 - (b) the practitioner's fitness to practise.
- (5) No allegation shall proceed further if, at the time it is first made or first comes to the attention of the General Council, more than five years have elapsed since the most recent events giving rise to the allegation, unless the Registrar considers that it is in the public interest, in the exceptional circumstances of the case, for it to proceed.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (b) is not fit to practise except on a limited basis or under supervision, or both; or
- (c) suffers from a continuing or episodic physical or mental condition which, although in remission at the time of the assessment, may be expected to cause a recurrence of impairment of the practitioner's fitness to practise,

they may recommend that the practitioner be invited to comply with such undertakings as they think fit (including any limitations on his practice) and shall inform the Registrar who shall write to the practitioner accordingly, inviting him to state within the period of 28 days from the date of the letter (or such further period as the Registrar may allow) whether he is prepared to comply with such undertakings.

(3) If, within the period of 28 days from the date of the letter (or such further period as the Registrar may allow), the practitioner confirms in writing that he is prepared to comply with the undertakings proposed under paragraph (2), the Case Examiners shall cease consideration

of the allegation and make no decision under rule 8(2) accordingly, and the Registrar shall notify the practitioner and the maker of the allegation (if any), in writing.

(4) The Registrar shall not invite the practitioner to comply with any such undertakings where there is a realistic prospect that, if the allegation were referred to a FTP Panel, his name would be erased from the register.

(5) Where the Case Examiners have ceased consideration of an allegation in accordance with paragraph (3), the Registrar may—

- (a) request one or more medical practitioners to supervise the practitioner and to provide reports as necessary;
- (b) direct that a further assessment be carried out in accordance with Schedule 1 or 2.

(6) Where, as a result of information received by the General Council it appears to the Case Examiners that any undertakings the practitioner has agreed to comply with under this rule should be varied or cease to apply, they shall inform the Registrar accordingly and the Registrar shall—

- (a) invite the practitioner to comply with such varied undertakings as appear to the Case Examiners to be appropriate; or
- (b) direct that the undertakings should no longer apply and that the allegation should proceed no further.

(7) Where the Registrar receives information that—

- (b) the practitioner has failed to observe an undertaking he has agreed to comply with under paragraph (3) or which has been varied under paragraph (6); or
- (c) the practitioner's health or performance has deteriorated, or otherwise gives rise to further concern regarding his fitness to practise;
- (d) the Registrar may refer the allegation for determination by a FTP Panel.

- (a) any person by whom the practitioner is employed to provide medical services or has an arrangement to do so; and
- (b) any enquirer.

Warnings

11.—(1) If it appears to one or both of the Case Examiners that an allegation is one with respect to which he or they may wish to give a warning, he or they shall inform the Registrar, and the Registrar shall write to the practitioner to inform him that he is entitled to make written representations within the period of 28 days from the date of the letter.

(2) Subject to paragraph (3), if the Case Examiners are satisfied that the allegation ought not to be considered by a FTP Panel and—

- (a) the practitioner has made no representations under this rule; or
- (b) after considering any representations made, the practitioner has not contested the facts upon which the allegation is based,

they may if they think fit issue a warning to the practitioner.

(3) After considering any representations made by the practitioner, where—

(a) the practitioner has requested that the allegation be referred for an oral hearing before the Committee; or

(b) the Case Examiners otherwise consider it appropriate to do so,

the Case Examiners shall refer the allegation to the Committee for an oral hearing in accordance with this rule.

(4) Where the Committee—

(a) is considering an allegation under rule 9 which has been referred as a result of the failure of the Case Examiners to agree as to disposal under rule 8(2)(a) or (d); and

(b) considers that the allegation is one with respect to which it may wish to give a warning,

it shall inform the Registrar, and the Registrar shall write to the practitioner in accordance with paragraph (1), and paragraphs (2) and (3) shall apply as if references to the Case Examiners were references to the Committee.

(7) Where an allegation has been referred for an oral hearing under paragraph (3) or (4), the order of proceedings before the Committee shall be as follows—

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.
