^(b) S.I. 1996/624, to which there are amendments not relevant to this Order.

Abolition of Health Authorities

2. The old Authorities are hereby abolished, and accordingly their names and the description of their areas are omitted from columns (1) and (2) of the Schedule to the principal Order.

Establishment, names and areas of the new Authorities

3. For each of the areas described in column (2) of Schedule 1 to this Order there is established a Health Authority which shall be known by the name specified in column (1) of that Schedule in relation to that area.

Transfer of staff

4.—(1) Subject to paragraph (2), this article applies to any person who, immediately before the material date, was employed by any of the old Authorities.

(2) This article does not apply to any person who is to be transferred on the material date to a Primary Care Trust by an order under paragraph 23(1) of Schedule 5A to the 1977 Act^(a).

(3) The persons to whom this article applies shall be transferred on the material date from the old Authorities to the employment of the relevant new Authorities.

(4) The contract of employment of a person to whom this article applies is not terminated by the transfer under paragraph (3) above and has effect from the material date as if originally made between that person and the relevant new Authority.

(5) Without prejudice to paragraph (4) above—

(a) all the rights, powers, duties and liabilities of the old Authority from which an employee is transferred under paragraph (3) above under or in connection with his contract of employment shall by virtue of this paragraph be transferred to the relevant new Authority; and

(b) anything done before the material date by or in relation to the old Authority from which he is so transferred in respect of the employee or the contract of employment shall be deemed from that date to have been done by or in relation to the new Authority to which he is transferred.

(6) Paragraphs (4) and (5) above do not transfer a person's contract of employment, or the rights, powers, duties and liabilities under or in connection with it, if he informs the old Authority from which they would be transferred that he objects to the transfer.

(7) Where a person objects as mentioned in paragraph (6) above, his contract of employment with the old Authority from which he would be transferred shall be terminated immediately before the material date; but he shall not be treated, for any purpose, as having been dismissed by that Authority.

(8) This article is without prejudice to any right of a person to which this article applies to terminate his contract of employment if a substantial change is made to his detriment in his working conditions; but no such right shall arise only by reason that, under this article, the identity of his employer changes unless the person shows that, in all the circumstances, the change is a significant change and is to his detriment.

Transfer of property, rights and liabilities

5.—(1) Subject to paragraph (2) below, all the property, rights and liabilities of the old Authorities, not mentioned in article 4 above, are transferred in each case from the old Authority in question to the relevant new Authority.

(2) Paragraph (1) above does not apply to any property, rights or liabilities which are to be transferred on the material date to a Primary Care Trust by an order under paragraphs 21(1) or 23(1) of Schedule 5A to the 1977 Act.

(3) Any form supplied by any of the old Authorities, or any form supplied by the Secretary of State in relation to any of the old Authorities continues to be a valid form in relation to the relevant new Authority until it is cancelled or withdrawn by the Secretary of State or the relevant new Authority, as if any reference contained in that form to the old Authority in question were a reference to the relevant new Authority.

Investigation of complaints by the Health Service Commissioner

9.—(1) A complaint made under the Health Service Commissioners Act 1993(a) to the Health Service Commissioner for England in relation to any of the old Authorities, whether made before, on or after the material date may be investigated by the Commissioner notwithstanding the abolition of the old Authorities as if the complaint has been made in relation to the relevant new Authority.

(2) The Health Service Commissioner for England, where he conducts such an investigation, shall send a report of the result of his investigation to the relevant new Authority.

Amendment of the principal Order

10.—(1) In column (1) of the Schedule to the principal Order, the name of each new Authority is inserted at the appropriate place.

(2) In column (2) of that Schedule, opposite each such name, there is inserted the description of the area for which, by virtue of article 3 of this Order, the Authority of that name is established.
