MEDICINES

The Veterinary Medicines Regulations 2006

Made - - - - *5th September 2006*
Laid before Parliament *8th September 2006*
Coming into force *1st October 2006*

THE VETERINARY MEDICINES REGULATIONS 2006

PART 1

Introduction

1. Title and commencement
2. Definition of “veterinary medicinal product”, interpretation and scope
3. Products to which these Regulations do not apply

PART 2

Authorised veterinary medicinal products

4. Placing a veterinary medicinal product on the market
5. Manufacture of veterinary medicinal products
6. The finished product
7. Classification, supply and possession of the product
8. Administration of the product
9. Importation of authorised veterinary medicinal products
10. Advertising the product
11. Advertising of prescription products and products containing psychotropic drugs or narcotics
12. Defence of publication in the course of business
13. Wholesale dealing
14. Feedingstuffs
15. Exemptions
16. Fees

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The Veterinary Medicines Regulations 2006. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

PART 3

Records

17. Food-producing animals: proof of purchase of veterinary medicinal products
18. Food-producing animals: records of administration by a veterinary surgeon
19. Food-producing animals: records of acquisition and administration
20. Food-producing animals: retention of records
21. Records by a holder of a manufacturing authorisation
22. Records by a holder of a wholesale dealer's authorisation
23. Records of the receipt or supply of prescription products
24. Records of products administered to a food-producing animal under the cascade

PART 4

Unauthorised veterinary medicinal products

25. Importation of an unauthorised veterinary medicinal product
26. Possession of an unauthorised veterinary medicinal product
27. Supply of an unauthorised veterinary medicinal product

PART 5

Miscellaneous provisions, enforcement and offences

28. The Veterinary Products Committee
 29. Procedure for suspending, etc. a marketing authorisation or animal test certificate
 30. Duties on the Secretary of State relating to exports
 31. Time limits
 32. Appointment of inspectors
 33. Powers of entry
 34. Powers of an inspector
 35. Inspection of pharmacies
 36. Obstruction
 37. Improvement notices
 38. Appeals against improvement notices
 39. Powers of a court on appeal
 40. Seizure notices
 41. Publication of notices
 42. Penalties
 43. Northern Ireland
 44. Revocations and amendments
- Signature

SCHEDULE 1 — MARKETING AUTHORISATIONS

PART 1 — Application for a marketing authorisation

1. Application for a marketing authorisation
2. Information with the application
3. Summary of product characteristics
4. Supply of a copy of the summary of product characteristics

Changes to legislation: There are outstanding changes not yet made by the [legislation.gov.uk](https://www.legislation.gov.uk) editorial team to *The Veterinary Medicines Regulations 2006*. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

5. Time limits for applications for products for use in food-producing animals
PART 2 — Derogations from some of the requirements in Part 1
6. Scope
7. Bibliographic application
8. Application for a product using a new combination of active substances
9. Application using existing data
10. Application for a pharmacologically equivalent medicinal product
11. Time limits for marketing authorisations granted under the procedure for a pharmacologically equivalent product
12. Extension of time limits
13. Parallel imports
14. Specific batch control scheme
15. Similar immunological products
16. Marketing in exceptional circumstances
PART 3 — Grant of a marketing authorisation
17. Time limits
18. Place of establishment of applicant
19. Procedure
20. Products authorised in another member State
21. Assessment reports
22. Grant of a marketing authorisation
23. Marketing authorisations for food-producing species
24. Refusal of a marketing authorisation
25. Publication following the grant of a marketing authorisation
26. Provisional marketing authorisation
27. Provisions of samples and expertise
28. Supply of information
29. Duties on the holder of a marketing authorisation relating to an immunological product
30. Control tests
31. Placing on the market
32. Duration and validity of a marketing authorisation
PART 4 — Variations of marketing authorisations on the application of the holder
33. Variation of a marketing authorisation for a mutually recognised veterinary medicinal product
34. Variation of a marketing authorisation not authorised in another member State
35. Administrative variations
36. Changes after a marketing authorisation has been issued
37. Compulsory variation
PART 5 — Suspension, etc. of a marketing authorisation
38. Suspension, etc. of a marketing authorisation
39. Suspension, etc. of a marketing authorisation of a product authorised in more than one member State
40. Prohibiting the supply of veterinary medicinal products
PART 6 — Mutual recognition and multiple applications
41. Application for a marketing authorisation where one already exists in another member State
42. Application in another member State
43. Application for a marketing authorisation in multiple member States where a marketing authorisation does not exist in any member State
PART 7 — Labelling and package leaflets

