“SCHEDULE 3

Regulation 31(1B)

MULTIPLE APPLICATIONS—TRANSITIONAL PROVISIONS

No maintenance assessment or calculation in force: more than one application for maintenance by the same person under section 4 or 6, or under sections 4 and 6, of the former Act and of the Act.

1.—(1) Where an assessment application is made and, before a maintenance assessment under the former Act is made, the applicant makes or is treated as making, as the case may be, a calculation application under section 4 or 6 of the Act, with respect to the same person with care or with respect to a non-resident parent who is the absent parent with respect to the assessment application, as the case may be, those applications shall be treated as a single application.

(2) Where an assessment application is made by a person with care—

- (i) in a case falling within head (a), is treated as making a calculation application under section 6(1) of the Act; or
- (ii) in a case falling within head (b), makes a calculation application under section 4 of the Act,

with respect to a non-resident parent who is the absent parent with respect to the assessment application, those applications shall, if the person with care does not cease to fall within section 6(1) of the Act, be treated as a single application under section 6(1) of the former Act or of the Act, as the case may be, and shall otherwise be treated as a single application under section 4 of the former Act or of the Act, as the case may be.

No maintenance assessment or calculation in force: more than one application for maintenance by a child under section 7 of the former Act and of the Act

2. No maintenance assessment or calculation in force: applications by different persons for maintenance

3.—(1) Where the Secretary of State receives more than one application for maintenance with respect to the same person with care and absent parent or non-resident parent, as the case may be, he shall, if no maintenance assessment under the former Act or maintenance calculation under the Act, as the case may be, has been made in relation to any of the applications, determine which application he shall proceed with in accordance with subparagraphs (2) to (11).

(2) Where an application by a person with care is made under section 4 of the former Act or of the Act, or is made under section 6 of the former Act, or is treated as made under section 6 of the Act, and an application is made by an absent parent or non-resident parent under section 4 of the former Act or of the Act, as the case may be, the Secretary of State shall proceed with the application of the person with care.

(4) Where, in a case falling within sub-paragraph (3), there is made more than one subsequent application, the Secretary of State shall apply the provisions of sub-paragraphs (2), (7), (8) or (10), as appropriate in the circumstances of the case, to determine which application he shall proceed with.

(5) Where there is an assessment application and a calculation application by more than one qualifying child under section 7 of the former Act or of the Act, in relation to the same person with care and absent parent or non-resident parent, as the case may be, the Secretary of State shall proceed with the application of the elder or, as the case may be, eldest of the qualifying children.

(6) Where there is one absent parent and one non-resident parent in respect of the same qualifying child and an assessment application and a calculation application is received from each such person respectively, the Secretary of State shall proceed with both applications, treating them as a single application.

(7) Where a parent with care is required to authorise the Secretary of State to recover child support maintenance under section 6 of the former Act and there is a calculation application under section 4 of the Act by another person with care who has parental responsibility for (or, in Scotland, parental rights over) the qualifying child or qualifying children with respect to whom the application was made under section 6 of the former Act, the Secretary of State shall proceed with the assessment application under section 6 of the former Act by the parent with care.

(8) Where—

- (a) a person with care makes an assessment application under section 4 of the former Act and a different person with care makes a calculation application under section 4 of the Act and those applications are in respect of the same qualifying child or qualifying children (whether or not any of those applications is also in respect of other qualifying children);
- (b) each such person has parental responsibility for (or, in Scotland, parental rights over) that child or children; and
- (c) under regulation 20 of the Child Support (Maintenance Assessments and Special Cases) Regulations 1992 (“the Maintenance Assessments and Special Cases Regulations”) one of those persons is to be treated as an absent parent or under the provisions of regulation 8 of the Maintenance Calculations and Special Cases Regulations one of those persons is to be treated as a non-resident parent, as the case may be,

the Secretary of State shall proceed with the application of the person who does not fall to be treated as an absent parent under regulation 20 of the Maintenance Assessments and Special Cases Regulations, or as a non-resident parent under regulation 8 of the Maintenance Calculations and Special Cases Regulations, as the case may be.

