**2004 No. 865**

The General Medical Services and Personal Medical Services  
Transitional and Consequential Provisions Order 2004

PART 8

MISCELLANEOUS

**Transitory interpretation of references in enactments to primary medical services**

**108.** For so long as default contracts entered into pursuant to section 176(3) of the 2003 Act (general medical services: transitional) exist, a reference in any enactment to primary medical services under the 1977 Act shall be deemed to include a reference to services provided under such contracts.