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The Veterinary Medicines Regulations 2006. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

44. Approval by the Secretary of State
45. Reference to being authorised
46. Language
47. Labelling with all the information on the immediate packaging
48. Products with immediate and outer packaging
49. Package leaflets
50. Ampoules
51. Small containers other than ampoules
52. Homeopathic remedies
53. Variations
 - PART 8 — Pharmacovigilance
54. Qualified persons responsible for pharmacovigilance
55. Duties relating to the qualified person
56. Adverse reactions to a veterinary medicinal product administered in the United Kingdom
57. Adverse reactions to a veterinary medicinal product administered in a third country
58. Periodic safety update reports
59. Release of information by the marketing authorisation holder
60. Action taken on account of pharmacovigilance
 - PART 9 — Homeopathic remedies
61. Meaning of “homeopathic remedy”
62. Placing a homeopathic remedy on the market in accordance with a registration
63. Application for registration
64. Procedure for registration
65. Products on the market before 1994
66. Classification

SCHEDULE 2 — THE MANUFACTURE OF VETERINARY MEDICINAL PRODUCTS

PART 1 — Manufacturing authorisation

1. Application
2. Time limits
3. Granting the authorisation
4. The authorisation
5. Suspension or revocation of the authorisation
6. Representation to the Secretary of State
7. Inspection of premises
8. Report following inspection
9. Duties on the holder of a manufacturing authorisation
10. Qualified persons for manufacture
11. Refusal or revocation of appointment
12. Duties on a qualified person
13. Register
14. Test sites

PART 2 — Authorisation of manufacturers of autogenous vaccines

15. Authorisation to manufacture autogenous vaccines
16. Types of authorisation
17. Labelling
18. Records
19. Adverse reactions
20. Inspection of premises

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The Veterinary Medicines Regulations 2006. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

PART 3 — Authorisation of blood banks

21. Authorisation of blood banks
 22. Supply and administration of blood from a blood bank
 23. Labelling
 24. Records
 25. Inspection of blood banks
- PART 4 — Authorisation of manufacturers of products for administration under the cascade
26. Authorisation to manufacture products for administration under the cascade
 27. Labelling
 28. Records
 29. Adverse reaction
 30. Inspection of premises

SCHEDULE 3 — CLASSIFICATION AND SUPPLY, WHOLESALE DEALERS AND SHEEP DIP

PART 1 — Classification and supply of authorised veterinary medicinal products

1. Classification of veterinary medicinal products
 2. Wholesale supply of veterinary medicinal products
 3. Retail supply of veterinary medicinal products
 4. Prescriptions by a veterinary surgeon
 5. Prescriptions
 6. Written prescriptions
 7. Duties when a product is prescribed or supplied
 8. Supply by a pharmacist
 9. Supply by a veterinary surgeon when he is not present
 10. Supply of products for incorporation into feedingstuffs
 11. Labelling at the time of retail supply
 12. Supply of veterinary medicinal products for use under the cascade
 13. Supply by a suitably qualified person
 14. Annual audit
- PART 2 — Requirements for a wholesale dealer's authorisation
15. Application
 16. Time limits
 17. Granting the authorisation
 18. The authorisation
 19. Suspension or revocation of the authorisation
 20. Representations
 21. Duties on the holder of a wholesale dealer's authorisation
- PART 3 — Sheep dip
22. Supply of sheep dip
 23. Use of sheep dip

SCHEDULE 4 — ADMINISTRATION OF A VETERINARY MEDICINAL PRODUCT OUTSIDE THE TERMS OF A MARKETING AUTHORISATION

1. Administration under the cascade
2. Withdrawal periods
3. Immunological products for serious epizootic disease
4. Immunological products for an imported or exported animal
5. Administration by veterinary surgeons from other member States
6. Treatment in exceptional circumstances

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The Veterinary Medicines Regulations 2006. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

