(2) In this rule, “bank holiday” means a day which is a bank holiday under the Banking and Financial Dealings Act 1971(13) in England and Wales.

PART III

STAGES COMMON TO CONTESTED AND UNCONTESTED ELECTIONS

Notice of election

5.—(1) The returning officer shall publish notice of the election stating—

- (a) the place and times at which nomination papers are to be delivered, and
- (b) the date of the poll in the event of a contest,

and the notice shall state that forms of nomination papers may be obtained at that place and those times.

(2) The notice of election shall state the date by which—

- (a) applications to vote by post or by proxy, and
- (b) other applications and notices about postal or proxy voting,

must reach the returning officer in order that they may be effective for the election.

Nomination of candidates and nomination papers

6.—(1) Each candidate shall be nominated by a separate nomination paper.

(2) A nomination paper shall be in the appropriate form and shall be delivered at the place fixed for the purpose by the returning officer, which shall be at the offices of the council of the county, county borough, district or London borough in which the electoral area wholly or mainly lies.

(3) A nomination paper shall state the candidate's—

- (a) full names,
- (b) home address, in full, and
- (c) if desired, description,

and the surname shall be placed first in the list of names.

(4) The description, if any, which may not comprise more than six words, must consist of either—

- (a) that authorised as mentioned in paragraph (5); or
- (b) the word “Independent”.

(5) A nomination paper may not include a description of a candidate that is likely to lead voters to associate the candidate with a registered political party unless—

- (a) the party is a qualifying party in relation to the electoral area; and
- (b) the description is authorised by a certificate—
 - (i) issued by or on behalf of the registered nominating officer of the party, and
 - (ii) received by the returning officer before the last time for the delivery of nomination papers.

(13) 1971 c. 80.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(6) A person shall be guilty of a corrupt practice if he fraudulently purports to be authorised to issue a certificate under paragraph (5) on behalf of a registered political party's nominating officer.

(7) In this rule, "registered political party" means a party which was registered under Part II (registration of political parties) of the PPER Act at the time by which the notice of election is required to be published by virtue of rule 1 ("the relevant time"); and a registered political party is a qualifying party in relation to an electoral area if, at the relevant time, it was registered in respect of England or Wales in the Great Britain register maintained under that Part.

Subscription of nomination paper

7.—(1) The nomination paper shall be subscribed by two electors as proposer and seconder, and by twenty-eight other electors as assenting to the nomination.

(2) Where a nomination paper has the signatures of more than the required number of persons as proposing, seconding or assenting to the nomination of a candidate, the signature or signatures (up to the required number) appearing first on the paper in each category shall be taken into account to the exclusion of any others in that category.

(3) The nomination paper shall give the electoral number of each person subscribing it.

(4) The returning officer—

(a) shall supply any elector with as many forms of nomination paper and forms of consent to nomination as may be required at the place and during the time for delivery of nomination papers, and

(b) shall, at any elector's request, prepare a nomination paper for signature,

but it is not necessary for a nomination or consent to nomination to be on a form supplied by the returning officer.

(5) In this rule, "elector" means a person who, on the last day for publication of notice of the election, is registered in the register of local government electors for the electoral area in question; but if he is then below voting age, only if it appears from the register that he will be of voting age on the day fixed for the poll.

Consent to nomination

8. A person shall not be validly nominated unless his consent to nomination—

(a) is given in writing in the appropriate form, or a form to the like effect, on or within one month before the last day for the delivery of nomination papers,

(b) is attested by one witness, and

(c) is delivered at the place and within the time for delivery of nomination papers.

Deposits

9.—(1) A person shall not be validly nominated as a candidate unless the sum of £500 is deposited by him or on his behalf, with the returning officer at the place and during the time for delivery of nomination papers.

(2) The deposit may be made either—

(a) by the deposit of any legal tender, or

(b) by means of a banker's draft, or

(c) with the returning officer's consent, in any other manner,

but the returning officer may refuse to accept a deposit sought to be made by means of a banker's draft if he does not know that the drawer carries on business as a banker in the United Kingdom.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(3) Where the deposit is made on behalf of the candidate, the person making the deposit shall at the time he makes it give his name and address to the returning officer (unless they have previously been given to him under section 67 (appointment of election agent) of the 1983 Act).

Decisions as to validity of nomination papers

10.—(1) Where a nomination paper and the candidate's consent to it are delivered in accordance with these Rules, the candidate shall be deemed to stand nominated unless and until—

- (a) the returning officer decides that the nomination paper is invalid, or
- (b) proof is given to the returning officer's satisfaction of the candidate's death, or
- (c) the candidate withdraws.

(2) The returning officer is entitled to hold the nomination paper of a person invalid only on one of the following grounds—

- (a) that the particulars of the candidate or of the persons subscribing the paper are not as required by law; and
- (b) that the paper is not subscribed as so required.

(3) Subject to paragraph (4), as soon as practicable after each nomination paper has been delivered, the returning officer shall examine it and decide whether the candidate has been validly nominated.

(4) If the returning officer is of the opinion that a nomination paper contravenes rule 6(5), he shall give a decision to that effect as soon as practicable after the last time for the delivery of nomination papers.

(5) Where the returning officer decides that a nomination paper is invalid, he shall endorse and sign on the paper the fact and the reasons for his decision.

(6) The returning officer shall, as soon as practicable after making such a decision as is mentioned in paragraph (4) or (5), send notice of it to the candidate at his home address as given in his nomination paper.

(7) The returning officer's decision that a nomination paper is valid shall be final and shall not be questioned in any proceeding whatsoever.

(8) Subject to paragraph (7), nothing in this rule prevents the validity of a nomination being questioned on an election petition.

Publication of statement of persons nominated

11.—(1) The returning officer shall prepare and publish a statement showing the persons who have been and stand nominated and any other persons who have been nominated, with the reason why they no longer stand nominated.

(2) The statement shall show the names, addresses and descriptions of the persons nominated as given in their nomination papers.

(3) The statement shall show the persons standing nominated arranged alphabetically in the order of their surnames, and if there are two or more of them with the same surname, of their other names.

(4) In the case of a person nominated by more than one nomination paper, the returning officer shall take the particulars required by the foregoing provisions of this rule from such one of the papers as the candidate (or the returning officer in default of the candidate) may select.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Inspection of nomination papers and consent to nomination

12. During ordinary office hours on any day, other than a day specified in rule 4(1), after the latest time for delivery of nomination papers and before the date of the poll, any person may inspect and take copies of, or extracts from, nomination papers and consents to nomination.

Withdrawal of candidature

13.—(1) A candidate may withdraw his candidature by notice of withdrawal—

- (a) signed by him and attested by one witness, whose name and address shall be given; and
- (b) delivered to the returning officer at the place for delivery of nomination papers.

