
STATUTORY INSTRUMENTS

2005 No. 281

ELECTROMAGNETIC COMPATIBILITY

The Electromagnetic Compatibility Regulations 2005

Made - - - - *2nd February 2005*

Laid before Parliament *11th February 2005*

Coming into force *7th March 2005*

THE ELECTROMAGNETIC COMPATIBILITY REGULATIONS 2005

PART 1

PRELIMINARY

1. Citation and commencement
2. Repeal and disapplication
3. Interpretation
4. Electromagnetic disturbance
5. Protection requirements

PART II

APPLICATION

General Application

6. Relevant apparatus
7. General conditions of application

Modified application

8. Education and training equipment
9. Test apparatus

Exclusions

10. Apparatus supplied or taken into service before 28th October 1992
11. Apparatus for export to a third country outside the Community
12. Excluded installations
13. Spare parts
14. Supply to the authorised representative
15. Second-hand apparatus

Status: This is the original version (as it was originally made).

16. Electromagnetically benign apparatus
17. Apparatus for use in a sealed electromagnetic environment
18. Radio amateur apparatus
19. Military equipment

Apparatus covered by other Directives

20. Active implantable medical devices
21. In vitro medical devices
22. Medical devices
23. Vehicles, components and separate technical units
24. Agricultural or forestry tractors
25. Two and three-wheel motor vehicles
26. Marine Equipment
27. Electrical Energy Meters
28. Non-automatic weighing instruments
29. Radio equipment and telecommunications terminal equipment

PART III

GENERAL REQUIREMENTS

30. General duty for supply
31. General duty for taking into service
32. Requirements for supply
33. Conformity assessment requirements—the three routes to compliance
34. Presumption of conformity
35. The CE marking
36. EC declaration of conformity
37. Retention of documentation

PART IV

THE STANDARDS ROUTE TO COMPLIANCE

38. Application of Part IV
39. The standards route to compliance
40. Applicable EMC standards
41. Publication of reference numbers of standards
42. EC declaration of conformity pursuant to the standards route to compliance

PART V

THE TECHNICAL CONSTRUCTION FILE ROUTE TO COMPLIANCE

General

43. Application of Part V
44. Applicability of the technical construction file route to compliance
45. Technical construction files
46. The technical construction file route to compliance
47. Competent bodies

United Kingdom competent bodies

48. Appointment
49. Eligibility and verification

50. Termination of appointment and transfer of functions
51. Power of competent body other than the Secretary of State to charge fees
52. Applications for technical reports and technical certificates
53. Limitations on duty to exercise functions
54. Contractors etc.
55. Form of technical reports and technical certificates
56. Conditions of technical reports or technical certificates
57. Withdrawal of technical reports or technical certificates
58. Procedure where United Kingdom competent body is minded to make an unfavourable decision

EC declaration of conformity

59. EC declaration of conformity where conformity assessment requirements are complied with by reference to a technical construction file

Final provisions

60. Interpretation of Part V

PART VI

THE EC TYPE-EXAMINATION ROUTE TO COMPLIANCE
FOR RADIOCOMMUNICATION TRANSMISSION APPARATUS

General

61. Application of Part VI
62. The EC type-examination route to compliance
63. Notified bodies

United Kingdom notified bodies

64. Bodies and scope of authority
65. Power of CAA and OFCOM to charge fees
66. Applications for EC type-examination certificates
67. Limitations on duty to exercise functions
68. Contractors etc.
69. Conditions of EC type-examination certificates
70. Withdrawal of EC type-examination certificates
71. Procedure where United Kingdom notified body is minded to make a decision unfavourable to the applicant

EC declaration of conformity

72. EC declaration of conformity for radiocommunication transmission apparatus

Final provisions

73. Savings
74. Interpretation of Part VI

PART VII

ENFORCEMENT

Status: This is the original version (as it was originally made).

Enforcement authorities and powers

- 75. Enforcement authorities
- 76. Test purchases
- 77. Powers of search etc.
- 78. Provisions supplemental to regulation 77
- 79. Appeals against detention of apparatus
- 80. Compliance notices
- 81. Prohibition notices
- 82. Suspension notices
- 83. Appeals against suspension notices
- 84. Power to require production of documents and information etc.

