**The Town and Country Planning (Use Classes) Order 1987**

**Use Classes**

3.—(1) Subject to the provisions of this Order, where a building or other land is used for a purpose of any class specified in the Schedule, the use of that building or that other land for any other purpose of the same class shall not be taken to involve development of the land.

(2) References in paragraph (1) to a building include references to land occupied with the building and used for the same purposes.

(3) A use which is included in and ordinarily incidental to any use in a class specified in the Schedule is not excluded from the use to which it is incidental merely because it is specified in the Schedule as a separate use.

(4) Where land on a single site or on adjacent sites used as parts of a single undertaking is used for purposes consisting of or including purposes falling within any two or more of classes B1 to B7 in the Schedule, those classes may be treated as a single class in considering the use of that land for the purposes of this Order, so long as the area used for a purpose falling either within class B2 or within classes B3 to B7 is not substantially increased as a result.

(5) No class specified in the Schedule includes any use for a purpose which involves the manufacture, processing, keeping or use of a hazardous substance in such circumstances as will result in the presence at one time of a notifiable quantity of that substance in, on, over or under that building or land or any site of which that building or land forms part.
