

THE SCHEDULE

PART I

DISPLAY OF NOTICE OF ORDER

1. A notice shall be displayed in a prominent position at each end of the length of road to which the order relates and at the points at which it will be necessary for vehicles or pedestrians to diverge from the road, stating the effect of the order and, where applicable, the alternative route or routes available for traffic.

2. Each such notice shall be displayed throughout the period during which the order is in force and the traffic authority shall take all reasonable steps to ensure that the notices remain in a legible condition and continue to be so displayed for so long as the order remains in force or are promptly replaced as often as occasion requires during that period.