(2) Where a candidate is outside the United Kingdom, a notice of withdrawal signed by his election agent and accompanied by a written declaration also so signed of the candidate's absence from the United Kingdom shall be of the same effect as a notice of withdrawal signed by the candidate; but where the candidate stands nominated by more than one nomination paper a notice of withdrawal under this paragraph shall be effective if, and only if, it is accompanied, in addition to that declaration, by a written statement signed by the candidate that the person giving the notice is authorised to do so on the candidate's behalf during his absence from the United Kingdom.

Method of election

14. If, after any withdrawals under rule 13—

- (a) more than two candidates remain validly nominated, a poll shall be taken in accordance with Parts IV and V of these Rules;
- (b) only two candidates remain validly nominated, a poll shall be taken in accordance with Part IV;
- (c) only one candidate remains validly nominated, that person shall be declared to be elected in accordance with Part VI.

PART IV

15. The votes at the poll shall be given by ballot.

The ballot papers

16.—(1) The ballot of every person entitled to a mayoral vote at the election shall consist of a ballot paper.

(2) The persons remaining validly nominated for election to the office of mayor, after any withdrawals, and no others, shall be entitled to have their names inserted in the ballot paper at that election.

(3) Every ballot paper shall be in the appropriate form, printed in accordance with the directions set out in the Appendix to these Rules, and—

- (4) If a candidate who is the subject of a party's authorisation under rule 6(5) so requests, the ballot paper shall contain, against the candidate's particulars, the party's registered emblem (or, as the case may be, one of the party's registered emblems).
- (5) The request must—
- (a) be made in writing to the returning officer, and
 - (b) be received by him during the period for delivery of nomination papers set out in the Timetable in rule 3.

- 17.—(1) Every ballot paper shall be marked with an official mark, which shall perforate the ballot paper.
- (2) The official mark shall be kept secret, and an interval of not less than five years shall intervene between the use of the same official mark at an election (of whatever description) for the same county, county borough, district or London borough, as the case may be.
- (3) The official mark used for ballot papers issued for the purpose of voting by post shall not be used at the same election for ballot papers issued for the purpose of voting in person.

 - (b) a room the expense of maintaining which is met by any local authority.
- (2) The use of a room in an unoccupied hereditament for that purpose or those purposes does not render a person liable to any payment by way of council tax or non-domestic rate in respect of that hereditament and any day on which it is so used.
- (3) The returning officer shall make good any damage done to, and defray any expense incurred by the persons having control over, any such room as is mentioned in paragraph (1) by reason of its being used for the purpose of taking the poll or counting the votes.

Notice of poll, etc

- 20.—(1) The returning officer shall publish notice of the poll stating—
- (a) the day and hours fixed for the poll; and

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(b) particulars of each candidate remaining validly nominated, and paragraph (6) of rule 16 shall apply in relation to the order in which names and particulars appear on the notice of the poll as it applies in relation to ballot papers.

(2) The returning officer shall, not later than the time of the publication of the notice of the poll, also give public notice of—

- (a) the situation of each polling station; and
- (b) the description of voters entitled to vote there,

and he shall as soon as practicable after giving such a notice give a copy of it to each of the election agents.

(3) The notice published under paragraph (2) above shall—

- (a) state that the poll at the mayoral election is to be taken together with the poll at a relevant election or referendum;
- (b) specify the parliamentary constituency⁽¹⁴⁾, local counting area, Assembly constituency, voting area or, as the case may be, the relevant local authority and, in the case of an election to fill a casual vacancy, the electoral area for which the relevant election is held; and
- (c) where the polls are to be taken together in part of a constituency, division, ward or voting area only, specify that part.

Postal ballot papers

21. The returning officer shall, in accordance with regulations made under the 1983 Act, issue to those entitled to vote by post a postal ballot paper and a declaration of identity in the appropriate forms, or forms to the like effect, together with such envelopes for their return (whether free of charge or otherwise) as may be prescribed by such regulations.

Provision of polling stations

22.—(1) The returning officer shall provide a sufficient number of polling stations and, subject to the following provisions of this rule, shall allot the electors to the polling stations in such manner as he thinks most convenient.

(2) One or more polling stations may be provided in the same room.

(3) The polling station allotted to electors from any parliamentary polling district wholly or partly within the electoral area shall, in the absence of special circumstances, be in the parliamentary polling place for that district, unless that place is outside the electoral area.

(4) The returning officer shall provide each polling station with such number of compartments as may be necessary in which the voters can mark their votes screened from observation.

Appointment of presiding officers and clerks

23.—(1) The returning officer shall appoint and pay a presiding officer to attend at each polling station and such clerks as may be necessary for the purposes of the election, but he shall not appoint any person who has been employed by or on behalf of a candidate in or about the election.

(2) The returning officer may, if he thinks fit, preside at a polling station and the provisions of this Part relating to a presiding officer shall apply to the returning officer so presiding with the necessary modifications as to things to be done by the returning officer to the presiding officer or by the presiding officer to the returning officer.

⁽¹⁴⁾ For the meaning of “parliamentary constituency”, see section 1 of the Parliamentary Constituencies Act 1986 (c. 56)

(3) A presiding officer may do, by the clerks, appointed to assist him, any act (including the asking of questions) which he is required or authorised by this Part to do at a polling station except order the arrest, exclusion or removal of any person from the polling station.

Issue of official poll cards

24.—(1) The returning officer shall as soon as practicable send to electors and their proxies an official poll card, but a card need not be sent to any person—

(2) An elector's official poll card shall be sent or delivered to his qualifying address, and a proxy's to his address as shown in the list of proxies.

Appointment of polling and counting agents, etc

26.—(1) Subject to paragraphs (3) to (5), before the commencement of the poll each candidate may appoint polling agents to attend at polling stations for the purpose of detecting personation; and counting agents to attend at the count.

(2) The same person may be appointed as a polling agent or counting agent by more than one candidate.

(3) Not more than four polling agents, or such greater number as the returning officer may by notice allow, shall be permitted to attend at any particular polling station.

(4) If the number of such agents appointed to attend at a particular polling station exceeds that number, the returning officer shall determine by lot which agents are permitted to attend, and only the agents on whom the lot falls shall be deemed to have been duly appointed.

(5) The returning officer may limit the number of counting agents, but in doing so shall ensure that—

- (a) the number is the same in the case of each candidate; and
- (b) the number allowed to a candidate shall not (except in special circumstances) be less than the number obtained by dividing the number of clerks employed on the counting by the number of candidates.

(6) For the purposes of the calculations required by paragraph (5) a counting agent appointed for more than one candidate is a separate agent for each of the candidates for whom he has been appointed.

(7) Notice in writing of the appointment, stating the names and addresses of the persons appointed, shall be given by the candidate, or as the case may be, the election agent, to the returning officer and shall be so given not later than the fifth day (computed like any period of time in the Timetable in rule 3) before the day of the poll.

Notices of the appointment of polling agents and counting agents which are required by this paragraph and paragraphs (8) and (9) below to be given to the returning officer shall be given to that returning officer who discharges the functions specified in regulation 5 of the Combination of Polls Regulations.

