The Air Navigation Order 2005

PART 4

Aircraft Crew and Licensing

Instruction in flying

- 36.**—(1) A person shall not give any instruction in flying to which this article applies unless—
- (a) he holds a licence, granted or rendered valid under this Order or a JAA licence, entitling him to act as pilot in command of the aircraft for the purpose and in the circumstances under which the instruction is to be given; and
 - (b) his licence includes an instructor's rating entitling the holder to give the instruction.
- (2) This article applies to instruction in flying given to any person flying or about to fly a flying machine or glider for the purpose of becoming qualified for—
- (a) the grant of a pilot's licence; and
 - (b) the inclusion or variation of any rating or qualification in his licence.
