PART 2

Exercise of supplementary supervision of regulated entities in a financial conglomerate

Notification of identification as a financial conglomerate and choice of co-ordinator

2.—(1) Where [^{F14}a regulator] has become the co-ordinator for a financial conglomerate, it must notify—

- (a) the relevant member of that financial conglomerate;
- [^{F15}(aa) the other regulator;]

- F16(b)
- F17(c)
- F18(d)

that the group has been identified as a financial conglomerate^{F19} ... of the conglomerates directive and that [F20the regulator] is the co-ordinator for that financial conglomerate.

(2) Paragraph (3) applies if—

- (a) [F21a regulator] is a relevant competent authority in relation to a financial conglomerate, and
- (b) [F22that regulator], in conjunction with the other relevant competent authorities, proposes to waive the criteria specified in [F23paragraph (2A)] and appoint a different competent authority as co-ordinator.

[F24(2A) The criteria are—

- (a) where the financial conglomerate is headed by a regulated entity, the task of the co-ordinator must be exercised by the competent authority which has authorised that regulated entity;
- (b) where a financial conglomerate is not headed by a regulated entity, the task of coordinator must be exercised by the competent authority identified in accordance with the following principles—
 - (i) where the parent of a regulated entity is a mixed financial holding company, the task of coordinator must be exercised by the competent authority which has authorised that regulated entity;
 - (ii) where the financial conglomerate is a group without a parent undertaking at the top, or in any other case, the task of coordinator must be exercised by the competent authority which authorised the regulated entity with the largest balance sheet total in the most important financial sector.]

(3) Before [F25the regulator], in conjunction with the other relevant competent authorities, waives the criteria specified in [F26paragraph (2A)] and appoints a different competent authority as co-ordinator, [F25the regulator] must^{F27} ... give the financial conglomerate an opportunity to make representations.

[F28(3A) The relevant competent authorities may by common agreement waive the criteria referred to in paragraph (2A) if the authorities consider that their application would be inappropriate, taking into account the structure of the conglomerate and the relative importance of its activities.

(3B) Before the authorities waive the criteria in accordance with paragraph (3A), the authorities must give the financial conglomerate an opportunity to make representations.]

(4) In this regulation, “the relevant member” of a financial conglomerate is—

- (a) the parent undertaking at the head of the financial conglomerate; or
- (b) where there is no parent undertaking at the head of the financial conglomerate, the regulated entity which—
 - (i) is in the most important financial sector^{F29} ...; and
 - (ii) has the largest balance-sheet total in that sector.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations implement, in part, Directive [2002/87/EC](#) of the European Parliament and of the Council of 16 December 2002 on the supplementary supervision of credit institutions, insurance undertakings and investment firms in a financial conglomerate and amending Council Directives [73/239/EEC](#), [79/267/EEC](#), [92/49/EEC](#), [92/96/EEC](#), [93/6/EEC](#), [93/22/EEC](#), and Directives [98/78/EC](#) and [2000/12/EC](#) of the European Parliament and of the Council (“the conglomerates directive”) (OJ No. L 35 11.2.2003 p.1).

A Transposition Table setting out how the main elements of the conglomerates directive will be transposed into UK law is available from the Financial Stability and Regulatory Policy Team, HM Treasury, 1 Horse Guards Road, London SW1A 2HQ. The Transposition Table is also available on HM Treasury’s website (www.hm-treasury.gov.uk).

A full regulatory impact assessment has not been produced for this instrument as it has no impact on the costs of business.

The conglomerates directive includes certain procedural requirements that competent authorities of EEA States must carry out. These requirements include consulting other competent authorities and notifying regulated entities that, for example, they are members of financial conglomerates. These Regulations impose obligations upon the Financial Services Authority, the competent authority for the United Kingdom, for the purpose of implementing these procedural requirements. Part 2 of the Regulations makes provision in relation to the exercise of supplementary supervision of regulated entities in a financial conglomerate. Regulation 2 deals with procedural requirements relating to the notification of identification as a financial conglomerate and choice of co-ordinator. Regulation 3 deals with procedural requirements relating to the exercise of functions under Part IV of the Financial Services and Markets Act 2000 (c. 8.) (“the Act”) for the purposes of carrying out supplementary supervision. Regulation 4 deals with procedural requirements relating to the exercise of functions under section 148 of the Act for the purposes of carrying on supplementary supervision. Regulation 5 makes provision in respect of the carrying out of consultation in the case of major sanctions or exceptional measures. Regulation 6 provides that any function carried out by the Financial Services Authority for the purposes of the conglomerates directive is to be treated as a function conferred on that Authority by a provision of the Act. Regulation 6 also applies the effect of the Financial Services and Markets Act 2000 (Service of Notices) Regulations 2001 (S.I. 2001/1420) to any notifications given under regulation 2(1)(a) of these Regulations.

Part 3 of the Regulations makes provision in relation to the supplementary or consolidated supervision of third-country financial conglomerates and third-country groups. Regulation 8 deals with procedural requirements relating to the supervision of third-country financial conglomerates. Regulation 9 deals with procedural requirements relating to the supervision of third-country banking groups. Regulation 10 deals with procedural requirements in relation to the supervision of third-country groups subject to Council Directive [93/6/EEC](#) of 15 March 1993 on the capital adequacy of investment firms and credit institutions (OJ L141 11.6.1993 p.1).

Part 4 of the Regulations makes provision relating to information.