(8) If an agent dies, or becomes incapable of acting, the candidate, or as the case may be, the election agent, may appoint another person in his place, and shall forthwith give to the returning officer notice in writing of the name and address of that other person.

(9) Any appointment for a candidate authorised by this rule may be made and the notice of appointment given to the returning officer by the candidate's election agent, instead of by the candidate.

(10) In the following provisions of this Part references to polling agents and counting agents shall be taken as references to agents—

- (a) whose appointments have been duly made and notified; and
- (b) where the number of agents is restricted, who are within the permitted numbers.

(11) Any notice required to be given to a counting agent by the returning officer may be delivered at, or sent by post to, the address stated in the notice of appointment.

(12) A candidate may himself do any act or thing which any polling or counting agent of his, if appointed, would have been authorised to do, or may assist his agent in doing any such act or thing.

(13) A candidate's election agent may do or assist in doing anything which a polling or counting agent of his is authorised to do; and anything required or authorised by these Rules to be done in

the presence of the polling or counting agent may be done in the presence of a candidate's election agent instead of his polling agent or counting agent.

(14) Where by these Rules any act or thing is required or authorised to be done in the presence of the polling or counting agents, the non-attendance of any agent or agents at the time and place appointed for the purpose shall not, if the act or thing is otherwise duly done, invalidate the act or thing done.

Notification of requirement of secrecy

- 27.** The returning officer shall make such arrangements as he thinks fit to ensure that—
- (a) every person attending at a polling station (otherwise than for the purpose of voting or assisting a voter with disabilities to vote or as a constable on duty there) has been given a copy in writing of the provisions of subsections (1), (3) and (6) of section 66(15) of the 1983 Act; and
 - (b) every person attending at the counting of the votes (other than any constable on duty at the counting) has been given a copy in writing of the provisions of subsections (2) and (6) of that section.

Admission to polling station

28.—(1) The presiding officer shall regulate the number of voters to be admitted to the polling station at the same time, and shall exclude all other persons except—

- (a) the candidates and their election agents;
- (b) the polling agents appointed to attend at the polling station;
- (c) the clerks appointed to attend at the polling station;
- (d) the constables on duty;
- (e) the companions of voters with disabilities;
- (f) persons entitled to be admitted to the polling station at a relevant election or referendum; and
- (g) any person authorised by the Electoral Commission(16) to attend at polling stations as a representative of the Commission.

(2) Not more than one polling agent shall be admitted at the same time to a polling station on behalf of the same candidate.

(3) A constable or person employed by the returning officer shall not be admitted to vote in person elsewhere than at his own polling station allotted to him under these Rules, except on production and surrender of a certificate as to his employment which shall be in the appropriate form, or a form to the like effect, and signed by an officer of the police of or above the rank of inspector or by the returning officer, as the case may be.

- (4) Any certificate surrendered under this rule shall forthwith be cancelled.

Keeping of order in station

29.—(1) It is the presiding officer's duty to keep order at his polling station.

(15) Section 66(6) was amended by paragraph 3 of Schedule 3 to the Representation of the People Act 1985 (c. 50).

(16) The Electoral Commission is established pursuant to section 1 of the Political Parties, Elections and Referendums Act 2000 (c. 41).

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(2) If a person misconducts himself in a polling station, or fails to obey the presiding officer's lawful orders, he may immediately, by the presiding officer's order, be removed from the polling station—

- (a) by a constable in or near that station, or
- (b) by any other person authorised in writing by the returning officer to remove him,

and the person so removed shall not, without the presiding officer's permission, again enter the polling station during the day.

(3) Any person so removed may, if charged with the commission in the polling station of an offence, be dealt with as a person taken into custody by a constable for an offence without a warrant.

(4) The powers conferred by this rule shall not be exercised so as to prevent a voter who is otherwise entitled to vote at a polling station from having an opportunity of voting at that station.

Sealing of ballot boxes

30. Immediately before the commencement of the poll, the presiding officer shall—

- (a) show the ballot box, empty, to such persons, if any, as are present in the polling station, so that they may see that the box is empty;
- (b) lock up the box (if it has a lock);
- (c) place his seal—
 - (i) on the lock; or
 - (ii) where the ballot box has no lock, on the box,in such a manner as to prevent its being opened without breaking the seal;
- (d) place the box in his view for the receipt of ballot papers; and
- (e) keep the box locked and sealed or, as the case may be, sealed.

Questions to be put to voters

31.—(1) The presiding officer may, and if required by a candidate or his election or polling agent shall, put to any person applying for a ballot paper at the time of his application, but not afterwards, the following questions or either of them—

- (a) in the case of a person applying as an elector—
 - (i) “Are you the person registered in the register of local government electors for this election as follows (*read the whole entry from the register*)?”, and
 - (ii) “Have you already voted at this election otherwise than as proxy for some other person?”;
- (b) in the case of a person applying as proxy—
 - (i) “Are you the person whose name appears as AB in the list of proxies for this election as entitled to vote as proxy on behalf of CD?”; and
 - (ii) “Have you already voted at this election as proxy on behalf of CD?”.

(2) In the case of a person applying as proxy, the presiding officer may, and if required as mentioned above shall, put the following additional question—

“Are you the husband [wife], parent, grandparent, brother [sister], child or grandchild of CD?”,

and if that question is not answered in the affirmative, the following question—

“Have you already voted at this election on behalf of two persons of whom you are not the husband, wife, parent, grandparent, brother, sister, child or grandchild?”.

(3) A ballot paper shall not be delivered to any person required to answer the above questions or any of them unless he has answered the questions or question satisfactorily.

(4) Save as by this rule authorised, no inquiry shall be permitted as to the right of any person to vote in a mayoral election.

Challenge of voter

32.—(1) If at any time a person applies for a ballot paper for the purpose of voting in person, or after he has applied for a ballot paper for that purpose and before he has left the polling station, a candidate or his election or polling agent—

(a) declares to the presiding officer that he has reasonable cause to believe that the applicant has committed an offence of personation, and

(b) undertakes to substantiate the charge in a court of law,

the presiding officer may order a constable to arrest the applicant, and the order of the presiding officer shall be sufficient authority for the constable so to do.

(2) A person against whom a declaration is made under this rule shall not by reason of it be prevented from voting.

(3) A person arrested under the provisions of this rule shall be dealt with as a person taken into custody by a constable for an offence without a warrant.

Voting procedure

33.—(1) A ballot paper shall be delivered to a voter who applies for one, and immediately before delivery—

(a) the ballot paper shall be stamped with the official mark;

(b) the number and name of the elector as stated in the copy of the register of electors shall be called out;

(c) the number of the elector shall be marked on the counterfoil;

(d) a mark shall be placed in the register of electors against the number of the elector to denote that a ballot paper has been issued but without showing the particular ballot paper which has been issued; and

(e) in the case of a person applying for a ballot paper as proxy, a mark shall be placed against his name in the list of proxies.

