commissioners shall not sanction the Improvements until One Month shall have elapsed from the Publication of the Second of such Advertisements and the Service of such Notices (if any) respectively, of which Publication, and of the Service of all necessary Notices as aforesaid, the Landowner shall, if required by the Commissioners, satisfy them by One or more Statutory Declarations made by him or on his Behalf.

18 Power of Dissent by Persons interested, and Protection of Landowner's Infant Children.

In case any Person having any Estate in or Charge or Security on the Land to be improved shall within the Month named in the last preceding Section signify in Writing to the Commissioners his Dissent from such Application, stating therein the Nature of his Estate in or Charge or Security on such Land, the Commissioners shall certify such Dissent to the Landowner by whom the Application was made, and shall not make any provisional or other Order sanctioning the Improvements unless or until such Dissent be withdrawn, or an Order be made by the High Court of Chancery in *England* or

Ireland respectively, or by the Court of Session in *Scotland*, in manner herein-after provided, authorizing the Commissioners to sanction the same ; nor shall they make any provisional or other Order sanctioning the Improvement of any Land in the Case of which the Landowner, or the Husband of the Landowner, shall be the Father of the Person or Persons entitled either at Law or in Equity to any Estate in such Land, or any Part thereof, in reversion or remainder, up to and inclusive of the Person entitled to the first vested Estate of Inheritance, and such Person or Persons, or any of them, shall be an Infant or Infants, or a Minor or Minors, unless or until such an Order as herein-before mentioned shall be made by such Court as aforesaid.

19 The same in case of navigable Rivers and Canals.

If the Commissioners shall consider that any proposed Improvement would interfere with any navigable River or Canal respectively vested in or under the Management or Control of any Commissioners, Trustees, Conservators, Undertakers, Company, or other Body or Individuals, or the Banks or other Works or Conveniences thereof, or would occasion the Flow or Discharge into such River or Canal of any Drainage or other Matter, the Landowner shall give Notice of the Application in Writing, together with a Plan and Section of the proposed Improvement, to such Commissioners, Trustees, Conservators, Undertakers, Company or other Body, or Individuals ; and in case they shall, within One Month after the Receipt of such Notice, signify in Writing to the Commissioners their Dissent from such Application, and state the Nature of their Interest in or Authority over such River or Canal, the Commissioners shall certify such Dissent to the Landowner by whom the Application was made, and shall not sanction the Improvement unless or until such Dissent be withdrawn, or an Order be made by the High Court of Chancery in *England* or *Ireland* respectively, or by the Court of Session in *Scotland*, in manner herein-after provided, authorizing the Commissioners to sanction the Improvement.

20 Consents necessary in case of Church Lands.

When the Land to which the Application relates, or any Part of such Land, is held in right of any Church, Chapel, or other Ecclesiastical Benefice, the Commissioners shall not sanction any Improvement of such Land, or of so much thereof as is so held, unless and until the Patron of the Benefice, and in *England* and *Ireland* the Bishop of the Diocese, and in *Scotland* the Presbytery of the Bounds, shall signify to the Commissioners, by Writing under their Hands, their respective Consents to such Application.

21 In case of Dissent, or when Landowner's Infant Children are to be protected, Court of Chancery or Session may authorize Commissioners to proceed.

If and when any Dissent from any such Application to the Commissioners for their Sanction of proposed Improvements shall have been notified in Writing to the Commissioners, either by a Party interested in the Lands proposed to be improved (not being Lands held in right of any Church, Chapel, or other Ecclesiastical Benefice), or by the Commissioners, Trustees, Company, or other Body or Individuals interested in any River or Canal which would or might be interfered with as herein-before mentioned, or if the Landowner, or the Husband of the Landowner, shall be the Father of the Person or Persons entitled either at Law or in Equity to any Estate in the Land to be improved, or any Part thereof, in reversion or remainder, up to and inclusive of the Person entitled to the first vested Estate of Inheritance, and such Person or

