

SCHEDULE 2

PART 33

CLOSED CIRCUIT TELEVISION CAMERAS

Class A

A.1 Development not permitted

A.1 Development is not permitted by Class A if—

- (a) the building on which the camera would be installed, altered or replaced is a listed building or a scheduled monument;
- (b) the dimensions of the camera including its housing exceed 75 centimetres by 25 centimetres by 25 centimetres;
- (c) any part of the camera would, when installed, altered or replaced, be less than 250 centimetres above ground level;
- (d) any part of the camera would, when installed, altered or replaced, protrude from the surface of the building by more than one metre when measured from the surface of the building;
- (e) any part of the camera would, when installed, altered or replaced, be in contact with the surface of the building at a point which is more than one metre from any other point of contact;
- (f) any part of the camera would be less than 10 metres from any part of another camera installed on a building;
- (g) the development would result in the presence of more than four cameras on the same side of the building; or
- (h) the development would result in the presence of more than 16 cameras on the building.
