for the purpose of securing that under any industrial assurance or collecting society contract made before 15th February 1971 to which the prescribed scheme or an approved scheme applies no amount other than a new halfpenny or multiple thereof will be payable in respect of any payment that falls due on or after that date.

(2) Where an industrial assurance company or collecting society has so adopted any such scheme, the amount payable to or by the company or society in respect of a payment payable under any contract to which the scheme applies that falls due as aforesaid shall be the amount in the new currency provided for in the scheme.

(3) Written notice of a resolution adopting the prescribed or an approved scheme shall within fourteen days of the passing thereof be sent by the industrial assurance company or collecting society to the Industrial Assurance Commissioner.

**5.**—(1) Where payments payable to an industrial assurance company or collecting society which has adopted the prescribed scheme are increased by virtue of paragraph 3 of the scheme, the company or society shall on being requested so to do by the person by whom the increased payments are payable notify him in writing of the corresponding increase in the benefit payable by virtue of paragraph 8 of the scheme.

(2) Any person by whom payments so increased are payable may, within six months of first receiving written notification from the company or society of the increase in the benefit, appeal to

the Industrial Assurance Commissioner on the ground that the increase in the benefit is not fair in relation to the increased payments payable by him.

(3) If on such appeal, and after giving the appellant and the company or society an opportunity of being heard, the Industrial Assurance Commissioner is satisfied that the increase in benefit is not fair, he may direct the company or society to make such increase as he may consider appropriate in the benefit to which the appeal relates and in like benefits payable under other like contracts.

**6.** The Industrial Assurance Commissioner may before 15th February 1971 approve a special scheme intended to be adopted by an industrial assurance company or collecting society for the purpose mentioned in regulation 4 if—

- (a) in his opinion regulation 2 or the prescribed scheme cannot be made to apply to payments under the contracts to which the special scheme applies without difficulty or inconvenience having regard to the times or method of their payment or to any other relevant matter, and
- (b) where by virtue of the scheme any payments payable to the company or society are increased, an actuary has certified that the scheme provides where actuarially appropriate for suitable adjustments to the benefits for which those payments are payable.

**7.** Notwithstanding anything contained in the rules of a collecting society which has adopted the prescribed scheme or an approved scheme, the committee of management of the society may by resolution passed before 15th February 1972 make amendments to the rules of the society in connection with the adoption by the society of any such scheme.
