The Quarries (Explosives) Regulations 1988

Application

3. These Regulations shall apply to the keeping, handling and use of explosives at a quarry, but they shall not apply to—

- (a) explosives or detonators while they are in the course of being transported from outside a quarry directly to—
 - (i) an explosives store inside the quarry; or
 - (ii) a point inside the quarry from which they will be taken for use inside that quarry during the same day as they were delivered; or
- (b) the vehicle being used so to transport them.
