**1996 No. 601**

**The Energy Information (Tumble Driers) Regulations 1996**

**Misleading information**

**13.**—(1) A person shall not display a label, mark, symbol or inscription which relates to the energy consumption of an appliance and which does not comply with these Regulations, if the label, mark, symbol or inscription—

- (a) would be taken to comply with these Regulations, or
- (b) would be likely to mislead or confuse.

(2) Paragraph (1) shall not apply to a label, mark, symbol or inscription displayed under a Community or national environmental labelling scheme.
