**C3.**—(1) A pensionable employee who is on leave of absence from duty in an employment, otherwise than by reason of illness or injury, with reduced remuneration or without remuneration, shall not make any contribution under regulation C2 in respect of the employment for the period of his absence.

(2) Such employee shall for a period of 30 days beginning on the first day of the leave of absence, or for the period of absence if shorter, make contributions to the appropriate superannuation fund of amounts equal to the contributions he would have been required to make under regulation C2 on the remuneration he would have received during that period but for the leave of absence.

(3) If the employee gives notice in writing to the employing authority within the period of 30 days beginning on—

- (a) the day on which he returns to duty, or
- (b) the day on which he ceases to be employed by that authority,

whichever is the earlier, he shall make such contributions as are mentioned in paragraph (2) for the period beginning with the day after the expiration of the period mentioned in paragraph (2) and ending 36 months from the day before the date on which he went on leave of absence, or the period of leave of absence if shorter.

(4) Where the leave of absence was given to enable the employee to serve on a jury in Scotland before any court there, and the absence continues after the expiration of the period of 30 days mentioned in paragraph (2), the employee shall be deemed to have given such a notice as is mentioned in paragraph (3).

#### **Absence due to trade dispute**

**C4.**—(1) This regulation applies to a person who—

- (a) has been absent from duty, otherwise than on leave of absence, for a period of one or more days during and in consequence of a trade dispute, and
- (b) immediately before—
  - (i) the period of absence, or
  - (ii) where two or more periods of absence occurred in consequence of a single trade dispute, the first of those periods,

was a pensionable employee.

- (2) For the purposes of paragraph (1)—
- (a) a person whose contract of employment is terminated in consequence of a trade dispute is, notwithstanding the termination, to be treated as having been absent from duty after the termination if, not later than the day after the end of the trade dispute, he again becomes a pensionable employee of the same scheduled body, and

the amount specified in paragraph (6) is payable in respect of a relevant contribution period to the authority to whom notice was given.

(4) Where all or part of more than one relevant contribution period is included in a relevant absence or relevant absences which occurred in consequence of a single trade dispute, notice given for the purpose mentioned in paragraph (3) in respect of any one of those periods is of no effect unless notice is given in respect of all those periods.

- (c) within such longer period as the employing authority may allow.

(6) The amount mentioned in paragraph (3), is an amount equal to 16% of the difference between—

- (a) the person’s remuneration (if any) for the relevant contribution period, and
- (b) the remuneration he would have received for that period if it had not included any relevant absence or part of a relevant absence.

(7) Notwithstanding anything in regulation C11, but without prejudice to the power of the appropriate administering authority under that regulation to deduct from any payment by way of benefits under these Regulations any sum remaining due on account of an amount payable under this regulation—

- (a) an employing authority shall not accept from a pensionable employee, or deduct from his remuneration, and
- (b) an administering authority shall not recover from a pensionable employee,

in any period of 12 months ending with 5th April, by way of full or part payment of so much of any amount payable under this regulation as is attributable to any relevant absence during that period, any sum which, when aggregated with any such amounts as are mentioned in Schedule 8, would exceed 15% of his remuneration for that period.

(b) includes all or part of a relevant absence;

“remuneration” does not include any guarantee payment under Part II of the Employment Protection (Consolidation) Act 1978<sup>(17)</sup>; and

(4) The previous fund authority may in any particular case extend the period mentioned in paragraph (3).

### **Reduction of returned contributions following payment in lieu of contributions**

**C15.**—(1) Subject to the provisions of this regulation, where a pensionable employee leaves employment in circumstances—

- (a) to which regulation 6 of the Transitional Provisions Regulations does not apply, and
- (b) in which returned contributions are due and a payment in lieu of contributions has previously been made in respect of him in circumstances in which returned contributions were not due,

those returned contributions shall be reduced by a sum equal to the amount, or the aggregate of the amounts, by which under section 60(5) of the Insurance Act (which defines an employer's rights against an insured person in respect of payments in lieu of contributions) they could have been reduced if returned at the time when the previous payment in lieu of contributions was made.

(2) Paragraph (1) shall also apply for the reduction of returned contributions where a payment in lieu of contributions has been made under any insurance code in respect of any period of former employment which is reckonable as service as a pensionable employee if—

- (a) that payment in lieu was made in circumstances not involving the return of any superannuation contributions made by him in that employment; and

and where no superannuation contributions were payable in that employment, any amount returnable in respect of contributions deemed to have been made therein shall be reduced by a sum equal to one half of that payment in lieu.

(3) No payment in lieu of contributions shall be taken into account for the purposes of paragraphs (1) and (2)—

- (a) on more than one occasion; or
- (b) if the payment is one which has been reduced under regulation 13 of the National Insurance (Non-participation—Assurance of Equivalent Pension Benefits) Regulations 1960(21) or any corresponding enactment in force in Northern Ireland or the Isle of Man.

(4) Where the employment of a pensionable employee comes to an end in circumstances to which regulation 6 of the Transitional Provisions Regulations applies, the amount of returned contributions to which he is entitled shall be reduced by any amount which, under section 60 of the Insurance Act as modified by the said regulation 6, the person who has made or is liable to make a payment in lieu of contributions in respect of such employee, or would be so liable had the employee not been assured of equivalent pension benefits, is entitled either to recover from the person liable for the returned contributions or to retain out of the returned contributions.

(5) Where returned contributions are due in the circumstances mentioned in paragraph (1) or paragraph (4) on the cessation of two or more concurrently held employments, the reduction required by that paragraph shall be made by such one of the authorities paying the returned contributions as they may agree or, in default of agreement, as is determined by the Secretary of State, and where those employments were held under the same employing authority, the reduction shall be made in relation only to such one of the employments as is determined by the authority.

(6) Where returned contributions are reduced under paragraph (1) or under section 60(5) of the Insurance Act or the said section 60(5) as modified by regulation 6 of the Transitional Provisions Regulations or under any corresponding provision of the Northern Ireland Act or the Isle of Man Act, any sum so deducted shall not form part of any amount payable to or in respect of him, either as returned contributions or as a benefit ascertained by reference to the amount of the contributions paid by him on the occasion of any later cessation of his employment.

(7) In this regulation “returned contributions” means an amount payable under regulation C12 to or in respect of a pensionable employee by way of a return of contributions.

- (b) if, but for the revocation of the 1974 Regulations, sub-paragraph (ii) of paragraph (6) of regulation E3 of those Regulations (certain cases where local Act provisions had applied before 16th May 1974) would have applied, the date that would have been the relevant date for the purposes of that paragraph.

(10) In calculating any reduction under paragraph (7) or (8), no account shall be taken of any reckonable service in respect of which payment under regulation C8 has or is to be treated as having been completed.

(11) No reduction is to be made under paragraph (8) where the person is a woman in relation to whom this regulation applies as provided in regulation E12 and who has not made any election under regulation E12(1)(b) or (2).

(14) Subject to paragraph (15), where benefits have become payable—

- (a) to a man by virtue of an election under regulation E2(6) or E2(8)(a), or
- (b) to a woman by virtue of regulation E2(6)(c) or E2(8)(b),

(b) in paragraph (5) A, B and C have the same meanings as in paragraph (2)(a), and—

F is the annual rate of remuneration of the concurrent employment on the last day of that employment, and

(3) Subject to paragraphs (4), (5) and (11), while the person holds the new employment the annual rate of the retirement pension is reduced—

(b) in any other case, the annual rate of the retirement pension is reduced by the amount (if any) by which the aggregate of that rate and C exceeds A + B + F + G.

(6) For the purposes of this regulation the annual rate of remuneration of the former employment is, subject to paragraph (7), to be ascertained in accordance with the Table below.

this regulation applies as if he had again entered a new employment.

(11) If this regulation applies to two or more retirement pensions, each is reduced in proportion to its amount.

(12) This regulation does not apply to a person who has become entitled to a retirement pension payable to him in respect of service rendered without a disqualifying break of service—

- (a) as a designated employee and a contributory employee, or
- (b) as a designated employee, a contributory employee and a pensionable employee,

unless, within 3 months after entering his new employment, he elects by notice in writing to the employing authority that it is to apply to him.

(13) Where a person who has become entitled to a retirement pension proposes to accept any further employment with any scheduled body, he shall inform that body that he is so entitled and, if he enters their employment, shall forthwith give notice in writing that he is so employed to the body from whom he receives the pension.

