**2002 No. 2677**

**The Control of Substances Hazardous  
to Health Regulations 2002**

**Prohibitions relating to certain substances**

4.—(1) Those substances described in Column 1 of Schedule 2 are prohibited to the extent set out in the corresponding entry in Column 2 of that Schedule.

(2) The importation into the United Kingdom, other than from another member State, of the following substances and articles is prohibited, namely—

- (a) 2-naphthylamine, benzidine, 4-aminodiphenyl, 4-nitrodiphenyl, their salts and any substance containing any of those compounds in a total concentration equal to or greater than 0.1 per cent by mass;
- (b) matches made with white phosphorus,

and a contravention of this paragraph shall be punishable under the Customs and Excise Management Act 1979<sup>(1)</sup> and not as a contravention of a health and safety regulation.

(3) A person shall not supply during the course of or for use at work a substance or article specified in paragraph (2).

(4) A person shall not supply during the course of or for use at work, benzene or a substance containing benzene unless its intended use is not prohibited by item 11 of Schedule 2.
