

SCHEDULE 2

THE PRESCRIBED STATUTORY REQUIREMENTS (see Regulation 4)

(1)	(2)	
Item No.	<i>The Prescribed Statutory Requirements</i>	
	(a)	(b)
	<i>Title</i>	<i>Requirements</i>
1.	The Lighting Requirements	The requirements specified in Regulations 41 and 105 of the Construction and Use Regulations (excepting the matters specified in Regulations 11, 12, 24, 25, 31, 32, 33, 34 and 35 of the Lighting Regulations).
2.	The Stop Lamp Requirements	The requirements specified in Regulations 72, 73, 74 and 75 of, and Schedule 6 to, the Lighting Regulations, and the requirements, in so far as they relate to stop lamps, specified in Regulation 76 of those Regulations (except the requirements contained in paragraphs 2 and 3 and in subparagraphs (b)(iii) and (c) of paragraph 6 of Part II and in Part III of the said Schedule 6).
3.	The Direction Indicator Requirements	The requirements specified in Regulation 69, 70 and 71 of the Lighting Regulations, and the requirements, so far as they relate to direction indicators, specified in Regulation 76 of those Regulations, and the requirements, so far as they relate to illumination, rates of flashing, shape, colour and visibility, specified in Schedule 5 to those Regulations.
4.	The Braking Requirements	The requirements specified in Regulations 13, 14, 14A, 59, 64, 67, 101 and 101A of the Construction and Use Regulations.
5.	The Steering Requirements	The requirements specified in Regulation 102 of the Construction and Use Regulations.
6.	The Tyre Requirements	The requirements specified in Regulations 60, 65, 68, 107 and 108 of the Construction and Use Regulations and of Regulation 97(1) (in so far as it relates to the condition of the road wheels, to the extent that such condition is likely to lead to a rapid deflation of the tyres of such wheels) of those Regulations.
7.	The Seat Belt and Anchorage Requirements	The requirements specified in Regulations 17 and 102A of the Construction and Use Regulations.
8.	The Windscreen Cleaning Requirements	The requirements specified in Regulations 27, 28 and 103 of the Construction and Use Regulations.
9.	The Exhaust Requirements	The requirements specified in Regulations 30, and 106 of the Construction and Use Regulations, and Regulation 97(1) (so far as it relates to the condition of the piping, attachment brackets and mounting of the exhaust system) of those Regulations.
