**1994 No. 2842**

**The Urban Waste Water Treatment (Scotland) Regulations 1994**

**Deposit of maps and certificates**

**12.** Every river purification authority shall keep available at its principal office, at all reasonable times, for inspection by the public free of charge—

- (a) the maps referred to in the definition of “estuary” in regulation 2(1), which relate to estuaries wholly or partly within its area;
- (b) the map showing sensitive areas and high natural dispersion areas deposited with the authority for the purposes of regulation 3(1);
- (c) particulars of certificates issued by it under regulations 4(2), 5(3) and 5(5)(b).