(14) In this regulation, “retirement pension” includes an annual pension under the former Regulations and a retirement pension under the 1974 Regulations.

### **Combined benefits in the case of certain re-employed pensioners**

**E16.**—(1) Subject to paragraph (7), where—

- (a) a person has become entitled to a retirement pension other than one to which he became entitled under regulation E2(2) or one which is reduced under regulation E3(14) (“the first retirement pension”), and
- (b) after becoming so entitled he entered further whole-time local government employment, and
- (c) at any time while he held the further employment the first retirement pension was liable to be reduced or suspended under regulation E15, and
- (d) he has ceased to hold the further employment and has become entitled, in relation to it, to a retirement pension which has become payable (“the second retirement pension”),

he may, by notice in writing given to the appropriate administering authority within 3 months after the date on which the second retirement pension became payable, elect that this regulation is to apply to him.

(2) Subject to paragraphs (4) to (7), a person to whom this regulation applies is to be treated as having, on the date on which the second retirement pension became payable—

- (a) become entitled to payment of an annual retirement pension (“the annual pension”) and a lump sum payment (“the lump sum”) each calculated by reference to both his reckonable service in the further employment and the reckonable service taken into account in calculating the first retirement pension, and
- (b) ceased to be entitled to the first retirement pension and the second retirement pension.

(3) In paragraph (2) “the reckonable service” includes any period by reference to which an additional benefit has been granted under regulation E13 or under regulation 13 of the Benefits Regulations (both of which concern additional benefits for certain female nursing staff).

(4) If in conjunction with the first retirement pension the person received a retiring allowance—

- (a) in calculating the lump sum no account is to be taken of any additional period excluded in accordance with regulation E3(3) from the calculation of the retiring allowance,
- (b) if the lump sum would be the same as or less than the retiring allowance, the person—
  - (i) is not entitled to payment of the lump sum, and
  - (ii) is not entitled to the annual pension unless, within 3 months after giving notice under paragraph (1), he pays to the appropriate administering authority the amount of any difference, and

- (c) if the lump sum is greater than the retiring allowance, the lump sum is reduced by the amount of the allowance.
- (5) If—
- (a) the first retirement pension was, and
- (b) the second retirement pension would have been,
- reduced under Part F of the 1974 Regulations or regulation E32, the annual pension is reduced by the same amount as the first retirement pension.
- (6) If part of the first retirement pension was surrendered under regulation E20—
- (a) the annual pension is to be treated as having been surrendered to the same extent, and
- (b) any resulting pension becoming payable on the person's death is to be paid by the authority by whom the annual pension is payable.
- (7) In relation to a person who—
- (a) before 1st April 1972—
- (i) became entitled to a superannuation allowance under Part I of the Act of 1937 or to an annual pension under the former Regulations, and
- (ii) again became a contributory employee, and
- (b) has not, since he again became a contributory employee, had a disqualifying break of service,

this regulation has effect as if references to the first retirement pension were references to that superannuation allowance or annual pension and references to a retiring allowance were references to a retirement grant under the former Regulations.

### **Separate benefits in the case of certain re-employed pensioners**

- E17.**—(1) This regulation applies to a person who—
- (a) (i) has become entitled to a retirement pension (a “previous pension”), and
- (ii) after becoming so entitled entered further local government employment, and
- (iii) has ceased to hold the further employment and has become entitled in relation to it to a retirement pension (an “additional pension”), and
- (iv) has not become entitled to the annual pension mentioned in regulation E16 (combined benefits), or
- (b) is subject to regulation E18.
- (2) If—
- (a) on the person's ceasing to hold an employment in relation to which he became entitled to a previous pension (a “previous employment”) regulation E2(1)(b)(i) (permanent ill-health) applied, and
- (b) he gave a notice under paragraph 4 of Schedule 10, regulation E3(12) (additional reckonable service) does not apply on his ceasing to hold any further employment.
- (3) If regulation E2(1)(b)(i) did not apply on the person's ceasing to hold a previous employment, but does apply on his ceasing to hold a further employment—
- (a) sub-paragraph (1) of paragraph 2 of Schedule 10 applies with the substitution for the words from “the period specified” to the end of the sub-paragraph of the words

“  $6 \frac{243}{365}$  years , and”

(b) paragraph 4 of Schedule 10 does not apply.

(4) Subject to paragraph (5), if when the person dies paragraph (4) of regulation E11 (death gratuity) applies, it applies with the substitution for the words “is the greater of A and  $(B \times C)$ ” of the words “is  $(B \times C)$ ”.

(5) If the person became entitled to a previous pension or to an additional pension by virtue of regulation E2(1)(c) or (d)—

(a) if P equals or exceeds Q, there is no entitlement under regulation E11 to a death gratuity in relation to the further employment, and

(b) if P is less than Q but  $(P + R)$  is greater than Q, R is reduced by the amount of the excess.

(6) In paragraph (5)

(a) P is the total of—

(i) every death gratuity payable in relation to any previous employment calculated in accordance with regulation E11,

(ii) payments made in respect of every previous pension,

(iii) every retiring allowance to which the person became entitled in conjunction with any previous pension,

(iv) any payments made in respect of the additional pension, and

(v) any retiring allowance to which the person became entitled in conjunction with the additional pension,

including in each case any increase under the Pensions (Increase) Act 1971;

(b) Q is the greater of—

(i) the aggregate obtained by taking for each previous pension the amount of the pensionable remuneration by reference to which it was calculated and the amount by which that amount would have been increased if it had been the rate of an official pension, within the meaning of that Act, beginning on and payable from the day after the last day of the relevant previous employment, and

(ii) the amount of the pensionable remuneration by reference to which the additional pension was calculated; and

(c) R is the amount of the death gratuity calculated in accordance with regulation E11 in relation to the further employment.

(7) In this regulation “retirement pension” includes—

(a) a superannuation allowance under Part I of the Act of 1937,

(b) an annual pension under the former Regulations,

(c) a pension under a local Act scheme, and

(d) a short service grant under regulation 9 of the Benefits Regulations.

### **Adjustment of superannuation rights on death of certain re-employed pensioners**

**E18.**—(1) This paragraph applies where—

(a) a person was entitled to a retirement pension other than one which was reduced under regulation E3(14),

(b) after becoming so entitled he entered further local government employment,

(c) he dies in the further employment, and

(d) if he had then ceased to be employed otherwise than by reason of his death he would have been entitled to give notice under regulation E16 (combined benefits).

(2) Where paragraph (1) applies—

- (a) any benefits payable in respect of the person (except any widow's short-term pension or children's short-term pension) are to be calculated, and
- (b) any surrender of part of a retirement pension has effect,

as if immediately before his death he had become entitled to benefits under regulation E16 or E17, whichever is the more favourable to the person entitled to receive the benefits payable.

(3) Where—

- (a) a person was entitled to a superannuation allowance under Part I of the Act of 1937 or an annual pension under the former Regulations or a pension under a local Act scheme,
- (b) after becoming so entitled he entered further local government employment,
- (c) the pension or allowance was on that account reduced or suspended, and
- (d) he dies in the further employment,

any benefits payable in respect of him (except any widow's short-term pension or children's short-term pension) are to be calculated as if immediately before his death he had become entitled to benefits under regulation E17 (separate benefits).

#### **Benefits of certain persons employed before 16th May 1974**

**E19.** In relation to a pensionable employee who is a person to whom regulation E19 of the 1974 Regulations applied but who did not make an election under that regulation, this Part applies—

- (a) if paragraph (1)(b)(i) of that regulation (no previous right to retiring allowance or widow's pension) applied to him, subject to the modifications set out in Parts I and III of Schedule 12, or
- (b) if paragraph (1)(b)(ii) of that regulation (no previous right to widow's pension) applied to him, subject to the modifications set out in Parts II and III of Schedule 12.

#### **Surrender of part of retirement pension**

**E20.**—(1) This regulation has effect subject to Schedule 13.

(2) A person who—

- (a) has become entitled to receive payments in respect of a retirement pension, or
- (b) is a pensionable employee and has attained pensionable age,

may surrender as from the relevant date, in favour of his spouse or any dependant of his ("the beneficiary"), a part of the retirement pension which is or, as the case may be, may become payable to him.

(3) For the purposes of this regulation the relevant date is the date of becoming entitled to receive payments in respect of the retirement pension; and if the person dies while a pensionable employee he is to be treated as having become so entitled immediately before he died.

