The Building Societies Commission, with the consent of the Treasury, in exercise of the powers conferred on it by section 14 of the Building Societies Act 1986(a), and of all other powers enabling it in that behalf, hereby makes the following Order:

**Citation and Commencement**

1. This Order may be cited as the Building Societies (Jersey) Order 1987 and shall come into force on 20th November 1987.

**Interpretation**

2.—(1) In this Order –

“the Act” means the Buildings Societies Act 1986;

“relevant form of security” means the form of security to which paragraph 1 of Schedule 1 to this Order refers;

“relevant provision” means a provision of the Act which applies or has effect in relation to advances secured on land;

“society” means a building society;

“specified territory” means Jersey; and

“territory advance” means an advance which, by virtue of this Order, a society may make.

(2) For the purposes of this Order, a provision of the Act which applies or has effect in relation to advances fully secured on land shall be treated as one which applies or has effect in relation to advances secured on land.

**Designation of specified territory**

3.—(1) Subject to paragraph (2) below, the specified territory is designated as a territory as respects which advances under section 14 of the Act (power to make advances secured on land overseas) may be made secured on land.

(2) Schedule 1 to this Order shall have effect in respect of –

- (a) the forms of security on land which may be taken for such advances,
- (b) the circumstances in which such forms of security may be taken,
- (c) the conditions subject to which such forms of security may be taken, and
- (d) the classification of territory advances (and accordingly of the mortgage debts) as class 1 advances or class 2 advances for the purposes of the requirements of Part III of the Act for the structure of commercial assets,

in relation to the specified territory, and a society shall not have power to make advances secured on land in the specified territory except in accordance with Schedule 1 to this Order.

**Availability of power**

4. The power conferred by this Order is not available to a society which does not for the time being have a qualifying asset holding, but the cessation of its availability does not require the disposal of any property or rights.

**Exercise of power without adoption**

5. The power conferred by this Order shall not require adoption by a society in order to be exercisable by it.

**Other security**

6. Nothing in this Order is to be taken as precluding a society from taking other security for an advance classified as specified in Article 3(2)(d) above, but the value of the other security shall be disregarded for the purpose of that classification.

**Application of relevant provisions**

7. Subject to Schedule 2 to this Order, the relevant provisions shall apply or, as the case may be, have effect in relation to territory advances as they apply or have effect in relation to other advances secured on land and in any relevant provision –

- (a) any reference to a mortgage shall be construed as including a reference to the relevant form of security, and
- (b) any reference to a mortgage debt shall be construed accordingly.

## SCHEDULE 1

Articles 2 and 3

1. The form of security which may be taken for an advance under section 14 of the Act in relation to the specified territory is the form (known there as a hypothèque judiciaire or hypothèque conventionnelle simple) –

- (a) acknowledging a mortgage debt and obliging (or referring to another document which obliges) the borrower to pay it, and
- (b) securing payment of that mortgage debt on land in the specified territory,

in respect of which the following provisions of this Schedule are satisfied.

2. Circumstances in which the relevant form of security may be taken for an advance –

- (a) do not, subject to Article 6 above, include circumstances in which payment of the mortgage debt is to be secured on any interest in land treated in the specified territory as moveable property or on a lease;
- (b) do not include circumstances in which provision is included as respects either the capital or the interest element in the mortgage debt that the amount due to the society may be adjusted by reference to any index of prices (whether housing prices or other prices) or to a share in the open market value of the land.

3.—(1) A territory advance shall be classified as a class 1 advance for the purposes of the requirements of Part III of the Act for the structure of commercial assets where the society at the time when it makes the advance is satisfied that –

- (a) the borrower is an individual,
- (b) the land comprising the security is exclusively for the residential use of –
  - (i) the borrower, or
  - (ii) the borrower and any person residing with the borrower;
- (c) the amount advanced will not exceed the value of the land comprising the security (after deducting from that value any mortgage debt of the borrower to the society outstanding under a relevant form of security relating to that land); and
- (d) the land comprising the security will not be security for any advance other than an advance by the society (except where that other advance is postponed to the society's advance).

(2) For the purposes of subparagraph (1)(d) above a right secured by the form of security known in the specified territory as a hypothèque legale shall, however arising, be treated as arising by virtue of an advance.

4. A territory advance shall be classified as a class 2 advance for the purposes of the requirements of Part III of the Act for the structure of commercial assets where the society at the time when it makes the advance is satisfied that the requirements of paragraph 3(1)(c) and (d) above are satisfied but is not satisfied that the requirements of paragraph 3(1)(a) and (b) above are satisfied.

5. If at any time when an advance treated by virtue of this Order as a class 1 advance or a class 2 advance for the purposes specified in paragraphs 3 and 4 above is outstanding the society is satisfied, on notice given to it by the borrower, that there has been a change in the use of the land comprising the security and is satisfied that, had the use been so changed before the making of the advance, the advance would instead have been a class 2 advance or a class 1 advance, as the case may be, for those purposes, the advance shall be reclassified accordingly as from that time.

6. Where a society, in exercise of its powers arising as a result of having taken the relevant form of security over land on which a territory advance is made, takes possession of the land, the land shall until sale be treated –

- (a) if the advance was most recently treated as a class 1 advance by virtue of this Order, as a class 1 asset, and
- (b) if the advance was most recently treated as a class 2 advance by virtue of this Order, as a class 2 asset,

for the purposes of the requirements of Part III of the Act for the structure of commercial assets.

7. The relevant form of security may only be taken for an advance under section 14 of the Act in circumstances in which the advance is classifiable as a class 1 advance under paragraph 3 above or a class 2 advance under paragraph 4 above.

## EXCLUSION OR MODIFICATION OF RELEVANT PROVISIONS

1. Section 10 of the Act (power to make advances secured on land) shall not apply to territory advances.

## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order empowers building societies with commercial assets of at least £100 million to make advances on the security of land in Jersey, and provides for the classification of those advances within the asset classification provisions of the Building Societies Act 1986. By virtue of article 5 of this Order, the power to make such an advance does not require adoption by a special resolution of a society in order to be exercisable by it.

This Order provides (article 7 and Schedule 2) for the general treatment of those advances under the Building Societies Act 1986 to correspond to the treatment, under the Act, of advances secured on land in the United Kingdom.