(2) The voter, on receiving the ballot paper shall forthwith proceed into one of the compartments in the polling station and there secretly mark his paper and fold it up so as to conceal his vote, and shall then show to the presiding officer the back of the paper, so as to disclose the official mark, and put the ballot paper so folded up into the ballot box in the presiding officer's presence.

(3) The voter shall vote without undue delay, and shall leave the polling station as soon as he has put his ballot paper into the ballot box.

(4) The same copy of the register of electors which is used under paragraph (1) above for the mayoral election may be used for a relevant election or referendum and one mark may be placed in that register under paragraph (1)(d) above or in the list of proxies under paragraph (1)(e) above to denote that a ballot paper has been issued in respect of each election or referendum; except that, where a ballot paper has not been issued in respect of a relevant election or referendum, a different mark shall be placed in the register or, as the case may be, list so as to identify each election or referendum in respect of which a ballot paper was issued.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Votes marked by presiding officer

34.—(1) The presiding officer, on the application of a voter—

- (a) who is incapacitated by blindness or other physical cause from voting in the manner directed by these Rules, or
- (b) who declares orally that he is unable to read,

shall, in the presence of the polling agents, cause the voter’s vote to be marked on a ballot paper in the manner directed by the voter, and the ballot paper to be placed in the ballot box.

(2) The name and number on the register of electors of every voter whose vote is marked in pursuance of this rule, and the reason why it is so marked, shall be entered on a list (in these Rules called “the list of votes marked by the presiding officer”). The same list may be used for the mayoral election and each relevant election or referendum and, where it is so used, an entry in that list shall be taken to mean that the ballot papers were so marked in respect of each election or referendum, unless the list identifies the election or referendum at which the ballot paper was so marked.

(3) In the case of a person voting as proxy for an elector, the number to be entered together with the voter’s name shall be the elector’s number.

Voting by persons with disabilities

35.—(1) If a voter makes an application to the presiding officer to be allowed, on the ground of—

- (a) blindness or other physical incapacity, or
- (b) inability to read,

to vote with the assistance of another person by whom he is accompanied (in these Rules referred to as “the companion”), the presiding officer shall require the voter to declare, orally or in writing, whether he is so incapacitated by his blindness or other incapacity, or by his inability to read, as to be unable to vote without assistance.

(2) If the presiding officer—

- (a) is satisfied that the voter is so incapacitated, and
- (b) is also satisfied by a written declaration made by the companion (in these Rules referred to as “the declaration made by the companion of a voter with disabilities”) that the companion—
 - (i) is a qualified person within the meaning of this rule, and
 - (ii) has not previously assisted more than one voter with disabilities to vote at the election,

the presiding officer shall grant the application, and then anything which is by these Rules required to be done to or by that voter in connection with the giving of his vote may be done to, or with the assistance of, the companion.

(3) For the purposes of these Rules—

- (a) a person is a voter with disabilities if he has made such a declaration as is mentioned in paragraph (1); and
- (b) a person shall be qualified to assist a voter with disabilities to vote if that person is either—
 - (i) a person who is entitled to vote as an elector at the election; or
 - (ii) the father, mother, brother, sister, husband, wife, son or daughter of the voter and has attained the age of 18 years.

(4) Subject to paragraph (5), the name and number in the register of electors of every voter whose vote is given in accordance with this rule, and the name and address of the companion, shall be entered on a list (in these Rules referred to as “the list of voters with disabilities assisted by

companions”). The same list may be used for the mayoral election and each relevant election or referendum and, where it is so used, an entry in that list shall be taken to mean that the votes were so given in respect of each election or referendum, unless the list identifies the election or referendum at which the vote was so given.

(5) In the case of a person voting as proxy for an elector, the number to be entered together with the voter’s name shall be the elector’s number.

(6) The declaration made by the companion—

- (a) shall be in the appropriate form;
- (b) shall be made before the presiding officer at the time when the voter applies to vote with the assistance of a companion; and
- (c) shall forthwith be given to the presiding officer who shall attest and retain it.

(7) No fee or other payment shall be charged in respect of the declaration.

Tendered ballot papers

36.—(1) If a person, representing himself to be—

- (a) a particular elector named on the register and not named in the absent voters list, or
- (b) a particular person named in the list of proxies as proxy for an elector and not entitled to vote by post as proxy,

applies for a ballot paper after another person has voted in person either as the elector or his proxy, the applicant shall, on satisfactorily answering the questions permitted by law to be asked at the poll, be entitled, subject to the following provisions of this rule, to mark a ballot paper (in these Rules referred to as “a tendered ballot paper”) in the same manner as any other voter.

(2) A tendered ballot paper shall—

- (a) be of a colour different from the other ballot papers;
- (b) instead of being put into the ballot box, be given to the presiding officer and endorsed by him with the name of the voter and his number in the register of electors, and set aside in a separate packet.

(3) The name of the voter and his number on the register of electors shall be entered on a list (in these Rules referred to as the “tendered votes list”). The same list may be used for the mayoral election and each relevant election or referendum and, where it so used, an entry in that list shall be taken to mean that tendered ballot papers were marked in respect of each election or referendum, unless the list identifies the election or referendum at which a tendered ballot paper was marked.

(4) In the case of a person voting as proxy for an elector, the number to be endorsed or entered together with the voter’s name shall be the number of that elector.

Spoilt ballot papers

37. A voter who has inadvertently dealt with his ballot paper in such manner that it cannot be conveniently used as a ballot paper may, on delivering it to the presiding officer and proving to his satisfaction on the fact of the inadvertence, obtain another ballot paper in the place of the ballot paper so delivered (in these Rules referred to as “a spoilt ballot paper”), and the spoilt ballot paper shall be immediately cancelled.

Adjournment of poll in case of riot

38.—(1) Where the proceedings at any polling station are interrupted or obstructed by riot or open violence, the presiding officer shall adjourn the proceedings till the following day and shall

forthwith give notice to the returning officer who discharges the functions specified in regulation 5 of the Combination of Polls Regulations.

- (2) Where the poll is adjourned at any polling station—
 - (a) the hours of polling on the day to which it is adjourned shall be the same as for the original day; and
 - (b) references in these Rules to the close of the poll shall be construed accordingly.

Procedure on close of poll

39.—(1) As soon as practicable after the close of the poll, the presiding officer shall, in the presence of the polling agents appointed for the purposes of the mayoral election and those appointed for the purposes of each relevant election or referendum, make up into separate packets, sealed with his own seal and the seals of such polling agents as desire to affix their seals—

- (a) each ballot box in use at the station, sealed so as to prevent the introduction of additional ballot papers and unopened, but with the key, if any, attached,
- (b) the unused and spoilt ballot papers placed together,
- (c) the tendered ballot papers,
- (d) the marked copies of the register of electors and of the list of proxies,
- (e) the counterfoils of the used ballot papers and the certificates as to employment on duty on the day of the poll,
- (f) the tendered votes list, the list of voters with disabilities assisted by companions, the list of votes marked by the presiding officer, a statement of the number of voters whose votes are so marked by the presiding officer under the heads “physical incapacity” and “unable to read”, and the declarations made by the companions of voters with disabilities,

and shall deliver the packets or cause them to be delivered to the returning officer to be taken charge of by him; but if the packets are not delivered by the presiding officer personally to the returning officer, the arrangements for their delivery shall require the returning officer’s approval.