Persons, or any of them, shall be an Infant or. Infants, or a Minor or Minors, the Landowner desiring, such Improvements may apply to the High Court of Chancery in *England* or *Ireland* where such Lands are situate in *England* or *Ireland* respectively, or to the Court of Session where such Lands are situate in *Scotland*, for an Order of such Court authorizing the Commissioners to entertain and proceed upon the Application for such proposed Improvements notwithstanding such Dissent or Circumstance; and such Application shall be made, as to Lands in *England*, to the Master of the Rolls or any One of the Vice Chancellors sitting at Chambers, by Summons, calling on the Party dissenting to show Cause why such Order should not be made; as to Lands in *Ireland*, to the Master of the Rolls, by summary Petition or otherwise, as he shall by any General Order direct; and as to Lands in *Scotland*, to either Division of the Court of Session in Time of Session, or to the Lord Ordinary sitting on Bills in Time of Vacation, by summary Petition'; and the Court or single Judge, as the Case may be, to whom such Application shall be made, shall hear and determine such Application, and for that Purpose shall have Power to make or direct to be made all such Inquiries, and receive and entertain all such Statements and Evidence, on Oath or by Affidavit as such Court or Judge may consider necessary or desirable, or as may be produced before, them or him ; and if upon a Consideration of all the Circumstances such Court or Judge shall be of opinion that the Commissioners should entertain and proceed upon such Application, an Order shall be made authorizing and requiring them to proceed thereon, and to deal with the same according to the Provisions of this Act authorizing them in that Behalf, notwithstanding such Dissent or Circumstance as aforesaid: Provided that if at any Time after Notification of such Dissent, and before any such Order shall have been applied for and made as aforesaid, such Dissent shall be withdrawn by a like Notification in Writing, it shall not be necessary to make or proceed with such Application, or to obtain such Order.

22 Service of Notice under preceding Clause.

Where any Party dissenting shall be out of the Jurisdiction of the Court, it shall be lawful for the Court or Judge to order Service to be made in such Manner as such Court or Judge may think fit, and upon Proof to the Satisfaction of such Court or Judge that such Party has had actual Notice within a reasonable Time of such intended Application, it shall be lawful for such Court or Judge thereupon to hear and determine such Application.

23 And Costs may be given by the Court.

The Costs of and incidental to every Application under the Twenty-first and Twenty-second Sections, and the Mode in which such Costs shall be settled or taxed, shall be in the Discretion of the Court or Judge who shall hear such Application, and if such Court or Judge shall so direct, the said Costs shall be deemed to be Part of the Expenses of and incidental to the Application for the proposed Improvements.

24 Representation of Persons under Disability for Applications and Dissents under preceding Clauses.

All Husbands, Guardians, Tutors, Committees, Curators, Feoffees, Trustees, Judicial Factors, Executors, and Administrators shall respectively have the same Rights and Powers of making Applications and signifying Dissents, and taking other Proceedings under this Act, as their respective Wives, Infants, Minors, Lunatics, Idiots, and furious or fatuous Persons would have had if free from Disability, or as such Feoffees,

Trustees, Judicial Factors, Executors, or Administrators respectively would have had if the Estates, Charges, or Interests of which they shall be such Feoffees, Trustees, or Judicial Factors, or which shall be vested in them as such Executors or Administrators, had been vested in them in their own Right; but no Guardian, Tutor, Committee, Curator, Feoffee, Trustee, Judicial Factor, Executor, or Administrator shall be in anywise compelled or obliged to signify a Dissent from any Application under this Act, or be in anywise responsible for the Consequences of such Application, or of any Charge made in pursuance thereof.

Sanction of Improvements, and Rights thereunder

And with regard to the Sanction of any Improvements, and the Rights arising thereunder, be it enacted as follows :

25 Commissioners Order sanctioning Improvements.

If the Commissioners shall find that the proposed Improvements or any Part thereof, whether with or without any Alterations by them required or sanctioned would effect a permanent Increase of the yearly Value of the Lands proposed to be improved, or of any Part thereof, exceeding the yearly Amount proposed to be charged thereon, they shall sanction such Improvements, or such Part thereof as they shall think expedient, if under the preceding Sections it shall be lawful for them so to do, by an Order under their Hands and Seal; and they shall by the same Order fix the Rate of Interest to be allowed on the Cost of the sanctioned Improvements, having regard to the Market Value of Money at the Time, but such Interest shall never exceed Five per Cent, per Annum.

26 Forms of Orders sanctioning Improvements to be prepared by Commissioners ; what they must contain.

The Commissioners shall from Time to Time prepare Forms of Orders for sanctioning Improvements, and shall also, whenever required by the Landowner so to do, frame and entitle their said Orders under this Act in such Manner that they may also be and operate as provisional, sanctioning, or other corresponding Orders under the respective Acts applying to any Company with which he may have contracted relating to the Loan or Improvements in question: Provided that every Order operating under this Act to sanction any Improvements shall name the Landowner to whom it is issued; shall express the greatest Sum to be charged in addition to any Costs, Charges, and Expenses under the Fiftieth Section hereof, and the Rate of Interest and Term of Years for the Repayment thereof, the former not exceeding Five *per Centum per Annum*, and the latter not exceeding Twenty-five Years; shall specify the Lands on which such Repayment is to be charged; and shall either express or refer to some Contract or other Document expressing the general Scheme of the Improvements to be executed.