(4) An annual pension at a rate which is (according to tables to be prepared from time to time by the Government Actuary) actuarially equivalent at the relevant date to the value of the surrendered part of the retirement pension becomes payable to the beneficiary on the person's death.

(5) A person who has surrendered part of a retirement pension may surrender further parts of it.

#### **Power to compound certain small pensions**

**E21.**—(1) Where—

- (a) a pensionable employee has become entitled to a retirement pension or pensions and has attained the age of 65 years in the case of a man or 60 years in the case of a woman; and
- (b) the annual rate of that pension or the aggregate of the annual rates of those pensions, including the amount of any pensions increase payable thereon under the Pensions (Increase) Act 1971(26), the Pensions (Increase) Act 1974 or the Pensions Act, does not exceed £78,

the administering authority may discharge their liability in respect of—

- (i) that pension or those pensions; and
- (ii) if the pensionable employee is a male—
  - (A) the widow's long-term pension which, in the event of his dying leaving a widow, would be payable to her in respect of his reckonable service; and
  - (B) the children's long-term pension which, in the event of his dying leaving an eligible child or eligible children, would be payable to or for the benefit of his eligible child or eligible children in respect of his reckonable service,

by payment to the pensionable employee of a lump sum of such amount as represents the capital value of the pensions mentioned in sub-paragraphs (i) and (ii) above, calculated in accordance with tables prepared by the Government Actuary.

(2) For the purposes of paragraph (1) a pensionable employee who ceases to be employed in the circumstances mentioned in regulation E2(1)(c) or who satisfies the requirements of regulation E2(1)(d) shall not be treated as having become entitled to a retirement pension until the date (if any) on which he becomes entitled to receive payments in respect of that pension.

(3) Where the annual rate of the widow's long-term pension or pensions payable to a widow does not exceed in total £104, including the amount of any pensions increase payable thereon under the Pensions (Increase) Act 1971, the Pensions (Increase) Act 1974 or the Pensions Act, the administering authority may discharge their liability in respect of that pension or those pensions by payment to the widow of a lump sum of such amount as represents the capital value of that pension or pensions, calculated in accordance with the tables mentioned in paragraph (1).

(4) Where the annual amount of the children's long-term pension payable to or for the benefit of an eligible child or eligible children does not exceed £104, the administering authority may discharge their liability in respect of that pension by payment of a lump sum of such amount as represents the capital value of that pension, calculated in accordance with the tables mentioned in paragraph (1).

### **Pensionable remuneration**

**E22.**—(1) Subject to paragraphs (4) and (6) to (13) and regulations E23 (further provision as to pensionable remuneration) and G1 (certain former contributory employees), a person's pensionable remuneration in relation to a local government employment is his remuneration for so much of the relevant period as he is entitled to reckon as reckonable service in relation to that employment.

(2) Subject to paragraphs (3), (4) and (5), for the purposes of this regulation the relevant period is the year ending with the day on which the person ceases to hold the employment or, if earlier, the day on which he becomes entitled to reckon 45 years as reckonable service in relation to the employment, disregarding reckonable service before attaining the age of 60 years beyond a total of 40 years.

(3) Subject to paragraphs (4) and (5), where—

- (a) the person is not entitled to reckon the whole of the period specified in paragraph (2) as reckonable service because he has been absent from duty otherwise than by reason of illness or injury, and

(b) this paragraph applies to him by virtue of a notice or determination, the relevant period comprises the last 365 days which he is entitled to reckon as reckonable service.

(4) Where a person's remuneration has been reduced and the employing authority have certified under regulation E24 that the reduction in his remuneration was in consequence of a material change in his circumstances, then the relevant period is—

- (a) if the reduction occurred during the 13 years ending with the day mentioned in paragraph (2), either—
  - (i) such one of the last 5 of those 13 years, or
  - (ii) such consecutive 3 of those 13 years, as is specified in the notice or determination, or
- (b) if the reduction occurred during the last 5 of those 13 years, such one of those 5 years as is specified in the notice or determination;

and where by virtue of this paragraph the relevant period is a period of 3 consecutive years, the person's pensionable remuneration is the aggregate of his remuneration during that period divided by 3.

(5) Where—

- (a) the relevant period would otherwise be the period specified in paragraph (2), and
- (b) either one or each of the 2 immediately preceding years would yield a higher amount of pensionable remuneration, and
- (c) this paragraph applies to the person by virtue of a notice or determination,

the relevant period is the year which yields the highest amount.

(6) If during the 13 years ending with the day mentioned in paragraph (2) the person's remuneration was reduced or suspended during absence from duty by reason of illness or injury, he is for the purposes of this regulation to be treated as having received the remuneration which he would have received but for the reduction or suspension.

(7) If during the 13 years ending with the day mentioned in paragraph (2) the person's remuneration was reduced or discontinued during absence from duty otherwise than by reason of illness or injury and he—

- (a) made contributions under regulation C3 (leave of absence) or a payment under regulation C4 (absence due to trade dispute), or
- (b) contributed under section 6(5) of the Act of 1937 (leave of absence etc.),

he is for the purposes of this regulation to be treated as having received for any period in respect of which he made such contributions or payment the remuneration which he would have received but for the reduction or discontinuance.

(8) The remuneration of any period of part-time local government service shall be treated as being the remuneration the person would have received in respect of a single comparable whole-time employment except for—

- (a) the purposes of calculating any benefit attributable to any added years or additional period reckonable under regulation D10 of the 1974 Regulations, or regulations D4 or D5,
- (b) the purposes of regulation E6(1)(b) and (c), E7 and E10, or
- (c) ascertaining the value of "A" for the purposes of regulation E11(4).

(9) Where immediately before ceasing to be a pensionable employee a person was in the employment in respect of which he was an employee and was required to serve for fewer than 45 weeks in every period of 12 months, his remuneration shall be deemed to be the remuneration which

would have been paid for a single comparable whole-time employment in which remuneration was payable for 52 weeks in every period of 12 months except for—

- (a) the purposes of calculating any benefit attributable to any added years or additional period reckonable under regulation D10 of the 1974 Regulations, or regulations D4 or D5,
- (b) the purposes of regulation E6(1)(b) and (c), E7 and E10, or
- (c) ascertaining the value of “A” for the purposes of regulation E11(4).

(10) Where—

- (a) the person was at any time employed in a single local government employment (“the first employment”), and
- (b) he becomes entitled to a benefit in relation to one of two or more concurrent local government employments (“the second employment”), and
- (c) his remuneration in the first employment becomes material for the purposes of calculating that benefit,

that remuneration is for that purpose to be multiplied by

$$\frac{A}{B}$$

, where A is the annual rate of remuneration of the second employment at the date of cessation and B is the total of the annual rates of remuneration of all the concurrent employments at that date.

(11) Where the whole or a part of the person’s remuneration consisted of fees, his pensionable remuneration in respect of them is the annual average of the fees earned by him—

- (a) during the period of 3 years ending with the last day of the relevant period, or
- (b) during such more favourable period, of more than 3 but not more than 5 years, as his last employing authority may allow, or
- (c) if he was entitled to receive fees during part only of the period mentioned in subparagraph (a), during that part of the period.

(12) Where the person is entitled to reckon as reckonable service, in relation to the employment which he ceases to hold, only part of the period specified in paragraph (2), his pensionable remuneration is his remuneration during that part multiplied by

$$\frac{365}{A}$$

, where A is the number of days comprised in that part.

(13) Where—

- (a) any part of the person’s remuneration during the relevant period was determined in accordance with an agreement under regulation G3 (standard remuneration agreements), and
- (b) his average weekly earnings from his local government employment in that period (other than payments for overtime and payments by way of bonus) exceed one and a half times the lower earnings limit, but do not exceed the upper earnings limit, in force under section 4(1) of the Social Security Act 1975(27) at the end of the period, and
- (c) his pensionable remuneration would be greater if determined by reference to those earnings,

his pensionable remuneration is to be determined by reference to those earnings.

---

(27) 1975 c. 14; section 4(1) was amended by the Social Security Pensions Act 1975 (c. 60), Schedule 4, Part I, paragraph 36(a).

(14) References in this regulation to a notice are references to a notice in writing given by the person to the appropriate administering authority not later than one month after he is notified under regulation N7 of his entitlement to a benefit.

(15) References in this regulation to a determination are references to a determination given by the appropriate administering authority in respect of a person who has died while still in local government employment or without having given a notice.

