Pension schemes

Part 2

Excepted rules, practices, actions and decisions relating to occupational pension schemes

Age related rules, practices, actions and decisions relating to benefit

15. The enhancement of any age related benefit in the event of a member's retirement before any early retirement pivot age on ill health grounds, where that enhancement is calculated by reference to the years of pensionable service which that member would have completed if he had continued in pensionable service up to the age specified for that purpose in the scheme rules.
