Notes

- 1 This form is for use when making an application for the grant, renewal or variation of a firearm certificate. With certain statutory exemptions, it is an offence for a person to have in his possession, purchase or acquire, any firearm or ammunition to which section 1 of the Firearms Act 1968 applies, without holding a firearm certificate. The certificate will specify the firearms and ammunition which the holder of the certificate is authorised to have in his possession, purchase or acquire.
- 2 Section 1 of the 1968 Act applies to all firearms except:
 - (i) a shot gun within the meaning of the Firearms Acts 1968 to 1988, that is to say a smooth-bore gun (not being an air weapon) which -
 - a has a barrel not less than 24 inches in length and does not have any barrel with a bore exceeding two inches in diameter;
 - b either has no magazine or a non-detachable magazine incapable of holding more than two cartridges; and
 - c is not a revolver gun.
 - (ii) an air weapon, (that is an air rifle, air gun or air pistol not of a type declared by Rules made by the Secretary of State under section 53 of the Act of 1968 to be specially dangerous) and to all ammunition except:
 - (i) cartridges containing five or more shot, none of which exceeds .36 inch diameter;
 - (ii) ammunition for an air gun, air rifle or air pistol; and
 - (iii) blank cartridges not more than one inch in diameter measured immediately in front of the rim or cannellure of the base of the cartridge.
- 3 A firearm certificate is granted subject to the conditions prescribed by the Firearms Rules 1989. A chief officer of police is empowered under the Firearms Act 1968 to impose additional conditions to those prescribed. It is an offence to fail to comply with any condition of a firearm certificate.
Completion of Application and Guidance to Countersignatory
- 4 When completing this application form you are not permitted, by virtue of the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975, to withhold information about a previous conviction on the grounds that it is spent under the Act.
- 5 If the applicant is under the age of 17, a parent or guardian must also sign the **Declaration in Part E**.
- 6 When you have completed the form, it must be countersigned in ink (in respect of an application made for the grant or renewal of a firearm certificate) by someone who is resident in Great Britain and who has known you personally for at least two years. A relative must not countersign. The countersignatory must also be a Member of Parliament, Justice of the Peace, minister of religion, doctor, lawyer, established civil servant, bank officer or person of similar standing. The countersignatory must also endorse in ink the back of one of the four photographs submitted with any application for the grant or renewal of a firearm certificate by writing the words 'I certify that this is a current true likeness of Mr, Mrs, Ms or title...' and signing it with his usual signature and the date the likeness was compared.
A countersignature is not required in respect of an application made for a variation of a firearm certificate.
- 7 The person who countersigns the application is required by the Firearms Rules 1989 to declare that he knows of no reason why the applicant should not be permitted to possess a firearm.

- The countersignatory should therefore be aware that the Firearms Act 1968 requires a chief officer to be satisfied that an applicant can be permitted to possess a firearm or ammunition without danger to public safety or the peace, and that the Act prohibits the grant of a certificate to any person whom the chief officer has reason to believe to be prohibited from possessing a firearm, or to be of intemperate habits or unsound mind, or to be for any reason unfitted to be entrusted with a firearm. Countersignatories should bear in mind the character, conduct and mental condition of the applicant in so far as they are relevant to these matters.
- 8 The Firearms Act 1968 also prohibits the possession of firearms for specified periods by persons who have received certain custodial sentences.
 - 9 This form must be accompanied by the appropriate fee and, in the case of an application for the grant or renewal of a certificate, by four identical photographs of the applicant. The photographs should be taken full face and without a hat and must bear a current true likeness of the applicant. The size of the photographs should be 45 mm x 35 mm. They should be printed on normal thin photographic paper and be unmounted.
 - 10 Unless otherwise advised by the police, the applicant should post or take the completed form together with the fee and photographs to his local police station. In the case of an application for renewal or variation, the current certificate should be included with the application. An application for a variation which results from the disposal of one weapon and the need for authorisation to acquire a new weapon of the same type and calibre (a 'one for one' variation) should be submitted direct to the police force headquarters. A fee is payable in respect of a variation only when the number of weapons held by virtue of the certificate is increased.

If necessary continue on a separate sheet. Close any additional information with your usual signature and date.