(1A) The contents of the packets referred to sub-paragraphs (b), (c) and (e) of paragraph (1) above shall not be combined with the contents of the packets made under the corresponding rule that applies at any relevant election or referendum; nor shall the statement prepared under paragraph (3) below be so combined.

(1B) References to the returning officer in paragraph (1) above are references to the returning officer who discharges the functions specified in regulation 5 of the Combination of Polls Regulations.

(2) The marked copies of the register of electors and of the list of proxies shall be in one packet but shall not be in the same packet as the counterfoils of the used ballot papers and the certificates as to employment on duty on the day of the poll.

(3) The packets shall be accompanied by a ballot paper account showing the number of ballot papers entrusted to the presiding officer, and accounting for them under the heads—

- (a) ballot papers issued and not otherwise accounted for,
- (b) unused ballot papers,
- (c) spoilt ballot papers, and
- (d) tendered ballot papers.

Attendance at the count

40.—(1) Where the returning officer at the mayoral election discharges the functions specified in regulation 5 of the Combination of Polls Regulations, he shall—

- (a) make arrangements for—
 - (i) discharging the functions referred to in rule 41(1) in the presence of the counting agents appointed for the purposes of the mayoral election and those appointed for the purpose of each relevant election or referendum as soon as practicable after the close of the poll, and
 - (ii) thereafter counting the votes at the mayoral election in the presence of the agents appointed for the purpose of that election; and
- (b) give to the counting agents appointed for the purposes of the mayoral election and those appointed for the purpose of each relevant election or referendum notice in writing of the time and place at which he will begin to discharge the functions under rule 41(1).

(1A) Where the returning officer at the mayoral election does not discharge the functions specified in regulation 5 of the Combination of Polls Regulations, he shall—

- (a) make arrangements for counting the votes in the presence of the counting agents as soon as practicable after the delivery of the ballot papers to him by the person who does discharge those functions; and
- (b) give to those counting agents notice in writing of the time and place at which he will begin to count the votes.

(1B) No person other than—

- (a) the returning officer and his clerks,
- (b) the candidates and their wives or husbands,
- (c) the election agents,
- (d) the counting agents for the candidates, and
- (e) any person authorised by the Electoral Commission⁽¹⁷⁾ to attend at the counting of the votes as a representative of the Commission,

may be present at the counting of the votes under rule 41(2) to (8), unless permitted by the returning officer to attend.

(2) No person other than a person entitled to be present at the counting of the votes at the mayoral election under rule 41(2) to (8) or at a relevant election or referendum may be present at the proceedings under rule 41(1) unless permitted by the returning officer to attend.

(3) A person not entitled to attend at the proceedings under rule 41(1) or the counting of the votes under rule 41(2) to (8) shall not be permitted to do so by the returning officer unless he—

- (a) is satisfied that the efficient separation of the ballot papers or, as the case may be, the efficient counting of the votes will not be impeded; and
- (b) has either consulted the election agents or thought it impracticable to do so.

(4) The returning officer shall give the counting agents all such reasonable facilities for overseeing the proceedings, and all such information with respect to them, as he can give them consistently with the orderly conduct of the proceedings and the discharge of his duties in connection with them.

(5) In particular, where the votes are counted by sorting the ballot papers according to the candidate for whom the vote is given and then counting the number of ballot papers for each

41.—(1) Where the returning officer at the mayoral election discharges the functions specified in regulation 5 of the Combination of Polls Regulations, he shall—

- (b) in the presence of the election agents appointed for the purposes of the mayoral election and each relevant election or referendum, verify each ballot paper account;
- (c) count such of the postal ballot papers as have been duly returned and record separately the number counted at the mayoral election and each relevant election or referendum;
- (d) separate the ballot papers relating to the mayoral election from the ballot papers relating to each relevant election or referendum;
- (e) make up into packets the ballot papers for each relevant election or referendum and seal them up in separate containers endorsing on each a description of the area to which the ballot papers relate;
- (f) deliver or cause to be delivered to the returning officer for the relevant election or referendum to which the ballot papers relate—
 - (i) those containers, together with a list of them and of the contents of each; and
 - (ii) the ballot paper accounts together with a copy of the statement as to the result of their verification in respect of that election; and
- (g) at the same time deliver to that officer packets that so relate containing—
 - (i) the unused and spoilt ballot papers,

 - (iii) the counterfoils of the used ballot papers and the certificates as to employment on duty on the day of the poll.

(2) After completion of the proceedings under paragraph (1), the returning officer shall mix together all of the ballot papers used at the mayoral election and count the votes given on them.

(2A) Where the returning officer at the mayoral election does not discharge the functions specified in regulation 5 of the Combination of Polls Regulations, he shall—

- (a) on receipt of the containers containing the ballot papers from the returning officer who does discharge those functions, and after the time specified in the notice given under rule 40(1A), open each container;
- (b) where the proceedings on the issue and receipt of postal ballot papers are not taken together with those proceedings at a relevant election or referendum under regulation 65 of the Elections Regulations, or under that regulation as applied by these Regulations or regulations made under sections 45 and 105 of the Local Government Act 2000⁽¹⁸⁾, count such of the postal ballot papers as have been duly returned and record the number counted; and
- (c) mix together the postal ballot papers and the ballot papers from all of the containers and count the votes given on them.

⁽¹⁸⁾ 2000 c. 22. See the Local Authorities (Conduct of Referendums) (England) Regulations 2001 (S.I. 2001/1298) under section 45.

- (2B) Paragraph (8) does not apply to proceedings under paragraph (2A).
- (3) The returning officer shall then—
- (a) where the election is contested by more than two candidates, count the first preference votes given on them;
 - (b) where the election is contested by only two candidates, count the votes given on them.
- (4) A postal ballot paper shall not be taken to be duly returned unless—
- (a) it is returned in the manner set out in paragraph (5), and reaches the returning officer or any polling station in the appropriate electoral area (as defined in paragraph 5B) before the close of the poll; and
 - (b) the declaration of identity, duly signed and authenticated, is also returned in the manner set out in paragraph (5), and reaches him or such a polling station before that time.
- (5) The manner in which any postal ballot paper or declaration of identity may be returned—
- (a) to the returning officer, is by hand or post;
 - (b) to a polling station, is by hand.
- (5A) The appropriate electoral area in respect of any voter shall be—
- (a) the area which is common to the parliamentary constituency⁽¹⁹⁾, electoral area, local counting area, local authority area or voting area (as the case may be) in which the polls at the mayoral election and any relevant election or referendum are being taken together; and
 - (b) in respect of which polls the postal voter has been issued with a ballot paper.
- (6) The returning officer shall not count any tendered ballot paper.
- (7) While counting and recording the number of ballot papers and counting the votes, the returning officer shall keep the ballot papers with their faces upwards and take all proper precautions for preventing any person from seeing the numbers printed on the back of the papers.
- (8) The returning officer shall verify each ballot paper account by comparing it with the number of ballot papers recorded by him, and the unused and spoilt ballot papers in his possession and the tendered votes list (opening and resealing the packets containing the unused and spoilt ballot papers and the tendered votes list) and shall draw up a statement as to the result of the verification, which any election agent may copy.
- (9) The returning officer shall so far as practicable proceed continuously with counting the votes, allowing only time for refreshment, except that he may exclude the hours between 7 in the evening and 9 on the following morning.
- (10) During the time so excluded the returning officer shall—
- (a) place the ballot papers and other documents relating to the election under his own seal and the seals of such of the counting agents as desire to affix their seals; and
 - (b) otherwise take proper precautions for the security of the papers and documents.

