EXPLANATORY NOTE

(This note is not part of the Order)

This Order contains emergency prohibitions restricting various activities in order to prevent human consumption of food rendered unsuitable for that purpose in consequence of the escape of lead into imported animal feeding stuff.

The Order designates certain land in England within which certain activities are prohibited (article 3 and the Schedule). Movement of cattle, food and other things out of the designated area is controlled (article 5) and certain other restrictions extend throughout the United Kingdom (article 6).

Under section 21 of the Food and Environment Protection Act 1985 the penalty for contravening an emergency prohibition is –

- (a) on summary conviction, a fine of an amount not exceeding the statutory maximum (at present £2,000);
- (b) on conviction on indictment, an unlimited fine, or imprisonment for a term of not more than two years or both.

Powers of enforcement in relation to emergency prohibitions are conferred by section 4 of, and Schedule 2 to, the 1985 Act. Obstruction of enforcement officers is an offence under paragraph 10 of that Schedule.
