1995 No. 2551

The Video Recordings (Review of Determinations) Order 1995

5.—(1) If the designated authority determine that they would not issue a classification certificate and the video work in question is one in respect of which a classification certificate has previously been issued, they shall cancel the classification certificate previously issued.

(2) The cancellation referred to above shall take effect after the expiry of two weeks from the date of the designated authority's determination.