### **Further provision as to pensionable remuneration**

**E23.**—(1) This regulation applies to a person who has at any time after 31st March 1978 ceased to hold an employment in which he was a pensionable employee and who—

- (a) was at a material time a person whose remuneration fell to be determined by reference to the Scottish Teachers Salaries Memorandum 1978, as from time to time amended, or
- (b) was affected by a staging agreement.

(2) A person who has ceased to hold an employment as mentioned in paragraph (1) is affected by a staging agreement if—

- (a) there has been an agreement or award—
  - (i) which, whether before or after he ceased to hold his employment, gave rise to rights enforceable by every member of a class or description of employees to which he belonged at a material time, and
  - (ii) which, whether or not it entitled him to any interim increase, entitled him, or would if he had not ceased to hold his employment have entitled him, in that employment to the payment of remuneration from a specified date at an increased rate (“the final rate”) which was either specified in or to be determined by a method or in a manner specified in the agreement or award, and
  - (iii) under the terms of which either the final rate or any interim increase became payable on or before 1st January 1980;
- (b) but for considerations of economy the final rate would have been payable from a date (“the relevant date”) earlier than the date mentioned in sub-paragraph (a)(ii); and
- (c) his remuneration at a material time was less than it would have been if the final rate had become payable from the relevant date.

(3) Subject to paragraph (4), where this regulation applies to a person the amount of any remuneration that is material for the purpose of regulation E22 shall for those purposes—

- (a) where paragraph (1)(a) applies, be taken to be what it would have been on the hypotheses set out in regulation 3(2) of the Teachers' Superannuation (Notional Salaries) (Scotland) Regulations 1982(28), and
- (b) where paragraph (1)(b) applies, be taken to be what it would have been if the final rate had become payable from the relevant date.

(4) Paragraph (3) does not apply to the calculation of a person’s pensionable remuneration for the purposes of regulations E6(1)(b) or (c), E7 and E10.

(5) For the purposes of this regulation—

- (a) a material time is a time material for the purpose of calculating the person’s pensionable remuneration under regulation E22,

- (b) in paragraph (1)(a) the reference to the Scottish Teachers Salaries Memorandum 1978 is a reference to the document published by Her Majesty's Stationery Office on 14th December 1978 under that title, and
- (c) a class or description of employees may include persons who neither are nor are deemed to be employees of a scheduled body.

(6) In relation to a person to whom regulation G1 applies, any reference in this regulation to regulation E22 is to be construed as a reference to regulation E22 as it has effect in relation to him by virtue of regulation G1.

### **Certificates as to reduction in remuneration**

**E24.**—(1) Where a pensionable employee other than a person who is a pensionable employee by virtue of an election under regulation 53 suffers a material change in circumstances (being a change resulting from his incapacity to continue to discharge efficiently the duties of his post or otherwise from circumstances beyond his control) which results in a reduction in the remuneration of an employment which he continues to hold, he shall, subject to paragraph (4), be entitled to be issued by the employing authority with a certificate to that effect.

(2) Subject to paragraph (3), a change in circumstances is material if, and only if, the employee's pensionable remuneration would be likely to be less if the relevant period were the period specified in regulation I22(2) than if it were a period mentioned in regulation E22(4).

(3) A change in circumstances is not material if—

- (a) it did not result from circumstances beyond the employee's control, or
- (b) it was temporary, or
- (c) it consisted in the termination of, or a reduction in, a temporary increase in remuneration.

(4) The employing authority may issue a certificate without an application from the employee, but need not issue a certificate if he does not apply for one within 12 months after the date of the reduction.

(5) A certificate issued under this regulation is to specify the date of the material reduction and the authority are to keep, for 10 years from that date, a record of the certificate including such information as would be necessary for applying regulation E22(4).

### **Calculation of part-time service**

**E25.** For the purposes of calculating the amount of any benefit which is or will become payable under these Regulations other than under regulation E3(4) to or in respect of a pensionable employee who—

- (a) has served as a part-time employee, or
- (b) who has made an election under regulation 53 but is not an employee whose contract of employment requires him to serve for less than 45 weeks in every period of 12 months,

the period of part-time service shall be treated as though it were whole-time service for a proportionately reduced period.

### **Calculation of service in certain other cases**

**E26.**—(1) For the purposes of calculating the amount of any benefit under these Regulations which is or will become payable to or in respect of a pensionable employee, being an employee whose contract of employment requires him to serve for fewer than 45 weeks in every period of 12 months, the period of service in each income tax year during which he was a pensionable employee by virtue of an election under regulation 53 shall be multiplied by

$$\frac{A}{B},$$

where—

A is the remuneration he would have received during the income tax year on the assumption that there had been no discontinuance or reduction of remuneration during any absence from duty owing to illness or injury, and

B is the remuneration that would, on that assumption, have been paid during the income tax year in respect of a single comparable whole-time employment under a scheduled body in which remuneration was payable for 52 weeks in every period of 12 months.

(2) For the purposes of paragraph (1) “service” includes any period of time covered by the contract of employment but not a period of absence without leave.

### **Counting of non-contributing service**

**E27.**—(1) Subject to paragraph (3), any period which—

- (a) is reckonable as reckonable service by virtue of its having been reckonable under the former Regulations as non-contributing service, and
- (b) does not fall to be treated as having been reckonable as contributing service,

shall for the purposes of these Regulations be counted at half its full length.

(2) For the purposes of paragraph (1), the full length of a period of part-time non-contributing service is its length as calculated under regulation E25.

(3) This regulation does not apply for the purpose of—

- (a) determining whether a person is entitled to, or to payment of, a benefit,
- (b) ascertaining, where notice was given under Schedule 2 to the Benefits Regulations or regulation D6 or D7 of the 1974 Regulations, the maximum length of any additional period to which Schedule 4 applies, or
- (c) ascertaining the length of the additional period where notice is given under paragraph 4 of Schedule 10.

- (d) except in relation to regulation E2(2), any period reckonable by virtue of regulation J9(1) (a).

### **Counting of certain reckonable service and qualifying service in determining entitlement to benefits**

**E29.** For the purpose of determining whether a person is entitled to, or to payment of, a benefit, any reckonable service and qualifying service which was reckonable for the purpose of determining entitlement to benefits under the former Regulations shall be counted at the same length as it would have been counted for the latter purpose.

### **Disregard of certain reckonable service in calculating amount of benefits**

**E30.**—(1) For the purpose of calculating the amount of any benefit under regulation E3—

- (a) subject to paragraphs (2) to (4), no account shall be taken of reckonable service before attaining the age of 60 years beyond a total of 40 years, and
- (b) where an amount is recovered or retained under regulation M3, reckonable service shall be left out of account to the extent necessary to reduce the actuarial value referred to in regulation M3(2)(b) by that amount.

(2) For the purposes of paragraph (1)(a), a period which a person is entitled to reckon as reckonable service by virtue of regulation F6(1)(a) or (b) (war service) shall be treated as reckonable service before attaining the age of 60 years.

(3) Where a retiring allowance is to be reduced under regulation E3(7) or (8) (potential widow's pensions), any reckonable service to be left out of account by virtue of paragraph (1)(a) shall be taken from the beginning of the person's reckonable service.

(4) Where a retiring allowance is to be increased under regulation E3(4) (preservation of certain rights under former Regulations), any reckonable service to be left out of account by virtue of paragraph (1)(a) shall be taken from the end of the person's reckonable service.

(5) Where  $A + B + C$  exceeds 45 years, for the purpose of calculating any benefit A is reduced by a period equal to the excess.

(6) In paragraph (5)—

A is the total length of the periods reckonable as reckonable service in relation to the relevant employment, excluding any service which is to be left out of account by virtue of paragraph (1) (a),

B is the length of any earlier period which was taken into account in the calculation of a retirement pension, an annual pension under the former Regulations, or a superannuation allowance under Part I of the Act of 1937, or in respect of which any pension was granted under a local Act scheme, and

C is the length of any period by reference to which an additional benefit has been granted under regulation E13 or under regulation 13 of the Benefits Regulations.