Offences

- 85. Supplying or taking into service apparatus in contravention of regulation 30 or 31
- 86. Contravention of prohibition notice or suspension notice
- 87. False or misleading information
- 88. Misuse of the CE marking etc.
- 89. Obstruction etc. of officers of enforcement authorities etc.
- 90. Failure to retain documentation
- 91. Defence of due diligence
- 92. Liability of persons other than the principal offender
- 93. Extension of time for bringing summary proceedings
- 94. Inference of condition of apparatus at time of supply or taking into service

Powers of the court

- 95. Penalties
- 96. Power of the court to require matter to be remedied
- 97. Forfeiture: England and Wales and Northern Ireland
- 98. Forfeiture: Scotland
- 99. Recovery of expenses of enforcement

PART VIII

MISCELLANEOUS AND SUPPLEMENTAL

- 100. Service of documents etc.
- 101. Duty of enforcement authority to inform the Secretary of State of action taken
- 102. Savings for certain privileges
- 103. Savings for action taken under other enactments

Consequential amendments

- 104. The Radio Equipment and Telecommunications Terminal Equipment Regulations 2000
- 105. Enterprise Act 2002 (Part 9 Restrictions on Disclosure of Information) (Specification) Order 2004
Signature

SCHEDULE 1 — REGULATIONS UNDER SECTION 10 OF THE WIRELESS TELEGRAPHY ACT 1949

1. The Wireless Telegraphy (Control of Interference from Ignition Apparatus) Regulations...
2. The Wireless Telegraphy (Control of Interference from Electro Medical Apparatus)...
3. The Wireless Telegraphy (Control of Interference from Radio Frequency Heating)...
4. The Wireless Telegraphy (Control of Interference from Household Appliances, Portable)...
5. The Wireless Telegraphy (Control of Interference from Fluorescent Lighting Apparatus)...
6. The Wireless Telegraphy (Control of Interference from Citizens' Band Radio)...

SCHEDULE 2 — PHENOMENA AND EFFECTS WHICH MAY BE REGARDED AS ELECTROMAGNETIC DISTURBANCE

1. Conducted low-frequency phenomena harmonics, interharmonics; signalling voltages; voltage fluctuations; voltage...
2. Radiated low-frequency phenomena— magnetic fields; and electric fields;
3. Conducted high-frequency phenomena— induced continuous wave (CW) voltages or currents;...
4. Radiated high frequency phenomena— magnetic fields; electric fields; electromagnetic fields;...
5. Electrostatic discharge phenomena (ESD).

SCHEDULE 3 — DESCRIPTIONS OF APPARATUS THE OPERATION OF WHICH MUST NOT BE HINDERED BY RELEVANT APPARATUS

1. domestic radio and television receivers;
2. industrial manufacturing equipment;
3. mobile radio equipment;
4. mobile radio and commercial radiotelephone equipment;
5. medical and scientific apparatus;
6. information technology equipment;
7. domestic appliances and household electronic equipment;
8. aeronautical and marine radio apparatus;
9. subject to regulation 8, educational electronic equipment;
10. telecommunications networks and apparatus;
11. radio and television broadcast transmitters; and
12. lights and fluorescent lamps.

SCHEDULE 4 — THE CE MARKING

1. In the CE marking, the initials CE shall take the...
2. If the CE marking is reduced or enlarged the proportions...
3. The various components of the CE marking must have substantially...

SCHEDULE 5 — MINIMUM CRITERIA FOR THE ASSESSMENT OF UNITED KINGDOM COMPETENT BODIES

1. availability of personnel and of the necessary means and equipment;...
2. technical competence and professional integrity of personnel;
3. independence, in carrying out the tests, preparing the reports, issuing...

Status: This is the original version (as it was originally made).

4. maintenance of professional secrecy by personnel; and
5. possession of civil liability insurance unless such liability is covered...

SCHEDULE 6 — DESCRIPTIONS OF APPARATUS FOR WHICH UNITED KINGDOM NOTIFIED BODIES ARE AUTHORISED

1. The CAA is authorised (as a United Kingdom notified body...
2. OFCOM is authorised (as a United Kingdom notified body) in...

SCHEDULE 7 — PROHIBITION NOTICES

1. A prohibition notice in respect of any relevant apparatus shall—...
2. (1) If representations in writing about a prohibition notice are...
3. (1) Where representations in writing about a prohibition notice are...
4. (1) Where a person is appointed to consider representations about...
5. (1) The Secretary of State may revoke or vary a...
6. (1) Where in a notification served on any person under...
7. In this Schedule— “the appointed person” in relation to a...

Explanatory Note
