Entitlement to payments

24.—(1) Payments shall be made as provided for by this Part of these Regulations to a person whose registration is suspended by an interim suspension order or by a direction or an order of the Health Committee.

(2) Subject to paragraph (3), no payment shall be made to a person—

- (a) whose registration has been suspended by a direction or an order of the Health Committee once he has received payments in respect of twelve months' such suspension, whether in respect of the same or a previous period of such suspension and whether or not those twelve months formed a continuous period;
- (b) in respect of any part of a period of suspension where in the period of two years immediately preceding the suspension date he received no fees for the provision of general dental services.

(3) In calculating whether a person has received payments in respect of twelve months, suspension under paragraph (2)(a), no account shall be taken of any payment made in consequence of the suspension of his registration by a direction or order of the Health Committee more than five years previously.

(4) No payment shall be made to a person for a period (whether the whole or part of a period of suspension)—

- (a) earlier than eight weeks before the date on which an application for payments is received by the FHSA, unless the FHSA is satisfied that the lateness of the application is due to illness or some other reasonable cause;
- (b) during which his name is not included in the dental list of an FHSA;
- (c) during which he is absent from the United Kingdom;
- (d) for which he is entitled to any benefit under a contract of insurance against the risk of the suspension of his registration or of the circumstances which led to it or for which the FHSA is satisfied he could have been so entitled but for his failure to enter into such a contract or to pay any premium due under such a contract;
- (e) during which he is serving a term of imprisonment;
- (f) during which he is remanded in custody in connection with a criminal offence for which he is (then or later) convicted; or
- (g) during which he is in breach of any condition of bail in connection with a criminal offence for which he is (then or later) convicted.

Application for payments

25.—(1) An application for payments shall be made to the FHSA in whose dental list the claimant's name was included immediately before the suspension date; and where his name was then included in the list of more than one FHSA, the application shall be made to the FHSA by whom the larger or largest amount of remuneration was payable to him in the two years immediately preceding that date.

(2) An application for payments shall—

- (a) be made in writing;

- (b) be made by the claimant or, where he is incapable of applying, on his behalf; and
- (c) contain or be supported by such information as the FHSA may reasonably require for the purpose of establishing the claimant's entitlement to payments.

Amount and time of payments

26.—(1) An FHSA to whom an application for payments is made in accordance with regulation 25 shall, having made such enquiries as it considers relevant, if satisfied that the claimant is entitled to payments by virtue of regulation 24, determine that he shall, in respect of any period for which he is so entitled, receive payments which, subject to paragraphs (2) to (6), shall be of the following amounts—

- (a) where his registration is suspended by a direction or an order of the Health Committee—
 - (i) £2,984 per month for each of the first six months for which payments are made to him, whether in respect of that or a previous period of such suspension and whether or not those six months form a continuous period, and
 - (ii) £1,492 per month thereafter;
- (b) where his registration is suspended by an interim suspension order—
 - (i) where the period of interim suspension ends with an order for erasure or immediate suspension, £1,492 per month, and
 - (ii) in any other case, £2,984 per month.

(2) Where in the period of two years immediately preceding the suspension date the total amount of a claimant's gross fees received for the provision of general dental services was less than £142,242, the amount of payments made to him shall (subject to any further reduction under paragraph (3)) be the same proportion of the amount otherwise payable in accordance with paragraph (1) as that total amount of fees is of £142,242.

(3) Where a claimant's name was included in the dental list of an FHSA for a period of less than two years immediately preceding the suspension date the amount of payments made to him shall be the same proportion of the amount otherwise payable in accordance with paragraph (1) or paragraph (2) as the number of complete months in that lesser period is of 24.

(4) Where a claimant's registration has been suspended by an interim suspension order or by a direction or an order of the Health Committee within a period of two years after the expiry of a previous period of any such suspension, the references in paragraphs (2) and (3) to the suspension date shall be taken as references to the suspension date as respects that previous period.

(5) Where the FHSA has to make a determination as to payments at a time when it does not know whether or not the period of a person's interim suspension will end with an order for erasure or immediate suspension, or whether or not he will be convicted of a criminal offence, it shall make that determination as though his period of interim suspension did so end or he was convicted of the offence; but it shall review that determination and determine that a claimant is entitled to an appropriate payment of any arrears if subsequently that period does not so end or he is not convicted of the offence.

(6) Where the FHSA determines that a claimant is entitled to a payment, it shall inform the Board of the amount of that payment and authorise the Board to make the payment to the claimant.

(7) The Board shall make to the claimant any payments authorised by the FHSA.

(8) Payments under paragraph (7) shall be made monthly in arrears, and an appropriate proportion of the amount for a full month shall be paid where the claimant is entitled to a payment for part only of a month.

Changes of circumstances

27.—(1) A claimant shall notify the FHSA in writing immediately of any changes in his circumstances which he might reasonably be expected to know might affect his entitlement to, or the amount of, any payment made or to be made to him, and in particular of any erasure, immediate suspension, or termination of suspension, of his registration.

(2) Where the FHSA considers, whether or not following a notification under paragraph (1), that there has been a change of circumstances affecting a claimant's payments it shall determine the adjustment as respects those payments which is appropriate to take account of that change and notify the Board accordingly.

