1992 No. 613

**The Council Tax (Administration
and Enforcement) Regulations 1992**

PART II

Information: General

Use of information by billing authority

6. In carrying out its functions under Part I of the Act, a billing authority may use information obtained under any other enactment provided that it was not obtained—

- (a) by a committee of the authority in its capacity as a police authority; or
- (b) by the authority in its capacity as a constituent council of a police authority.