7. Administration of a homeopathic remedy

SCHEDULE 5 — MEDICATED FEEDINGSTUFFS AND SPECIFIED FEED ADDITIVES

1. Scope and interpretation
2. Enforcement of Regulation (EC) No. 178/2002
3. Enforcement of Regulation (EC) No. 1831/2003
4. Enforcement of Regulation (EC) No. 882/2004
5. Enforcement of Regulation (EC) No. 183/2005
6. Approval of manufacturers and distributors of feedingstuffs containing veterinary medicinal products
7. Incorporation of a veterinary medicinal product into a premixture
8. Incorporation of a veterinary medicinal product into feedingstuffs
9. Additional record keeping requirements relating to veterinary medicinal products
10. Labelling a premixture containing a veterinary medicinal product
11. Labelling of feedingstuffs containing a specified feed additive
12. Labelling of feedingstuffs containing a veterinary medicinal product
13. Supply of specified feed additives
14. Supply of premixture
15. Supply of feedingstuffs containing a veterinary medicinal product
16. Possession
17. Sampling and analysis
18. Storage
19. Packages and other containers
20. Transport
21. Possession, placing on the market and use of feedingstuffs
22. Prescriptions for feedingstuffs containing a veterinary medicinal product
23. Imports from third countries
24. Trade between member States

SCHEDULE 6 — EXEMPTIONS FOR SMALL PET ANIMALS

1. Animals to which this Schedule applies
2. Placing on the market, importing and administering the product
3. Manufacture
4. Approval of the active substance
5. The product
6. Labelling
7. Administration
8. Pack size
9. Adverse reactions

SCHEDULE 7 — FEES

PART 1 — Introduction

1. Interpretation of Schedule 7
2. Payment of fees
3. Time of payment
4. Multiple inspections
5. Translation

PART 2 — Fees relating to marketing authorisations

6. Fees for specified pharmaceutical applications
7. Decentralised pharmaceutical application where the United Kingdom is the reference member State

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The Veterinary Medicines Regulations 2006. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

8. Application for a marketing authorisation for an immunological product
9. Decentralised immunological application where the United Kingdom is the reference member State
10. Application for a marketing authorisation using identical data
11. Application for a provisional marketing authorisation
12. Application for a marketing authorisation relating to a parallel import
13. Application for a variation
14. Application for a variation to a marketing authorisation that has been issued in other member States
15. Application for an extension to a marketing authorisation
16. Decentralised application for an extension where the United Kingdom is the reference member State
17. Provision of information relating to the recognition of a United Kingdom marketing authorisation
18. Application for the renewal of a national marketing authorisation
19. Application for the renewal of a marketing authorisation granted in more than one member State
20. Registration of a homeopathic remedy
21. Annual fees for marketing authorisations
22. Auditor's certificate
23. Late payment of annual fees
- PART 3 — Fees payable by manufacturers
24. Application for a manufacturing authorisation
25. Application for a variation of a manufacturing authorisation
26. Application for an authorisation to manufacture an autogenous vaccine or a product for administration under the cascade
27. Annual fees
28. Site inspections—type of site
29. Inspection of a site where immunological veterinary medicinal products are manufactured
30. Inspection of a site where sterile veterinary medicinal products are manufactured
31. Inspection of a site where no immunological or sterile veterinary medicinal products are manufactured
32. Inspection of a site where veterinary medicinal products are assembled
33. Test sites
34. Animal blood bank authorisations
35. Expenses
- PART 4 — Fees relating to a wholesale dealer's authorisation
36. Application for a wholesale dealer's authorisation
37. Variation of a wholesale dealer's authorisation
38. Annual fee for a wholesale dealer's authorisation
- PART 5 — Fees relating to feedingstuffs
39. Fees relating to feedingstuffs
40. Fees relating to distributors
- PART 6 — General
41. Testing samples
42. Animal test certificates
43. Treatment under the cascade
44. Treatment in exceptional circumstances
45. Specific batch control
46. Submission of control tests of an immunological product
47. Export certificates

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The Veterinary Medicines Regulations 2006. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

48. Fees relating to premises for supply by suitably qualified persons
49. Application to the Veterinary Products Committee
50. Non-payment of fees
51. Waiver or reduction of fees
52. Reduction of application fee
