

SCHEDULE 1

ACTIVITIES, INSTALLATIONS AND MOBILE PLANT

PART 3:

INTERPRETATION OF “PART A INSTALLATION” ETC

23. Where an installation is authorised by a permit granted under these Regulations to carry out Part A(1) activities, Part A(2) activities or Part B activities which are described in Part 1 by reference to a threshold (whether in terms of capacity or otherwise), the installation shall not cease to be a Part A(1) installation, a Part A(2) installation, or a Part B installation, as the case may be, by virtue of the installation being operated below the relevant threshold unless the permit ceases to have effect in accordance with these Regulations.
