1960 No. 1932

The Shipbuilding and Ship-repairing Regulations 1960

PART IV

RAISING AND LOWERING, ETC

Knotted chains, etc

44.—(1) No chain or wire rope shall be used when there is a knot tied in any part thereof.

(2) No chain which is shortened or joined to another chain by means of bolts and nuts shall be used:

Provided that this does not exclude the use of a chain bolted or joined to another chain by an approved and properly constructed attachment.
