1993 No. 1651

The Tunbridge Wells and Eridge Light Railway Order 1993

For protection of Water Companies

9. Nothing in this Order shall prejudice or affect the rights of the Mid Sussex Water Company or the West Kent Water Company in any apparatus belonging to them or for the maintenance of which they are responsible, or any structure for the lodging therein of apparatus, being any apparatus or structure situated under, over or upon lands in or upon which the railway is constructed.