27 They may be called Provisional Orders, and may be assigned to Parties agreeing to execute Improvements.

Every Order operating under this Act alone to sanction any Improvement may be in the Form set forth in Schedule (A.) hereto, and shall be called a Provisional Order, and shall, subject to the following Section hereof, create in favour of the Landowner named therein the Title to an absolute Charge on the Completion of the sanctioned Improvements, which Title such Landowner may assign, either absolutely or by way

of Security, to any Person; and such Assignment may be made by Endorsement on the Provisional Order.

28 Provision for Death of Landowner pending Completion of Improvements.

In case of the Death of any Landowner, or the Determination of his Interest, between the Date of the Provisional Order and the Completion of the Improvements sanctioned thereby, the Right to complete such Improvements, and to assign the Title to an absolute Charge, shall pass to the succeeding Landowner; but if the succeeding Landowner shall not within Three Calendar Months after his Succession proceed with the Works, so as to complete the same in conformity with the Provisional Order, the preceding Landowner, or in case of his Decease his Executors or Administrators, may complete such Improvements, and shall become entitled to have the absolute Charge executed to him or them. If the succeeding Landowner shall complete the Improvements there shall be distinct absolute Charges executed to such Landowner, and the preceding Landowner or his personal Representatives, for the Outlay made by the preceding and succeeding Landowners respectively, and in case of Difference the Commissioners shall determine the Proportions; provided that the succeeding Landowner may, with the Sanction of the Inclosure Commissioners, and after Notice to the Parties to whom Notice was originally given, or such of them as maybe living, and such other Persons, if any, as the Commissioners may direct, terminate the Proceedings under the Provisional Order, on Payment of the Outlay and Expenses made thereunder, and indemnifying the Person to whom the Title to the absolute Charge may have been assigned. Notwithstanding the foregoing Provisions, if the Title to an absolute Charge shall have been assigned by the preceding Landowner, the Assignee may complete the Improvements if he shall proceed therewith within One Calendar Month from the Time the preceding Landowner ceased to be such Landowner.

29 Provisional Orders may be modified.

The Commissioners may from Time to Time, on Application to be made by the Landowner, and after such Inquiry as they shall think fit, sanction any Modifications or Alterations either of the Scheme of the Improvements or of any other Matter expressed or referred to in the Provisional Order: Provided that no such Modification or Alteration shall increase the Sum to be charged in respect of the Improvements, or extend or curtail the Term of Repayment, beyond the greatest Amount which it was proposed so to charge, or the greatest or least Term over which it was proposed that the Rentcharge should be spread, as respectively stated in the Advertisement and Notices herein-before required: Provided also, that every such Modification or Alteration shall require the Consent of every Party who, by having contracted for the Execution of the Improvements, or by having taken an Assignment of the Title to an absolute Charge, or otherwise, may be interested therein; and the Modifying Order shall be in such Form as the Commissioners shall from Time to Time appoint, and shall be construed together with the original Order as One Order with respect to all Rights arising thereunder after the Date of the Modifying Order.

And with regard to the Execution of any Improvements, be it enacted as follows:

30 Detailed Specifications to be delivered in advance.

Before the Commencement of any Improvements sanctioned in manner aforesaid the Landowner shall deliver to the Commissioners a detailed Specification thereof, and in the Case of Buildings, and also in any other Case where the same shall be required by the Commissioners, a detailed Plan or Drawing: Provided that when it is not intended to complete the Improvements within One Year from the Date of the provisional or other sanctioning Order, the Specification and Plan or Drawing first delivered may comprise so much only as it is intended to complete within One Year from the said Date, so, however, that for the Works of each successive Year such Specification and Plan or Drawing as aforesaid be always delivered in advance.

31 And approved before Execution of Works.

The Specifications and Plans or Drawings aforesaid shall be examined and, if necessary, the Spot visited by an Assistant Commissioner, or an Engineer or Surveyor, who shall report whether in his Judgment the Improvements as proposed to be effected will be effected in a substantial and durable Manner, and, in the Case of Farm Buildings, whether the same, or the Improvements thereof or Additions thereto, will be suitable to the Locality ; and no Improvement shall be commenced or proceeded with until the Specifications and Plans or Drawings aforesaid shall have been approved by the Commissioners; but nothing herein contained shall render necessary the Redelivery, Reexamination, or Reapproval of any detailed Specifications, Plans, or Drawings which may have been delivered in connexion with the Application for the Commissioners' Sanction to the general Scheme of the Improvements, and may have been approved in connexion with that Sanction.