(9) Where, in a case falling within sub-paragraph (8), there is more than one person who does not fall to be treated as an absent parent under regulation 20 of the Maintenance Assessments and Special Cases Regulations or as a non-resident parent under regulation 8 of the Maintenance Calculations and Special Cases Regulations, as the case may be, the Secretary of State shall apply the provisions of paragraph (10) to determine which application he shall proceed with.

(10) Where—

- (a) a person with care makes an assessment application under section 4 of the former Act and a different person with care makes a calculation application under section 4 of the Act and those applications are in respect of the same qualifying child or qualifying children (whether or not any of those applications is also in respect of other qualifying children); and
- (b) either—
 - (i) none of those persons has parental responsibility for (or, in Scotland, parental rights over) that child or children; or
 - (ii) the case falls within sub-paragraph (8)(b) but the Secretary of State has not been able to determine which application he is to proceed with under the provisions of sub-paragraph (8),

the Secretary of State shall proceed with the application of the principal provider of day to day care, as determined in accordance with sub-paragraph (11).

(11) For the purposes of sub-paragraph (10), the application of the principal provider is, where—

- (a) the applications are in respect of one qualifying child, the application of that person with care to whom child benefit is paid in respect of that child;
- (b) the applications are in respect of more than one qualifying child, the application of that person with care to whom child benefit is paid in respect of those children;
- (c) the Secretary of State cannot determine which application he is to proceed with under head (a) or (b), the application of that applicant who in the opinion of the Secretary of State is the principal provider of day to day care for the child or children in question.

(12) Subject to sub-paragraph (13), where, in any case falling within sub-paragraphs (2) to (10), the applications are not in respect of identical qualifying children, the application that the Secretary of State is to proceed with as determined by those sub-paragraphs shall be treated as an application with respect to all of the qualifying children with respect to whom the applications were made.

(13) Where the Secretary of State is satisfied that the same person with care does not provide the principal day to day care for all of the qualifying children with respect to whom an application would but for the provisions of this paragraph be made under sub-paragraph (12), he shall make separate maintenance assessments under the former Act or maintenance calculations under the Act, as the case may be, in relation to each person with care providing such principal day to day care.

(14) For the purposes of this paragraph “day to day care” has the same meaning as in the Maintenance Assessments and Special Cases Regulations or the Maintenance Calculations and Special Cases Regulations, as the case may be.

Maintenance assessment in force: subsequent application with respect to the same persons

4. Where—

- (a) a maintenance assessment is in force under the former Act;
- (b) a calculation application is made or treated as made under the section of the Act which is the same section as the section of the former Act under which the assessment application was made; and
- (c) the calculation application relates to—
 - (i) the same person with care and qualifying child or qualifying children as the maintenance assessment; and
 - (ii) a non-resident parent who is the absent parent with respect to the maintenance assessment,

the calculation application shall not be proceeded with.

Interpretation

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations provide for the amendment of regulations relating to child support.

The powers exercised to make these Regulations are those in the Child Support Act 1991 (“the 1991 Act”) and the Child Support, Pensions and Social Security Act 2000 (“the 2000 Act”). Of those in the 1991 Act, some of the powers are those prior to the amendments made to that Act by the 2000 Act, in so far as those amendments are not yet fully in force, and relate to the child support scheme presently in place (“the current scheme”). Other powers are those following amendments made to the 1991 Act by the 2000 Act, which relate to the new child support scheme provided for by those amendments (“the new scheme”).

Regulations 2, 4, 5, 6(2), (4), (5), (6), (7)(a) and (b) and (8)(b), 7(3), 8(2) and (4) and 10 amend various sets of Regulations, some of which relate to the current scheme, some to the new scheme and, in the case of the amendments made by regulation 2, to both of the schemes. These amendments substitute references, and make related provisions, as a result of the introduction of working tax credit and child tax credit from 6th April 2003 and the linked revocation of working families’ tax credit and disabled person’s tax credit.

These Regulations make a number of amendments in addition to those relating to working tax credit and child tax credit.