Rejected ballot papers

- 42.**—(1) Any ballot paper—
- (a) which does not bear the official mark,
 - (b) on which anything is written or marked by which the voter can be identified except the printed number on the back, or
 - (c) which is unmarked or void for uncertainty as to the first preference vote,

⁽¹⁹⁾ For the meaning of “parliamentary constituency”, see section 1 of the Parliamentary Constituencies Act 1986 (c. 56)

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

shall be void and not counted.

(2) A ballot paper on which a vote is marked—

- (a) elsewhere than in the proper place, or
- (b) otherwise than by means of a cross, or
- (c) by more than one mark,

shall not for such reason be void if—

- (i) at an election at which more than two candidates remain validly nominated, an intention that votes shall be given, by way of a first preference vote, for not more than one of the candidates clearly appears;
- (ii) at any other election, an intention that a vote shall be for one only of the candidates clearly appears,

and (in each case) the way the paper is marked does not itself identify the voter and it is not shown that he can be identified by it.

(3) A ballot paper which is not otherwise void and on which not more than one first preference vote is marked (whether or not a second preference vote is marked) shall be valid as respects that vote, and counted accordingly.

(4) The returning officer shall endorse the word “rejected” on any ballot paper which under this rule is not to be counted, and shall add to the endorsement the words “rejection objected to” if any objection to his decision is made by a counting agent.

(5) The returning officer shall draw up a statement showing the number of ballot papers rejected under the several heads of—

- (a) want of official mark;
- (b) voting for more than one candidate as to the first preference vote;
- (c) writing or mark by which the voter could be identified; and
- (d) unmarked or void for uncertainty as to the first preference vote.

Decisions on ballot papers

43. The decision of the returning officer on any question arising in respect of a ballot paper shall be final, but shall be subject to review on an election petition.

Re-count

44.—(1) A candidate or his election agent may, if present when the counting or any re-count of the votes, or as the case may be, the first preference votes, is completed, require the returning officer to have the votes re-counted or again re-counted but the returning officer may refuse to do so if in his opinion the request is unreasonable.

(2) No step shall be taken on the completion of the counting or any re-count of the votes, or as the case may be, the first preference votes until the candidates and election agents present at its completion have been given a reasonable opportunity to exercise the right conferred by this rule.

Procedure at conclusion of first count

45.—(1) As soon as practicable after the conclusion of the first count (including any re-count), the returning officer shall draw up a statement showing—

- (a) the total number of ballot papers used;
- (b) the total number of rejected ballot papers;

- (c) at an election contested by more than two candidates—
 - (i) the number of first preference votes given to each candidate; and
 - (ii) the total number of first preference votes given; and
- (d) at an election contested by only two candidates, the number of votes given for each candidate.
- (2) As soon as practicable after completion of the statement, the returning officer shall—
 - (a) inform such of the candidates and their election agents as are then present of the contents of the statements (prepared in accordance with rule 42(5) and paragraph (1) of this rule; and
 - (b) give public notice of the contents of those statements.
- (3) Where an election is contested by more than two candidates, the returning officer shall—
 - (a) if paragraph 2 of Schedule 2 to the 2000 Act applies (candidate with overall majority of first preference votes), make the declaration required by rule 48(1); or
 - (b) if paragraph 3 of that Schedule applies, count the second preference votes at the time and place notified in accordance with rule 40(1)(b).
- (4) Where—
 - (a) an election is contested by only two candidates; and
 - (b) the total number of votes given for each of them is unequal,the person to be returned as the elected mayor is the candidate to whom the majority of the votes is given.
 - (a) (5) an election is contested by only two candidates; and
 - (b) the total number of votes given for each of them is equal,the returning officer shall decide by lot which of them is to be returned as the elected mayor.
- (6) In a case to which paragraph (4) or (5) applies, the declaration of the person to be returned as the elected mayor shall be made in accordance with rule 48.

PART V

FURTHER PROVISION: MORE THAN TWO CANDIDATES

The count of second preference votes

46.—(1) The returning officer shall count the number of second preference votes for each of the candidates remaining in the contest given by voters who did not give their first preference vote to any of those candidates.

(2) A ballot paper which is not otherwise void and on which not more than one second preference vote is marked shall be valid as respects that vote and shall be counted accordingly if, but only if, a valid first preference vote has also been marked.

(3) Rules 40(2) to (5), 41(6), (7), (9) and (10), 42 (except paragraph (3)) and 44(1) (except the words “the votes, or as the case may be”,) shall apply in relation to the count of second preference votes as they apply in relation to the count of first preference votes as if references to first preference votes were references to second preference votes.

(4) The returning officer shall not be required to re-examine any decision taken under rule 43.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

The second calculation and resolution of equality

- 47.**—(1) The returning officer shall comply with paragraph 3(6) of Schedule 2 to the 2000 Act.
- (2) The returning officer shall then draw up a statement showing—
- (a) the total number of first preference votes given for each candidate,
 - (b) the total number of second preference votes given for each of the candidates remaining in the contest after the count of the first preference votes,
 - (c) the total number of votes given for each of those candidates, and
 - (d) the number of ballot papers that were—
 - (i) valid as respects a first preference vote given for a candidate who did not remain in the contest after the count of the first preference votes; and
 - (ii) rejected for the purposes of the count of second preference votes on the ground that they were unmarked or void for uncertainty as to the second preference vote.
- (3) As soon as practicable after completion of the statement, the returning officer shall provide such of the election agents for those candidates who remain in the contest as are then present with a copy of the statement, and shall give them a reasonable opportunity to satisfy themselves as to the accuracy of the calculation.
- (4) If, after the second calculation, the total number of votes given for two or more candidates remaining in the contest is equal, the person to be returned as the elected mayor is the person whom the returning officer decides, in accordance with paragraph 3(8) of Schedule 2 to the 2000 Act, is to be returned as the elected mayor.