32 Adjoining Lands, or Easements over them, may be sold for Purpose of Improvements, and Conveniences over adjoining Lands for the Execution of Improvements contracted for.

All Persons interested in any Lands adjoining or near to the Land improved or proposed to be improved, and being, as to Lands in *England* or *Ireland* by the Provisions of " The Lands Clauses Consolidation Act, 1845," and as to Lands in *Scotland* by the Provisions of " The Lands Clauses Consolidation (*Scotland*) Act, 1845," enabled to sell and dispose of such Lands so adjoining or near, or any Estate or Interest therein, may, for the Purpose of any Improvements authorized by this Act, sell and convey or grant to the Landowner whose Land has been or is proposed to be improved such Lands so adjoining or near, or any Part thereof, or any Easement, Authority, or Right in, through, over, or affecting the same, and any such Land, Easement, Authority, or Right so sold and conveyed or granted shall thereupon become appurtenant to or pertinent of the Lands improved or proposed so to be, and with reference to the Improvements whereof the same was purchased and shall be held upon and subject to the same Uses, Trusts, Charges, and Incidents; and all such Persons as aforesaid may also make any Agreement with the Landowner, or with any Person or Company that shall have contracted for the actual Execution of the Improvements, or their respective Agents, with reference to entering on, cutting through or into, or prejudicially affecting such Lands so adjoining or near; and every such Sale, Conveyance, Grant, and Agreement shall be valid and effectual accordingly, and the Price or Consideration shall be settled by Two Surveyors or a Surveyor to be appointed by them in manner provided by the Ninth Section of " The Lands Clauses Consolidation Act, 1845," or, as the Case may be, by the Ninth Section of " The Lands Clauses Consolidation (*Scotland*) Act, 1845," and shall be deposited as directed by

the same respective Sections, and thenceforth become subject to the Provisions of the same respective Acts.

33 Works necessary to be made on adjoining Lands for Execution of Improvements may be made under certain Acts.

Whenever the Commissioners shall think that it may be expedient, in order to obtain or improve an Outfall for draining or warping any Lands under this Act, or otherwise with a view to the Improvement of any Lands under this Act, to enter and execute any Works upon any Land adjoining or near to the Land proposed to be improved, where, by reason of the Objection or Disability of any Owner, Lessee, or Occupier of such Land, such Works could not be otherwise executed, Proceedings may be taken, if the said Lands shall lie in *England*, either under the Provisions of the Act of the Tenth and Eleventh Years of the Reign of Her present Majesty, Chapter Thirty-eight, intituled *An Act to facilitate the Drainage of Lands in England and Wales*, or under those of the Third Part of the Land Drainage Act, 1861, and, if in *Scotland*, under the Provisions of the Act of the Tenth and Eleventh Years of the Reign of Her present Majesty, Chapter One hundred and thirteen, intituled *An Act to facilitate the Drainage of Lands in Scotland*, but as though in such Act the Inclosure Commissioners for *England* and *Wales* had everywhere been named in place of the Sheriff; and if such Proceedings shall have been taken before the Sanction of the Improvements in question by the Commissioners under this Act, the Commissioners may, by their Order sanctioning such Improvements, declare the Works in respect of which they shall have been taken to be expedient, and such Works shall then be deemed to have been authorized by the Commissioners or by the Sheriff, as the Case may be, and the Provisions of the said respective Acts shall apply to them accordingly.

34 Provisional Order to protect from Impeachment of Waste, and to authorize getting Materials from Land, &c.

Every Provisional or Modifying Order shall be a full Authority to the Landowner or successive Landowners and their Representatives in the respective Cases herein-before dennded, and to all Persons employed by or under Contract with him or them respectively, to enter upon the Lands to be improved, and any adjoining or neighbouring Lands acquired or authorized to be entered under either of the Two last preceding Sections, and to execute in and on the same, without Impeachment of Waste by any Remainderman or Reversioner, all the Improvements sanctioned by the same Order according to the Specifications and Plans or Drawings approved by the Commissioners, and to do, execute, and use all such Acts, Works, and Conveniences as may be proper for making, maintaining, and using such Improvements; and for the Purpose of effecting any Improvement under this or the recited Acts it shall be lawful to get and work Freestone, Limestone, Clay, Sand, and any other Mineral or Substance out of the Land to be improved for charged, and to make Tramroads and other Ways, and to burn and make Bricks, Tiles, and other Things to be used in effecting such Improvements, and also for the same Purpose to cut down and use any Timber or Trees not planted or serving for Shelter or Ornament.

35 Saving Rights of the Crown.
