The Workplace (Health, Safety and Welfare) Regulations 1992

Doors and gates

- **18.**—(1) Doors and gates shall be suitably constructed (including being fitted with any necessary safety devices).
- (2) Without prejudice to the generality of paragraph (1), doors and gates shall not comply with that paragraph unless—
 - (a) any sliding door or gate has a device to prevent it coming off its track during use;
 - (b) any upward opening door or gate has a device to prevent it falling back;
 - (c) any powered door or gate has suitable and effective features to prevent it causing injury by trapping any person;
 - (d) where necessary for reasons of health or safety, any powered door or gate can be operated manually unless it opens automatically if the power fails; and
 - (e) any door or gate which is capable of opening by being pushed from either side is of such a construction as to provide, when closed, a clear view of the space close to both sides.
