RULES CONCERNING ACTIVITIES AIMED AT THE RMS TITANIC AND/OR ITS ARTIFACTS

Funding

9. Projects shall be designed to ensure adequate funding in advance to complete all stages of the project including the curation, conservation and documentation of any recovered artifacts, and the preparation and dissemination of the report.

10. The project design shall include contingency plans that will ensure conservation of recovered artifacts and supporting documentation in the event of any interruption of anticipated funding.

11. The project design shall demonstrate an ability to fund the project through to completion.

12. Project funding shall not require the sale of artifacts or other material recovered or the use of any strategy that will cause artifacts and supporting documentation to be irretrievably dispersed.
