- (2) It shall be lawful for a compensation board from time to time by regulations under this Act to prescribe the form of any such claim and the time within which and the manner in which any such claim shall be made, and the proofs by which the claim is to be accompanied, and no claim shall be allowed with respect to any damage of which the prescribed notice shall not have been given, nor in respect of which the provisions of such regulations (unless dispensed with for cause which the board shall deem reasonable and sufficient) are not observed.

24 Mode of dealing with claims.

A board shall disallow any claim for damage which in their opinion was not caused by subsidence of any land or was caused by subsidence of land which is proved not to have been caused by brine pumping, or in respect of which in their opinion (subject to appeal as in this Act mentioned) the claimant has not such title or interest as would entitle him to recover under this Act; and shall disallow any claim to the extent to which in their opinion the damage in respect of which the claim was made has been occasioned or increased by any neglect or default of the claimant or of any person by whose acts he is affected or bound, or by the buildings or other matters in respect of which the claim was made, having been of an unnecessarily expensive kind, or improperly constructed, having regard to the liability of the district or any part thereof to subsidence. 27 Appeal on questions of title.

- (1) If a board disallow a claim or any item thereof on the ground that the claimant had not, as respects such claim or item, such title or interest in the property damaged by subsidence as would entitle him to recover under this Act, the claimant may appeal in manner in this section mentioned on the ground that he had such title or interest.
- (2) If a board allow a claim or any item thereof, any person assessed to the last rate made under this Act in and for the district may appeal in manner in this section mentioned against such allowance on the ground that the board ought to have decided that the claimant had not (as respects such claim or item) such title or interest as herein-before mentioned.
- (3) Notice of appeal under this section must be given in writing to the board at the meeting at which the decision appealed against is given, or within three weeks afterwards.
