

SCHEDULE 7

(ANNEX IV to the Directive)

**Models of the CE marking of conformity and of
the indication of the guaranteed sound power level**

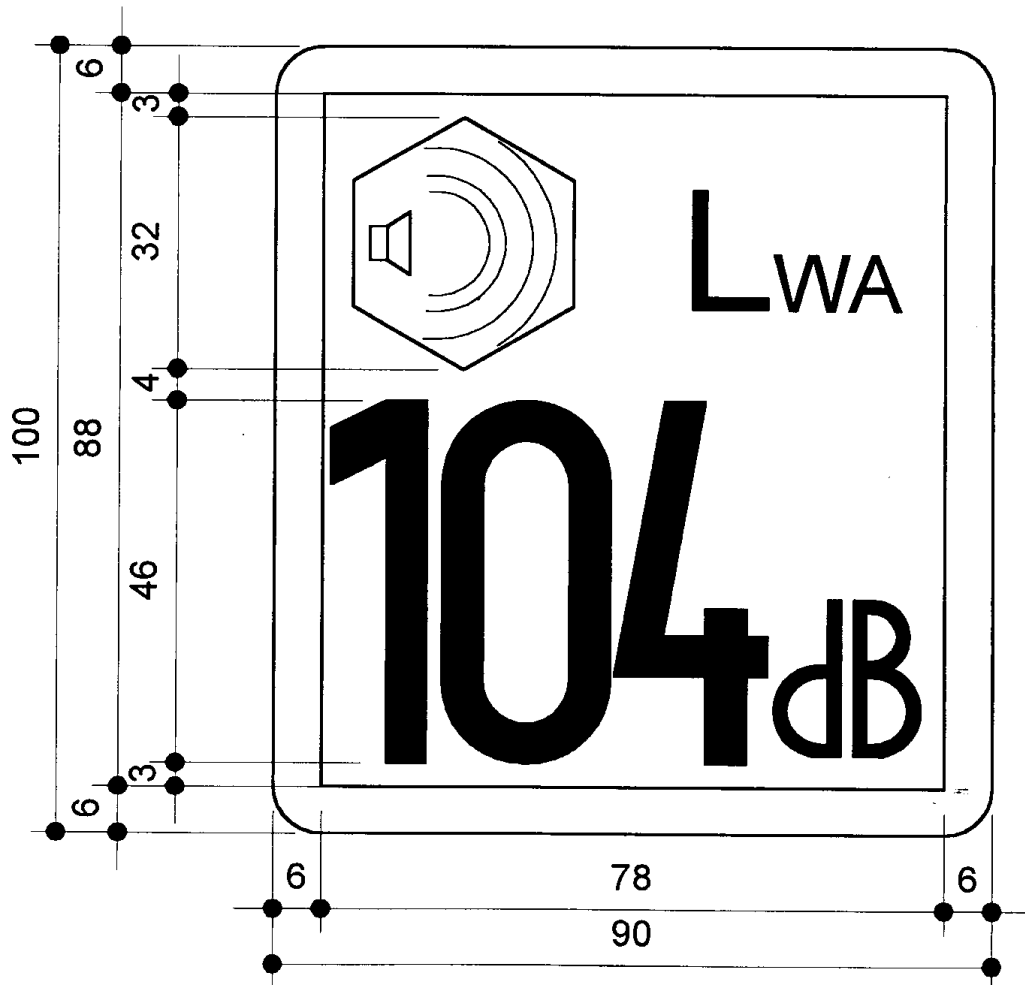

The CE conformity marking must consist of the initials “CE” taking the following form:

If the CE marking is reduced or enlarged according to the size of the equipment the proportions given in the above drawing must be respected. The various components of the CE marking must have substantially the same vertical dimensions which may not be less than 5 mm.

The indication of the guaranteed sound power level must consist of the single-number of the guaranteed sound power in dB, the sign L_{WA} and a pictogram taking the following form:

Status: This is the original version (as it was originally made).

If the indication is reduced or enlarged according to the size of the equipment the proportions given in the above drawings must be respected. However, the vertical dimension of the indication should, if possible, not be less than 40mm.
