1991 No. 2839

The Environmental Protection (Duty of Care) Regulations 1991

Duty to furnish documents

4. A person who has been served by a waste regulation authority with a notice in writing specifying or describing any document and requiring its production shall, if the document is one which at that time he is under a duty to keep under regulation 3, furnish the authority with a copy of it at the authority's office specified in the notice and within the period (not being less than 7 days) so specified.
