(5) The Commissioners may, for reasonable cause, at any time vary or revoke any approval granted under this regulation.

Deferment

5.—(1) Deferment shall be granted upon the giving of notice by an approved person that he wishes excise duty in respect of any goods to be deferred until a day, to be known as “payment day”, provided that the notice is given in such form and manner and contains such particulars as the Commissioners may require and provided that the provisions of these Regulations are complied with.

(2) Subject to regulation 6 below, on each payment day an approved person shall pay to the Commissioners the total amount of excise duty of which he has been granted deferment until that payment day.

(3) Payment day shall be—

- (a) in the case of beer imported by a registered excise dealer and shipper, the 25th day of the month following the month in which the duty would, but for deferment granted by these Regulations, be payable;
- (b) in the case of any goods other than beer imported by a registered excise dealer and shipper, the 15th day of the month following the month in which the duty on those goods would, but for deferment granted by these Regulations, be payable;
- (c) in the case of hydrocarbon oils delivered for home use from a refinery or other premises used for the production of hydrocarbon oil or from an excise warehouse on or after the 15th day of one month and not later than the 14th day of the next month, the last business day of that next month; and
- (d) in any other case, where the duty on those goods would, but for deferment granted by these Regulations, be payable on or after the 15th day of one month and not later than the 14th day of the next month, either—

(2) An approved person shall not set-off those sums referred to in paragraph (1) above unless on or before the said payment day he submits to the Commissioners a claim for set-off in such form and manner and containing such particulars as they may require.

(3) Rebate shall not be set-off under paragraph (1) above at a payment day earlier than that on which duty deferred under these Regulations, in respect of which the rebate exists, would have been due.

⁽¹¹⁾ 1979 c. 5; section 11 was amended by the Finance Act 1986 (c. 41), section 2.

Adjustments

7.—(1) If a notice has been given under regulation 5 above or any other document has been submitted to the Commissioners in respect of excise duty deferment and the Commissioners are satisfied that the full amount of excise duty payable has not been shown then, save as the Commissioners may otherwise allow, the balance of excise duty shall be paid forthwith.

(2) If a notice has been given under regulation 5 above or any other document has been submitted to the Commissioners in respect of excise duty deferment and the Commissioners are satisfied that excise duty in excess of the amount payable has been shown other than by reason of a set-off under regulation 6 above, the Commissioners shall repay or give credit for that excess, but the total amount shown shall nonetheless be paid on payment day.

PART III