### **Counting of certain reckonable service in calculating amount of benefits**

**E31.** For the purpose of calculating the amount of any benefit—

- (a) any period which is reckonable as reckonable service by virtue of its having been reckonable under the former Regulations as contributing service shall, subject to regulations E25 and E27 (part-time and non-contributing service), be counted at the same length as it would have been counted for the purpose of calculating any benefit under the former Regulations, and
- (b) such part (if any) of the reckonable service of an employee as does not amount to a number of complete years shall be counted as a fraction of a year, of which the denominator shall be 365 and the numerator shall be the number of completed days comprised in that part.

### **National Insurance**

**E32.**—(1) Where but for the revocation of the 1974 Regulations the amount of a benefit would have fallen to be reduced under Part F of those Regulations, the amount shall be reduced as if that Part had not been revoked.

(2) No provision in these Regulations—

- (a) for the surrender or assignation of a pension, or

- (b) for the reduction, termination or suspension of a pension, where the provision is invoked for any cause other than one prescribed by Regulations made or deemed to have been made under section 57(1)(c) of the Insurance Act (which section describes equivalent pension benefits),

shall apply so as to reduce a pension payable in respect of any period of service to an employee who attains state pensionable age below the minimum rate of equivalent pension benefits applicable in respect of that period under the Insurance Acts.

- (b) to a person who had ceased to be a contributory employee or local Act contributor before 1st April 1972 and had become so subject before the appointed day;

and shall apply to such a person who left his overseas employment and entered other overseas employment, whether or not he gave notice of the change of employment to the first fund authority or there was a break of more than 12 months between the overseas employments and who had not—

- (i) again become a contributory employee or a local Act contributor, or
- (ii) received any benefit under rule 6 of the Rules of 1969.

(2) Subject to paragraph (3), where a person, to whom this regulation applies, becomes a pensionable employee then, notwithstanding that there may have been a break of more than 12 months between his ceasing his overseas employment and becoming a pensionable employee, he shall be entitled—

- (a) to reckon as reckonable service—

  - (ii) any service, employment or period which he would have been entitled to reckon as service (or a period of contribution) for the purpose of calculating a benefit payable to him under a local Act scheme if at the date on which he ceased to be a local Act contributor he had been entitled to a benefit payable under that scheme;
- (b) to reckon as qualifying service—
  - (i) any service, employment or period which immediately before he so ceased he was entitled under or by virtue of the former Regulations or any other enactment to reckon either for the purpose of determining whether he was entitled to receive a benefit under the former Regulations or, as the case may be, for the purpose of determining whether he was entitled to a benefit under a local Act scheme, but for no other purpose, and
  - (ii) any period of overseas employment;
- (c) where he gives notice in writing to the new fund authority, to aggregate the service he is entitled to reckon as reckonable or qualifying service by virtue of this regulation with any other service he is entitled to reckon as reckonable or qualifying service respectively by reason of the employment in respect of which he became a pensionable employee for the first time; and
- (d) for the purpose of these Regulations to be regarded as if he had ceased to be a contributory employee or a local Act contributor immediately before 16th May 1974 and became a pensionable employee on that day but, for the purpose of observing any time limit related to the appointed day of the 1974 Regulations, the appointed day shall be taken to be the date on which he became a pensionable employee for the first time:

Provided that nothing in this paragraph shall entitle any person to reckon as reckonable service any period between the date he ceased to be a contributory employee or a local Act contributor and became for the first time a pensionable employee, or to reckon as qualifying service any period between those dates other than service in overseas employment.

(4) Where a person gives notice in terms of paragraph (2)(c) and pays any amount required by paragraph (3) and the first fund authority and the new fund authority are not the same authority, then the first fund authority shall pay to the new fund authority a transfer value in accordance with the provisions of regulation Q2(1).

(5) Where a person to whom this regulation applies does not become a pensionable employee, then where he is, or but for the revocation of the Rules of 1969 would be, entitled to a benefit under rule 6 of the Rules of 1969 he shall, notwithstanding the revocation of the Rules of 1969, continue to be entitled to that benefit and the said benefit shall become payable without any requirement that he ceases to be in his overseas employment, but nothing in this paragraph shall entitle a person to reckon any service as reckonable service under regulation D1.

(6) Where a person to whom this regulation applies—

- (f) has not received a refund of contributions, or has received a refund of contributions and either previously repaid such a refund, or within one month of giving notice under this regulation makes payment to the first fund authority of an amount equal to the refunded contributions (other than voluntary contributions) together with a like sum of interest as he would have had to pay had the repayment of refunded contributions been made under paragraph (3) of this regulation,

he shall be entitled to receive a benefit (not being a refund of contributions) calculated on the basis of the former Regulations or the appropriate local Act scheme, and the Rules of 1969 as they applied to that person at the time he ceased to be a contributory employee or a local Act contributor, but nothing in this paragraph shall entitle a person to reckon any service as reckonable service under regulation D1.

(7) This regulation shall apply to any person to whom rule 16 of the Rules of 1969 applied as if, in any paragraph other than this paragraph, there were substituted for any reference to the Rules of 1969 a reference to the Superannuation (Local Government and Overseas Employment) Interchange (Scotland) Rules 1958(45) and for any reference to rule 6 of the Rules of 1969 a reference to rule 5 of the said Rules of 1958.

(8) Notwithstanding regulation J2(5)(d) or Part Q, where before 5th September 1984 there was paid a transfer value under Part P or Part Q of the 1974 Regulations in respect of a person to whom this regulation applies and that transfer value took no account of any additional reckonable service to which that person is entitled by virtue of this regulation, an additional transfer value shall be paid in respect of that person as regards the said additional reckonable service calculated in accordance with the provisions of Part J or Part Q as the case may be.

### **Inward transfers**

**J8.**—(1) Subject to paragraphs (5) and (6), a transfer value offered to a person's fund authority by the scheme managers of his previous non-local government scheme shall be accepted by them and shall, together with the amount of any limited revaluation premium under section 45 of the Pensions Act repaid to the fund authority by the Secretary of State, be credited to their superannuation fund if the conditions specified in paragraph (3) are satisfied.

(2) This regulation applies even if the cessation of the non-local government employment, or the commencement of the local government employment, or both the cessation and commencement, occurred before 21st December 1987.

(3) The conditions are that—

- (a) except where the transfer value is offered as mentioned in paragraph (5)(a) and is in respect of such a period as is mentioned in paragraph (5)(b), or relates only to service reckonable under the war service provisions of a public service scheme, he has made a written request to his fund authority for the transfer value to be accepted, and
- (b) subject to paragraph (4), the request was made not later than 6 months after 21st December 1987 or, if later, 6 months after the date on which he became employed in his local government employment, and

- (5) A transfer value which—
  - (a) is offered by the scheme managers of a public service scheme in relation to a person in relation to whom a transfer value was accepted and received before 1st April 1978, and

shall not be accepted unless it is one calculated in accordance with Part V of Schedule 16.

- (6) A transfer value under paragraph (1) shall not be accepted in relation to a person if—
  - (a) his non-local government employment was contracted-out employment for the purposes of the Pensions Act, and
  - (b) his non-local government scheme was not a statutory scheme or a scheme which is to be treated for the purposes of Schedule 17 as being a statutory scheme, and

    - (ii) where equivalent pension benefits were, but would not remain, assured by his non-local government scheme, the annual rate of those benefits.

- (a) he shall, subject to regulation J10, be entitled to reckon as reckonable service a period calculated in accordance with Schedule 17 for all purposes of these Regulations except that of determining whether there is any entitlement to benefit (other than any benefit under regulation E2(2)), and

- (b) he shall be entitled to reckon as qualifying service any service to which the transfer value relates which would not otherwise be qualifying service.
- (2) A period reckonable under paragraph (1)(a) shall be treated as reckonable service after 31st March 1972 for the purposes of making any calculation under these Regulations.
- (3) Service reckonable under paragraph (1)(b) shall count at its actual length.

$$X = \frac{A}{B} \times C,$$

**J11.**—(1) Where a person to whom regulation 18 applies ceases to be employed in his local government employment in circumstances in which there is payable to him under regulation C12(4) an amount by way of return of contributions (with or without interest), then, in calculating that amount, the amount of the contributions paid by him shall be deemed to be increased by the aggregate of the following two sums:—

- (i) if his non-local government scheme contains provision for return of contributions, such sum as would have been payable by way of a return of contributions, including interest (if any), under his non-local government scheme at the date of payment of the transfer value received under regulation J8(1) had that transfer value not been paid, and
- (ii) such sum as was paid by him by way of superannuation contributions during the period which has become reckonable as reckonable service under regulation J9 which has not been taken into account under sub-paragraph (i).

