1989 No. 2169

HEALTH AND SAFETY

**The Pressure Systems and Transportable
Gas Containers Regulations 1989**

<i>Made</i>	- - - -	<i>22nd November 1989</i>
<i>Laid before Parliament</i>		<i>4th December 1989</i>
<i>Coming into force</i>		
<i>Regulations 1 to 3, 5 to 7, 13 to 15, 23 to 25 and 27</i>		<i>1st July 1990</i>
<i>Regulations 4 (to the extent specified in Part I of Schedule 1), 16 to 22, and 26 (to the extent specified in Part I of Schedule 1)</i>		<i>1st January 1991</i>
<i>The remainder</i>		<i>1st July 1994</i>

**THE PRESSURE SYSTEMS AND TRANSPORTABLE
GAS CONTAINERS REGULATIONS 1989**

PART I

INTRODUCTION

1. Citation and commencement
2. Interpretation
3. Application and duties

PART II

GENERAL

4. Design, construction, repair, and modification

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

PART III
PRESSURE SYSTEMS

5. Provision of information and marking
6. Installation
7. Safe operating limits
8. Written scheme of examination
9. Examination in accordance with the written scheme
10. Action in case of imminent danger
11. Operation
12. Maintenance
13. Keeping of records, etc

PART IV
PRECAUTIONS TO PREVENT PRESSURISATION OF CERTAIN VESSELS

14. Application
15. Precautions to prevent pressurisation

PART V
TRANSPORTABLE GAS CONTAINERS

16. Design standards, approval and certification
17. Filling of containers
18. Examination of containers
19. Modifications of containers
20. Repair Work
21. Re-rating
22. Records

PART VI
MISCELLANEOUS

23. Defence
 24. Power to grant exemptions
 25. Extension outside Great Britain
 26. Repeals, revocations and modifications
 27. Transitional provisions
- Signature

SCHEDULE 1 — COMING INTO FORCE OF THE REGULATIONS AND
TRANSITIONAL PROVISIONS

PART I — coming into force of the regulations

1. Regulations 1 to 3, 5 to 7, 13 to 15,...
2. Regulation 4 (in so far as it relates to transportable...
3. All the other provisions of these Regulations shall come into...

PART II — transitional provisions for plant

subject to existing examination requirements

1. This Part shall apply until regulations 8 to 10 come...
2. The existing examination requirements shall not apply to any plant...
3. Paragraph 2 above shall not apply unless written notice explaining...
4. Where a person receives a notice under paragraph 3 above...
5. In this Part “the existing examination requirements” are the following...

PART III — further transitional provisions

1. Section 33(6) of the Factories Act 1961 shall, notwithstanding its...
2. Any record or register required to be kept under any...

SCHEDULE 2 — EXCEPTIONS TO THE REGULATIONS

PART I — pressure systems and transportable gas containers excepted from all regulations

1. A pressure system or transportable gas container which forms part...
2. A pressure system or transportable gas container which forms part...
3. A pressure system which forms part of any braking, control...
4. That part of a system which is only a pressure...
5. Any pipeline and its protective devices in which the pressure...
6. Any pressure system or part thereof, or transportable gas container...
7. Any plant or equipment, other than a transportable gas container,...
8. A working chamber, tunnel, manlock or an airlock within which...
9. A road tanker or tank container to which the Dangerous...
10. Any pressure system or transportable gas container being carried in...
11. Any pressure system or transportable gas container being carried in...
12. Any pressure system or transportable gas container which is carried,...
13. Any pressure system comprising a gas propulsion or a gas...
14. Any water cooling system on an internal combustion engine or...
15. A container of the type known as a two-part beer...
16. A container used for the conveyance or storage of beer...
17. Any tyre used or intended to be used on a...
18. Any vapour compression refrigeration system incorporating compressor drive motors, including...
19. A mobile system of the type known as a slurry...
20. Prime movers including turbines but not including steam locomotives or...
21. Any pressure system which is an electrical or telecommunications cable...
22. Any pressure system containing sulphur hexafluoride gas and forming an...
23. Any pressure system consisting of a water filled fluid coupling...
24. Any portable fire extinguisher with a working pressure below 25...
25. Any part of a tool or appliance (designed to be...

PART II — pressure systems and transportable gas containers excepted from certain regulations

1. Regulations 5(4), 8 to 11 and 13 shall not apply...
2. Regulations 4, 5, 7 to 10 and 13 shall not...
3. Regulations 4, 5, 7 to 10 and 13 shall not...
4. Regulations 16, 17(1)(a), 18 and 22(1) shall not apply to...
5. Regulation 4(1) to (5) shall not apply to an EEC-type...

SCHEDULE 3 — MODIFICATION OF DUTIES IN CASES WHERE PRESSURE SYSTEMS ARE SUPPLIED BY WAY OF LEASE, HIRE, OR OTHER ARRANGEMENTS

1. (a) This paragraph applies where a person supplies an installed...

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

2. Where a person supplies a pressure system to another (“the...
3. Section 6(9) of the Health and Safety at Work etc....

SCHEDULE 4 — MARKING OF PRESSURE VESSELS

1. The manufacturer’s name.
2. A serial number to identify the vessel.
3. The date of manufacture of the vessel.
4. The standard to which the vessel was built.
5. The maximum design pressure of the vessel.
6. The minimum design pressure of the vessel where it is...
7. The design temperature.

SCHEDULE 5 — FEES ON APPLICATIONS FOR APPROVALS

1. On the making of an application under regulation 16(2)(a) to...
2. On receipt of the application the Executive shall prepare and...
3. On determination of the application the Executive shall prepare and...
4. If the cost so stated differs from the amount estimated...
5. In estimating or stating the cost of carrying out any...

SCHEDULE 6 — REPEALS, REVOCATIONS AND MODIFICATIONS

PART I — repeals

PART II — MODIFICATIONS OF ENACTMENTS

PART III — revocations

PART IV — modifications of instruments

Explanatory Note