Regulation 3 amends the Social Security and Child Support (Decisions and Appeals) Regulations 1999 (“the Decisions and Appeals Regulations”) and will come into force at different times for different cases as determined by commencement order made under section 86(2) of the 2000 Act. Regulation 3 makes amendments to regulation 7B of the Decisions and Appeals Regulations to provide new dates from which a child support decision which is superseded under section 17 of the 1991 Act, takes effect. Inserted paragraph (17A) of regulation 7B of the Decisions and Appeals Regulations provides an effective date where a person ceases to be a person with care in relation to a qualifying child in respect of whom the maintenance calculation was made but continues to be a person with care in relation to other qualifying children in respect of whom the maintenance calculation was made. Inserted paragraph (17B) of regulation 7B of the Decisions and Appeals Regulations provides an effective date where there is a maintenance calculation in force and there is a further qualifying child in relation to the non-resident parent and the person with care to whom that maintenance calculation applies. Inserted paragraph (17C) of regulation 7B of the Decisions and Appeals Regulations provides explanations of terms used in paragraph (17B) of regulation 7B of the Decisions and Appeals Regulations.

Regulation 6(3) and (8)(a) amend the Child Support (Maintenance Assessments and Special Cases) Regulations 1992 to reflect the change of name from 1st April 2003 of “invalid care allowance” to “carer’s allowance”. Regulation 6(7)(c) amends the same Regulations to provide that specified payments from local authorities shall not be counted as income for child support purposes and this amendment also comes into force from 1st April 2003.

The remaining provisions of these Regulations come into effect the day after the date that these Regulations are made. The amendments made by these remaining provisions are to various sets of Regulations which relate to the new scheme. Those sets will come into force at different times for different cases, again as determined by commencement order made under section 86(2) of the 2000 Act.

Regulation 7 amends the Child Support (Maintenance Calculation Procedure) Regulations 2000 (“the Maintenance Calculation Procedure Regulations”). Regulation 7(2), (4) and (6) makes minor technical amendments. Regulation 7(5) amends regulation 29 of the Maintenance Calculation Procedure Regulations to clarify the meaning of certain terms in that regulation. Regulation 7(7) makes amendments which clarify and make additions to the transitional provisions in the Maintenance Calculation Procedure Regulations and inserts a provision to set the effective date of a maintenance calculation in a case where regulation 28(7) of the Child Support (Transitional Provisions) Regulations 2000 (“the Transitional Regulations”) applies (cases where a conversion calculation ceases during the transitional period). Regulation 7(8) and the Schedule add Schedule 3 to the Maintenance Calculation Procedure Regulations.

Regulation 8(3) makes a minor clarifying amendment to regulation 8(1)(a) of the Child Support (Maintenance Calculations and Special Cases) Regulations 2000, which provides for persons to be treated as non-resident parents where there is shared care of a child.

Regulation 9 amends the Child Support (Transitional Provisions) Regulations 2000 (“the Transitional Regulations”). Regulation 9(2) amends two of the definitions in the Transitional Regulations, to reflect the position in regulation 31 of the Maintenance Calculation Procedure Regulations. Regulation 9(3) makes minor technical amendments to regulation 3 of the Transitional Regulations. Regulation 9(4) inserts a reference to regulation 26 of the Child Support (Variations) Regulations 2000 (“the Variations Regulations”) into regulation 10 of the Transitional Regulations, to bring cases to which that regulation 26 applies within the scope of that regulation 10. Regulation 9(5), (10) and (11) makes amendments to the Transitional Regulations for cases where there are two or more persons with care in respect of one non-resident parent and one or more person with care, but not all of them, had a maintenance assessment under the current scheme or is not affected by the phasing provisions in the Transitional Regulations. Regulation 9(6) amends regulation 15 of the Transitional Regulations to make further provision for cases where the conversion of a case from the current scheme to the new scheme will be triggered and regulation 9(13) makes an amendment consequent upon the amendments made by regulation 9(6). Regulation 9(7) and (12) makes minor technical amendments to regulations 16 and 28 of the Transitional Regulations, respectively. Regulation 9(8) makes amendments to regulation 22 of the Transitional Regulations to provide for the amounts of child support maintenance payable in cases within the scope of that provision. Regulation 9(9) amends regulation 24 of the Transitional Regulations to provide for the phasing amount which is to apply in a case to which regulation 26 of the Variations Regulations applies.

These Regulations do not impose costs on business.