(2) under regulation C12(4) the amount payable by way of return of contributions is a sum equal to the amount of a person's contributions with compound interest thereon, compound interest shall also be payable on the amount by which those contributions are increased under paragraph (1) above, calculated in the manner described in regulation C12(4)(b) in respect of the period from the date of payment of the transfer value.

(4) The reduction shall take effect on the date when a retirement pension becomes payable unless the person has not then reached pensionable age within the meaning of the Social Security Act 1975, in which case the reduction shall take effect on the date on which he reaches that age.

### **Certain persons who become subject to certain other superannuation schemes**

**J13.**—(1) Subject to the conditions in paragraph (2) being satisfied, this regulation applies to a person—

- (c) the birthday immediately prior to the date on which he would attain pensionable age.

**9.** Additional contributions are to be paid, at such intervals as the appropriate administering authority may determine, from the employee’s birthday next following the date of the election.

## PART IV

### UNCOMPLETED PAYMENTS

**10.** This Part applies where an employee has under regulation C8 elected to make payment by instalments or by way of additional contributions and has commenced payment, but before, as the case may be—

- (a) the date specified under paragraph 4, or
- (b) the birthday specified under paragraph 8,

a relevant event occurs.

**11.** The relevant events are—

- (a) the discontinuance of payment under regulation C8(11), and
- (b) where there has been no such discontinuance of payment—
  - (i) the employee’s ceasing to hold his employment by reason of permanent ill-health or infirmity of mind or body,
  - (ii) the death of the employee while in local government employment, or
  - (iii) the employee’s ceasing to hold his employment for any reason other than that specified in sub-paragraph (i) or (ii) above.

**12.** Where the relevant event is the discontinuance of payment under regulation C8(11), the period of reckonable service in respect of which the election was made is to be treated as having been

$$\frac{A \times B}{C},$$

where—

A is the length of the period during which instalments or additional contributions have been paid,

B is the length of the period of reckonable service in respect of which the election was made, and

C is the length of the period during which, under Part II or Part III, instalments or additional contributions were to have been paid,

each period being expressed in complete years and any fraction of a year.

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

**13.** Where the relevant event is—

- (a) the death of the employee, or
- (b) his ceasing to hold his employment by reason of permanent ill-health or infirmity of mind or body,

he is to be treated as having completed payment in accordance with Part II or, as the case may be, Part III.

**14.—**(1) Where the relevant event is the employee's ceasing to hold his employment in any other circumstance, he may within 3 months of so ceasing elect to pay to the appropriate superannuation fund within the period specified in sub-paragraph (2) the actuarial equivalent of the balance of contributions or instalments outstanding and shall in that event be treated as having completed payment in accordance with Part II or, as the case may be, Part III.

(2) The period for making a payment under sub-paragraph (1) is the period of one month beginning on the date on which the person is notified by the appropriate administering authority of the amount calculated as mentioned in that sub-paragraph.

**15.—**(1) Where the employee ceases to hold his employment and neither paragraph 13(b) nor paragraph 14 applies he is, unless sub-paragraph (2) applies, to be treated as if paragraph 12 (discontinuance of payment) had applied.

(2) This sub-paragraph applies where the employee—

- (a) elected under regulation C8 to make payment by way of additional contributions, and
- (b) has within 12 months after ceasing to hold his employment again entered local government employment, without having—
  - (i) become entitled in relation to the first employment to the payment of any benefit, or
  - (ii) elected to receive a payment under regulation C12(4) (return of contributions), or
  - (iii) made a request for earlier payment under regulation C12(7)(b), and
- (c) has not made an election for the purposes of regulation E2(9)(c) (retention of right to preserved benefits), and
- (d) within 3 months after his again entering local government employment pays to his new employing authority an amount equal to any additional contributions that would have been payable if he had not ceased to hold the first employment.

(3) Where sub-paragraph (2) applies, the election under regulation C8 continues to have effect as if the relevant event had not occurred.

## SCHEDULE 7

Regulation C9(4)

### OUTSTANDING PAYMENTS UNDER 1974 REGULATIONS

**1.** Paragraphs 2 to 7 apply while any amount is outstanding in respect of payments under regulation D6, D7 or D8 of the 1974 Regulations which remain payable by virtue of regulation C9(4) of these Regulations.

**2.** Compound interest, calculated at the rate of 3% per annum with half-yearly rests, is payable on the amount for the time being outstanding.

**3.** If a benefit calculated by reference to the length of the employee's reckonable service becomes payable to or in respect of him, the amount outstanding is to be recovered by deducting it from any amount payable by way of benefits.

4. If benefits become payable to or in respect of the employee under these Regulations but none of them is calculated by reference to the length of his reckonable service, the amount outstanding ceases to be payable.

5. Subject to paragraphs 6 and 7, if the employee ceases to hold his employment and no benefit becomes payable to him, the amount then outstanding ceases to be payable.

6. If the employee becomes entitled to preserved benefits and does not elect to receive a payment under regulation C12(4) (return of contributions), he may, by notice in writing given to his employing authority within 3 months after becoming entitled to those benefits, elect to pay in a lump sum to that authority the amount outstanding.

7.—(1) If the employee ceases to hold his employment and—

- (a) no benefit becomes payable to him, and
- (b) he has paid all the instalments due up to the date when he ceased to hold his employment, and
- (c) within 12 months after that date he has again entered local government employment, without having—
  - (i) elected to receive a payment under regulation C12(4), or
  - (ii) made a request for earlier payment under regulation C12(7)(b),

he may, subject to sub-paragraphs (2) and (3), pay the amount outstanding as if he had not ceased to hold the first employment.

(2) The amount outstanding is payable to the new employing authority or, where there are more than one, among them in the proportions which the employee's remuneration in each of the employments bear to the aggregate of his remuneration in all the employments.

(3) An apportionment under sub-paragraph (2) takes effect as if the employee had entered all the employments to which it relates on the date on which he entered the first of them, and any payments made by him under this paragraph before the apportionment are to be adjusted accordingly.

## SCHEDULE 9

Regulation D5

### UNCOMPLETED PAYMENT OF ADDITIONAL CONTRIBUTIONS

1. This Schedule applies where an employee has made an election under regulation C6 (periodical payments to increase reckonable service) and has commenced payment, but before he attains pensionable age a relevant event occurs and any payment made to him under regulation C12 (return of contributions) does not include the amount already paid by him under regulation C6(3).

2. The relevant events are—

- (a) the discontinuance of payment under regulation C6(5), and
- (b) where there has been no such discontinuance of payment—
  - (i) the employee's ceasing to hold his employment, and
  - (ii) the death of the employee while in local government employment.

3. Where the relevant event is the discontinuance of payment under regulation C6(5), the employee is entitled to reckon as reckonable service an additional period of

$$\frac{A \times B}{C},$$

where—

- A is the length of the period during which additional contributions have been paid,
- B is the length of the additional period in respect of which the election was made, and
- C is the length of the period during which, under regulation C6(3), the additional contributions were to have been paid,

each period being expressed in complete years and any fraction of a year.

4. Where the relevant event is—

- (a) the death of the employee, or
- (b) his ceasing to hold his employment by reason of permanent ill-health or infirmity of mind or body,

he is to be treated as having completed payment in accordance with regulation C6(3).

5.—(1) Where the relevant event is the employee's ceasing to hold his employment, and—

- (a) he then, by virtue of the satisfaction of condition (a) or (b) in regulation E2(4), becomes entitled to benefits under regulation E2(1)(b)(iii), and
- (b) he gives notice in writing for the purpose to the appropriate administering authority within the period of 3 months beginning on the day after the last day of his employment,

he may pay to the appropriate superannuation fund within the period specified in sub-paragraph (2) the actuarial equivalent of the balance of his contributions due, and shall in that event be treated as having completed payment in accordance with regulation C6(3).

(2) The period for making a payment under sub-paragraph (1) is the period of one month beginning on the date on which the person is notified by the appropriate administering authority of the amount calculated as mentioned in that sub-paragraph.

