**2004 No. 1769**

The Justification of Practices Involving  
Ionising Radiation Regulations 2004

**PART 1**

*Interpretation and General*

**Title and commencement**

1. These Regulations may be cited as the Justification of Practices Involving Ionising Radiation Regulations 2004 and shall come into force on 2nd August 2004.

**Application**

2. These Regulations apply to practices only to the extent to which the [<sup>F1</sup>2013] Directive [<sup>F2</sup>would, immediately before exit day, have applied to them].

|---|

**Interpretation**

3.—<sup>F3</sup>(1) In these Regulations, “the 2013 Directive” means Council Directive 2013/59/Euratom laying down basic safety standards for protection against the dangers arising from exposure to ionising radiation, and repealing Directives 89/618/Euratom, 90/641/Euratom, 96/29/Euratom, 97/43/Euratom and 2003/122/Euratom.]

(2) [<sup>F4</sup>Subject to paragraph (2A), expressions] and words used in both these Regulations and the [<sup>F5</sup>2013] Directive have the same meaning for the purposes of these Regulations as they do in that Directive, whether or not they are defined in [<sup>F6</sup>Article 4] of that Directive.

[<sup>F7</sup>(2A) When reading the 2013 Directive for the purposes of these Regulations, Article 4(43) (definition of inspection) is to be read as if, for the words “any competent authority”, there were substituted “the Justifying Authority”.]

(3) The following table shows other provisions defining expressions for the purposes of these Regulations—