PART VI

FINAL PROCEEDINGS IN CONTESTED AND UNCONTESTED ELECTIONS

Declaration of result

- 48.**—(1) The returning officer shall declare the elected mayor to be the candidate who, in accordance with section 42(2) of the 2000 Act or, as the case may be, Schedule 2 to that Act, is to be returned as the elected mayor at that election.
- (2) The returning officer shall give public notice of—
- (a) the name of the successful candidate,
 - (b) the total number of first preference votes given for each candidate,
 - (c) the number of rejected ballot papers at the election under each head shown in the statement of rejected ballot papers (rule 42(5)), and
 - (d) if second preference votes were counted—
 - (i) the total number of second preference votes given for each of the candidates remaining in the contest after the count of the first preference votes, and
 - (ii) the number of ballot papers rejected for the purposes of the count of second preference votes on the ground that they were unmarked or void for uncertainty as to the second preference vote.
- (3) In an uncontested election, the returning officer shall as soon as practicable after the latest time for the delivery of notices of withdrawals of candidature—
- (a) declare to be elected the person remaining validly nominated; and
 - (b) give public notice of the name of the person declared to be elected.

(4) The returning officer shall inform the proper officer of the local authority concerned of the result of the election.

Return or forfeiture of candidate's deposit

49.—(1) Unless forfeited in accordance with paragraph (5), the deposit made under rule 9 of these Rules shall be returned to the person making it or his personal representative.

(2) Subject to paragraph (4), the deposit shall be returned not later than the next day after that on which the result of the election is declared.

(3) For the purposes of paragraph (2)—

- (a) a day shall be disregarded if it would be disregarded under rule 4 in computing any period of time for the purposes of the timetable for an election of the kind in question; and
- (b) the deposit shall be treated as being returned on a day if a cheque for the amount of the deposit is posted on that day.

(4) If the candidate is not shown as standing nominated in the statement of persons nominated, or if proof of his death has been given to the returning officer before the first calculation under rule 45, the deposit shall be returned as soon as practicable after the publication of the statement or after his death, as the case may be.

(5) Where a poll is taken, if, after the first calculation under rule 45, the candidate is found not to have polled more than one-twentieth of the total number of first preference votes polled by all the candidates, the deposit shall be forfeited to the local authority of the electoral area concerned.

PART VII

DISPOSAL OF DOCUMENTS

Sealing up of ballot papers

50.—(1) On the completion of the counting of the votes at a contested election the returning officer shall seal up in separate packets the counted and rejected ballot papers.

(2) The returning officer shall not open the sealed packets of tendered ballot papers or of counterfoils and certificates as to employment on duty on the day of the poll, or of marked copies of the register of electors and lists of proxies.

Delivery and retention of documents

51.—(1) The returning officer shall then forward to the proper officer of the local authority concerned the following documents—

- (a) the packets of ballot papers in his possession,
- (b) the ballot paper accounts and the statements of rejected ballot papers and of the result of the verification of the ballot paper accounts,
- (c) the packets of counterfoils and certificates as to employment on duty on the day of the poll,
- (d) the marked copies of registers and of lists of proxies, and
- (e) the tendered votes lists, the lists of voters with disabilities assisted by companies, the lists of votes marked by the presiding officer and the related statements, and the declarations made by the companions of voters with disabilities,

endorsing on each packet a description of its contents, the date of the election to which they relate and the name of the electoral area for which the election was held.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(2) At an election where the returning officer does not discharge the functions referred to in regulation 5 of the Combination of Polls Regulations, paragraph (1) shall have effect as if subparagraphs (c) and (e) were omitted.

Orders for production of documents

52.—(1) An order—

- (a) for the inspection or production of any rejected ballot papers in the custody of the proper officer, or
- (b) for the opening of a sealed packet of counterfoils and certificates as to employment on duty on the day of the poll or the inspection of any counted ballot papers in his custody,

may be made by a county court, if the court is satisfied by evidence on oath that the order is required for the purpose of instituting or maintaining a prosecution for an offence in relation to ballot papers, or for the purposes of an election petition.

(2) An order for the opening of a sealed packet of counterfoils and certificates or for the inspection of any counted ballot papers in the custody of the proper officer may be made by an election court.

(3) An order under this rule may be made subject to such conditions as to—

- (a) persons,
- (b) time,
- (c) place and mode of inspection,
- (d) production or opening,

as the court making the order think expedient; but in making and carrying into effect an order for the opening of a packet of counterfoils and certificates or for the inspection of counted ballot papers, care shall be taken that the way in which the vote of any particular elector has been given shall not be disclosed until it has been proved—

- (i) that his vote was given; and
- (ii) that the vote has been declared by a competent court to be invalid.

(4) An appeal lies to the High Court from any order of a county court under this rule.

(5) Any power given under this rule to a county court may be exercised by any judge of the court otherwise than in open court.

(6) Where an order is made for the production by the proper officer of any document in his possession relating to any specified election—

- (a) the production by him or his agent of the document ordered in such manner as may be directed by that order shall be conclusive evidence that the document relates to the specified election; and
- (b) any endorsement on any packet of ballot papers so produced shall be prima facie evidence that the ballot papers are what they are stated to be by the endorsement.

(7) The production from proper custody of a ballot paper purporting to have been used at any election, and of a counterfoil marked with the same printed number and having a number marked on it in writing, shall be prima facie evidence that the elector whose vote was given by that ballot paper was the person who at the time of the election had affixed to his name in the register of electors the same number as the number written on the counterfoil.

(8) Save as by this rule provided, no person shall be allowed to inspect any rejected or counted ballot papers in the possession of the proper officer or open any sealed packets of counterfoils and certificates.

Public inspection and destruction of documents

53.—(1) The proper officer shall retain for six months amongst the records of the local authority all documents relating to an election forwarded to him in pursuance of these Rules by a returning officer, and then, unless otherwise directed by an order of a county court or an election court, shall cause them to be destroyed.

(2) Those documents, except ballot papers, counterfoils and certificates as to employment on duty on the day of the poll, shall be open to public inspection at such time and in such manner as the local authority may determine.

(3) The proper officer may, on request, supply copies of or extracts from the documents in his possession that are open to public inspection on payment of such fees and subject to such conditions as may be determined by the local authority.

PART VIII

DEATH OF CANDIDATE

Countermand or abandonment of poll on death of candidate

54.—(1) If at a contested election proof is given to the returning officer's satisfaction before the result of the election is declared that one of the persons named or to be named as candidate in the ballot papers has died, then the returning officer shall countermand notice of the poll or, if polling has begun, direct that the poll be abandoned, and the provisions of subsections (1) and (5) of section 39 (local elections void etc in England and Wales) of the 1983 Act⁽²⁰⁾ apply in respect of any vacancy which remains unfilled; provided that neither the countermand of the poll at the mayoral election nor the direction that the poll be abandoned shall affect the poll at any relevant election or referendum.