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

- 6.—(1) Where the relevant event is the employee’s ceasing to hold his employment and neither paragraph 4(b) nor paragraph 5 applies, he is, unless sub-paragraph (2) applies, to be treated as if paragraph 3 (discontinuance of payment) had applied.
- (2) This sub-paragraph applies where the employee—
- (a) has within 12 months after ceasing to hold his employment again entered local government employment, without having—
    - (i) become entitled in relation to the first employment to the payment of any benefit, or
    - (ii) received any payment under regulation C12(4) (return of contributions) which includes the amount already paid by him under regulation C6(3), or
    - (iii) made a request for earlier payment under regulation C12(7)(b), and
  - (b) has not made an election for the purposes of regulation E2(9)(c) (retention of right to preserved benefits), and
  - (c) within 3 months after his again entering local government employment pays to his new employing authority an amount equal to any additional contributions that would have been payable if he had not ceased to hold the first employment.
- (3) Where sub-paragraph (2) applies, the election under regulation C6 continues to have effect as if the relevant event had not occurred.

SCHEDULE 10

### PROCEDURE

3. Upon a person's first becoming eligible to notify his wish to surrender part of his retirement pension the appropriate administering authority shall send him a notice stating that provision has been made by these Regulations for the surrender of part of a retirement pension to a spouse or dependant and informing the person to whom the notice is addressed that he may on application to the authority obtain further information on the subject.

4. Where a person wishes to make a surrender he may—
- (a) in the case of a pensionable employee who on ceasing to hold his employment becomes entitled to a retirement pension (in this Schedule referred to as “a retiring employee”), not more than 2 months before or within one month after the date on which he ceases to be employed; and
  - (b) in the case of a pensionable employee who would, if he were to retire from his employment, become entitled to a retirement pension (in this Schedule referred to as “a continuing employee”), within 2 months before or at any time after becoming a continuing employee and while he is still employed;

notify his desire to surrender a part of that retirement pension by completing a copy of the form specified at the end of this Schedule, or a form to the like effect, and sending it to the appropriate administering authority:

Provided that where the appropriate administering authority are satisfied that it has not been reasonably practicable for a retiring employee to notify his desire to surrender a part of a retirement pension within the time limit imposed by sub-paragraph (a) owing to circumstances beyond his control, they may at their discretion extend that limit to a date not more than 6 months after the date on which he ceases to be employed.

5. On receipt by the appropriate administering authority of a notification given by a person under paragraph 4, that authority shall—
- (a) forthwith arrange for the person to be examined by a registered medical practitioner nominated by them and for a report to be given to them by the practitioner stating whether, in his opinion, the person is in good health, regard being had to his age; and if the opinion stated in such report is that the person is not in good health, the appropriate administering authority shall notify him accordingly and offer him an opportunity of a further examination by some other registered medical practitioner nominated by them with a view to that practitioner reporting to them on the state of the person's health; and
  - (b) require the person to furnish at his own expense—
    - (i) a certificate of his birth, except where the date of birth has been duly recorded by the authority and is not disputed;

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

- (ii) in respect of a beneficiary who is the person's spouse, a birth certificate and a marriage certificate;
- (iii) in respect of a beneficiary who is a dependant, a birth certificate and such evidence as may be appropriate to prove dependency,

and any other information or evidence which the authority consider necessary:

Provided that, if for any reason a birth or marriage certificate cannot be supplied, the authority may accept such other evidence of birth or marriage as they think fit in order to determine the age or the question of marriage of the person concerned, as the case may be.

**6.** Any fee payable to a practitioner in respect of an examination and report under paragraph 5 shall be paid by the person examined at the time of the examination.

**7.—(1)** Subject to the provisions of this Schedule, unless the appropriate administering authority are of the opinion, on consideration of a report obtained by them under paragraph 5, that the person to whom the report relates is not in good health or they are of the opinion that the evidence produced in regard to marriage or dependency is not satisfactory, they shall allow the surrender of such part of the retirement pension as is specified in the person's notification and as is in conformity with this Schedule and shall grant to the beneficiary named in the notification a pension, payable in the event of the beneficiary's surviving the person and to be calculated in accordance with regulation E20(4):

Provided that a decision by an appropriate administering authority to allow a surrender by a retiring employee shall not be made before the date on which he ceases to be employed and a decision by an appropriate administering authority to allow a surrender by a continuing employee shall not be made before the date on which he becomes such an employee.

(2) Notwithstanding anything in sub-paragraph (1), the appropriate administering authority shall, if they are dissatisfied with the evidence of marriage, but are nevertheless satisfied on the evidence already before them or after making such further enquiries as they think necessary that a person named as spouse in the notification given under paragraph 4 is a dependant of the person who gave the notification, treat the notification as if the person named therein as spouse had been named as a dependant of the person giving the notification.

(3) As soon as is reasonably practicable after coming to a decision in regard to a notification given by a person, the appropriate administering authority shall notify him that they have allowed a surrender in favour of the person named in his notification or that they have decided not to allow a surrender of any part of the retirement pension, as the case may be, and if the appropriate administering authority have allowed a surrender they shall also furnish him with a statement as to the amount of the pension to which the beneficiary may become entitled after his death and, if the person who gave the notification under paragraph 4 is a retiring employee, with a statement as to the amount of the reduced retirement pension to which he is entitled.

(4) A notification of a decision not to allow a surrender shall state the grounds for the decision.

(5) A notification sent to an employee in pursuance of sub-paragraph (3) shall, if it has been posted in a prepaid envelope addressed to the employee by the appropriate administering authority, be deemed to have been received by the employee at the time at which a letter would be delivered in the ordinary course of post.

**8.** A person who has given a notification of his desire to surrender a part of his retirement pension under paragraph 4 may cancel or amend the notification by a notice in writing addressed to the appropriate administering authority and posted in a prepaid envelope to, or left at, the principal office of the authority at any time before he has received notification from the authority that his surrender has been allowed.

**9.—(1)** A notification given by a person under paragraph 4 shall become null and void if—

#### PART IV

1. The transfer value payable under regulation Q2(1) in respect of a person is to be calculated in accordance with the following formula if the service he is entitled to reckon in his new local government employment which he was also entitled to reckon in his previous local government employment exceeds 182 days—

$$T = \frac{(F \times S \times R)}{100} - A,$$

where—

T is the amount of the transfer value;

F is the amount shown in column (2) of the following Table applicable to his age as set out in column (1) when he ceased to be employed in his previous local government employment,

TABLE

<i>(1)</i> <i>(Age on ceasing to be employed in previous local government employment)</i>	<i>(2)</i> <i>(Amount)</i>
	£
Under 30	11
30 to 39 (inclusive)	12
40 to 49 (inclusive)	13
50 and over	14;

S is the length of the reckonable service in complete years ignoring any residual period of 182 days or less and taking any residual period which exceeds 182 days as a complete year;

R is the annual rate of his remuneration of his previous local government employment at the date on which he ceased to be employed in that employment; and

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

A is the amount of any additional contributory payments remaining outstanding when he ceased to be employed in his previous local government employment.

2. In any case not falling within paragraph 1 the transfer value payable under regulation Q2(1) in respect of a person is to be calculated in accordance with the following formula—

$T = 2 \times C$ , where—

T is the amount of the transfer value; and

C is the amount of the employer's contributions in relation to the reckonable service,

but the amount of the transfer value shall be zero if the person becomes employed in his new local government employment on or after 1st October 1981.

3. In ascertaining for the purposes of this Part the length of reckonable service which a person is or was entitled to reckon, the reckonable service is to count at the length at which it would reckon in calculating the amount of a retirement pension under regulation E2(1)(b)(ii), except that—

- (a) any period of reckonable service which was reckonable under section 15 of the Act of 1937 (which related to teachers) is to be ignored;
- (b) it is to be assumed that he had completed the payment of any additional contributory payments; and
- (c) if additional contributions under regulation D10 of the 1974 Regulations (or any corresponding provision of an earlier enactment) or regulation C6 have been paid but not all those for which he was originally liable, the apportionment formula in paragraph 3 of Schedule 9 is to be applied.

4. Subject to paragraph 5, in ascertaining for the purposes of this Part the annual rate of a persons remuneration at the date on which he ceased to be employed in his previous local government employment—

- (a) the annual rate of any fluctuating element of his remuneration is to be estimated by reference to an average taken over a representative period;
- (b) the annual rate of any benefit in kind included in his remuneration is to be the estimated annual value of the benefit in kind at the date on which he ceased to be employed;
- (c) if at that date he had no remuneration or his remuneration was reduced because of absence from duty, the annual rate is to be taken to be the annual rate which would have applied if he had not been absent;
- (d) if the annual rate of his remuneration is retrospectively altered as a result of a pay award promulgated by a national joint council or other negotiating body on or before the date on which he ceased to be employed, the annual rate of his remuneration is to be based on the retrospective pay award;
- (e) if his remuneration is not calculated by reference to an annual rate but by reference to some other rate, the annual rate is to be derived from the applicable rate at the date on which he ceased to be employed;
- (f) if his previous local government employment was part-time, the annual rate of remuneration of a single comparable whole-time employment is to be used; and
- (g) if the annual rate of his remuneration exceeds £100 it is to be rounded down to the nearest £100.

