(3) Not less than 28 days before entering upon and taking temporary possession of land under this article the Council shall serve notice of the intended entry on the owners and occupiers of the land.

(4) The Council may only remain in possession of land under this article for so long as may be reasonably necessary to carry out the maintenance works for which possession of the land was taken.

(6) The Council shall pay compensation to the owners and occupiers of land of which temporary possession is taken under this article for any loss or damage arising from the exercise in relation to the land of the powers conferred by this article.