Overpayments

28. Where the Board considers that a payment has been made to a person owing to an error or in circumstances where it was not due it shall, except to the extent that the Secretary of State on the Board's application directs otherwise, draw the overpayment to the attention of that person and—

- (a) where he admits the overpayment; or
- (b) where he does not admit the overpayment but, the matter having been referred under regulation 7 of the National Health Service (Service Committees and Tribunal) Regulations 1992⁽²³⁾ for investigation, the FHSA, or the Secretary of State on appeal, decides that there has been an overpayment,

the overpayment shall be recoverable either by deduction from that person's remuneration or payments or in some other manner.

PART VI

PRIOR APPROVAL (PATTERNS OF TREATMENT) AND SURVEYS

Prior approval — patterns of treatment

29.—(1) Where it appears to the Board that a dentist's pattern of treatment in respect of all or any particular description of treatment, provided as part of general dental services in the locality of any FHSA, differs so substantially from the local or national pattern of treatment of other dentists as to warrant, in the opinion of the Board, further investigation, the Board may write to the dentist—

- (b) inviting him to submit to the Board in writing the reasons why his pattern of treatment differs to the extent identified by the Board under sub-paragraph (a) of this paragraph, from that local or national pattern; and
- (c) giving notice to him that if—
 - (i) he fails to reply within 28 days; or
 - (ii) his reply discloses no reasonable grounds, in the opinion of the Board, for his pattern of treatment to differ, to the extent identified by the Board under sub-paragraph (a) of this paragraph, from that local or national pattern of treatment,

the Board may give a direction as mentioned in paragraph (2).

- (2) Where the dentist fails—

(23) S.I. 1992/664.

(3) Where the Board gives a direction under paragraph (2), the direction shall inform the dentist of his right of appeal under regulation 19 of the National Health Service (Service Committees and Tribunal) Regulations 1992(24) and shall have no effect until the expiry of the period allowed by that regulation for the bringing of an appeal and, if such an appeal is brought, until the determination of the appeal.

(4) The Board shall not give a direction to a dentist under paragraph (2) in consequence of having written to him under paragraph (1) more than 12 months previously.

(6) Paragraphs (1) and (2) shall not apply to any treatment for which a dentist is remunerated in accordance with Section X (treatment under capitation) of Determination I of the Statement of Dental Remuneration dated 1st June 1991 and amended on 9th January 1992 and for which he receives no remuneration other than a capitation payment.

(7) Where, on the date on which the Board gives a direction under paragraph (2), the name of the dentist in respect of whom the direction is given is not included in any dental list the period specified in the direction shall not begin until the next day on which his name is again included in a dental list.

(8) For the purpose of computing the date on which the period specified in any direction given under paragraph (2) comes to an end, no account shall be taken of any day on which the dentist's name is not included in any dental list.

(9) In this regulation—

- (a) “pattern of treatment” means—

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations provide for the arrangements under which general dental services are provided under Part II of the National Health Service Act 1977. They supersede the National Health Service (General Dental Services) Regulations 1973 (“the 1973 Regulations”).

The provision made by these Regulations differs from that made in the 1973 Regulations in a number of respects.

Family Health Services Authorities (“FHSAs”) are to prepare, each year where necessary, an updated list (“the dental list”) of dentists providing general dental services in their localities (regulation 4(8)). FHSAs are to determine applications for inclusion in the dental list within 14 days, unless the dentist’s proposed practice premises are to be inspected by the FHSA, in which case the application is to be determined within 14 days of such inspection (regulation 5(2)). Regulation 7(2) prevents the inclusion of a dentist’s name in a dental list if the FHSA is not satisfied, following an inspection, that his proposed practice premises are of a satisfactory standard. An FHSA may remove a dentist’s name from the dental list on the grounds that he has not for the preceding six months provided general dental services, but in the calculation of that period any absence because of the dentist’s service in the armed forces or maternity leave or sickness is to be disregarded (regulation 8(5)). Provision is made for FHSAs to make arrangements with dentists to provide general dental services in urgent cases at times when general dental services are not normally available (regulation 14).

FHSAs are required, from 1st October 1992, to prepare patient information leaflets (“FHSA patient information leaflets”) about the provision of general dental services at any health centre in their locality (regulation 16 and Schedule 6). Prison governors (and in the case of a contracted out prison, the director or controller) may make an application to dentists for general dental services on behalf of persons detained in prison or at young offender institutions (regulation 18). Provision for payments to dentists during periods where their registration is suspended under the Dentists Act 1984 (by an interim suspension order or a direction of the Health Committee) is extended and the amounts payable are increased (regulation 26). Provision is also made for the Dental Practice Board to conduct or commission surveys or other research relating to the provision of general dental services (regulation 30).

The terms of service under which dentists provide general dental services to their patients are set out in Schedule 1. The principal changes to these terms of service are as follows.

The provision relating to the mixing of general dental services and private care and treatment is extended to salaried dentists (paragraph 16). Paragraph 21 imposes special obligations on dentists in connection with the administration of sedation. Provision is also made regarding dental records, which must be retained for a period of 2 years but may be kept on computer (paragraph 25). A dentist

Status: *This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

must allow the FHSA to inspect his practice premises provided that he has been given reasonable notice of its intention to do so (paragraph 33).

Other provisions of these Regulations (including the terms of service) differ from those of the 1973 Regulations in minor respects, or in consequence of other changes which are mentioned above.

Copies of Determination 1 of the Statement of Dental Remuneration, which is referred to in these Regulations, may be obtained from the Department of Health, Room 528, Portland Court, 160 Great Portland Street, London W1N 5TB.