5. If—

- (a) during the 13 years ending on the cessation of the person's previous local government employment his remuneration was reduced; and

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

- (b) his employing authority certified under regulation E24 that the reduction was in consequence of a material change in circumstances; and
- (c) his annual rate of remuneration immediately before the reduction, ascertained on similar principles to those in paragraph 4, was greater than the annual rate of remuneration on the date on which he ceased to be employed in his previous local government employment,

it is to be assumed for the purposes of this Part that he was earning at the higher rate at the date on which he ceased to be employed in his previous local government employment.

6. Where the person has made a payment to his new fund authority under regulation D1(2) or J9(3) of the 1974 Regulations or H8(3) of these Regulations, the transfer value payable under regulation Q2(1) is to be reduced by an amount equal to that payment.

7. Compound interest calculated in accordance with regulation J7 is to be paid on the transfer value payable under regulation Q2(1) for the period beginning with the date on which the person ceased to be employed in his previous local government employment and ending on the date on which the transfer value is paid (but no interest is to be paid if that period is less than 6 months).

## PART V

1. The additional transfer value payable under regulation J3(2) and the transfer value that may be accepted where regulation J8(5) applies is in each case  $(A \times B \times C) + D$ , where—

A is the period—

- (a) which the person would have been entitled to reckon as reckonable service by virtue of regulation F6(1)(a) or (b), or
- (b) which would have been taken into account in calculating additional benefits in accordance with regulation F6(12), or
- (c) which he would have been entitled to reckon under the war service provisions of the public service scheme,

as the case may be;

B is the figure in column 2 or 3 of the Table below appropriate to the person's age on 1st April 1978 and sex;

C is either—

- (a) the annual rate of the person's pensionable remuneration at 1st April 1978, or
- (b) if on that date he was entitled to a pension, the amount of remuneration taken into account in calculating the pension, increased by the annual amount (if any) by which an annual pension at a rate equal to that amount of remuneration, and beginning on the same date as the person's pension, would by 1st April 1978 have been increased under the Pensions (Increase) Act 1971(117); and

D is compound interest on  $(A \times B \times C)$ , calculated, in the case of an additional transfer value payable under regulation J4(2), in accordance with regulation J7 in respect of the period beginning on 1st April 1978 and ending with the date on which the transfer or additional transfer value is paid.

2. For the purposes of paragraph 1, the annual rate of a person's pensionable remuneration shall be ascertained in accordance with the provisions of paragraphs 4 and 5 of Part IV of this Schedule.

## SCHEDULE 17

Regulation J9(1)(a)

**CALCULATION OF RECKONABLE SERVICE TO  
BE CREDITED UNDER REGULATION J9(1)(a)**

1. Subject to the provisions of this Schedule, the period which a person is entitled to reckon as reckonable service by virtue of regulation J9(1)(a) is a period equal to the period of reckonable service which would enable the fund authority to pay under regulation J2 a transfer value (calculated in accordance with Schedule 16)—

- (a) of the amount which that authority accepted in respect of him under regulation 18, or
- (b) where—
  - (i) the person became employed in his local government employment after 4th April 1983, and
  - (ii) a limited revaluation premium was paid under section 45 of the Pensions Act and has been repaid to the fund authority by the Secretary of State,
 of the total of the amount mentioned in sub-paragraph (a) and the amount of the premium.

2. For the purposes of paragraph 1 above—

(1) in the case of a person who was subject in his non-local government employment to a statutory scheme or to any other scheme which is for the time being specified by the Secretary of State as a scheme which is to be treated as a statutory scheme for the purposes of this Schedule—

- (a) the calculation of the period he is entitled to reckon as reckonable service is to be made by reference to his age, and to the rate of his pensionable pay, used in the calculation of the transfer value received,
- (b) where in that calculation an amount of a person's pay has been disregarded in connection with a retirement pension under section 30 of the Insurance Act or section 28 of the Social Security Act 1975, the pensionable pay is to be increased by that amount, and
- (c) any sum representing interest included in the transfer value accepted is to be ignored;

(2) in the case of a person who was subject in his non-local government employment to any other scheme—

- (a) if he became employed in his local government employment before 8th May 1975—
  - (i) the calculation of the period he is entitled to reckon as reckonable service is to be made by reference to his age, and the annual rate of his remuneration, on 1st April 1972, or, if later, on the date when he became employed in his local government employment (here referred to as the “relevant date”); and
  - (ii) the sum to be used as the amount of the transfer value shall be the sum notified to the fund authority by the scheme managers as the sum which the fund authority would have received in respect of the person had the transfer value been calculated and paid on the relevant date;
- (b) if he became employed in his local government employment on or after 8th May 1975 the calculation of the period he is entitled to reckon as reckonable service is to be made by reference to his age, and the annual rate of his remuneration, on the date when he became employed in his local government employment or, if the transfer value in respect of him is received by the fund authority more than one year after he became employed in his local government employment, on the date on which the transfer value is received;
- (c) any sum representing interest which is included in the transfer value accepted is to be taken into account;

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(3) the accrued pension in respect of the period last mentioned in paragraph 1 above shall be deemed—

(a) where the person is such a person as is mentioned in regulation J12(1), to be subject to that paragraph, and paragraph (2) of that regulation shall have effect for this purpose as if at the end there were added the following sub-paragraph:—

“(c) at the end of regulation F7(2) of the 1974 Regulations, there had been added the words “and a proportionate amount in respect of part of a year of such service”.”;

(b) where the person is such a person as is mentioned in regulation J12(3), to be subject to that paragraph;

(a) (4) (a) where the pensionable pay mentioned in sub-paragraph (1) above relates to a period of part-time employment, the pensionable pay for that period shall be deemed to be the pensionable pay by reference to which the transfer value accepted would have been calculated had the person during that period been in a single comparable whole-time employment;

(b) where the remuneration mentioned in sub-paragraph (2) above relates to part-time employment, the annual rate of remuneration on the relevant date shall be deemed to be the annual rate of remuneration notified to the fund authority by his local government employer as the remuneration which would have been paid in respect of a single comparable whole-time employment;

(5) in the case of a person whose non-local government employment was not contracted-out employment, the calculation of the period he is entitled to reckon as reckonable service shall be made by reference to the transfer value which would have been payable under regulation J2 if Schedule 16 contained no reference to guaranteed minimum pension.

## SCHEDULE 18

Regulation J14

### FUND APPORTIONMENT WHERE 100 OR MORE TRANSFER THEIR PENSION RIGHTS UNDER REGULATION J14

#### PART I

1. This Part of this Schedule applies where the fund is to be apportioned under regulation J14(5) and all of the transfers under the transfer scheme are to take place on the same day.

2. The appropriate administering authority shall obtain a report from the fund’s actuary specifying the apportionment fraction to be applied in apportioning the fund together with details of the calculation.

3. The apportionment fraction is—

$$\frac{\left[ \frac{A}{B} \times (C + D) \right] - E}{C},$$

where—

A is the value at the relevant date of the accrued actuarial liabilities of the fund which relate to the persons transferring their pension rights on that date to the approved non-local government scheme,

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

B is the value at the relevant date of all accrued actuarial liabilities of the fund,

C is the value at the relevant date of the transferable assets of the fund minus any sums then due from the fund,

D is the value at the relevant date of any adjustments to be made in consequence of a certificate under regulation P9(1)(b) to sums (other than sums then due to the fund) to be contributed to the fund under regulation P12(1), and

E is the value at the relevant date of the part (if any) of those adjustments that relate to the persons transferring their pension rights on that date to the approved non-local government scheme.

4. The relevant date is the date on which those transferring their pension rights become subject to the approved non-local government scheme.

5. The accrued actuarial liabilities of the fund are the actual and potential liabilities of the fund in connection with any service or employment before the relevant date and, for this purpose, it is to be assumed that the liabilities which relate to those transferring their pension rights remain liabilities of the fund notwithstanding regulation J14(6).