(2) Where the poll at the mayoral election is abandoned by reason of a candidate's death, no further ballot papers shall be delivered in any polling station and, at the close of the poll at any relevant election or referendum the presiding officer shall take the like steps for the delivery to the returning officer of ballot boxes and of papers and other documents as he would be required to do if the poll at the mayoral election had not been abandoned.

(2A) The returning officer shall dispose of ballot papers used at the election (at which a candidate has died) as he is required to do on the completion in due course of the counting of the votes, but—

- (a) it shall not be necessary for any ballot paper account at that election to be prepared or verified; and
- (b) the returning officer, having separated the ballot papers relating to each relevant election or referendum shall take no step or further step for the counting of the ballot papers used at the mayoral election (at which a candidate has died) or of the votes and shall seal up all those ballot papers, whether the votes on them have been counted or not, and it shall not be necessary to seal up counted and rejected ballot papers in separate packets.

(3) The provisions of these Rules as to the inspection, production, retention and destruction of ballot papers and other documents relating to a poll at an election apply to any such documents relating to a poll abandoned by reason of a candidate's death, with the following modifications—

- (a) ballot papers on which the votes were neither counted nor rejected shall be treated as counted ballot papers; and

⁽²⁰⁾ Subsection (1) of section 39 was amended by the Local Government Act 1985 (c. 51), Schedule 17, and the Representation of the People Act 1985 (c. 50), section 19(2). *See also* the definition of "local government area" in subsection (1) of section 203 of the Representation of the People Act 1983 (c. 2), amended by the Greater London Authority Act 1999, Schedule 3, paragraph 39(4), and subsection (2) of that section, as substituted by paragraph 39(6) of that Schedule.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (b) no order shall be made for the production or inspection of any ballot papers or for the opening of a sealed packet of counterfoils or certificates as to employment on duty on the day of the poll unless the order is made by a court with reference to a prosecution.

INSTRUCTIONS TO THE VOTER

1. You must sign (or mark) this declaration of identity in the presence of a person known to you. (You are required to do this even if you have already signed (or marked) a similar declaration of identity in respect of another election or referendum to be held on the same day.) That person known to you should then sign (or mark) this declaration as a witness, and his or her name and address must be added. Without this the declaration will be invalid.

2. (Two candidates) Vote for **ONE** candidate only. Put no other mark on the ballot paper or your vote may not be counted.

OR

2. (Three or more candidates) Vote **ONCE** for your **FIRST CHOICE** and **ONCE** for your **SECOND CHOICE**. Put no other mark on the ballot paper or your vote may not be counted.

3. Mark your vote(s) with a cross (X) to the right of the name of the candidate(s) to whom you wish to give your vote(s). Mark your vote(s) secretly. If you cannot vote without assistance, the person assisting you must not disclose how you have voted.

4. Different colours are used for the ballot papers for each election (and referendum*). Each ballot paper has its own ballot paper envelope (the smaller envelope marked "A"), declaration of identity and covering envelope (the larger envelope marked "B"). The covering envelope and declaration of identity for each ballot paper are those which refer to the colour of that ballot paper. It is important that you use the correct envelopes and declaration of identity, otherwise your vote may not be counted. You may find it helpful to sort the documents into separate sets, each consisting of a ballot paper, ballot paper envelope, declaration of identity and covering envelope. Then proceed as follows:

- (a) place each ballot paper in the correct smaller envelope and seal it;
- (b) put that envelope, together with the correct declaration of identity, in the correct covering envelope and seal it;
- (c) return the covering envelopes without delay. Ballot papers must be received by the returning officer not later than the close of the poll.

*Alternatively, they may be returned to any of the following polling stations on polling day:

**[insert polling station(s)]*.....]

or

*Alternatively they may be returned to any polling station in the following area:

**[specify area]*

5. If you receive more than one ballot paper relating to the same election or referendum, remember that it is illegal to vote more than once (otherwise than as proxy) at the same election or the same referendum. You are entitled to vote at different elections and referendums which are held on the same day.

6. At this election (and referendum*) you cannot vote in person at a polling station, even if you receive an official poll card.

7. If you inadvertently spoil your postal ballot paper, you can apply to the returning officer for a new one. With your application you must return, in your own envelope, the spoiled ballot paper, the declaration of identity and the envelopes marked "A" and "B". Remember that there is little time available if a fresh postal ballot paper is to be issued and counted.

MAYORAL ELECTION

You need not take this card with you when you go to the polling station, but it will save time if you take it and show it to the clerk there.

When you go to the polling station, tell the clerk your name and address, as shown on the front of the card. The presiding officer will give you a ballot paper; see that he stamps the official mark on it before he gives it to you.

Go to one of the compartments. [Mark a cross (X) to the right of the name of the candidate you are voting for.] [Vote once for your first choice and once for your second choice.]

Fold the ballot paper in two. Show the official mark to the presiding officer, but do not let anyone see your vote. Put the ballot paper in the ballot box and leave the polling station.

If by mistake you spoil a ballot paper, show it to the presiding officer and ask for another one.

If you have appointed a proxy to vote in person for you, you may nevertheless vote at this election if you do so before your proxy has voted on your behalf.

If you have been granted a postal vote, you will not be entitled to vote in person at this election, so please ignore this poll card.

It is also an offence to vote at this election for more than two persons of whom you are not the husband, wife, parent, grandparent, brother, sister, child or grandchild.

The person who appointed you as proxy may himself vote in person at this election if he is able, and wishes, to do so and if he votes before you vote on his behalf.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Local Authorities (Mayoral Elections) (England and Wales) Regulations 2002.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

These Regulations, which extend to England and Wales, amend the Local Authorities (Mayoral Elections) (England and Wales) Regulations 2002 (the Principal Regulations) as they apply where the poll at a mayoral election is taken together with the poll at one or more of a number of other types of election or referendum.

Regulation 2 provides additional definitions and substitutes a new regulation 5 of the Principal Regulations.

A new schedule is substituted for Schedule 3 to the Principal Regulations.

The new Schedule 3 contains a modified version of the regulations in Schedule 1 of the Principal Regulations, which applies where the poll is to be combined with the poll at—

- a Parliamentary election;
- a European Parliamentary election;
- a local government election (which includes Greater London Authority elections in London);
- or
- another mayoral election; or
- a referendum.

The main modifications are—

- extending the period within which nominations must be delivered where the poll is combined with the poll at a European parliamentary election,
- making use of the same ballot box optional in the case of all possible combined polls,
- allowing for the translation of notices for the guidance of voters into languages other than English,
- entitling representatives of the Electoral Commission to attend the polling stations, verification and count,
- allowing those who are entitled to attend the count at the poll which is combined to attend at the joint verification of ballot paper accounts,
- requiring that postal ballot papers which are returned to a polling station are returned to a polling station located in the area which is common to the electoral areas in which each poll is taking place, and
- ensuring that forms which are or may be used for all polls, such as notices in polling stations and declarations by disabled voters are in a form which is consistent with those applying under the legislation governing the election with which the mayoral election is combined.
