EXPLANATORY NOTE

(This note is not part of the Order)

This Order further amends the Medicines (Exemptions from Restrictions on the Retail Sale or Supply of Veterinary Drugs) Order 1985 (“the 1985 Order”) which provides for exemptions from the restrictions imposed by section 52 of the Medicines Act 1968.

The Order increases fees payable by a merchant in veterinary drugs in respect of each premises for the entry of his name in the relevant register from £130 to £150 and for the retention of his name in that register from £91 to £99 (article 3(a) and (b)).

The Order updates references in the 1985 Order to the Code of Practice for Merchants Selling or Supplying Veterinary Drugs and the Code of Practice for Saddlers Selling or Supplying Horse Wormers (articles 3(c) and 4(a)). Persons whose names are already entered in the relevant register of merchants in veterinary drugs or in horse wormers on 1st January 1989, or whose names have been removed from the register before that date, must undertake to comply with the provisions of the relevant amended code if their names are to be retained in, or restored to, the register (articles 3(d) and (e) and 4(b) and (c)).

Updated provisions are substituted for Part B of Schedule 1 (veterinary drugs sold by merchants) and Part B of Schedule 2 (veterinary drugs for incorporation in animal feeding stuffs) to the 1985 Order (articles 5 and 6 and Schedules). The items shown in italics in the new provisions have been inserted whilst other items have been deleted. The Order also makes minor amendments to the list of products in Schedule 4 (horse wormers) (article 7).
